

Love. It's what makes a Subaru, a Subaru.

# **Efficient**

Getting up to 29 mpg highway¹ and over 500 miles of range (highway) with the available Lineartronic® CVT, Outback is made to help you do more with less.

### **Strong**

Between its structural reinforcements, rugged suspension and the choice of two powerful engines, you have an Outback that will run smoothly when you work it hard.

# **Versatile**

Smartly equipped with an array of compartments, pockets, holders, and space, Outback will make sure that all of your gear is just as comfortable as you are.

### **Protective**

Outback earns its reputation for safety, thanks to intelligent active and all-around-you passive safety systems making it—in a worst-case scenario—one of your best possible bets.

# **Symmetrical AWD**

With an almost perfectly symmetrical layout, our unique all-wheel drive system offers better balance for stability and a more efficient flow of power to all four wheels for greater grip and control.

# **Exceptional Control**

The balance of the SUBARU BOXER® engine and the grip of Subaru AWD help give you the power and responsiveness you need on those twisty roads and unpredictable conditions. This poise is combined with VDC electronic stability control, which can intervene to help you stay in control.

# Versatility

Outback is filled with handy designs like the multifunction center console, and the unique retractable crossbars of the roof rack system that help keep your stuff neatly packed and under control. While a spacious cargo area and a 65/35 split-folding rear seatback make loading, hauling and accessing cargo easy.

# Suspension

With its rugged 4-wheel independent suspension and up to 8.7 inches of ground clearance, your Outback has the capability to take you to destinations ordinary cars can't. Yet it drives with a smooth ride and responsive handling no SUV can match.

### **Passenger Protection**

Our body structure design, the Ringshaped Reinforcement Frame, is designed to absorb and direct impact energy away from the passenger cabin, while an array of airbags—all standard —further help prevent injury.<sup>1</sup>

# Rewarding Technology

Available features like dual-zone climate control help keep you comfortable, while a USB for your iPod®, HD Radio™, XM® Satellite Radio² and Bluetooth® hands-free connectivity keep you connected and entertained.

- 1 Always wear seatbelts. Children should be properly restrained in the
- 2 3-month trial subscription included when a dealer- or port-installed accessory or a 4-month trial subscription included as part of the Harman Kardon premium audio system. Activation and required

Outback 3.6R Limited in Satin White Pearl with accessory ski/snowboard attachment.

OUTBACK® Trim Levels

#### 2.5i

- 170-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 29 mpg¹
- 6-speed manual transmission or optional Lineartronic® CVT (Continuously Variable Transmission)
- 16-inch steel wheels with covers
- Roof rails with integrated and retractable cross bars
- Cloth upholstery
- Silver metallic interior trim
- 6-way manually adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- 4-speaker single-CD audio system
- Optional Alloy Wheel Package

#### 2.5i Premium

- 170-hp 2.5-liter 4-cylinder SUBARU BOXER engine
- Subaru Symmetrical All-Wheel Drive
- 29 mpg¹
- 6-speed manual transmission or optional. Lineartronic® CVT (Continuously Variable Transmission)
- Roof rails with integrated and retractable cross bars
- Cloth upholstery
- Silver metallic interior trim
- ▲ 17-inch aluminum-alloy wheels
- ▲ Fog lights
- ▲ Leather-wrapped 3-spoke steering wheel
- ▲ 10-way power adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- ▲ 6-speaker single-CD audio system with Bluetooth® connectivity and USB port/ iPod® control

#### 2.5i Limited

TRACTION AND STABILITY

Traction Control System (TCS)

Symmetrical All-Wheel Drive Standard Standard

Vehicle Dynamics Control (VDC) VDC electronic stability control utilizes sensors which constantly monitor wheel speeds, steering angle, brake pressure, vehicle

yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.

VDC also incorporates an all-wheel, all-speed traction control system which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.

1 2012 Subaru Outback non-turbo 2.5-liter models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those sold and registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information. 2 2012 EPA fuel economy estimates. Actual mileage may vary. 3 Included in Alloy Wheel Package. See equipment listing above. 4 XM® Satellite Radio hardware standard as part of Harman Kardon audio system. Activation and required monthly subscription sold separately. Includes 3-month trial subscription. See your dealer. 5 Available as a dealer- or port-installed accessory. Activation and required monthly subscription sold separately. Includes 3-month trial subscription. See your dealer. 6 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front and rear outboard passengers additional protection in moderate to severe frontal and side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat. 7 Requires optional All-Weather Package. 8 Requires optional Power Moonroof Package. 9 HD Radio" not available with Navigation System Package. 10 DVD player only with vehicle stopped and parking brake engaged.

# Make your Outback truly yours.

#### All-weather Floor Mats

Custom-fitted, heavy-gauge protective mats. Helps protect vehicle's carpet from sand, dirt and moisture.

Not intended for use over top of carpeted floor mats.

#### **Auto-dimming Mirror with** Compass and HomeLink®

Mirror darkens when headlights are detected from behind the vehicle. Includes a compass and three integrated HomeLink® buttons that are programmable for most garage-door openers and other HomeLink-compatible devices.

**Body Side Moldings** 

Attractive color-matched moldings coordinate with the styling of the vehicle, while helping to protect doors from unsightly dings.

#### Rear Seat Entertainment System

Rear Seat Entertainment System includes two 7" LCD monitors and two DVD players integrated into the replacement front seat headrests. This dual screen system allows rear passengers the option of viewing movies, listening to music or playing games either simultaneously or independently. Individual DVD players may be controlled with control buttons on each front panel or with the included remote control.

The system includes wireless headphones\*, is iPod® \*\* and MP3 compatible, and includes an A/V jack for connecting external inputs.

\*Headphones are for rear passenger use only. \*\*iPod accessory

#### Dog Guard/Compartment Separator

Separates pets and cargo from the passenger area.

Not for use with child seats requiring tether straps.

Ski and Snowboard Carrier

Holds up to 6 pairs of skis or 4 snowboards. May also be used to carry fishing rods.

**Kayak Carrier** 

Cradles and securely transports most kayak hull shapes. Includes straps with padded buckles.

L.E.D. lights activate when vehicle doors are

unlocked using the keyless entry. A soft glow

illuminates the ground, aiding entry and exit

Splash Guards

Trailer Hitch

2.5i: 2,700 lbs.; 3.6R: 3,000 lbs.

**Puddle Lights** 

of the vehicle.

Heavy-duty rated at up to 3,000 lbs. towing

capacity and 200 lbs. tongue weight.

Hitch ball not included. Trailer brakes may be needed.

Help protect the vehicle's paint finish from stones and road grime.

#### **Side Window Deflectors**

Let the fresh air in while helping to keep the weather out. Deflector design includes integrated chrome insert to match window frame trim.

Side Window Deflectors may not be legal in all states. Please check the laws of your state.

Remote Engine Starter

Allows vehicle to start by pushing a button from the convenience of home or the office (up to 400 feet away depending on obstructions) so that the vehicle's interior temperature is more comfortable upon entry. Remote confirms when vehicle engine

# Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last-it's why 96% of all the vehicles we've built in the last 10 years are still on the road today. We also share your desire for a cleaner, greener world. The Forester, Impreza, Legacy and Outback have all been recognized with Partial Zero Emission Vehicle—PZEV2—status because of their exceptionally low emissions. What's more, in 2004 Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero landfill statusnothing from its manufacturing efforts ever goes into a landfill.

These brochures were printed with vegetable-based inks and produced using a "Green Printing Process" and FSC® standards. The Forest Stewardship Council™ (FSC) is an international organization that brings people together to find solutions which promote responsible stewardship of the world's forests and environments

By producing these brochures in a green way rather than by traditional methods, we saved 105 trees preserved for the future; 302 lbs water-borne waste not created; 44,496 gallons wastewater flow saved; 4,923 lbs solid waste not generated; 9,694 lbs net greenhouse gases prevented; 74,196,840 BTUs energy not consumed.

1 Based on Polk U.S. vehicles in operation registration statistics 2001–2010. 2 2012 Forester, Impreza, Legacy and Outback 2.5L non-turbo models certified as Partial Zero Emission Vehicle (PZEV) are available in all 50 states. Only those sold and registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty.
