INTRODUCING THE 1975 PASSENGER CARS WITH THE AMC BUYER PRO

GREMLIN : HORNET : MA

Special AUTO SHOW Edition

WE CARE ABOUT YOU AFTER YOU BUY YOUR AMC CAR ...

Hometown AMC **AMC BUYER PROTECTION PLAN.TM** 1. A simple, strong guarantee: When you buy a new 1975 AMC car from an American Motors dealer, American Motors Corporation guarantees to you that, except for tires, it will pay for the repair or replacement of any part it supplies that is defective in material or workmanship. This guarantee is good for 12 months from the date the car is first used or 12,000 miles, whichever comes first. All we require is that the car be properly maintained and cared for under normal use and service in the fifty United States or Canada and that guaranteed repairs or replacements be made by an American Motors dealer. 2. A free loaner car from almost every one of our dealers if guaranteed repairs take overnight. 3. Special Trip Interruption Protection. 4. And a toll-free hot line to AMC Headquarters. TM. BUYER PROTECTION PLAN is a registered trademark of American Motors Corporation.

AMC BUYER PROTECTION PLAN.TM

More than just a guarantee.

We don't claim to be the only people who build economy cars. Although we've been building them right from the beginning and that's what we're famous for.

But, while other people make the usual claims for economy before you buy, we're the ones who offer assurance of value and long-lasting satisfaction after you buy. That makes us unusual.

What makes it all possible is something equally unusual—the AMC BUYER PROTECTION PLAN, a commitment to stand behind every car we build and the dealers who sell them. It's standard with every car we sell. And no other American automobile manufacturer has anything like it.

Plain and simply: we'll fix or replace, free, any part that's defective or wears out under normal use or service for a whole year or 12,000 miles. Whichever comes first. (Tires excepted.) We think that's an assurance of operating economy that really means something.

And for just \$99.00 (list price), you can double this protection—in other words, up to a total of two years or 24,000 miles—with the Double BUYER

PROTECTION PLAN. And this includes the loaner car, special Trip Interruption Protection, and a toll-free hot line to AMC Headquarters, too. (As you'd expect, your car must be maintained according to the prescribed factory maintenance and service schedule.) Your AMC dealer has complete details.

Add our exclusive BUYER PROTECTION PLAN to our traditional savings—low purchase price, good gas economy, low upkeep, all the rest—and you see why so many people are calling AMC dealers the Economy Experts.

Along with economy, safety is important in every car we build. On all AMC cars, these "SAFE-COMMAND" features are standard equipment:

□ Energy-absorbing bumper system

☐ Single-buckle front-seat lap and shoulder belts for driver and right side passenger (with engine starter interlock); seat belts for front center and all rear seat passengers

□ Certified flame-resistant fabrics
□ Two front head restraints
□ 4-way hazard warning signals
□ Lane changer turn signals

☐ Automatic backup lights
 ☐ Side of car safety marker lights
 ☐ Non-glare wiper blades

☐ Guard-rail doors
☐ Energy-absorbing steering column

☐ High-strength windshield glass☐ Tempered side and rear glass☐

□ Padded sun visors
 □ Padded instrument panel
 □ Safety-shaped armrests

☐ Non-glare finish on inside parts
☐ Double-safety brake system
☐ Brake system warning light

□ Brake system warning light
 □ Self-adjusting brake linings

☐ Corrosion-resistant brake lines☐ Safety rim wheels

☐ Tire tread wear indicators☐ Captive engine mounts

☐ High-strength door locks and hinges

☐ Safety-shaped door handles☐ 2-key locking system☐

☐ Front seat-back lock

☐ Dual action hood latch

INDEX

Here's where you'll find the details on each of our 1975 cars:

Check out our 75s...We back them better because we build them better.

For some time now, Gremlin has been showing a lot of folks how to save money. For example: Gremlin is the only U.S. sub-compact with a standard six-cylinder engine. More power for acceleration

when you need it. Yet Gremlin is mighty easy on gas (as a lot of happy owners will tell you). And, with its good gas economy, Gremlin's large 21-gallon fuel tank means excellent driving range.

Gremlin is the roomy, comfortable subcompact. (Seats are among the widest in its class.) And because it's heavier and has a wider track, Gremlin gives you a stable, smooth ride.

Add to these Gremlin versatility—a spacious rear compartment with nearly as much luggage room as a big car when the rear seat is folded down. And style: Gremlin has a look all its own. A flair in

the way it looks and goes.

