

*Cadillac*

## ***PERFORMANCE OR LUXURY? YES.***

Power. Style. And a sophisticated magnetism that's impossible to resist. That's the mold for all Cadillac vehicles. Yet each one also has distinctive features that separate it from the rest of the pack. So whether you're looking for a performance-oriented sedan, a luxury-laden SUV or stylish crossover, there's sure to be a Cadillac that will make your heart race. In fact, we suspect the hard part won't be choosing one to fall in love with. It'll be choosing just one.

## **MORE THAN A CAR, IT'S A CADILLAC.**

The culmination of more than 100 years of iconic design, engineering as art and a love of innovation, Cadillac sets the standard among performance-luxury automobiles and the people who love to drive them.

AN ALL-NEW CTS-V, THE FASTEST V8 PRODUCTION SEDAN IN THE WORLD.

A NEW ESCALADE HYBRID THAT HAS THE BEST FUEL ECONOMY IN ITS CLASS, WITH AN EPA ESTIMATED 20 MPG IN THE CITY AND 21 MPG ON THE HIGHWAY (2WD).

A 403 HP ESCALADE THAT COMES WITH BETTER HIGHWAY FUEL ECONOMY THAN ANY COMPETITOR IN ITS CLASS!

GENEROUSLY APPOINTED STS, DTS AND ESCALADE PLATINUM EDITIONS THAT EMPHASIZE TOP-LINE LUXURY, INSIDE AND OUT.

A RESTYLED XLR ROADSTER WITH FULLY AUTOMATIC RETRACTABLE HARDTOP THAT TAKES YOU FROM PERFORMANCE COUPE TO CONVERTIBLE IN LESS THAN 30 SECONDS.

CADILLAC OWNER PRIVILEGES,<sup>2</sup> INCLUDING THE CONVENIENCE AND SAFETY FEATURES OF ONSTAR,<sup>3</sup> THE CADILLAC OWNER CENTER AND THE BEST LUXURY COVERAGE IN THE INDUSTRY.

Cadillac offers the Best Luxury Coverage in the Industry with the Cadillac 100,000-Mile/5-Year Transferable Powertrain Limited Warranty<sup>4</sup> with no deductible plus Roadside Assistance<sup>4</sup> and Courtesy Transportation<sup>4</sup>

