

1981 CHRYSLER FIFTH AVENUE · NEW YORKER · NEWPORT

New Yorker shown in Heather Mist Metallic.

The Luxurious New Yorker

Full size luxury. A car of comfort and convenience for six adult passengers.

So many reasons for superiority. This is a car built to the high standards of quality... more than a first-class exterior, the New Yorker is designed with the aid of computers, constructed of corrosion-resistant materials and checked and rechecked through every stage of assembly.

The proven 5.2-liter (318 CID) V-8 engine starts with the dependability of electronic ignition and moves the New Yorker through a wide ratio Torqueflite automatic transmission. Power front disc brakes and steering give you control without effort. Rear leaf spring suspension and smooth-riding front torsion bars ensure a superb ride... a ride tested and retested on the Chrysler proving grounds.

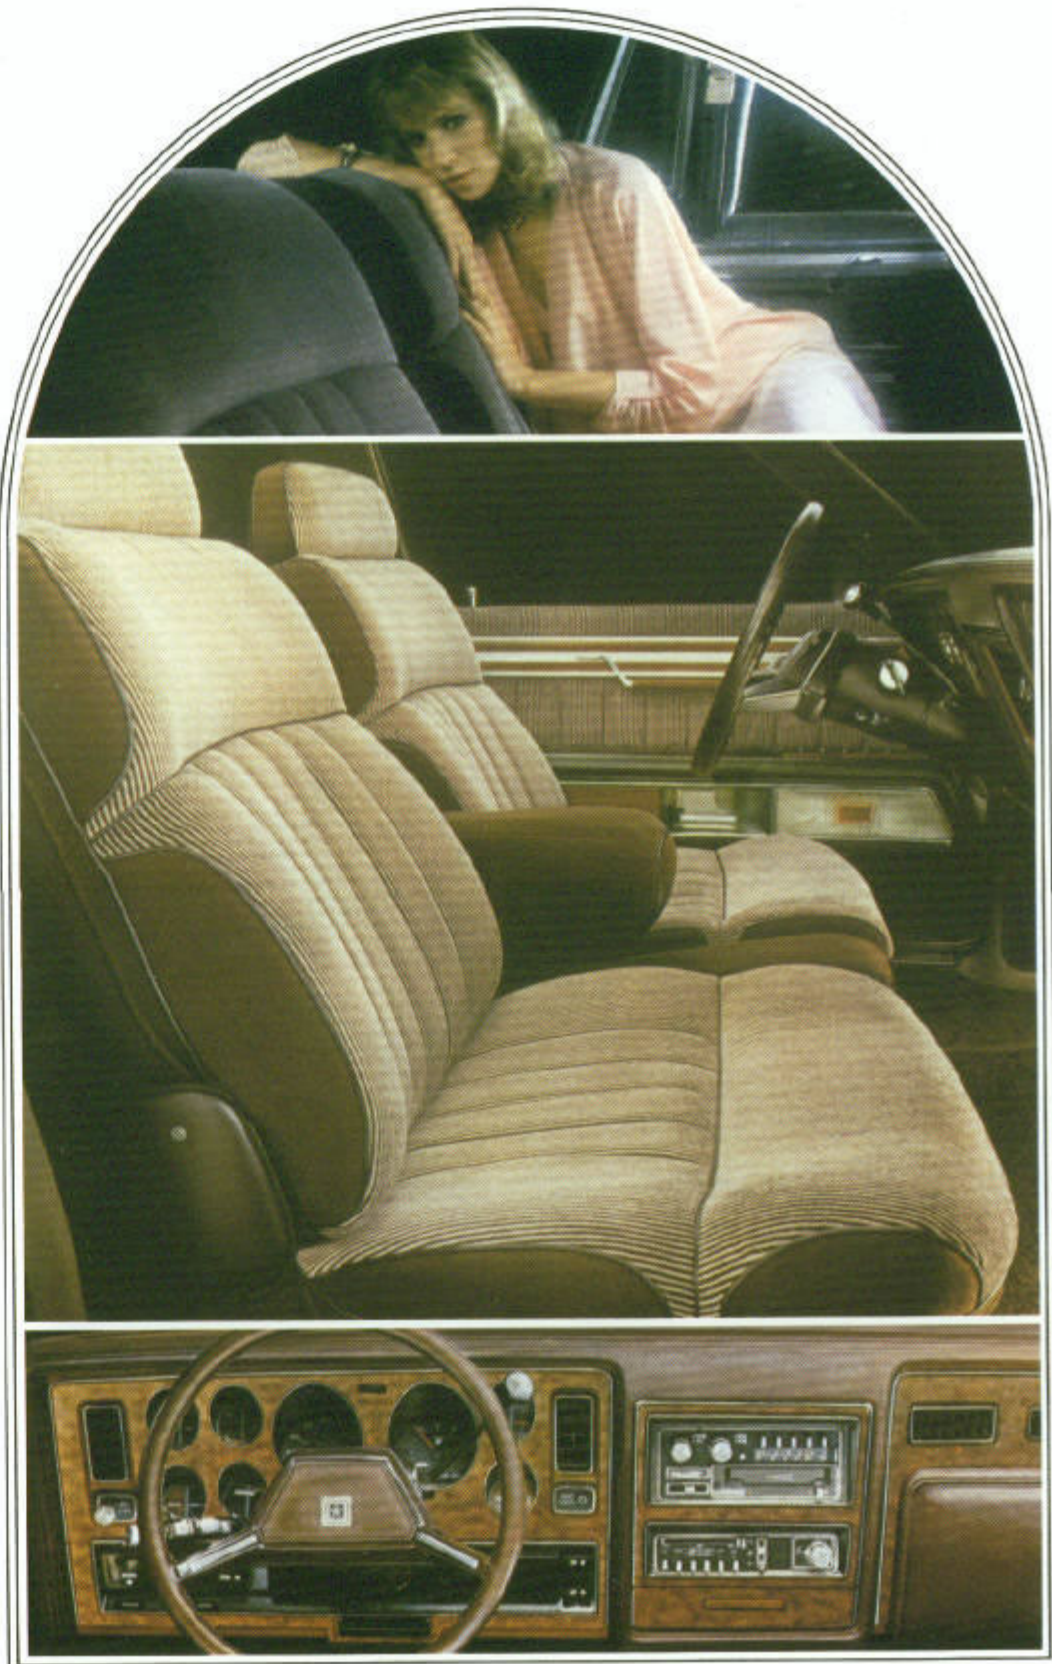

In fact, The New Chrysler Corporation is so sure of New Yorker's quality engineering and construction, it offers a 30-Day/1,000-Mile (whichever comes first) Satisfaction Money-Back Guarantee that's available at many dealers. See page 8 of this catalog for full details.

New Yorker's standard interior has opulent Richton cloth for lap-of-luxury comfort and the relaxation of folding center armrests, front and rear, and individually adjustable front seat with passenger side recliner. There is also optional genuine leather seating.

