[1]Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. [2]See **NissanUSA.com/connect/legal** for more NissanConnect features/services information. [3]Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. [4]Feature availability varies by vehicle model year, model, trim level, packaging and options. **Consumer activation of NissanConnect® Services SELECT package ("Package") required.** Package trial period included with eligible new vehicle purchase or lease. Trial period may be subject to change or termination at any time and without notice. After trial period ends, monthly subscription fee required. Driving is serious business and requires your full attention. Only use features when safe and legal to do so. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Connectivity service required. App subscriptions may be required. Data rates may apply. Subject to third party service availability. Should such service providers terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents. Google, Google Play and Google Maps are trademarks of Google LLC. For more information, see **NissanUSA.com/connect/legal.** [5]Extra cost option. [6]Information displayed is dependent on how vehicle is equipped. Do not use for extended periods of time. See Owner's Manual for important safety information. [7]Information displayed in image is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all time so full attention may be given to vehicle operation. [8]Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. [9]Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Smartphone or other external device not included. [10]Driver-assist and safety features have limitations which affect how they function in certain situations. The driver must never rely exclusively on any vehicle feature to warn about, prevent, or lessen the severity of a collision. It is the driver's responsibility to always be in control, monitor the surroundings, and safely operate the vehicle. Read your vehicle's Owner's Manual for further information. [11]Fuel economy based on targeted 2026 EPA fuel economy estimates for 2026 Rogue – EPA data not available at time of publication. Targeted 2026 fuel economy 30 City MPG / 37 Highway MPG / 33 Combined MPG for Rogue S and SV FWD. 28 City MPG / 35 Highway MPG / 31 Combined MPG for Rogue S and SV AWD. 27 City MPG / 32 Highway MPG / 29 Combined MPG for Rogue Rock Creek AWD. 29 City MPG / 36 Highway MPG / 32 Combined MPG for Rogue SL FWD. 28 City MPG / 34 Highway MPG / 31 Combined MPG for Rogue SL and Platinum AWD. MPG estimates based on Nissan internal testing results, subject to EPA confirmation. Actual mileage may vary with driving conditions. Use for comparison only. [12]Virtual composite 360° view. [13]Feature availability varies by vehicle model year, model, trim level, packaging and options. [14]Traffic Sign Recognition may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. See Owner's Manual for details. [15]ProPILOT Assist 2.1 can't prevent collisions. Driver at all times responsible to maintain safety by monitoring traffic, controlling vehicle, and if needed steer, brake or accelerate. System works only when lane markings detected and does not function in all weather, traffic and road conditions. See Owner's Manual for safety information. NissanConnect Services subscription required. See **NissanUSA.com/connect/legal.** [16]Remote Engine Start System to be used only in accordance with laws or rules in effect in your vehicle's location. [17]Available only on Nissan vehicles with AT&T-compatible in-vehicle Wi-Fi hotspot capability. Subject to third party service availability. Trial activation required. Trial ends when all data is used or period ends, whichever comes first. Use features only when safe and legal. Data charges may apply. **Subject to AT&T terms and conditions and its privacy policy, and are not within Nissan's control. Visit www.att.com/csa for complete terms and conditions.** Trial subscription is subject to change or early termination at any time without notice. Trademarks and trade names are those of their respective owners. [18]Driving is serious business and requires your full attention. Do not operate any devices connected to the power outlets while driving. [19]Inspired by ballistic nylon. [20]**Nissan vehicle with "SiriusXM with 360L" capability:** SiriusXM with 360L trial period is included with the purchase or lease of a new Nissan vehicle if: (i) vehicle is equipped with SiriusXM with 360L capability and (ii) vehicle is purchased or leased from new Nissan dealer stock. Trial period begins on the purchase or lease date of the qualifying new Nissan vehicle. SiriusXM with 360L is owned and operated by SiriusXM, use of SiriusXM account and its services and features are subject to the SiriusXM Customer Agreement and Privacy Policy available at **siriusxm.com**, and are not within Nissan's control. Should SiriusXM terminate, change, or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents. Nissan and its partners or agents are also not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Trial period is subject to change or early termination at any time without notice. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **SiriusXM and SiriusXM with 360L Trial Subscription:** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription package. All fees, content and features are subject to change. [21]In-vehicle myQ Garage app connection and connectivity services required. myQ Connected Garage Control ("myQ Product(s)") are owned and operated by Chamberlain Group LLC ("CG"), use of myQ Products are subject to myQ Terms of Service (**https://www.myq.com/terms-of-use**), and are not within Nissan's control. NISSAN®

