PLYMOUTH

1991 Plymouth Colt a great performer with a talent for value

Colt three-door is Plymouth's frisky, stylish subcompact import that's high on versatility, value, and operating economy. Colt and Colt GL offer contemporary three-door hatchback aerodynamic design, front-wheel-drive traction, and comfortable standard five-passenger seating. Plus, with rear seatbacks down, there's a generous 34.7 cubic feet of cargo space. Advantage: Plymouth.

About this catalog. We have tried to make this catalog as complete as possible. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is optional or available at extra cost.

Plymouth Colt GL, shown on cover in Bright Red.
Colt interior shown above in Gray.

AM/FM stereo radio with electronic tuning is optional on Colt and Colt GL. A memory-select function permits storage of up to 12 AM and 12 FM pre-set station frequencies.

Three-speed automatic transaxle with electronic lockup torque converter ensures smooth shifting and economical operation. Now available on both Colt models.

Colt's eager new 1.5-liter 12-valve MPI engine provides power and smooth acceleration with outstanding efficiency. It delivers 92 horsepower at 6,000 rpm, and 93 lb-ft of torque at 3,000 rpm.

Colt GL's driver command post offers a distinctive wraparound instrument panel (shown above), featuring easy-to-reach controls and easy-to-read analog gauges, including a standard trip odometer. A convenient sunglasses storage box (far left of panel) and deluxe steering wheel are standard.

Colt's wide, high-opening hatchback gives you easy access to a roomy 34.7 cubic feet of cargo space with split rear seatbacks folded down. A movable rear security panel (not shown) keeps valuables hidden from view, and is standard on Colt GL.

Standard fold-down split rear seatbacks let you accommodate both a rear-seat passenger and long or bulky cargo, or all cargo.

Plymouth Colt, shown above in White.
Plymouth Colt GL, shown opposite in Light Spectrum Blue.

Protection

Colt three-door hatchbacks built by Mitsubishi Motors Corporation and imported for Plymouth are covered by a three-year or 36,000-mile basic car bumper-to-bumper limited warranty (excludes adjustments, tires, normal wear items and maintenance). There is additional limited warranty coverage on power train components (five years or 60,000 miles); plus outer panel rust-through protection (seven years or 100,000 miles). No deductible applies. Restrictions apply. See your dealer for details and a copy of the limited warranty. If replacement parts are needed, visit your dealer for genuine Mitsubishi parts, imported and distributed by MOPAR.

Chrysler Cellular Systems

OKI® Telecom manufactures, services, and is the warrantor of the Portable phone products available on selected Chrysler Motors vehicles. See your dealer for a copy of the limited warranties. Restrictions apply.

Optional Chrysler Service Contracts

Additional peace-of-mind protection for Plymouth Colt Three-Door is available through Chrysler Service Contracts. The contracts are available in a variety of time and mileage combinations to meet your needs. These contracts provide additional time and mileage coverage after the limited warranty expires. Towing and car rental allowances are included. See your dealer for details.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, accuracy cannot be guaranteed. Chrysler Corporation reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.