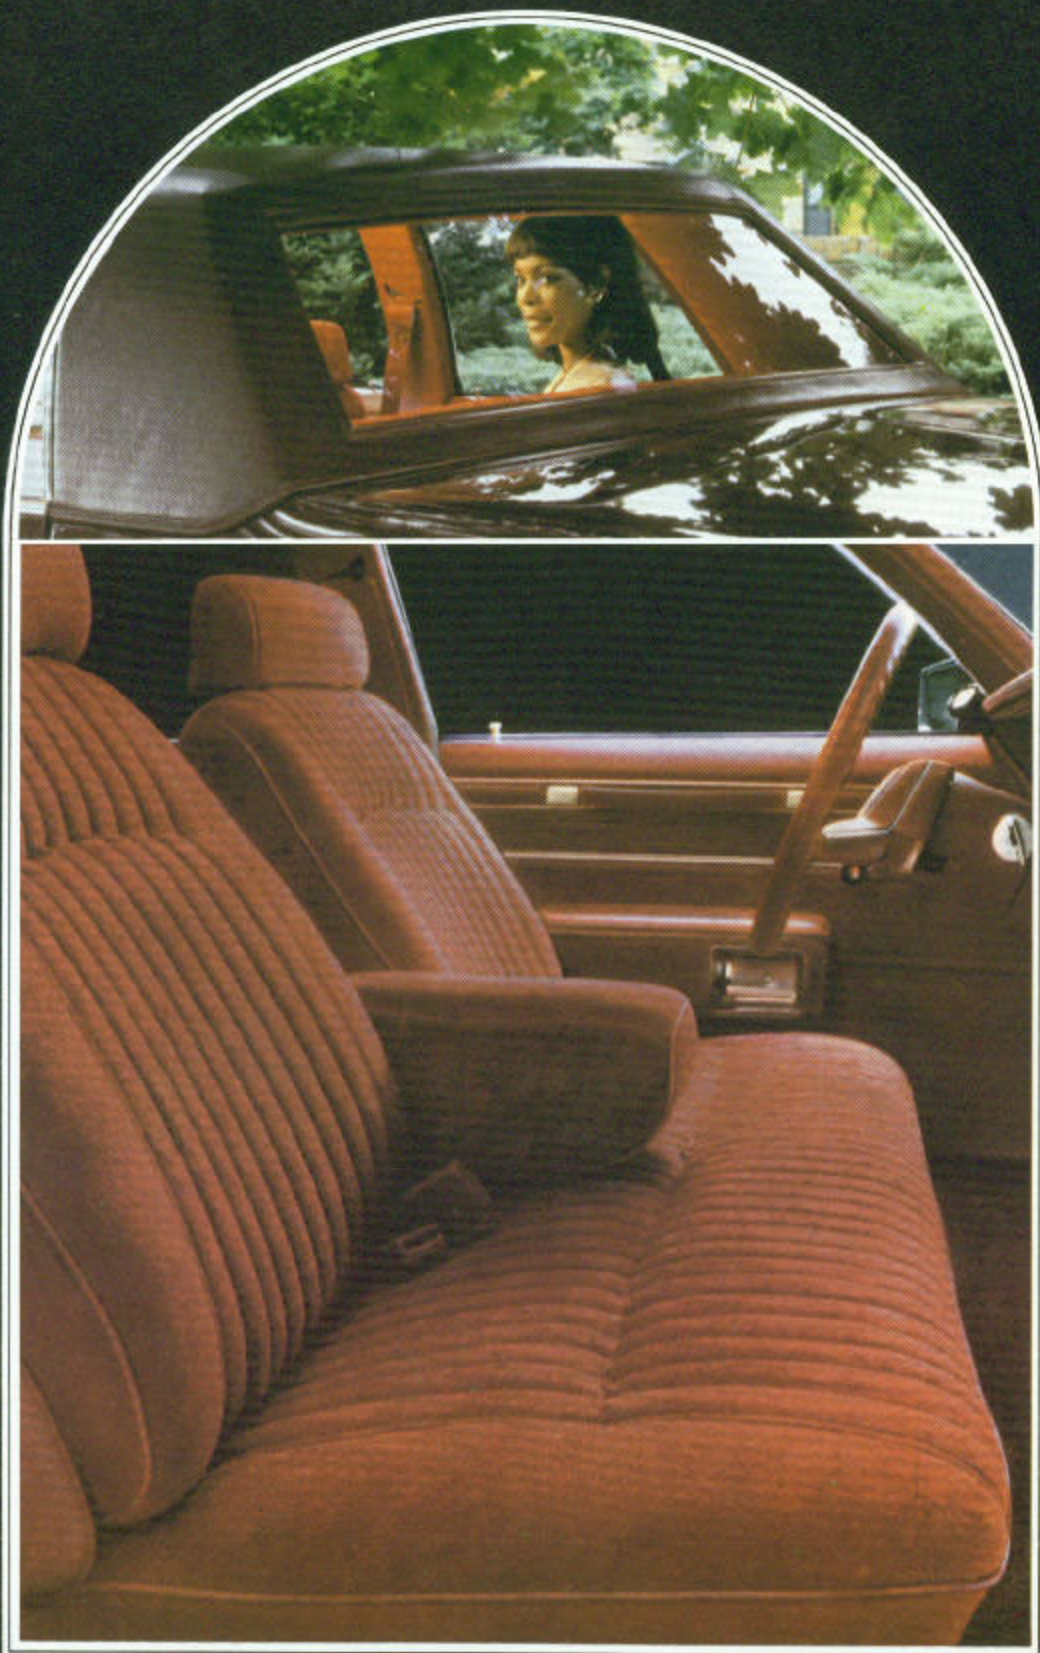

Fifth Avenue... the ultimate New Yorker

Our cover story automobile, gleaming in two shades of metallic paint, Mahogany Starmist and Heather Mist, commands headlines wherever it appears. This is the Fifth Avenue Edition of Chrysler New Yorker, showing the optional Carriage Roof Package. With this Package, a sun roof, aluminum road wheels, Sure-Grip axle, 318 four-barrel engine and the California Emissions Package are your only options. All else on the Fifth Avenue is standard luxury. One price - one incredible automobile. And Fifth Avenue brings you everything you will find in the New Yorker plus so much more... specially edge-lighted quarter windows with "Fifth Avenue" script; padded vinyl landau roof; wire wheel covers; tilt-steering column; deluxe windshield wipers with intermittent wipe; and the unmistakable quality of featherwood woodtone appliques. The interior is a wonderland of deep-pile carpeting, standard fine LaCorde cloth trim or optional leather and vinyl seating.

About this catalog. We have tried to make this catalog as complete as possible. And we hope you find it useful. However, since the time of printing, some of the information you'll find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and you should ask him for current information before ordering.

Deep-seated comfort is standard with New Yorker Fifth Avenue. Here you see the Mahogany LaCorde cloth-and-vinyl 60:40 individually adjustable power driver's seat with folding center armrest and passenger side seatback that reclines at the touch of a lever. Instant feedback is yours from the instrumentation of the Fifth Avenue control panel. And you direct Fifth Avenue with the leather-covered luxury of this two-spoke steering wheel with inset Pentastar medallion.

Chrysler Newport Defined

Chrysler Newport is a car designed for prospects who want the comfort of a really roomy, affordable six-passenger family sedan but who also want some luxury in that sedan... a car built in keeping with Chrysler's commitment to quality materials, assembly and ongoing research and development.

Yet this is a car where much that is best remains unseen. There is a 21.3-cubic-foot trunk; a 430-ampere Maintenance-Free battery now standard with all engines; and a weight-efficient design to enhance fuel economy.

Chrysler Newport is a car priced to be affordable even for young families who will find that Newport costs no more than what they were considering paying for a much smaller and less comfortable car. And Newport has these fine features as standard equipment: TorqueFlite automatic transmission; 3.7-liter (225 CID) one-barrel Slant Six engine; glass-belted radial-ply white sidewall tires; power steering; power brakes (disc front, drum rear); Premier wheel covers; full foam-padded seat cushions, front and rear; multifunction column-mounted control lever for turn signals, headlamp beam selection and windshield washers and wipers; luxury-style, full padded vinyl roof; color-keyed body-side accent stripes—and the list continues. There is so much Chrysler Newport.

Standard up-front comfort with Newport means a cloth-and-vinyl split-back bench seat with folding center armrest (shown in Red). This padded full vinyl roof, including color-keyed rear window molding, is standard on Newport and not otherwise available.

Newport shown in Baron Red.

1981 READY-TO-ORDER FORM NEWPORT/NEW YORKER

New Yorker Fifth Avenue Package
Optional real leather and vinyl 60/40 individually adjustable seats with folding center armrest and passenger side seatback recliner. Colors: Heather, Mahogany, Cashmere, Dark Blue.

PICTURED OPTIONS

1. Electronic Digital Clock.

Vacuum fluorescent digital display and outstanding accuracy— to within a minute a month. A timely option. (Chronometer standard on Fifth Avenue Edition and New Yorker.)

2. Styled Aluminum Road Wheels.

Seen in the best circles— on New Yorker and Newport.

3. Lighted Vanity Mirrors with Dual Level Lighting.

Located on the sun visors to reflect even more beauty. (Standard on Fifth Avenue.)

4. Power Seats.

Adjust the driver's seat six ways for ease and comfort, particularly when different people drive. Three switches for precision adjustment.

5. Automatic Speed Control/Intermittent Wipers.

These optional features can be incorporated into the standard multifunction, column-mounted control lever. The intermittent windshield wiper has a delay mode that can be set for pauses of two to 15 seconds.

