¹ Availability varies depending on model.

² The Supplemental Restraint System (SRS) (airbags) affords the driver and the front and rear outboard passengers additional protection in moderate to severe frontal and side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon bag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat.

- 440-watt Harman Kardon® premium audio system¹
- Touch-screen GPS navigation system with voice-activated control and rear vision camera¹
- 10-way power driver's seat¹
- 65/35-split flat-folding rear seats
- Electric parking brake
- Front, front-side and side-curtain airbags (SRS)²
- Ring-shaped Reinforcement Frame body structure

confidence

Legacy 2.5i Limited in Graphite Gray Metallic.

The all-new Subaru Legacy mid-size sedan doesn't just look different this year, it feels different. You feel the difference behind the wheel. In the turns. Even your passengers feel it in the extra room in the rear seats. From the smart engineering and dynamic performance to the strength and presence evident in the exterior design, the Legacy gives you a greater sense of confidence, comfort and excitement. Don't just see for yourself. Feel for yourself.