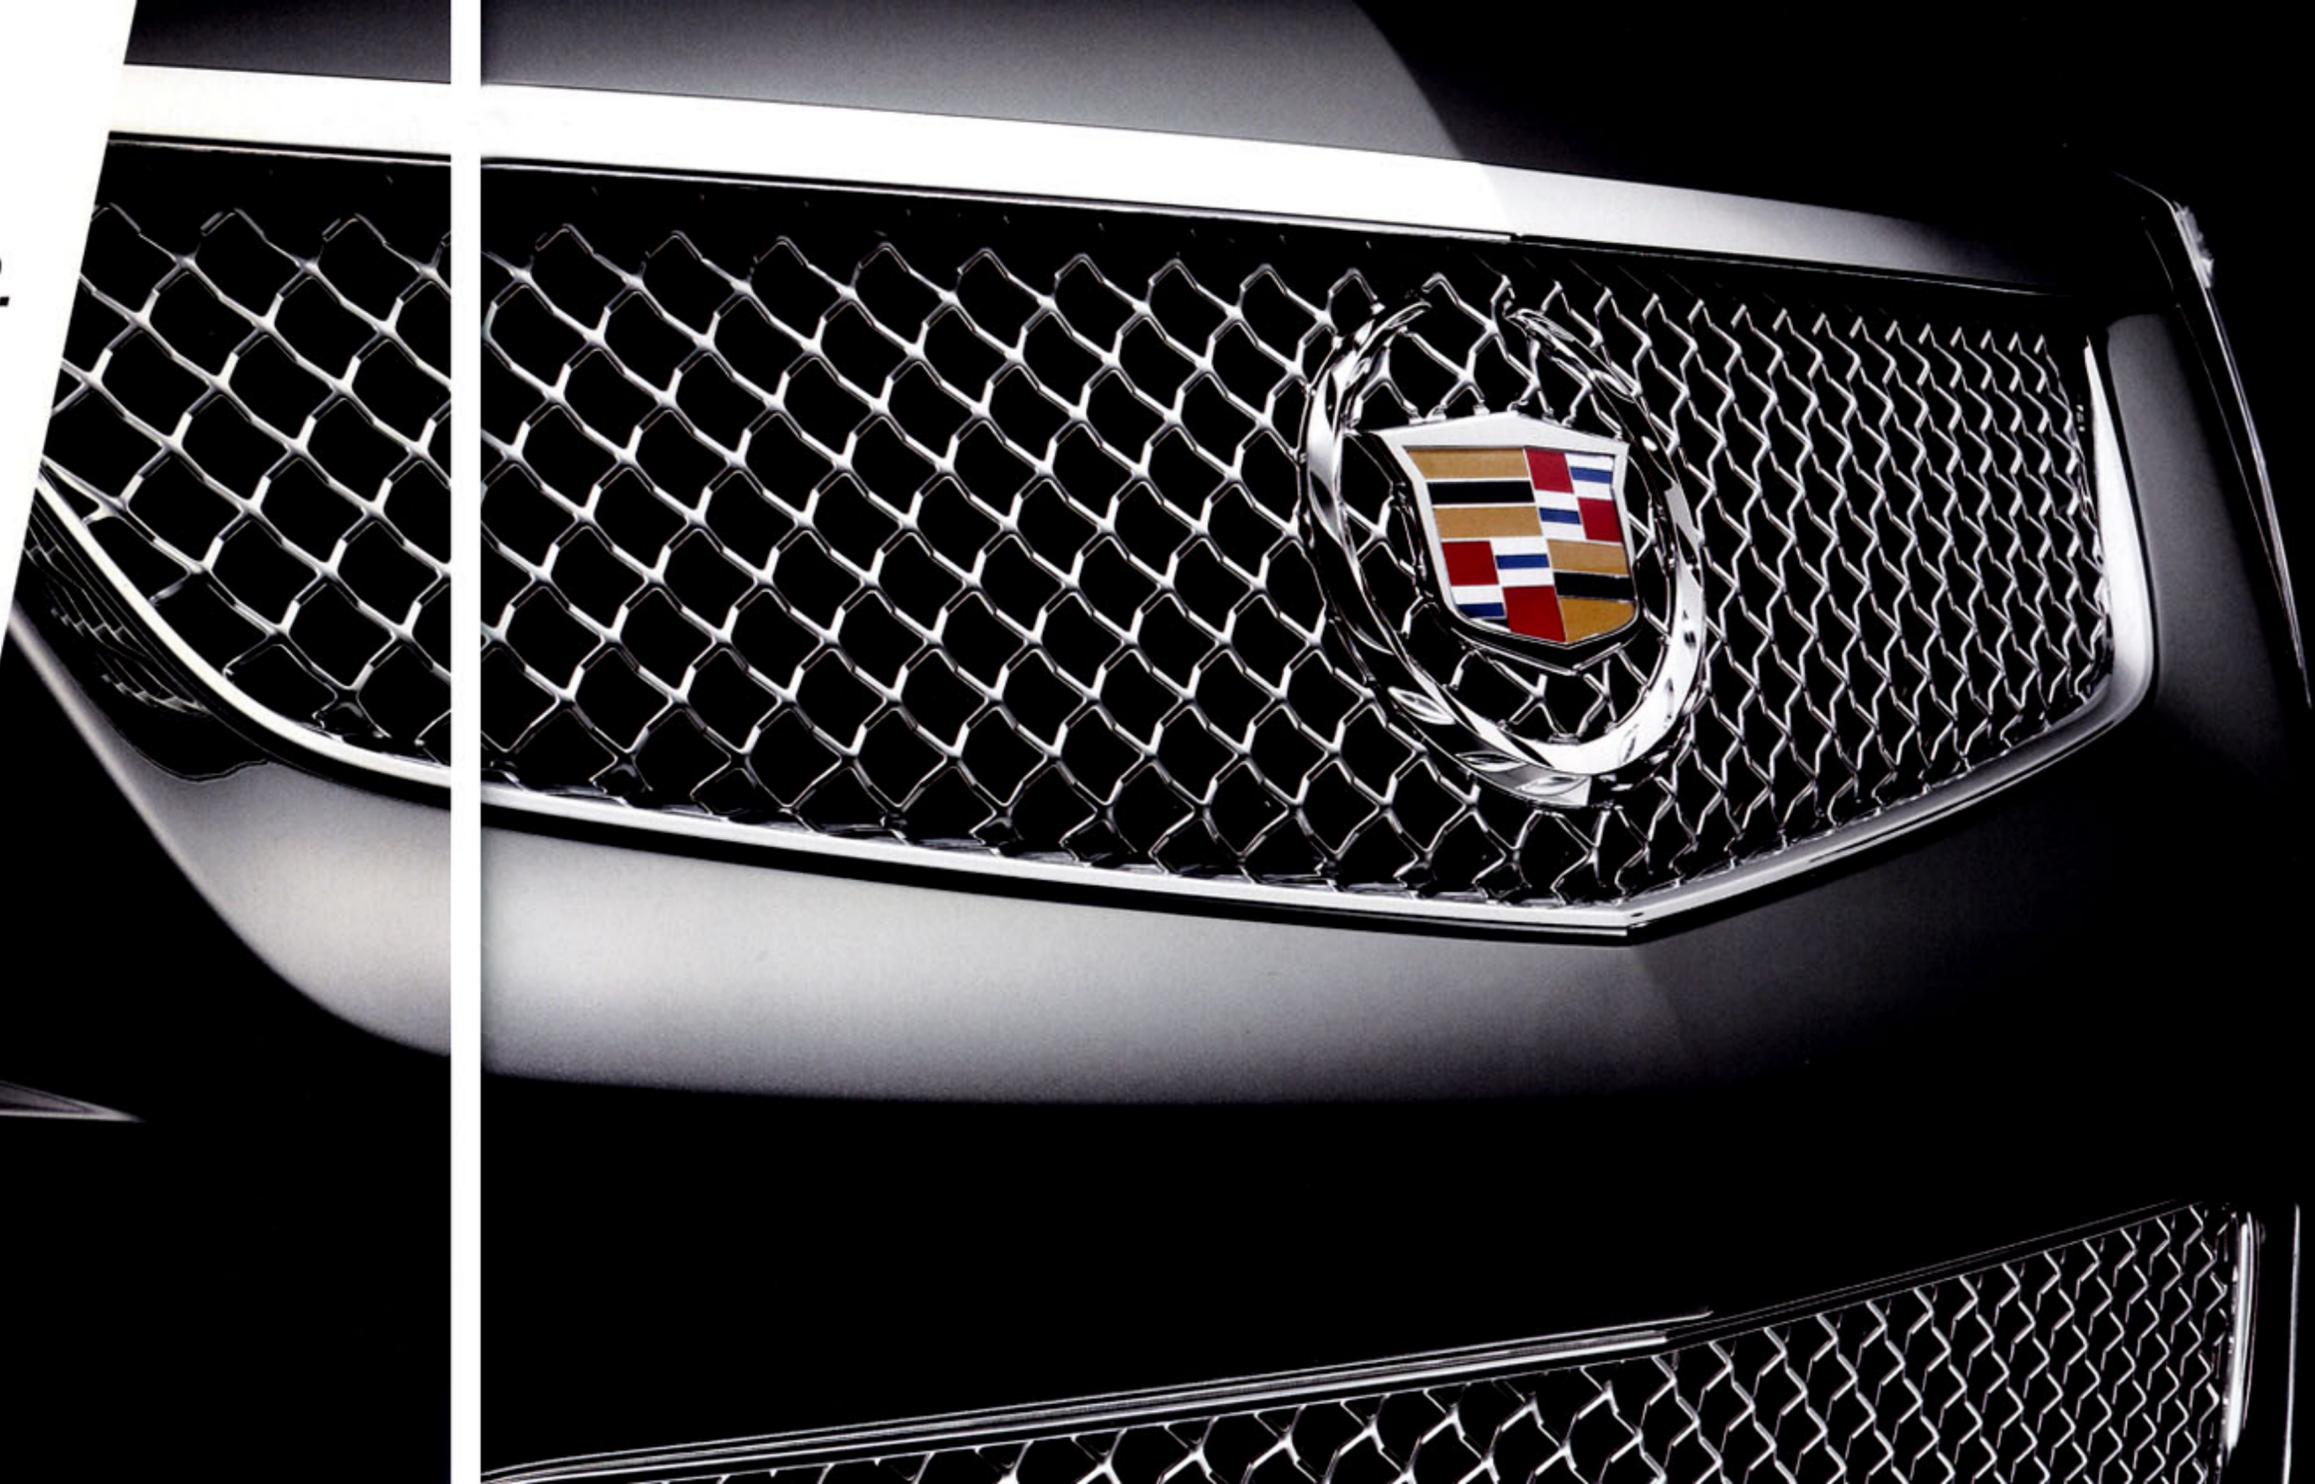

Class claims based on 2008 Ward's Large Luxury SUV segment and the latest competitive information available at the time of printing.

<sup>1</sup> EPA estimated MPG 12 city/19 highway.

<sup>2</sup> Please see the back of this catalog and [cadillac.com](http://cadillac.com) for more information on Cadillac Owner Privileges.

<sup>3</sup> OnStar is standard with one-year service. Call 1 888 4ONSTAR (466 7827) or visit [onstar.com](http://onstar.com). See the back of this catalog for details and system limitations. OnStar acts as a link to existing emergency services.

<sup>4</sup> Whichever comes first, see dealer for details.

## ***CTS: WHEN YOU TURN YOUR CAR ON, DOES IT RETURN THE FAVOR?***

Tested and retested on the world's most challenging roads, the CTS is available with a fiery 304 hp Direct Injection 3.6L V6 VVT engine, the most powerful V6 to ever bear the Cadillac crest. To put all this power to work, the CTS offers a host of enhancements, including an Aisin six-speed manual transmission (with the option of a 6-speed automatic), a performance-oriented chassis with a muscular, wide track and available all-wheel drive.

Designed to be an exceptional interior, the cabin of the CTS features integrated MP3 capabilities, an available navigation system<sup>1</sup> with the largest telescoping screen in its class, available Smart Remote Start that lets you start the engine from up to 200 feet away, and an available custom-designed Bose® 5.1 Cabin Surround® Sound System. Add to that the indulgence of expert handcraftsmanship and cut-and-sewn interior features, and you'll discover that the CTS isn't the only thing revving. So is your desire to get out and drive.

### **SELECT FEATURES**

**ENGINES:** 263 hp 3.6L V6 VVT; available 304 hp 3.6L Direct Injection V6 VVT

**DRIVETRAIN:** Aisin 6-speed manual transmission; optional Hydra-Matic 6-speed automatic transmission with rear-wheel drive or available all-wheel drive, both with Driver Shift Control

**AUDIO:** An available 10-speaker Bose® 5.1 Cabin Surround® Sound System with integrated MP3 compatibility and a 40-gig hard-drive<sup>2</sup> to store songs and playlists

Class claim based on 2008 GM Entry Mid Luxury Car segment and the latest competitive information available at the time of printing.

<sup>1</sup> Map coverage not available in Puerto Rico.

<sup>2</sup> When equipped with optional navigation system, approximately 10GB available for music storage.

## ***CTS-V: FOLLOW THE VAPOR TRAIL.***

A staggering 556 horsepower. 551 lb-ft of torque. Zero to 60 in 3.9 seconds, tempered with the massive stopping power of vented and slotted Brembo brakes. A chassis developed on the world's most challenging test tracks. A 6-speed manual or an available 6-speed Hydra-Matic electronically controlled automatic transmission with steering wheel-mounted trigger shifters. A no-fat exterior that telegraphs speed and refinement from every angle. Add in the next-generation, dual-mode Magnetic Ride Control (MRC), one of the world's fastest reacting suspension systems, and the result is a distinctive sport sedan that does exactly what you want it to, when you want it to. Which, in almost every case, will be to excite your senses to the core.

Stellar performance design doesn't end under the hood of the all-new CTS-V. Perforated sueded-fabric seat inserts and soft microfiber appointments on the steering wheel and shifter keep you firmly planted during high-performance driving. Fourteen-way adjustable Recaro performance driving seats are also available with pneumatic bolster controls and a manually actuated thigh extender. Add to this all the high-tech indulgence that comes in every CTS, and you're presented with an elite sports car with the kind of sophistication and poise one would expect of the fastest V8 production sedan in the world.

### **SELECT FEATURES**

**ENGINE:** 6.2L Supercharged V8 with 556 horsepower and 551 lb-ft of torque

**TRANSMISSIONS:** 6-speed manual or an available 6-speed Hydra-Matic electronically controlled automatic transmission

**BRAKES:** High-performance slotted Brembo brakes with co-cast rotors

## ***ESCALADE: MORE MEETS THE EYE.***

Being behind the wheel of the Cadillac Escalade gives you a whole new perspective. On everything. The interior is an oasis of comfort and refined luxury, with leather seating surfaces double-stitched into French seams, brushed aluminum and burl accents. Features like Road-Sensing Suspension help ensure the ride is sedan-smooth. The Bose® 5.1 Cabin Surround® Sound System provides a concert hall experience, and tri-zone automatic climate control offers individual settings for the driver, front-seat passenger and rear seating areas.

With an impressive 403 hp, the most in its class, the performance of the 6.2L Vortec V8 VVT engine gives the Escalade the ability to go 0 to 60 in 6.5 seconds, with a 50–70 mph passing performance of 3.9 seconds. Exceptionally engineered handling and an advanced suspension system with available Magnetic Ride Control ensure you're firmly in control. The sophisticated 6-speed Hydra-Matic automatic transmission intelligently selects the gear that precisely fits both driver demand and vehicle load. And all of this comes with better highway fuel economy than any competitor in its class.<sup>1</sup>

### **SELECT FEATURES**

ENGINE: 6.2L Vortec V8 VVT with 403 hp and 417 lb-ft of torque

TRANSMISSION: Hydra-Matic 6-speed automatic transmission with Driver Shift Control

SUSPENSION: Available Magnetic Ride Control, a class-exclusive suspension system that reads the road up to 1,000 times a second

Class claims based on 2008 Ward's Large Luxury SUV segment and the latest competitive information available at the time of printing.

<sup>1</sup> EPA estimated MPG 12 city/19 highway.

## ***ESCALADE HYBRID: THE FUTURE OF LUXURY.***

Introducing the world's first full-size luxury hybrid SUV. A proud addition to the Cadillac family, the new Escalade Hybrid celebrates comfort, power and intelligent efficiency. Paired with the innovative, fuel-saving<sup>1</sup> 2-Mode Hybrid system – its much-awaited debut in a luxury vehicle – this Escalade offers fuel economy comparable to many four-door sedans.

The sophisticated hybrid system utilizes two types of power: energy created by the gas engine and electricity generated by the electric motor. While operating at slow speeds, the Hybrid may use just electricity, giving you the ultimate efficiency of a hybrid system. At highway speeds, electric power will typically work simultaneously with the 332 hp 6.0L gas engine to power the vehicle. And when conditions warrant, such as passing or pulling a trailer, the Escalade Hybrid will seamlessly transition to full combustion-engine power. The first Cadillac to use Active Fuel Management, the Escalade Hybrid also senses when you don't need the full power of eight cylinders and automatically adjusts to run on four, saving you even more gas. The regenerative braking feature captures some of the energy lost during braking and coasting and stores it in the battery pack for future use.

The Escalade Hybrid delivers the distinctive style, comfort and full-size capability that have made the Escalade an icon. Cadillac's rich heritage of luxury now encompasses the luxury of not having to compromise performance, style or your commitment to the environment.

### **SELECT FEATURES**

**ENGINE:** 6.0L Vortec V8 gas engine and 300-volt battery pack with 332 hp and 367 lb-ft torque

**HYBRID ENGINEERING:** 2-Mode Hybrid system with Active Fuel Management

**FUEL EFFICIENCY:** Best-in-class EPA estimated MPG 20 city/21 highway (Escalade Hybrid 2WD)

Class claim based on 2008 Ward's Large Luxury SUV segment and the latest competitive information available at the time of printing.

<sup>1</sup> EPA estimated MPG (Escalade Hybrid 2WD) 20 city/21 highway.

## ***ESCALADE PLATINUM: THE ULTIMATE UPGRADE.***

Style and comfort reach new heights in the Escalade Platinum, a special edition of the Escalade and Escalade ESV. The most generously appointed in the Escalade portfolio, the Platinum Edition features buttery TEHAMA leather seats, a cut-and-sewn leather-trimmed instrument panel and door uppers, and a bevy of technical innovations and distinctive design elements. Contrasting-color French stitching, embroidered Cadillac insignias, unique door sills and class-exclusive heated and cooled cupholders add further distinction, while a premium DVD entertainment system integrates independently operating screens into both front head restraints, in addition to a roof-mounted screen. Complementary genuine olive ash and burl walnut trim and warm aluminum accents add a luxe feel to the cabin.

An industry first, the Escalade Platinum's fully functioning environmentally conscious Light Emitting Diode (LED) headlamps emulate crisp, white daylight in both high- and low-beam situations. Unique 22-inch wheels<sup>1</sup> come with Cadillac's advanced Magnetic Ride Control, and exclusive Platinum badging rounds out its eye-catching exterior assets. An unprecedented expression of luxury and style, the Escalade Platinum is the latest embodiment of one of the most prestigious automotive marks in the world, Cadillac.

### **SELECT FEATURES**

- WHEELS:** 22-inch wheels<sup>1</sup> with Cadillac's advanced Magnetic Ride Control
- ENTERTAINMENT SYSTEM:** Premium DVD entertainment system, screens in both front head restraints and roof-mounted screen
- SEATING:** Luxurious aniline leather, most often found in fine home furnishings

Class claim based on 2008 Ward's Large Luxury SUV segment and the latest competitive information available at the time of printing.

<sup>1</sup> Use only GM-approved wheel/tire combinations. See dealer for details.

## ***EXT: IT HAULS. LITERALLY.***

Behind the wheel, you just may forget about the EXT's hauling capacity. After all, you'll probably be too busy enjoying the raw power of a 403-hp Vortec V8 VVT and the Hydra-Matic 6L80 heavy-duty automatic transmission. Or maybe you'll be entranced by the many luxurious appointments, such as leather seating surfaces, burlled accents, DVD-based navigation system<sup>1</sup> and a Bose® 5.1 Cabin Surround® Sound System. And when the need arises, it's nice to know that by folding forward the Midgate panel, you'll have instant access to an eight-foot cargo bed and more than a hundred cubic feet<sup>2</sup> of covered, secure cargo space. So whether it's a new media center or just mulch for the backyard, you can get it there in style.

### **SELECT FEATURES**

**ENGINE:** 6.2L Vortec V8 VVT with 403 hp and 417 lb-ft of torque

**TRANSMISSION:** Hydra-Matic 6-speed automatic transmission with Driver Shift Control

**UTILITY:** Midgate panel, with access to 101 cubic feet<sup>2</sup> of covered storage

<sup>1</sup> Map coverage not available in portions of Canada. <sup>2</sup> Cargo and load capacity limited by weight and distribution.

## ***ESV: THE ESCALADE. EXTENDED MIX.***

### **SELECT FEATURES**

**ENGINE:** 6.2L Vortec V8 VVT with 403 hp and 417 lb-ft of torque

**TRANSMISSION:** Hydra-Matic 6-speed automatic transmission  
with Driver Shift Control

**UTILITY:** Seating up to 8 full-sized adults, with best-in-class  
maximum cargo capacity<sup>1</sup>

Seat up to eight in full Escalade comfort and still have 45.8 cubic feet of cargo volume<sup>1</sup> behind the third row to play with, for luggage, golf clubs or whatever you need to take with you. The Escalade ESV takes on the big missions beautifully. Its extended cabin provides seating for seven with standard second-row bucket seats. With the available second-row bench, the passenger count grows to eight. Stow the second row, remove the third row and you'll enjoy 137.4 cubic feet of cargo capacity<sup>1</sup> too.

Of course, at this size, you'll need a powerful engine. That's why the ESV is armed with a Vortec V8 with 417 lb-ft of torque. Variable Valve Timing (VVT) continuously manages the intake and exhaust valves to create the perfect combination of low-end pull and high-end horsepower.

Class claim based on 2008 Ward's Large Luxury SUV segment and the latest competitive information available at the time of printing.

<sup>1</sup> Cargo and load capacity limited by weight and distribution.

## ***XLR PLATINUM: THE TOP OPENS UP NICELY. JUST LIKE THE ENGINE.***

An exterior that puts a fresh spin on chiseled good looks. A world-class interior. A sport-tuned suspension with stunning agility. And a fully automatic retractable hardtop that takes you from performance coupe to convertible in less than 30 seconds. It all comes together in a thrilling car that'll have you on the edge of your extremely well-crafted, leather-trimmed seat.

Add in a wind-tunnel-tested design that gives it a drag coefficient of just 0.31, and the XLR is a pin-up for aerodynamics engineers everywhere. It's topped off with an all-aluminum 4.6 liter Northstar V8 VVT engine that hands you the reins to 320 horsepower and 310 lb-ft of torque. Its gorgeously restyled exterior features new fog lamps, new front and rear fascias and grille and 18-inch wheels exclusive to the XLR Platinum.

This focus on design carries into the XLR interior as well. Distinctive olive wood has been integrated into the shift knob and console. Offering a warm cast and a grain that's pleasing to the touch, it is included in the doors and even the cupholder compartment. Metal-dipped with a quartz finish, the elegant analog instruments—along with the controls and elements of the center stack and console—resist fingerprints, the glare of the sun and any attempt at duplication.

### **SELECT FEATURES**

**ENGINE:** 4.6L Northstar V8 VVT, with 320 hp and 310 lb-ft of torque

**TRANSMISSION:** Hydra-Matic 6-speed automatic transmission, rear-mounted with Driver Shift Control

**RADAR GUIDANCE:** Adaptive Cruise Control<sup>1</sup> sets both speed and desired distance from other vehicles

<sup>1</sup> Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle.

## ***XLR-V: FROM WANT TO NEED IN 4.6 SECONDS.***

A blazing 0–60 time of 4.6 seconds. An intercooled, supercharged Northstar V8 SC engine that produces an astounding 443 hp with 414 lb-ft of torque. Dual-mode Magnetic Ride Control, one of the world's fastest-reacting suspension systems, that allows for both performance and touring modes. A Head-Up Display that projects your digital driving data right onto your windshield. And Driver Shift Control, which gives you the feel of a manual transmission without the hassle of clutching for true hands-on engagement. With all this under its belt, one could call the XLR-V the perfect performance roadster. But that might be an understatement.

And with that much emphasis on performance, we couldn't very well leave the styling alone. So we outfitted the restyled XLR-V with a race-inspired wire mesh grille, 10-spoke wheels, black olive ash wood with a Bermuda metal finish on the inside, a dual-flow exhaust and a monogrammed V on the nameplate. A little something for other drivers to contemplate as your taillights grow distant.

### **SELECT FEATURES**

**ENGINE:** Supercharged 4.4L Northstar V8 SC with 443 hp

**TRANSMISSION:** Hydra-Matic 6-speed automatic transmission, rear-mounted with Driver Shift Control

**ENTERTAINMENT:** Six-disc in-dash CD changer and nine-speaker Bose® Sound System with Bose® personal speakers mounted into both sides of the head restraints

## ***STS: MOVING. EVEN AT A STANDSTILL.***

Muscular good looks. Uncompromising acceleration, cornering and braking. Premium materials. Outstanding technology. Luxury-hotel comfort. Armed with an athleticism tuned on Germany's notorious Nürburgring® race track. The perfect union of performance and sophistication.

The Cadillac STS – with its dramatic lines and statement-making features such as side air extractors and a Direct Injection engine – ensures a sophisticated style that won't go unnoticed. An available Magnetic Ride Control (MRC)<sup>1</sup> suspension system uses advanced sensors that read the road a thousand times a second, then automatically applies the necessary damping forces to improve handling and ride quality. Drive-by-wire Electronic Throttle Control produces a smooth, predictable throttle response at city driving speeds and responds rapidly to pressure on the pedal when you're on the highway. And with advanced features such as an available four-color Head-Up Display that projects digital data right onto your windshield and available Side Blind Zone Alert, as well as a modern, refined interior, the STS is the perfect marriage of performance and luxury.

### **SELECT FEATURES**

ENGINES: 302 hp 3.6L Direct Injection V6 VVT; available 320 hp Northstar 4.6L V8 VVT

DRIVETRAIN: Hydra-Matic 6-speed automatic transmission with rear-wheel drive or available all-wheel drive, both with Driver Shift Control

DRIVING GUIDANCE: Available Side Blind Zone Alert and available Lane Departure Warning issue visual and/or audible alerts when necessary

<sup>1</sup> MRC requires the available STS V8 Premium Luxury Performance Package.

**STS-V: 469 EXCEPTIONALLY  
WELL-GROOMED HORSES.**

You've worked hard to get here. Time to enjoy the spoils. The Cadillac STS-V just might be the ultimate reward for your efforts. Strap yourself into the driver's seat and you'll command the unbridled power of a hand-assembled supercharged 4.4L Northstar engine. That's a staggering 469 horsepower and 439 lb-ft of torque. F1-inspired ZF Servotronic® 2 steering and a performance-tuned suspension keep you firmly in command. And when you need to slow down, vented Brembo brakes with 14-inch rotors heed your call.

Of course, what's inside is just as powerful as what's beneath the hood. You'll enjoy hand-wrapped top-grain leather interior trim, exotic olive ash wood and Kinetic aluminum accents and keyless access with a push-button start. All that is coupled with a 15-speaker Bose® 5.1 Studio Surround® Sound System that ensures your music, sports or talk radio will sound nearly as good as the engine.