ROGUE®

2026

Your ultimate journey starts here

Adventure is out there waiting for you. And the 2026 Nissan Rogue® is the ride to help get you there, confidently and safely. Generous cargo space lets you bring the family and your gear.[1] An available 12.3" touch-screen display makes navigating your vitals even easier. And advanced connectivity utilizes features like available Google built-in, giving you access to Google Assistant and Google Maps — all without a phone.[2, 3, 4] The capacity for fun never ends in the bold, capable Rogue.

Nissan Rogue® Rock Creek® AWD shown in Boulder Gray Pearl.[5]

Welcome to your mobile sanctuary

Inside, Rogue® helps provide your driving data in all the right places, bringing a sense of peace to every great escape. Get control of your surroundings with the available advanced displays that showcase all of Rogue's vital signs.[2, 6, 7] Find comfort with the available memory driver's seat, heated front seats, and heated steering wheel. Sophistication, quality, and style surround you and your crew and make Rogue the ultimate road trip-ready ride.

Tune into the sound The available Bose Premium Audio System helps to provide a highly customized listening experience for Rogue. Based on a proprietary design and the acoustical analysis of the cabin, Bose brings the power of sound to every seat.

Nissan Rogue® Platinum AWD shown in Chestnut Quilted Semi-aniline Leather appointments.

Good things happen in threes

Three advanced displays deliver three times the personalization. An available, high-resolution 12.3" touch-screen display,[2] 12.3" digital dashboard,[7] and Head-Up Display[6] allow you to customize your data your way. And with available Google built-in, you can talk to Google Assistant to find nearby restaurants and stores, call or text friends, and even access music to keep your crew entertained for hours.[2, 3, 4, 8]

Don't lose sight of what matters

Check out your driving information on the available 12.3" digital dashboard, or use the available Head-Up Display to stay focused on the road ahead as it projects data like speed, turn-by-turn directions, and more directly onto the windshield.[3, 6, 7]

Experience maximum compatibility

Equipped with Siri® voice control, Apple CarPlay® brings your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more along for the ride. And with available wireless Apple CarPlay® integration, you can leave the cords behind.[2, 3, 8, 9]

Talk to Google Assistant on Android Auto and get things done with your voice. Easily send messages, get directions, control media, and more. Just say, "Hey Google" to get started.[2, 3, 8, 9]

The vortex of good times

This is where the memories happen — the thrills, the spills, the laughter, and the triumphs. Fortunately for you, Rogue® offers plenty of space for five and enough room for gear in the back, too.[1] The second row is easy for your crew to access with rear doors that open almost 90 degrees. Available soft quilted semi-aniline leather-appointed seats deliver comfort, durability, and style, and the available Tri-Zone Automatic Temperature Control gives you and your passengers three separate comfort zones so everyone can find the right temperature. Available rear USB-C ports help keep everyone connected, and the kids can even forecast the weather by simply looking up through the available Dual Panel Panoramic Moonroof.

Nissan Rogue® Platinum AWD shown in Charcoal Quilted Semi-aniline Leather appointments.

Set it down, charge it up

No mess, no cords, no clutter. Get your invisible charge by simply setting down your compatible smartphone onto the available wireless charger, and the powering begins.[9]

Left or right, out of sight

The armrest compartment has a butterfly design so that both front and rear passengers can access it. It's just big enough to store the essentials and still keep your inside clear of clutter.