Top it all off with the exclusive BUYER PROTECTION PLAN—an assurance of quality and satisfaction—and you know why Gremlin is making a lot of new friends.

Gremlin X in D7 Red

Gremlin in G8 Pastel Blue.

Levi's® Gremlin in H1 Deep Blue Metallic.

Gremlin STANDARD FEATURES

☐ Power team: economical 232 CID six-cylinder engine, 3-speed manual transmission ☐ Electronic ignition ☐ Foam-cushioned seats, front and rear ☐ Four upholstery color choices ☐ Front armrests ☐ Color-keyed rubber floor covering ☐ Front ash tray ☐ Folding second seat for up to 16.7 cu. ft. of cargo space (with "Space Saver" spare tire) ☐ Weather Eve Heating and **Defrosting System** ☐ 2-speed electric wipers and washers ☐ Dome light actuated by courtesy switches on doors ☐ Handy rear lift window ☐ Front sway bar (V-8 model) ☐ Bumper guards (front and rear) Manual drum brakes ☐ Aluminum hub caps ☐ Fuel Tank Vapor Emission Control System (21 Gallon Tank) ☐ Center-filling fuel tank □ 15 exterior color choices in durable "Luster-Guard" acrylic baked enamel ☐ 50-amp battery

Gremlin OPTIONS

Economy Options

☐ Cruise Command automatic speed control (automatic transmission required) ☐ Fuel economy gauge ☐ Steel-belted radial tires ☐ Overdrive (with 6-cylinder engine, standard manual transmission)

Air Conditioning Options ☐ All-Season Air Conditioning System for added comfort. Includes: heavy-duty engine cooling, power flex fan and 55-amp alternator (Sixes), 51-amp alternator (V-8's), full-width parcel shelf under instrument panel. ☐ Air Conditioning Package includes All-Season Air Conditioning System (as detailed above), plus tinted glass (all

windows), power steering.

Appearance Options

☐ Sporty bucket seats ☐ Custom steering wheel

☐ Wheel covers ☐ Styled road wheels

☐ Rally stripe

☐ Custom Trim Package. Consists of: custom door panels, pleated vinyl bench seats or vinyl bucket seats, Extra Quiet Insulation Package, cargo area insulation, carpeting, custom steering wheel. (Not available with

"X" Package.) "X" Package. In compact size, we have four separate economy car choices for you—all named Hornet.

You might pick the Hornet Hatchback for

sporty good looks or its practical side. The big "third door" and folding rear seat give you a big 21.1 cu. ft. of cargo space. But when it comes to carrying things in

style, Sportabout is the Hornet stand-out. Almost 65 cu. ft. of space with the rear seat down—as much as you'll really ever need. Plus the extra convenience of four

doors and a big extra helping of style. Because they're so easy to buy, own and operate, Hornet Sedans are the choice of all kinds of value-minded folks.

And adding extra value to any new Hornet you buy is AMC's remarkable BUYER PROTECTION PLAN.

Hornet Sportabout D/L in G6 Sienna Orange

Hornet 4-Door Sedan in G9 Medium Blue Metallic

Hornet Hatchback X in G7 Alpine White.

Hornet 2-Door Sedan D/L in J8 Caramel Tan.

Hornet STANDARD FEATURES

Conditioning System (listed

AMC Matador

Matador is proof that you can still have family-size room and comfort (plus lots of richness and style) in your next car without sacrificing economy. Here's plenty of space for a family of five

and their luggage, with more front seat legroom than in any car in its class. And for long mileage, Matador comes with an economical six-cylinder engine as standard equipment. Plus a big 241/2-

Matador Brougham Coupe with optional "Oleg Cassini" Package in P1 Classic Black with black vinyl roof.

Matador Brougham 4-Door-Sedan in H9 Silver Dawn Metallic with black vinyl roof option.

gallon fuel tank in the Coupe and Sedan (21 in the Wagon) to increase your driving the "Oleg Cassini" Package with its range by miles and miles. With all this economy you can still have a lot of luxury. Consider these options: The elegant

Brougham. Or the custom-tailored look of unique copper accents. Or, if you like yours more sporty, choose the Matador X Package.

Of course the feature you'll value above all the rest in Matador is the exclusive BUYER PROTECTION PLAN. It's one new car plan that's simple, straightforward, strong.

Matador X in D7 in Red.

Matador Brougham Wagon with optional woodgrain paneling in G6 Sienna Orange.