6. Tilt Steering Column.

For your personal driving convenience: a

steering wheel that adjusts to six different positions for the one that is best for you. (Standard on Fifth Avenue.)

7. AM/FM Stereo Radio with Cassette Player.

This radio option features superb sound and the Dolby[®] noise reduction system which minimizes hiss on Dolby-encoded cassette cartridges and FM broadcasts.

[®]Dolby is a trademark of Dolby Laboratories, Inc.

8. Air Conditioning.

Semi-automatic temperature control or manual control air conditioning systems offer quiet performance, rapid cool-down rates and six outlets.*

*Vehicles without factory air conditioning have special requirements including requirements for later air conditioning installation. See your dealer for details.

9. 5/50 Protection Plan is an optional service contract. It's the longest protection plan[†] of any domestic manufacturer and covers major power train components for five years or 50,000 miles (whichever comes first) from the time you take delivery of your new Chrysler. Coverage begins after the limited warranty expires. The plan, which has a \$50 deductible per repair visit, also has an allowance for alternate transportation and towing. Ask your dealer for full details, including plan availability in your area.

[†]Provisions of plan necessary with manufacturer.

10. Convex Outside Mirror.

Still another Chrysler convenience touch: a right convex remote control mirror.

OPTIONAL PACKAGES

Basic Group

•Manual air conditioning (standard New Yorker) •AM radio (Newport) •Remote control mirror—left (standard New Yorker) •Remote control convex mirror—right (New Yorker) •Light Package (standard on New Yorker) •Deluxe windshield wipers •Vinyl body-side molding •Undercoating

Light Package

(Included in Basic Group and New Yorker and Fifth Avenue Packages) •Trunk light •Glove box light •Ash receiver light •Map/courtesy light (standard New Yorker) •Ignition switch time delay light •Door ajar warning light •Fuel, temperature and alternator warning lights •Washer fluid level light •Hood and brake release light •Rear door courtesy light •Under hood light

Premium Speaker System

All stereo sound systems on Newport and New Yorker can be ordered with optional Premium Speaker System. This system—featuring two front and two coaxial rear speakers—reproduces stereo programs and tapes with dramatic realism. A special 30-watt (15 watts per channel) rear

amplifier with two piezo electric two-way coaxial rear speakers gives the stereo an exciting new dimension. Just push the power level switch button on the instrument panel to cut in the rear amplifier and coaxial speakers. LED indicator light glows when the rear amplifier is functioning. When the switch is not on, the rear speakers are powered by the amplifier that drives the front speakers.

Heavy-Duty Package (not available with Fifth Avenue Edition Package or forged aluminum road wheels.)

Requires 318 CID four-barrel engine, P225/70R15 steel belted radial tires, conventional spare tire, Sure-Grip differential •Heavy-duty suspension, heavy-duty rear springs, heavy-duty shock absorbers •500-amp Long Life Maintenance-Free battery •Variable load turn signal flasher •Extra-wide wheel rim •Auxiliary transmission oil cooler •3.2 axle ratio •Heavy-duty 65-amp alternator •Seven-wire harness with jumper •Power steering oil cooler •Engine Cooling Package

30-Day Satisfaction Money-Back Guarantee.

If you are not completely satisfied with your Chrysler New Yorker or Newport, bring it back in good condition with no metal damage. Once your dealer receives clear title we'll refund your money less finance and insurance charges and less the difference, if any, between the trade-in refund value (as shown on the "Trade-In Refund Agreement") and the trade-in value allowed on the retail sales contract. One refund per customer. See your dealer for details.

Corrosion Protection

Chrysler Corporation's corrosion protection is among the best in the industry. It includes the use of galvanized sheet metal panels, one of the best known methods of corrosion protection, as well as the seven-step dip-and-spray process. Both keep your New Yorker/Newport looking new for years to come.

All product illustrations and specifications are based on authorized information. Although descriptions are believed correct at publication approval, accuracy cannot be guaranteed. Some of the equipment shown on product illustrations is optional, at extra cost. Chrysler Corporation reserves the right to make changes from time to time without notice or obligation in prices, specifications, colors and materials and to change or discontinue models. See your dealer for the latest information.