Plan your great escape

Rogue® is designed to accommodate all sizes of cargo, from sunglasses and pens that fit in the under-console passageway to shopping bags and camping gear that fit in the cargo area. There's even a special spot for your milk cartons. This cargo area is loaded with possibilities, including a 60/40-split fold-down second row, an available Divide-N-Hide® cargo system, and a set of adjustable dividers to create many different storage configurations. Find the perfect fit for school days, vacation days, and almost everything in between.[1]

Rock Creek® — the rugged side of Rogue®

In the Rogue Rock Creek, adventure is a philosophy to live by. Equipped with an impressive checklist of reliable features, including an HD Intelligent Around View® Monitor with Off-Road Mode,[10] black tubular roof rack,[1] 17" dark-painted aluminum-alloy wheels with rugged, all-terrain tires, and more, Rock Creek takes you from the indoors to the outdoors, in style and confidence.

Nissan Rogue® Rock Creek® shown in Boulder Gray Pearl.[5]

Nissan Rogue® Platinum AWD shown in Deep Ocean Blue Pearl / Super Black Two-tone.[5]

Life begins where the road ends

This ultimate family SUV is designed for the adventures that lie ahead. Weekends at the cabin, city escapes, days at the lake — you name it. Capability and reliability are at the core of every new Rogue. The available Intelligent All-Wheel Drive system helps give you the traction you need to go from street to dirt to snow, including five Drive Modes, available with the twist of a dial.[10]

Efficiency? Meet power

Up to	Up to	Up to
37	201	225
hwy mpg[11]	horsepower	lb-ft of torque

Rogue® is arguably the perfect getaway SUV. The Variable Compression Turbo (VC-Turbo®) engine that powers Rogue has the capability to take you far. It delivers low-compression, turbocharged power and high-compression, fuel-sipping efficiency. An abundance of power combined with long-distance efficiency bring long-lasting confidence on every getaway.[11]

Standard Nissan Safety Shield® 360

Feel confident knowing that Rogue has a set of advanced systems that can help look out for you and your precious cargo. Nissan Safety Shield 360 includes six features that monitor in front of you, behind you, and on either side and can step in to help keep you safe.[10]

Automatic Emergency Braking with Pedestrian Detection[10] | Rear Automatic Braking[10] | Blind Spot Warning[10] | Rear Cross Traffic Alert[10] | Lane Departure Warning[10] | High Beam Assist

Eyes just about everywhere

Available 3D Enhanced Intelligent Around View® Monitor Rogue helps make fitting into tight parking spots easier by giving you a virtual composite 360° bird's-eye view, and it even lets you interact with the image, spin it around, and select from one of eight fixed 3D views for the best angle. You can select from split-screen close-ups of the front, rear, and curbside views to get the best possible fit.[10, 12]

Available Invisible Hood View Your Rogue can also provide a virtual look at what's lurking underneath you, so no more surprises from those hard-to-see places. It's like having X-ray vision and takes awareness of your surroundings to the next level.[10, 13]

Taking the edge off traffic

Traffic conditions are constantly changing. Rogue can help you adapt with great assurance.[10]

Available ProPILOT Assist helps you ease through the stop-and-go of highway traffic and helps you stay centered in your lane. Once engaged, ProPILOT Assist allows you to ease your grip on the wheel, relax your feet, and enjoy the ride. Relax your ride even more with ProPILOT Assist 2.1 — it allows you to remove your hands from the wheel and your feet from the pedals during long freeway drives.[10, 13, 15]

NISSAN ROGUE® ACCESSORIES

Turn brand-new into all you

Every Genuine Nissan Accessory is custom-fit, custom-designed, and durability-tested. Each one is also backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty (if installed by the dealer at the time of new vehicle purchase) and can be financed when installed by the dealer at time of new vehicle purchase.[22] Affiliated Yakima® accessories are not warranted by Nissan. Refer to product manufacturer for warranty details. Nissan Limited Warranty does not cover damages or failures to the vehicle caused by improper installation or alterations of any Nissan-affiliated accessory or component. Contact your dealer/retailer for details.[23]

For more information and to shop online for Rogue Genuine Nissan Accessories, scan the code.
