A photograph of a man and a woman smiling and looking into the open trunk of a car. The man is standing and leaning over the trunk, while the woman is kneeling on the ground, also looking into the trunk. The scene is lit with warm, golden light, creating a cozy and happy atmosphere. The car's interior and the items inside the trunk are visible but slightly out of focus.

SATURN

ACCESSORIES

Convenience Net This stretchy, Lycra® cargo net will help keep grocery bags upright and smaller stuff from sliding around. There are even extra pockets for organizing. (Three-panel net for S-Series coupes and sedans, single-panel for L-Series sedans. Single-panel standard on all wagons.)

CD Changer Easy handling applies not only to your Saturn's driveability but also to its sound system if you've got the six-disc CD changer mounted in the center console or rear compartment. And if you combine that with one of our premium audio systems, you've got a stereo that's hard to turn off. (CD changer mounts in the armrest of the S-Series, in the trunk of the L100, L200 and L300, and in the cargo area of the LW200 and LW300.)

Side-Window Air Deflectors Bring fresh air in while keeping the weather out. That's the idea behind our aerodynamic side-window air deflectors. (Available for all models.)

Front-End Cover As stylish as it is functional, our removable front-end cover will shield your Saturn from flying insects and loose gravel. (Available for all models.)

Splash Guards Also known as mud flaps, splash guards help keep sand, mud and even road salt off your car by forming a barrier between your tires and fenders. (Available for all models.)

