

2018 MKC | 

REDEFINING THE LUXURY EXPERIENCE

At Lincoln, we believe that luxury extends far beyond material possessions. Which is why, along with the intuitive features and luxury appointments of your MKC, you will receive an exclusive collection of services we call the Lincoln Way.[™] These liberating benefits are designed to help uncomplicate your life. Making each day more effortless – and empowering you to soak up every brilliant, wonderful moment along the way.

ITS WELCOMING EMBRACE MARKS YOUR ARRIVAL

Your presence is cause for celebration. Each time you approach, MKC senses your key fob and warmly greets you with a series of illuminating gestures. Dynamic signature lighting beneath each HID headlamp gracefully flows outward, while other exterior LED lamps fade on, and luminous welcome mats quietly appear on the ground. The LED lights in its door handle pockets glow with an intensity that's fine-tuned to your chosen exterior color. Ambient lighting¹ puts on a show inside, followed by the autofold¹ sideview mirrors deploying to your personalized settings. The overall experience is one of comforting reassurance. Your MKC has been expecting you.

¹Available feature.

You're in for a spirited ride with MKC. Thanks to the boost of turbocharging and the precision of direct fuel injection, its 2.3-liter¹ and 2.0-liter engines both deliver the kind of performance you might expect from a V6. They also feature twin independent variable camshaft timing (Ti-VCT) to help optimize efficiency. With the 2.0-liter and Auto Start-Stop Technology,¹ MKC has an EPA-estimated rating of 28 hwy mpg.²

For inspiring performance all around, the 2.3-liter is paired with Intelligent all-wheel drive (AWD)¹ and Lincoln Drive Control featuring Adaptive Suspension!¹ Select the system's Sport drive mode to tighten suspension tuning, firm up steering calibration, and enjoy a more powerful engine sound inside the cabin – all while feeling connected to the road. For an engaging drive, the SelectShift[®] automatic transmission puts the control of a manual at your fingertips with steering wheel-mounted paddle shifters. Change gears whenever you want, or leave it to MKC.

GIVE YOUR SPIRITS A BOOST

Turbocharged 2.3-liter I-4¹

285 hp/305 lb.-ft. torque³

Turbocharged 2.0-liter I-4

245 hp/275 lb.-ft. torque³

¹Available feature. ²EPA-estimated rating of 21 city/28 hwy/23 combined mpg, 2.0-liter FWD. Actual mileage will vary. ³Horsepower and torque ratings achieved with 93-octane fuel.

DISCOVER YOUR NEW PEACEFUL PLACE

Surround yourself with tranquility inside MKC. Relax into your heated and cooled¹ driver's seat with its power-adjustable lumbar support and convenient memory feature. Notice the luxurious feel of the Bridge of Weir Deepsoft™ leather¹ created exclusively for Lincoln. A premium, naturally milled leather made from the finest hides in northern Europe, it's chromium-free and offers a level of comfort typically reserved for upscale furniture. French seams on the seats and genuine wood¹ accents further elevate your experience. A particulate air filter traps pollen and other irritants to help you breathe easy. Plus, Active Noise Control enhances cabin ambiance and helps to refine engine sound. The meticulously crafted interior of your MKC is the perfect place to gather your thoughts and find your focus.

Features like the Hands-Free Liftgate¹ can help ease your day. A simple kick of your foot beneath the rear bumper opens or closes it. Inside, the 60/40 split-folding rear seat, flat load floor and abundant space empower you to live in your moment.

¹Available feature.

WHERE GRACE AND CONTROL CONVERGE

That's the empowering place you'll find yourself each time you slide behind the hand-stitched Wollsdorf¹ leather-wrapped steering wheel of your MKC. A convenient memory¹ feature recalls your personalized settings for the driver's seat, heated sideview mirrors and more, upon your return. Ambient lighting¹ bathes the doors, cupholders and footwells in your preference of 7 soothing hues. A press of the push-button start brings the engine to life. And the class-exclusive² Push-Button Shift Transmission displays each gear as a button of its own – making it easy for you to select Drive and begin your next journey.

¹Available feature. ²Class is Luxury Small Utilities starting under \$53,000 based on Lincoln segmentation.

LINCOLN
SYNC® 3

Feel free to speak your mind. MKC listens. With its SYNC 3 enhanced voice-activated technology,¹ you can control calls, music and more with just a touch and your voice. You'll find audio, phone, navigation² and other features concisely presented on the responsive touchscreen in the middle of your instrument panel. SYNC AppLink^{®3} lets you control compatible mobile apps by voice. Plus, seamless integration with Siri[®] Eyes Free brings the power of your paired iPhone[®] into your vehicle. SYNC 3 also includes Apple CarPlay[™] compatibility⁴ and Android Auto[™] compatibility.⁴ The Voice-Activated Touchscreen Navigation System² features vivid 3-D maps with pinch-to-zoom capability. And automatic updates over Wi-Fi⁵ provide the latest SYNC 3 software as new updates become available.

