RAM WAGONS

**DODGE RAM.
AMERICA'S FAVORITE
FULL-SIZE WAGON.**

For all the right reasons, Dodge has been the nation's best-selling line of full-size wagons for the past five years.

Dodge Ram Wagons are built tough with room to carry lots of people. The B150 Ram wagon has standard seating for five passengers with space to spare.

Power plus riding comfort.

Expect lively performance with top efficiency from the B150's standard electronic fuel-injected 3.9-liter V-6 engine.

Enjoy a smooth, stable ride with new gas-charged shock absorbers and a strong front stabilizer bar. Another plus: the B150's ability to tow up to 4,500 pounds of trailer weight.

A value leader.

Looking for an exceptional value? The Ram Value Wagon is a winner. It's specially equipped, not stripped. (See details on page 8.)

The Ram B150 Wagon offers these standard features, and more:

- Rugged Unibody construction
- Outstanding corrosion protection
- Power-assisted steering and brakes
- Five-speed manual over-drive transmission (109.6-inch wheelbase)
- New AM stereo*/FM stereo radio
- New deluxe steering wheel
- Quick-release rear seats

Like all Dodges, the B150 Ram Wagon shares the Ram Tough tradition of strength and durability. That's why Dodge, and only Dodge, protects all its wagons with the 7/70 Limited Warranty.*

*Some AM stereo broadcasting may not be compatible with this radio.
†See page 10 for details.

Some of the equipment shown or described throughout this catalog is available at extra cost.

About this catalog: Since the time of printing, some of the information you'll find in this catalog may have been updated. Ask your dealer for details.

**DODGE RAM WAGON.
MORE INNER SPACE
AND DOWN-TO-EARTH
VALUE.**

Out on an errand or out for family fun, Dodge offers a selection of Ram Wagons designed with your needs in mind. Your choices include three body sizes, two wheelbases, and four seating arrangements.

Big seating capacity.

The B250 and B350 Ram Wagons are available with eight-passenger seating on a 127.6-inch wheelbase. Need more room? Our B350 offers optional 12-passenger seating. And, for even larger demands, the B350 Maxiwagon has optional seating for 15 people when equipped with the 8,510-Pound GVW Package.

An available Travel Seating Package affords added comfort and flexibility that make any trip a joy. It's available with the LE Decor Package on B250 and B350 models.

Choice of engines.

Our spirited 5.2-liter EFI V-8 engine is standard on the B350, optional on B150 and B250. It's a proven performer, generating 170 horsepower at 4,000 rpm. Or move up to the heftier 5.9-liter V-8—with electronic fuel injection for 1989. This engine is available on B250 and B350 models, and produces 190 horsepower at 4,000 rpm.

Trailering is a breeze with the Trailer Towing Package available on B250 and B350 Ram Wagons (see page 7).

Prospector Package values.

Ask your dealer how you can save money by ordering the popular options in our Prospector Discount Packages. It's a smart way to increase value and create your own world of special driving pleasure.

Dodge Ram B350 Maxiwagon, shown at top of page in Light Blue Metallic.
Dodge Ram B250 LE Wagon, shown above in Dark Quartz Gray Metallic and Platinum Silver Metallic.

YOU'RE RIDING ON EASY STREET INSIDE A DODGE RAM WAGON.

Imagine yourself luxuriating in the comfort of this interior with the optional LE Decor Package trim.

The Austin cloth with Saddle Grain vinyl trim high-back Command front bucket seats provide additional body support. Take your choice of Bordeaux Red (shown below), Almond, and Twilight Blue. The quick-release rear bench seat has matching trim. (Page 9 shows the full selection of interior trims.)

The new engine cover console (opposite), with color-keyed carpeting, has extra conveniences including a foldout tray and closable storage compartments.

Notice the luxury steering wheel and rich-looking new Cheyenne Hickory woodtone applique on this handsome instrument panel (also shown opposite). Both features, plus Cheyenne Hickory applique on the front door trim panel, are part of the LE Decor Package.

7/70 Power Train Limited Warranty

Upon expiration of the basic 12-month or 12,000-mile limited warranty, coverage is extended on power train components to seven years or 70,000 miles. A deductible applies. See your dealer for a copy of the warranty.

7/100 Anticorrosion Limited Warranty

Your dealer will repair or replace at no charge outer body sheet metal panels found to have developed perforation (rust-through) in normal use up to seven years or 100,000 miles. See your dealer for a copy of the limited warranty.

Chrysler Credit Financing

Chrysler Credit offers a variety of finance programs that will help make your new Dodge truck even more affordable. These special finance and leasing programs are designed to meet the needs of today's automotive buyer. They include Gold Key Lease, America's Choice Payment Plan, College Graduate Plans, Retail Financing, and more. Ask your salesperson for details.

Consider Leasing

Many of today's new vehicle prospects are wisely considering leasing as an alternative to buying. Leasing a new Dodge Ram Wagon usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new vehicle purchase. Ask your dealer for details.

Optional Service Contract Coverage

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Chrysler Motors offers a variety of plans to meet your needs. Plan coverage begins after your vehicle's basic warranty expires. A deductible applies. Allowances for car rental and towing are also included.

Specifications, descriptions, and illustrative materials contained herein are as accurate as known at the time this publication was approved for printing. Chrysler Motors reserves the right to discontinue models or options at any time or change specifications and materials, equipment, and design without notice and without incurring obligation. All options and accessories illustrated or referred to as optional or available in this publication are at extra cost. Some options are required in combination with other options. For the price of the model with the equipment you desire, or verification of specifications contained here, see your Dodge Truck dealer.

BUCKLE UP FOR SAFETY.