**SELECT FEATURES**

ENGINE: Supercharged 4.4L Northstar V8 SC with 469 hp

TRANSMISSION: Hydra-Matic 6-speed automatic transmission with Driver Shift Control

PREMIUM STEERING: ZF Servotronic 2 speed-sensitive steering with variable ratio

## ***DTS: BLACK TIE OPTIONAL.***

Simply put, the DTS is an open invitation to a world of luxurious performance. What elevates it to this exalted level? The available 4.6L Northstar V8 NHP engine, featuring 292 hp, the most in its class.<sup>1</sup> Or distinctive styling that vows it will never be mistaken for anything else in the executive parking lot. Maybe it's the luxury appointments, such as a refined interior with available TEHAMA leather and dark burled walnut wood. Or DVD-based navigation<sup>2</sup> with voice-recognition software, if you choose. Or the available Side Blind Zone Alert and available Lane Departure Warning that issue audible and/or visual alerts when needed.

Maybe it's the fact that the DTS has unsurpassed V8 fuel efficiency in its class.<sup>3</sup> Or Adaptive Remote Start that lets you start the engine, engage the preset climate controls, and if needed, activate the defrosters and optional seat warmers before you even reach your car. Or a Platinum Edition with top-line touches like genuine light ash wood accents, front and rear ambient footwell lighting, decorative wood inlays and premium leather seating surfaces. Maybe it has something to do with 41.6 inches of rear leg room and an 18.8 cubic foot trunk.<sup>4</sup> Or, perhaps, it's all of the above.

### **SELECT FEATURES**

**ENGINES:** 275 hp 4.6L Northstar V8; available 292 hp 4.6L Northstar V8 NHP

**SEATING:** Available multifunctional heated front and rear seats, massaging lumbar front outboard seats and cooled front seats

**SUSPENSION:** Available Magnetic Ride Control, a GM class-exclusive suspension system that reads the road up to 1,000 times a second

Class claims based on 2008 AutoPacific Large Luxury Car class and the latest competitive information available at the time of printing.

<sup>1</sup> Excludes other GM models.

<sup>2</sup> Map coverage not available in Alaska, Puerto Rico, the Virgin Islands and portions of Canada.

<sup>3</sup> Based on EPA estimated MPG (Northstar V8) 15 city/23 highway.

<sup>4</sup> Cargo and load capacity limited by weight and distribution.

## ***SRX CROSSOVER: DEFIES DEFINITION.***

The SRX Crossover combines the performance of a sports car with the carrying capacity and convenience of an SUV. A best-in-class 41 inches of legroom in the second row, theater-style tiered seats and an available UltraView sunroof (that opens to 5.6 square feet of sky) make certain your passengers will enjoy the ride. And with almost 70 cubic feet of versatile cargo space,<sup>1</sup> you'll have plenty of room for gear and groceries, too. With all of the above, plus meticulous cut-and-sewn interior materials, it's no surprise the SRX was named Ward's "Interior of the Year" in its class.<sup>2</sup>

A fully independent suspension system promotes tire-to-road contact, giving you a confident driving feel. Start the engine and activate your presets from up to 200 feet away with Adaptive Remote Start. And with available all-wheel drive, the SRX adeptly handles transitions from high- to low-traction situations – from pavement to ice, for example – and lets you proceed with confidence.

### **SELECT FEATURES**

**ENGINES:** 3.6L V6 VVT with 255 hp; 4.6L Northstar V8 VVT with 320 hp

**SEATING:** Seating for seven with a best-in-class 41 inches of legroom in the second row

**UTILITY:** Standard power liftgate and available class-exclusive power-folding third-row seat

Class claims based on 2007 Automotive News Premium Crossover Utility Vehicle segment and the latest competitive information available at the time of printing.

<sup>1</sup> Cargo and load capacity limited by weight and distribution.

<sup>2</sup> Award based on 2007 Ward's Premium-Priced Crossover Utility Segment.

## A FEW WORDS ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing (9/08), please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process.

Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times.

NOTE: Some photographs in this catalog show vehicles with optional equipment.

## ONSTAR

OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1 888 4ONSTAR (1 888 466 7827) or visit [onstar.com](http://onstar.com) for OnStar's Terms and Conditions, Privacy Policy and system limitations and details.

## XM NAVTRAFFIC® AND XM RADIO<sup>1</sup>

XM NavTraffic is a satellite-delivered traffic information service that enhances a GPS navigation system with the ability to show real-time traffic data. With XM NavTraffic you will see traffic-impacting incidents such as construction, road closures, accidents, and disabled vehicles. In select markets you will also see average traffic speed and estimated travel time along the chosen route. For more information, see [gm.xmradio.com](http://gm.xmradio.com)

XM Radio is standard, including three trial months of service. Get commercial-free music channels, plus sports, news, talk and comedy in digital quality sound from coast to coast.

## ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

## TIRE SEALANT AND COMPRESSOR KIT (CTS AND STS ONLY)

Unless you option into a spare tire, there is no jack or spare tire in this vehicle. If you do not option into the spare tire, your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a ¼-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than ¼ inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire, one time before its expiration date. Does not apply to STS-V.

## ASSEMBLY

Cadillacs and their components are assembled and produced by different operating units of General Motors, its subsidiaries or suppliers to GM

worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you

## UPDATED SERVICE INFORMATION

Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1 800 551 4123 or by visiting [www.helminc.com](http://www.helminc.com).

## NEW-VEHICLE LIMITED WARRANTY

The Best Luxury Coverage in the Industry, now standard on every 2009 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions.