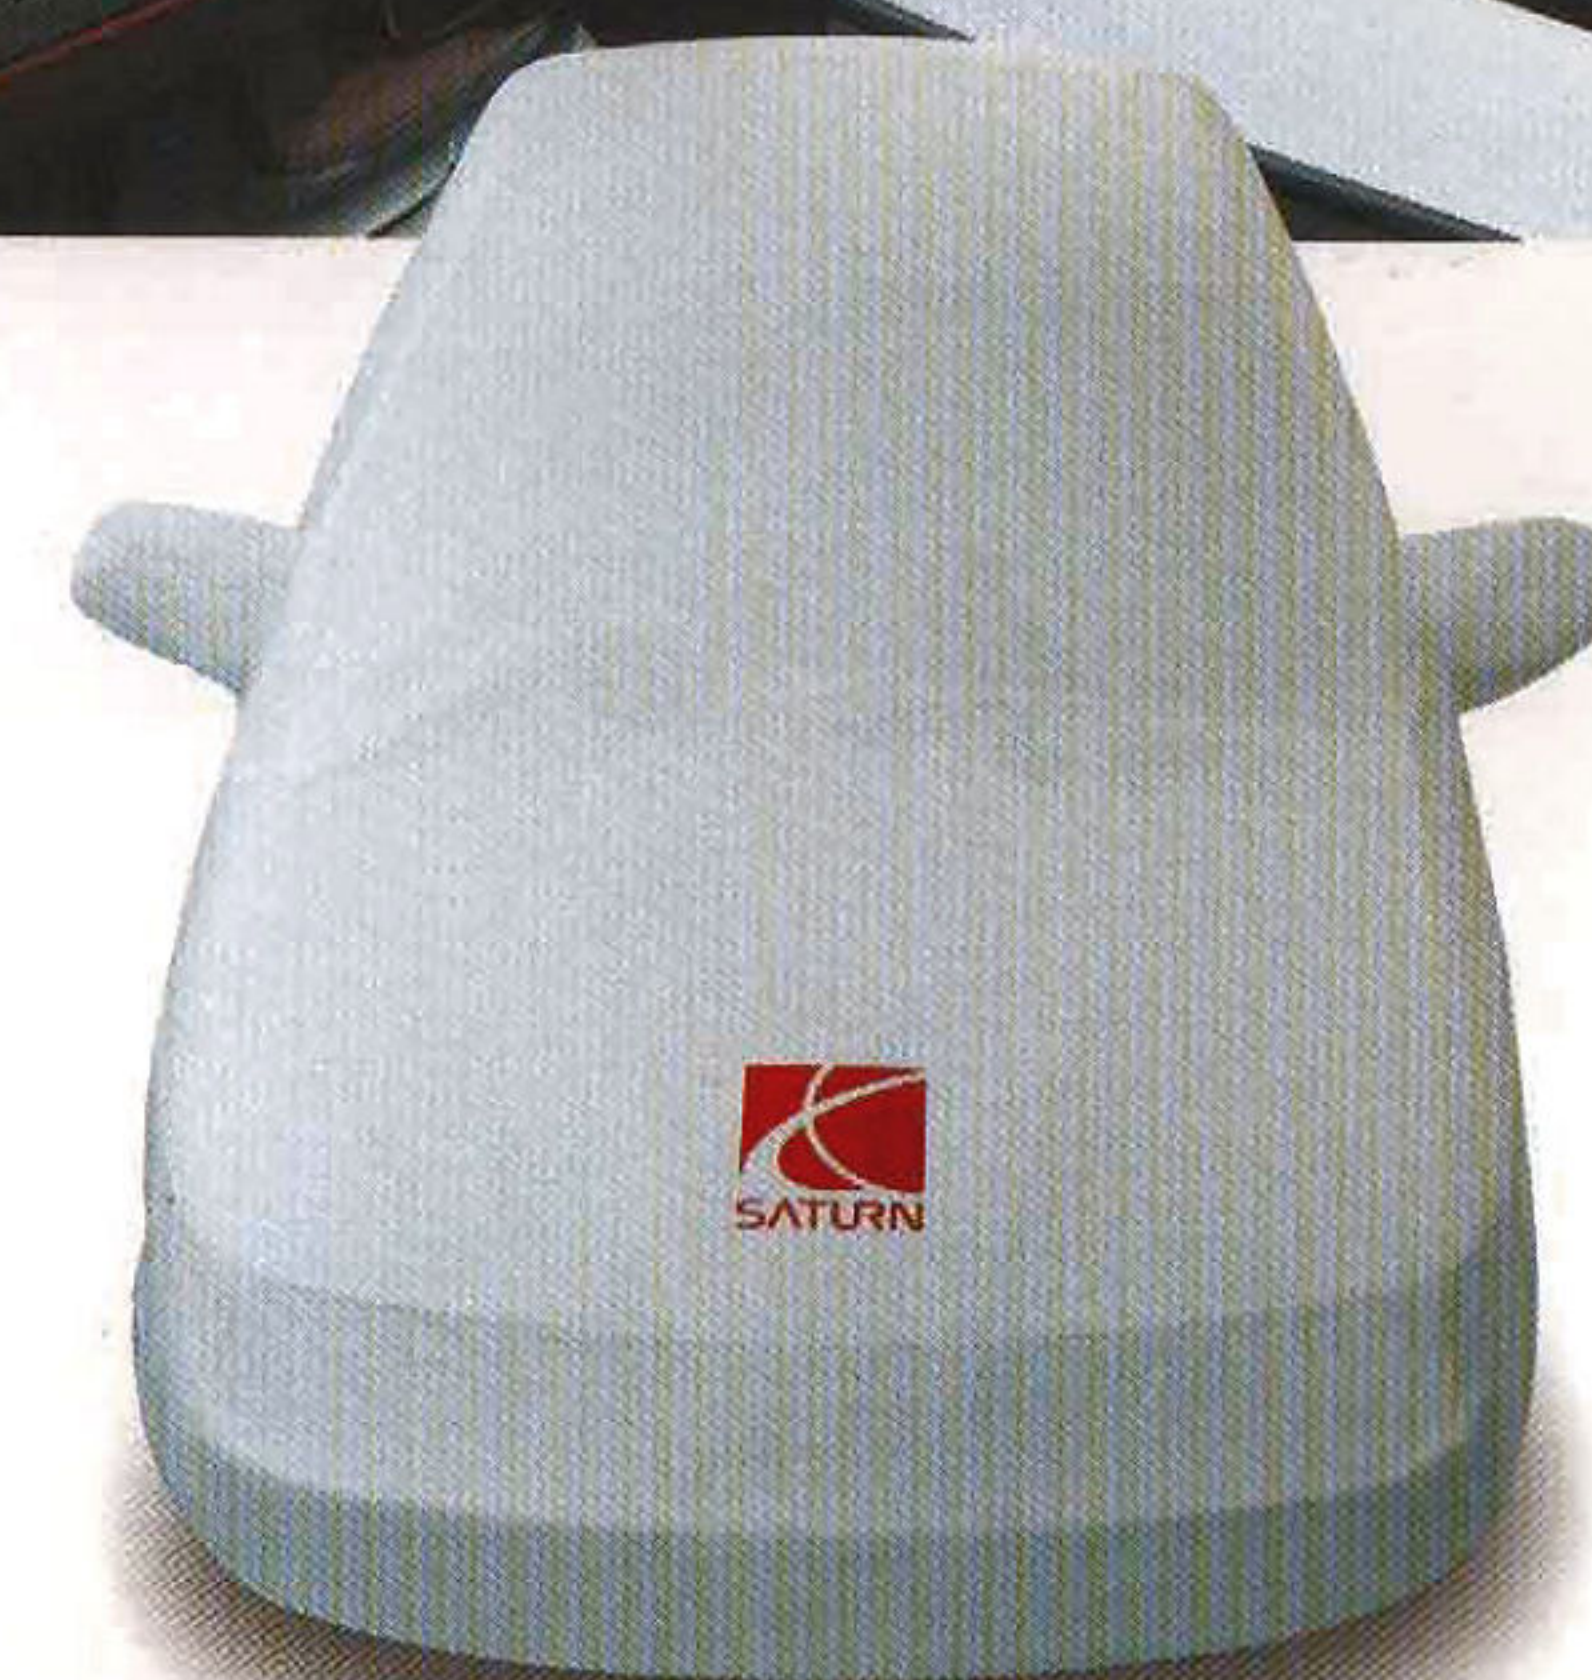

Roof Rack Whether your passion is biking, surfing or skiing, it's easy to take your gear along. Our corrosion-resistant, aerodynamic roof rack and attachments will secure your gear with a sturdy lock and carry it anywhere you want to go. And when you're not using the rack, you can simply remove it. (Available for all models.)

Trunk/Cargo-Area Liner With our trunk- and cargo-area liners, you can haul a pile of wood or potted plants without worrying about the mess. When you're done, just remove the liner and shake out the dirt. (Trunk-area liners available for coupes and sedans, cargo-area liners for wagons.)

Floor Mats (carpeted) One of our most popular accessories, these plush floor mats are easy to clean, color coordinated and custom fit to your Saturn. (Available for all S-Series models and the L100, L200 and LW200; standard on L300 and LW300.)

Spoiler Give your Saturn S-Series sedan a sleek, sporty look with a factory-made rear spoiler. Each spoiler is manufactured with our renowned dent-resistant material and painted to match your Saturn.

Sunroof Deflector To keep most of the wind from sneaking through your open sunroof, add this translucent, high-impact polymer wind deflector. (Available for all models except the wagons, the SL and the L100.)

