"THE PRODUCT OF EXPERIENCE"

The "LITTLE SIX" Chassis—Strong, Rigid, Clean-cut

ATTRACTIVE FRONT APPEARANCE

The "LITTLE SIX" Motor with its large valves (enclosed), automatically heated carburetor and efficient oiling system, together with its quiet operation, make a motor of unusual merit and distinction.

IGNITION SIDE

CARBURETOR SIDE

"THE PRODUCT OF EXPERIENCE"

JUST AS ATTRACTIVE—GOING OR COMING

The best of illustrations cannot do the "LITTLE SIX" full justice—you'll say so when you see it

Home of the "LITTLE SIX" Car

Six and one-half acres of actual floor space This entire plant is modern and well equipped—devoted exclusively to building LITTLE Motor cars and *building them just right*