Passengers can connect up to 10 devices at a time using the 4G LTE Wi-Fi hotspot capability of new Lincoln Connect.^{™6} Let them surf the web, stream music and more while you're on the go, and up to 50' away from the vehicle when it's parked. For help making the most of this or any other MKC feature, remember your Lincoln Concierge is available 24/7.

STAY CONNECTED WITH VOICE-ACTIVATED SIMPLICITY

Every person in your MKC gets a front-row seat to the concert, courtesy of the Enhanced THX[®] II Certified Audio System² – a U.S. automotive industry first. Patented sound-processing technology distributes your music's bass evenly throughout the interior and, together with 14 speakers, brings the rich, full sound of the studio to every drive.

TUNE IN TO THE DETAILS

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones
²Available feature. ³Certain restrictions, 3rd-party terms, or message and data rates may apply. See your Lincoln Dealer for details. Commands may vary by phone and AppLink software. ⁴Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ⁵Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. ⁶See footnote 1 on "Your 2018 MKC Standard Features" page, and your Lincoln Dealer for details.

BECOME ONE WITH THE ROAD

Imagine yourself gliding along – blissfully at peace. MKC can take you there, courtesy of its Lincoln Drive Control¹ featuring Adaptive Suspension, which helps isolate your vehicle from road imperfections. To personalize your ride, explore each of the 3 drive modes – Comfort, Normal and Sport. With any of them, Electric Power-Assisted Steering (EPAS) provides steering response and feedback that helps you feel confident behind the wheel.

GLIDE EFFORTLESSLY

Handle life's twists and turns with poise and confidence in MKC. Through advanced software and engineering, standard Torque Vectoring Control actively adjusts the speed between your front wheels for enhanced cornering agility.² MKC does this seamlessly behind the scenes, without any need for driver input, so you can stay focused on enjoying the ride.

CORNER CONFIDENTLY

¹Available feature. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

TECHNOLOGIES
HELP
SIMPLIFY
YOUR DAY

AUTO HOLD¹ – You don't need to hold down the brake pedal for long stoplights or extended waits in MKC. Just activate this technology, then come to a complete stop. Even on a hill, the system can hold the vehicle in place until you press the accelerator.

BLIS[®] (BLIND SPOT INFORMATION SYSTEM) WITH CROSS-TRAFFIC ALERT^{1,2} – Some vehicles may be out of your line of sight, but they can be detected by this technology. It warns you if it detects a vehicle in your blind spots while driving forward, or approaching from the sides while in Reverse.

ADAPTIVE CRUISE CONTROL & FORWARD COLLISION WARNING WITH BRAKE SUPPORT^{1,2} – When highway cruising, this system can adjust the speed of your vehicle to maintain a preset gap from the vehicle in front of you. If a potential collision is detected, MKC can visually and audibly alert you and, if needed, precharge the brakes and increase brake sensitivity to help you reach full braking, faster.

LANE-KEEPING SYSTEM^{1,2} – If you start to drift out of your lane, this technology can help alert you. Using a forward-facing camera to detect road lane markings, the system can apply steering wheel torque and even alert you with a steering wheel vibration to help direct you to return to your lane.³ If it detects that you've crossed the line repeatedly, it can prompt the Driver Alert System^{1,2} to chime and display a coffee cup image to remind you that it's break time.

ACTIVE PARK ASSIST WITH PARK OUT ASSIST^{1,2} – For help parallel parking, simply activate this system. It uses ultrasonic sensors to help you locate an appropriate space, then steers the vehicle into it. All you do is follow on-screen prompts and control the shifter, brake and accelerator pedals. It even provides assistance when pulling out of a parallel spot. For additional guidance during parking maneuvers, the Forward² and Reverse Sensing Systems can alert you to objects near the front or rear of your vehicle. Plus, a rear view camera¹ is standard on every MKC.

THE LINCOLN WAY[™] APP⁴ AND LINCOLN CONNECT^{™5} – Together, they provide effortless control of your mobility. Simply download the app to your mobile device, then use it to start your vehicle remotely, schedule a recurring daily or weekly start time, locate your vehicle, remotely lock or unlock its doors and more. The app is also an easy way to reach our Lincoln Concierge team. They're always ready to assist you with personalized vehicle solutions, roadside assistance and more.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Available feature. ³Lane-Keeping System does not control steering. ⁴The Lincoln Way app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply. ⁵Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 1 on "Your 2018 MKC Standard Features" page, and your Lincoln Dealer for details.

BEAUTY IS TO BE FOUND ALL AROUND

Every aspect of MKC is designed to help you travel in a uniquely elegant way. The gracefully sweeping LED taillamps illuminate quickly and crisply. The spacious cabin is easily transformed to offer up to 53.1 cu. ft.¹ of space for your cargo-carrying needs. The bright-white light of its HID headlamps provides better visibility than conventional halogen lamps. And the power panoramic Vista Roof² offers up magnificent views, day after day. Treat yourself to more of life's beautiful experiences in the 2018 Lincoln MKC.