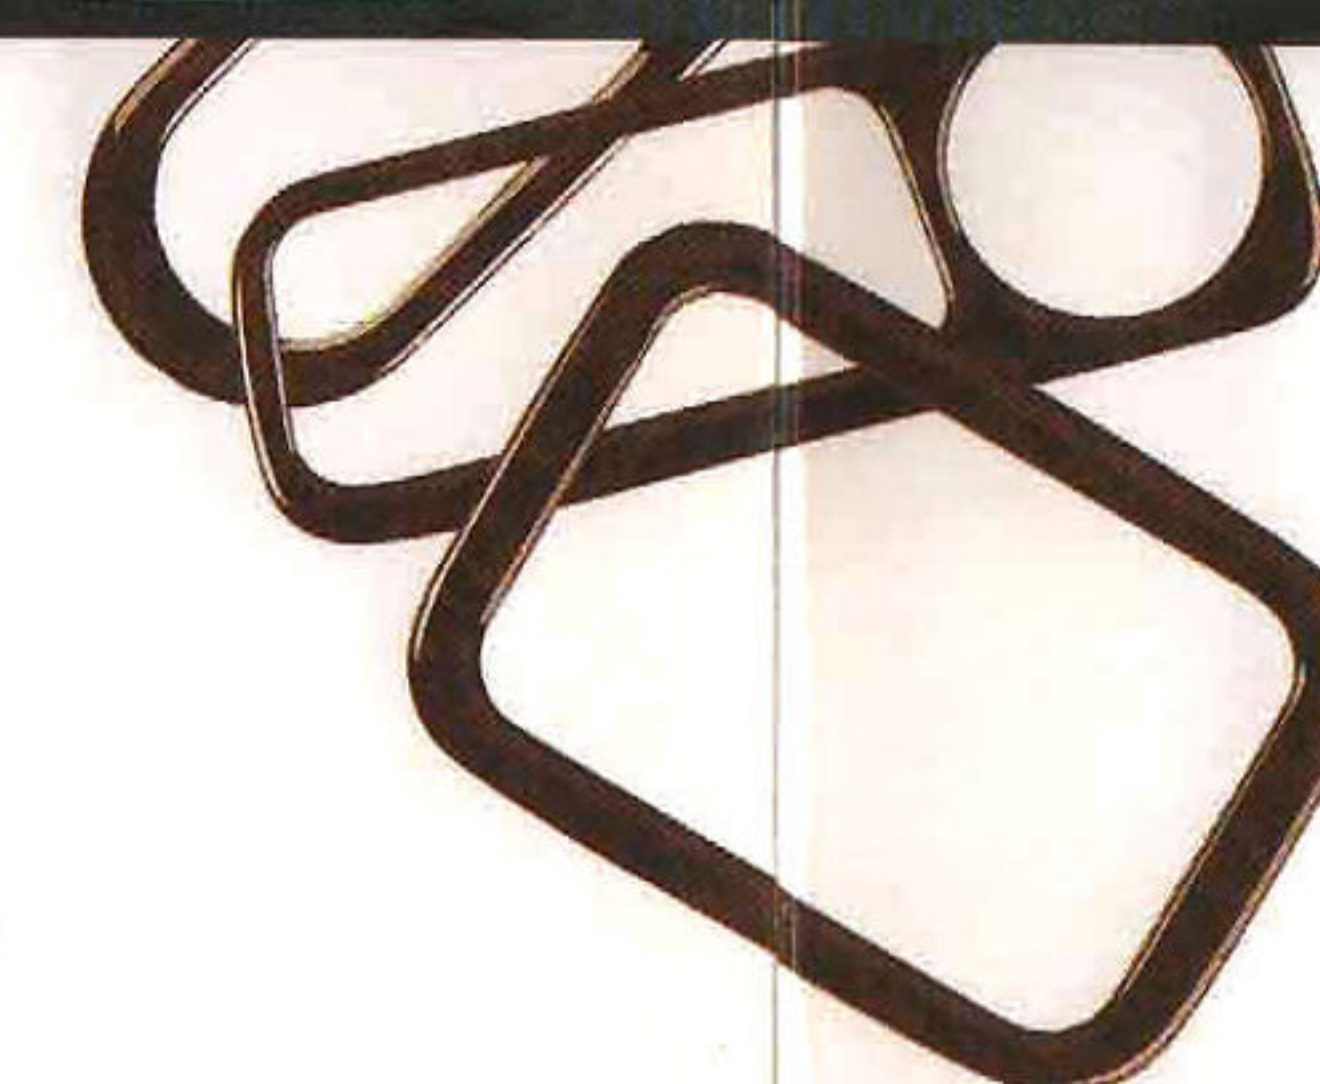

Windshield Sunshade The interior of your car stays cool with our metallic windshield sunshade. And when you're not using it, it rolls up neatly for storage. (Available for all models.)

Wood-Trim Kits Luxurious wood trim adds the perfect finishing touch to your Saturn S-Series vehicle. It also complements the existing wood trim on the L200, L300, LW200 and LW300.

OTHER AVAILABLE ACCESSORIES

ITEM	AVAILABILITY
CarCare kit	all
Engine block heater	all
Touch-up paint	all
Wheel locks	all

Armrest Store CDs, cassettes and spare change in our center console. It's also a comfortable place to rest your elbow. (Available for the SL, SL1, SC1 and L100; standard on the SL2, SW2, SC2, L200, L300, LW200 and LW300.)

Seat Covers With these custom-fitted, high-quality seat covers, your seats will stay as clean and new as they were the day you purchased your Saturn. (Available in three exciting colors for the S-Series and L-Series.)

Floor Mats (all-weather) Maybe you can't control the weather, but at least you can control where it ends up. These practical, custom-fit black floor mats keep mud and snow and other evidence of the seasons off your carpets. (Available for all models.)
