

2011 DODGE NITRO
800-4ADODGE // DODGE.COM

DODGE NITRO

01. NITRO HEAT. From looks to performance to overall value, Nitro Heat drivers not only want it all, they expect it all. For them, must-have features shouldn't cost more, they should be standard.

02. NITRO DETONATOR. Stand out and be noticed. Inside and out, Nitro Detonator is always dressed right for the occasion with custom-looking details. When Nitro Detonator drivers take to the streets, they take their style with them.

03. NITRO SHOCK. With top-level standard equipment, responsive performance, aggressive styling, and the luxury of leather-trimmed seats, Nitro Shock drivers look at their vehicles as extensions of their personalities.

03

This is not another look-alike SUV. With its aggressive body-color grille and bright billet inserts, pronounced body-color fender flares, tinted glass, and fierce hood graphics on Nitro Detonator and Nitro Shock models, Nitro delivers head-turning style. Large headlamps attach to the grille and taillamps wrap around for a custom appearance. Standard 20-inch wheels, chrome accents, and side vent details add even more impact.

Nitro Shock in Redline Red 2 Coat Pearl.

Nitro Shock with Dark Slate Gray leather-trimmed interior.

Nitro doesn't check its attitude at the door. Step inside and you'll find an interior that's as striking as it is accommodating. Seating for five, an available six-way power adjustable driver's seat, and a standard 60/40 split-folding reclining rear seat that can be adjusted to take care of occupants in the most comfortable of ways. Nitro's class-exclusive^[1]* fold-flat front-passenger seat transforms the molded seatback into an instant utility table^[2] for a laptop or other items. The split-folding rear seats provide the flexibility to create a nearly flat surface for added cargo-carrying capacity. Choose between cloth or leather-trimmed seats, depending on trim level. Nitro Detonator models amp things up with color-keyed inserts in Yellow, Orange, Red, or Light Slate Gray, while Nitro Shock boasts heated seats with leather trim and accent-color stitching.

*A note about this brochure: All disclaimers and disclosures can be found on page 16.

STAY CONNECTED. Outfit your Nitro with Uconnect® to help stay in touch with the people, music, and devices that matter most. It acts as the hub for your most important media – cell phone, Internet, satellite radio, navigation system, and personal devices, such as an iPod® or smartphone. The Uconnect user-friendly systems are designed to make your life easier, wherever you roam.

PHONE. Talking on the phone while driving has never been easier – or more responsible. Uconnect Phone is the in vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth® compatible phones and then talk virtually hands-free. This system is also clever enough to synchronize with your phone's address book^[5] – up to 1,000 entries – every time you get into your vehicle.

WEB. Put the power of high-speed Internet in your vehicle with Uconnect Web.^[3] Effortlessly connect any WiFi-enabled device to the Internet at 3G broadband speeds, making your vehicle a mobile Hotspot within a 150-ft range. Use multiple devices at the same time. There's no need for cell cards or software with this unique Authentic Accessory by Mopar – connectivity is all done wirelessly. Subscription required. Sold separately.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select FM radio stations, SIRIUS® Satellite Radio^[4] channels, make and receive calls, select navigation destinations, and record voice memos. This smart system technology can also be trained to better recognize your voice and can understand commands in English, French, and Spanish.

ENTERTAINMENT. Manage all of your media. You'll have six ways to access audio, including SIRIUS Satellite Radio^[4] (your first year of service is included), a 30GB hard drive, Bluetooth Streaming Audio, auxiliary input jack, CD, and radio. A Mopar accessory, Rear Seat Video, can be accessed many ways: DVDs; compatible multimedia devices, and gaming consoles.

NAVIGATION. Provides turn-by-turn guidance by Voice Command and visual display. It can also locate nearby restaurants, shopping, hospitals, or points of local interest. Add SIRIUS Traffic^{TM[4]} for real-time traffic updates, including accident alerts, road closings, and traffic flow. Your first year of SIRIUS Traffic service is included.

SIRIUS TRAVEL LINK.^[4] Brings a wealth of useful information to your fingertips including: national weather information for current and forecasted weather, fuel prices to check local gas prices, and sports scores for in-game and final scores, as well as weekly schedules and local movie theater listings (late availability, Spring 2011).

NITRO PERFORMANCE. Attitude without fortitude is meaningless, which is why Nitro Heat 4.0, Nitro Detonator and Nitro Shock are powered by a standard 4.0-liter V6 engine. Eager to unleash 260 horsepower and 265 lb-ft of torque, it's bolstered by a refined five-speed automatic transmission. A robust performance-tuned suspension helps to provide precise road handling. On 4x4 models, a part-time transfer case system gives you the ability to change from two-wheel to four-wheel drive on the fly.

Nitro Shock in Detonator Yellow.

SAFETY. DESIGN.

ELECTRONIC STABILITY CONTROL (ESC)^[7] This package includes Brake Assist, all-speed traction control, Trailer Sway Control (when equipped with Trailer Tow Group), and Electronic Roll Mitigation (ERM). All-speed traction control monitors each wheel for slippage, estimating brake pressure and engine torque needed to control the vehicle. Trailer Sway Control engages the brakes to slow the vehicle, reduces engine torque, and helps counteract trailer sway. Electronic Roll Mitigation (ERM) estimates wheel lift potential and reduces engine power with appropriate braking to help stabilize the vehicle. **4-WHEEL ANTILOCK BRAKE SYSTEM (ABS)**. Standard four-wheel antilock disc brakes afford premium stopping power from state-of-the-art electronics that provide faster system response. ABS senses and prevents wheel lockup, offering improved steering control under extreme braking and/or slippery conditions. **AIR BAGS**^[6] All Nitro models feature standard advanced multistage driver and front-passenger air bags^[6] and supplemental side-curtain air bags^[6] with roll-sensing technology. Also standard: Front seat active head restraints^[9] move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and occupant's head, thereby helping to reduce the chance of injury. **TIRE PRESSURE MONITORING SYSTEM**. A warning light in the instrument cluster alerts the driver to tires with high or low pressure. An available premium system displays individual tire pressures. **PARKSENSE® REAR PARK ASSIST SYSTEM**^[10] This available system uses sensors and controls to inform the driver as objects get closer, allowing a better determination of distance from other objects while driving in Reverse.

When you enhance your Nitro with Authentic Dodge Accessories by Mopar, you'll make your vehicle even more outstanding. **CHROME FASCIA ACCENT.** Designed to protect with an aggressive bright chrome stance up front. **20-INCH CAST ALUMINUM WHEEL.** This custom, corrosion-resistant wheel sports a five-spoke design with a machined bright face and gloss Black pockets. **CHROME TUBULAR SIDE STEPS.** These steps feature corrosion-resistant aluminum and skid-resistant surfaces. **CHROME BODYSIDE MOLDINGS.** Give your Nitro equal parts style and protection in a flash. **CHROME FUEL FILLER DOOR.** Brightly complements any body color. **CHROME DOOR HANDLE COVER KIT.** These new chrome door handle covers will complement Nitro's overall look. The kit contains covers for each door handle. **CHROME MIRROR COVERS.** Reflect your personal style with these custom covers. For the full range of accessories, visit mopar.com

¹³¹Based on *Ward's* Small Sport Utility segmentation. Excludes other Chrysler Group LLC vehicles. ¹³²Not intended for use by the driver while the vehicle is in motion. Always drive carefully. ¹³³The Uconnect Web feature is not intended for use by the driver while the vehicle is in motion. ¹³⁴Required SIRIUS Radio, Traffic, Travel Link, and Backseat TV subscriptions sold separately after trial period. Other fees and taxes will apply. SIRIUS Traffic and Travel Link available in select markets; Backseat TV subscription not available without SIRIUS Radio subscription; and SIRIUS data displays and individual product availability vary by hardware equipment. SIRIUS service available only to those at least 18 years of age in the 48 contiguous U.S.A., DC, and Puerto Rico (with coverage limitations), while Internet radio is also available in AK, HI, and PR. Fees and programming subject to change. Service automatically renews and you will be billed, at then current rates, unless you call 1-888-539-7474 to cancel. Subscriptions governed by SIRIUS Terms and Conditions available at sirius.com. Service available in Canada; see www.siriuscanada.ca. ¹³⁵Phone must support Bluetooth Phone Book Access Profile (PBAP). ¹³⁶Requires Uconnect Phone. ¹³⁷No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ¹³⁸The Advanced Front Air Bags in this vehicle are certified to the new federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. ¹³⁹Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. ¹⁴⁰Always check entire surroundings before backing up. Always drive carefully.

5-YEAR/100,000-MILE POWERTRAIN WARRANTY Transferable. See dealer for a copy of limited warranty. Includes towing to an authorized dealer. **3/36 BASIC LIMITED WARRANTY** Dodge vehicles are covered by a Chrysler Group LLC 3-Year or 36,000-Mile Basic Limited Warranty. See your dealer for a copy of this limited warranty. Excludes normal maintenance and wear items. **AUTOMOBILITY** Chrysler Group LLC's Automobility program provides aftermarket reimbursement incentives on adaptive vehicle upfit equipment in order to help provide safe and reliable vehicle modifications to enhance accessibility for all people.
