

PRECIS

IMPORTED BY MITSUBISHI

*Precis RS
3-Door Hatchback*

High style for the value minded.

Meet the new 1990 Precis. A sporty profile and smooth, flowing lines frame its fresh, contemporary styling. And, over 60 standard features fill its aerodynamic body with comfort and convenience. This is one car that's priced economically, yet makes you feel rich.

Hop in, switch on the ignition and prepare to move. The fuel-injected 1.5-liter engine zips you through traffic, and cruises with

quiet efficiency along open roads. As you slip down the highway, notice the precise control afforded by rack-and-pinion steering.

The fully independent suspension rides on steel-belted, all-season radials. You experience excellent handling and traction; the ride is smooth and stable.

Now, gently depress the brake pedal. Power-assisted front disc brakes stop you surely, confidently.

Look around you and discover the inner beauty of Precis. The interior is designed for your comfort and convenience. Lowback, three-way adjustable bucket seats support front-seat riders. The sculpted rear seat, with integral headrests, folds down to extend cargo carrying capacity and accommodate large items like skis, golf bag or camping gear.

Choose from two stylish models:

dependable Precis or sporty Precis RS. You live your life on the go and Precis is ready to go with you.

Precis. The value-minded car that's rich with style. Imported from Korea by Mitsubishi.

Shown opposite, it's your option to add:
A. Power glass sunroof (RS only).
B. Electronically tuned AM/FM stereo cassette with four speakers (RS only) or electronically tuned AM/FM stereo cassette with two speakers.
C. Air conditioning.
D. 4-speed automatic transmission with Power/Economy modes.

Available authorized Mitsubishi Motors Dealer accessories include: nose mask, floor mats, fog lights, roof rack system, sunroof wind deflector and security system.

A wealth of features – all standard.

Both Precis and Precis RS offer over 60 standard features, including:
