786 FIRENZA

A SPECIAL FEEL

FIRENZA LC

Feelings, very special feelings, are yours to enjoy in every 1986 Oldsmobile. We invite you to discover the feeling of excitement every time you take the wheel. The feeling of superb performance every time you accelerate. The feeling of solid dependability every time you turn the key. Oldsmobile specializes in creating good feelings that delight the mind and please the spirit. Now discover for yourself the fun of Oldsmobile Firenza. Its sporty style, exhilarating performance and road-hugging ride make it a popular choice of people who really love to drive. Feelings. Oldsmobile offers you many

ways to experience them. Now we invite you to find the Olds that feels just right to you.

The fun doesn't end when you break camp.

It's a great new way to enjoy the great outdoors. Firenza LC packs the fun of Firenza and the comforts of an Oldsmobile into one great new coupe. Roughing it ends when you slip into the full-foam reclining front sext and move out. With electronically fuel-injected spirit and a road-hugging Olds ride, the rough edges of your workday—or playday—are history in seconds. Sport console, Rallye gage cluster, Rallye trim wheels and more —all included in an affordable price that could set you packing for your first new Oldsmobile.

FIRENZA / FIRENZA S

FIRENZA CRUISER

Anyplace you spend time everyday should be inviting - and comfortable.

Every 1986 Olds Firenza measures up beautifully on both counts. Seats, for example, are fullfoam-deep, comforting and supportive. The front seats are contoured - and they recline! So you can adjust the seat backs to your own individual preference. And to help assure your peace and quiet, you'll find thick, cut-pile carpeting underfoot and acoustical foam headliner above to soak up sound like a blotter.
The select velour fabrics, shown at the right,
Weave Velour.

are soft to the touch and easy on the eye. Cresta weave velour is available in Black, Dark Teal Blue, Medium Gray, Carmine and Saddle on Firenza Coupe, Sedan, S Coupe and Cruiser. Baron weave velour is available in the same colors on Firenza LC Coupe and LX Sedan. Prentis weave velour is available in Black or Carmine, exclusively on Firenza GT.

Important - A word about this catalog: We have tried to make this catalog as comprehensive and factual as possible, and we hope you find it helpful. However, since the time of printing, some of the information you will find here may have been updated. Also, some of the equipment shown or described throughout this Olds catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up-to-date. The right is reserved to make changes at any time without notice in prices, colors, materials, equipment, specifications and models. Check with your Olds dealer for complete information.

A word about engines: Oldsmobiles are equipped with engines produced at facilities operated by GM car groups, subsidiaries or affiliated companies worldwide. See your dealer for details. Please refer to the "Fuel Economy

Estimate Sheet" provided to your dealer for engine source and EPA mileage estimates. A word about assembly, components and optional equipment in these Oldsmobile products: The Oldsmobiles described in this catalog are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by car groups or various component divisions of General Motors and by various suppliers worldwide to GM. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to

produce Oldsmobile products with different

than initially scheduled. All such components

components or differently sourced components

FIRENZA AND FIRENZA CRUISER PAINT COLORS

have been approved for use in Olds products and will provide the quality performance associated with the Olds name.

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if the option you ordered is unavailable. We suggest that you verify that your car included the optional equipment you ordered or if there are changes, that they are acceptable to you.

Every new 1986 Oldsmobile delivered by an Oldsmobile dealer in the United States comes with a one year, \$10,000 safety belt user insurance certificate from MIC General Insurance Corporation at no additional charge. \$10,000 will be paid to the estate of an occupant who suffers fatal injuries as a result of any accident involving that vehicle while wearing a GM safety belt. Buckle up every time you drive. Standard occupant protection features: Manual lap/

shoulder belts for driver and right front passenger (driver side includes visual and audible warning system) - Manual lap belts at each rear seat position (and center front, when applicable | . Energy-absorbing steering column . Energyabsorbing instrument panel · Energy-absorbing front seat back tops · Laminated safety windshield glass and tempered safety side and rear window glass · Safety interlocking door latches · Passenger-quard inside door lock handles · Inertialocking, folding front seat backs · Safety armrests · Head restraints, driver and right front passenger (adjustable/integral) Standard accident avoidance features: Side marker lights and reflectors · Parking lamps that illuminate with headlamps Four-way hazard warning flasher · Back-up lights · Center high-mounted stop lamp · Directional signal control with lane change feature · Windshield defroster, washer and dual speed wipers · Inside rearview mirror with vinyl-bonded glass · Outside left rearview mirror ("right" also standard on some models | Brake system with dual master cylinder and warning light • Starter safety switch • Dual action hood latch system Low-glare finish on instrument panel top, inside windshield moldings, wiper arms/blades, metallic steering wheel surfaces Illuminated heater and defroster controls • Tires with built-in tread-wear indicators

Standard theft deterrence features: Audible reminder for ignition key removal - Theft-deterrent steering column lock Visible vehicle identification number

A word about updated service information: Oldsmobile regularly sends its dealers useful service bulletins about Oldsmobile products. Oldsmobile monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll free 1-800-551-4123.
