

2004 Honda
ACCORD SEDAN

In a world of compromise and “ifs, ands or buts,” the remarkable 2004 Honda Accord makes one **powerful** statement: You can have good looks, performance, refinement, comfort, safety, craftsmanship and exceptional value. All in one pleasantly astonishing vehicle. Either of the 160-hp 4-cylinder or 240-hp VTEC V-6 engines will give you cause to **celebrate** your decision to purchase an Accord. You might start your weekends early.

With every generation of Accord, the bar is set just a little higher, and people have noticed. For 17 out of 21 years, *Car and Driver* has named Accord to its 10Best Cars list. We're going for 18 of 22.

Specifications