### COVERED FOR 5 YEARS/100,000 MILES (WHICHEVER COMES FIRST)

Transferable Powertrain Limited Warranty with no deductible

Roadside Assistance Program<sup>2</sup>

Courtesy Transportation Program<sup>2</sup>

### COVERED FOR 4 YEARS/50,000 MILES (WHICHEVER COMES FIRST) –

Bumper-to-bumper Coverage

Tires-Defects in material and workmanship

Repairs made to correct any vehicle defect

Corrosion on body sheet metal panels

## RUST-THROUGH PROTECTION

Cadillac vehicles are designed and built to resist rust and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years unlimited mileage. Cosmetic or surface corrosion, resulting from stone chips or scratches in the paint, for example, is not included in the rust-through coverage. Application of additional rust-inhibiting materials is not required under the rust-through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

## SAFETY AND SECURITY

The following are just some of the standard features on some 2009 Cadillac models unless otherwise noted:

### OCCUPANT PROTECTION

Automatic door locks

Child security rear door locks and door retention components

Frontal air bags for outboard front seating positions

Passenger-guard inside door lock handles

Power window lockout

Safety belt cinch capability for child seats

Three-point safety belts for outboard front and all rear seating positions

### SECURITY

Anti-lockout feature

Battery rundown protection

Laser-etched VIN plate

Marked body parts

OnStar Emergency Services

OnStar Stolen Vehicle Location Assistance (requires OnStar service)

PASS-Key+ theft deterrent

Remote deck release

Remote hood release

Remote keyless entry

### CRASH AVOIDANCE

Anti-lock brakes, front and rear

Automatic daytime running lamps

Automatic exterior lamp control

Automatic windshield wipers

Brake Assist

Brake/transmission shift interlock

Disc brakes, front and rear with audible wear indicator

Fog lamps

High-intensity discharge headlamps

Inside electrochromic rearview mirror

Outside power rearview mirrors, heated

Side window defogger, front

StabiliTrak stability control system

Steering wheel-mounted controls

Tinted-glass windshield

Traction control

Tire pressure monitor

Window defoggers

## CADILLAC OWNER PRIVILEGES

By driving a Cadillac, you're part of a select group that enjoys special privileges, like the new Cadillac Owner Center, a one-stop resource to enhance your Cadillac ownership experience. Powered by Yahoo!, the Owner Center includes online service reminders, special offers, an online Owner's Manual and more. Members can also store their service records in one place online and have the opportunity to connect with other Cadillac owners. Enroll for these benefits at [cadillac.com/owners](http://cadillac.com/owners).

Owner Privileges also includes 24-hour Roadside Assistance (1 800 882 1112). Free roadside services include jump-starts, towing, lockouts, emergency fuel delivery and flat tire changes. Courtesy transportation is also available whenever your vehicle is in for warranted repairs. And trip interruption protection will reimburse you for expenses incurred as a result of a warranted repair that interrupts your travel. Your vehicle is also covered by the GM bumper-to-bumper limited warranty.

Cadillac Roadside Assistance and courtesy transportation programs are in effect for the first 60 months or 100,000 miles of ownership, whichever comes first. See your dealer for complete details, terms and conditions of these programs and the GM limited warranty.

<sup>1</sup> Required XM Radio and XM NavTraffic monthly subscriptions sold separately after trial period. XM NavTraffic available only in select markets. Subscription fee is consumer only. All fees and programming subject to change. Subscriptions are non-transferable and subject to Consumer Agreement available at [xmradio.com](http://xmradio.com). XM service is available only in the 48 contiguous United States. The XM name and XM NavTraffic are registered trademarks of XM Satellite Radio Inc. © 2008 XM Satellite Radio Inc. All rights reserved. All other trademarks are the property of their respective owners. Visit [gm.xmradio.com](http://gm.xmradio.com) for details. <sup>2</sup> Roadside Assistance Program and Courtesy Transportation Program are not a part of the New Vehicle Limited Warranty. A separate booklet entitled "Warranty and Owner Assistance Information" furnished with each new vehicle provides detailed warranty coverage information.

*Cadillac*

*Life.* **LIBERTY.** AND THE *PURSUIT.*<sup>™</sup>

FOR OVER 100 YEARS, CADILLAC HAS BEEN THE AUTOMOTIVE REPRESENTATION OF THE AMERICAN DREAM. A ROLLING HIGH FIVE. A TANGIBLE SYMBOL OF SUCCESS. BUILT FOR PEOPLE WHO KNOW THAT HERE, IN THIS COUNTRY, IT DOESN'T MATTER WHERE YOU CAME FROM. IT ONLY MATTERS HOW FAR YOU WANT TO GO. AND HOW FAST YOU WANT TO GET THERE. IT'S AN OPEN ROAD, DRIVEN BY THOSE WHO HAVE THE COURAGE TO CHASE THE DREAM, CATCH IT AND LET IT GO. SO THEY CAN CHASE AN EVEN BIGGER ONE. BECAUSE THAT'S WHAT THE PURSUIT IS ALL ABOUT.

[WWW.CADILLAC.COM](http://WWW.CADILLAC.COM)
