NISSAN INTELLIGENT MOBILITY

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving us to a world that's safer, more sustainable, and exciting.

NISSAN®

2020
SENTRA®

[1]Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [2]Availability of features vary by vehicle model year, model, trim level, packaging, and options. [3]2020 EPA Fuel Economy Estimates 29 City / 39 Highway / 33 Combined for Sentra S and SV; 28 City / 37 Highway / 32 Combined for Sentra SR. Actual mileage may vary with driving conditions. Use for comparison only. [4]Available feature. [5]If equipped, your vehicle may include NissanConnect® connected features and services such as Emergency Call and Automatic Collision Notification for one year, Wi-Fi, Navigation, Bluetooth® and other connected features that can be viewed by model on the NissanConnect website here: **NissanUSA.com/connect/package-specs**. For complete information about your NissanConnect features and services, please consult your vehicle's NissanConnect Owner's Manual at **Owners.NissanUSA.com/nowners/navigation/manualsGuide**. For more information, please visit **NissanUSA.com/connect/important-information**. Compatible connected device may be required. Subject to GPS and wireless network availability and connection, and system/technology limitations. NissanConnect with Wi-Fi terms and conditions of subscriber agreement apply. [6]Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. [7]Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. [8]Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [9]Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [10]Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. [11]Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. [12]Lane Departure Warning operates only when lane markings are able to be detected. See Owner's Manual for safety information. [13]Cargo and load capacity limited by weight and distribution. Always secure cargo. [14]Extra cost option. [15]Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. [16]RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. [17]Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. [18]Intelligent Trace Control cannot prevent collisions or loss of control. Driver should remain in control of vehicle at all times. See Owner's Manual for safety information. [19]Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. [20]See Owner's Manual for safety information. [21]Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [22]Information displayed is dependent on how vehicle is equipped. [23]Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. [24]Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. [25]Vehicle must be on for the Easy-Fill Tire Alert to operate. [26]Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [27]State laws may apply. Review before using. [28]Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. [29]Genuine Nissan Accessories are covered by Nissan's Limited Warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See dealer, Warranty Information Booklet, or **parts.NissanUSA.com** for details. [30]Vehicle shown is for illustrative purposes only. Not representative of brochure's model year/model. [31]Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [32]Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. [33]For a period of 36 months/36,000 miles from the date the vehicle is delivered to the first retail buyer or otherwise put into use, whichever is earlier. NISSAN INTELLIGENT MOBILITY™

Not an evolution, this is a revolution. Athletic proportions and artistry in every detail. More standard horsepower and dynamic performance, through every curve. A seamless connection to your smart tech.[1] And driver assistance to make confidence second nature.[2] This is the all-new Sentra.® This is Nissan Intelligent Mobility.[2]

Nissan Sentra® SR shown in Two-tone Monarch Orange Metallic / Super Black with optional equipment.

Class-defying interior

This interior inspires interaction, from the soft materials on the door panels and dash to the artful stitching and available leather-appointed seats. An available Bose® Premium Audio System was engineered for the unique cabin acoustics of Sentra, providing a rich listening experience. You'll find it easier to focus on the road with intuitive controls and the touch-screen display that's been raised to your eye level. And with touches like matte chrome accents and GT-R®-inspired air vents, Sentra® is just showing off.

Nissan Sentra® SR shown in Charcoal Sport Leatherette with optional equipment.

39 hwy mpg[3]

More driving excitement, Same impressive fuel efficiency

The lower, wider stance on the all-new Sentra® makes you feel more connected to the road, revving up the excitement between point A and point B. The new independent rear suspension can help smooth out the potholes and rough spots. All of this comes with the same impressive fuel efficiency Sentra is known for.[3]

Smartphone Connectivity

APPLE CARPLAY® INTEGRATION People to see? Places to be? Just ask Siri.® Equipped with Siri® voice control, Apple CarPlay® integration brings on board to your Sentra your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more. It even works with your steering wheel controls to adjust volume and toggle through screens. Simply plug in your compatible iPhone® and go.[4, 5, 6]

Works with Apple CarPlay

ANDROID AUTO™ Get where you're going with Google Maps as your guide and Google Play Music providing the soundtrack along the way. Choose a song, change your destination, or respond to a text with your hands on the wheel using the hundreds of available voice commands.[4, 5, 6, 7]

androidauto

NISSAN INTELLIGENT MOBILITY™

Nissan Safety Shield® 360

As part of Nissan Intelligent Mobility, Nissan Safety Shield 360 includes features that monitor in front of you, behind you, and on either side, and can step in to help keep you safe. The following confidence-inspiring features are all standard on every Sentra.[2]

Automatic Emergency Braking with Pedestrian Detection[8] | Rear Automatic Braking[9] | Rear Cross Traffic Alert[10] | Blind Spot Warning[11] | Lane Departure Warning[12] | High Beam Assist

Versatility for all your plans

The all-new Sentra is road trip-approved with a lower, wider trunk, 60/40 split rear seats to help you pack long items like skis,[13] and up to three USB ports to give more passengers a charge.[1, 4]
