

2018 SILVERADO *SUPERCHARGED*

SPECIALTY VEHICLE
ENGINEERING

Specialty Vehicle Engineering's (formerly SLP) 2018 Silverado Performance Packages are available in 3 power levels:

HIGH/OUTPUT
SERIES

800HP (6.8L modified engine and Supercharger Assembly)

SPORT EDITION
SUPERCHARGED

575HP (6.2L stock factory engine)

SPORT EDITION
SUPERCHARGED

500HP (5.3L stock factory engine)

Each of these supercharged vehicle packages provide stunning performance with the versatility of a full-sized pickup.

800 HP

Specialty Vehicle Engineering's High/Output Series supercharged LT-1 engine with 800 horsepower and 750 lb.-ft of torque makes this 2018 Silverado one of the fastest trucks on the road! Supercharger comes standard in black with custom colors optional. Shown here in red.

Our **HIGH/OUTPUT** 416 C.I.D. (6.8L) LT-1-based engine and supercharger assembly* represents the latest in state-of-the-art race engine technology. This powerhouse engine and supercharger assembly delivers 800 horsepower with 750 lb.-ft. of torque, and features a blueprinted LT-1 aluminum block, race-quality computer-balanced rotating assembly, including forged 4340 steel crankshaft and forged steel H-beam rods, forged aluminum pistons, CNC-ported LT-1 cylinder heads, and a custom supercharger. Neck-snapping performance not for the faint-at heart.

*Not emission legal in California and can only be legally used while participating in sanctioned motorsports racing events.

2018 800HP 6.8L HIGH/OUTPUT SERIES SILVERADO FLYWHEEL HORSEPOWER and TORQUE (lb.-ft.)

— STOCK SILVERADO ■■■ SPECIALTY VEHICLE ENGINEERING'S 800HP HIGH-OUTPUT SERIES SILVERADO

800HP High/Output Series Silverado shown with monochromatic paint treatment* with body color painted front and rear bumpers, grille surround, headlamp bezels (optional on Specialty Vehicle Engineering Package, standard on Z71 Silverados direct from GM); Lowrider Sport Suspension Package w/Lowrider rear 1/4 panel graphics (optional); 20" x 9" 6-spoke torque thrust-style wheels with gunmetal finish (optional); flat black hood insert (standard); High/Output Series door and tailgate badges (standard); 800HP hood cowl badges (standard)

*only available on vehicles built at Specialty Vehicle Engineering's Toms River, NJ facility

Our **SPORT EDITION SUPERCHARGED** Silverado is available with either 500HP (5.3L) or 575HP (6.2L). Both offer the high-performance power you've come to expect from Specialty Vehicle Engineering.

575HP Sport Edition Supercharged Silverado shown with ZL Off-Road Leveling Package w/ZL Off-Road rear 1/4 panel graphics (optional); monochromatic paint treatment* with body color painted front and rear bumpers, grille surround, headlamp bezels (optional on Specialty Vehicle Engineering Package, standard on Z71 Silverados direct from GM); 20" x 9" 8-spoke wheels with SE centercaps and 35" Nitto Trail Grappler off-road tires (optional); flat black hood insert (standard); Sport Edition Supercharged door and tailgate badges (standard); 575HP hood cowl badges (standard)
 *only available on vehicles built at Specialty Vehicle Engineering's Toms River, NJ facility

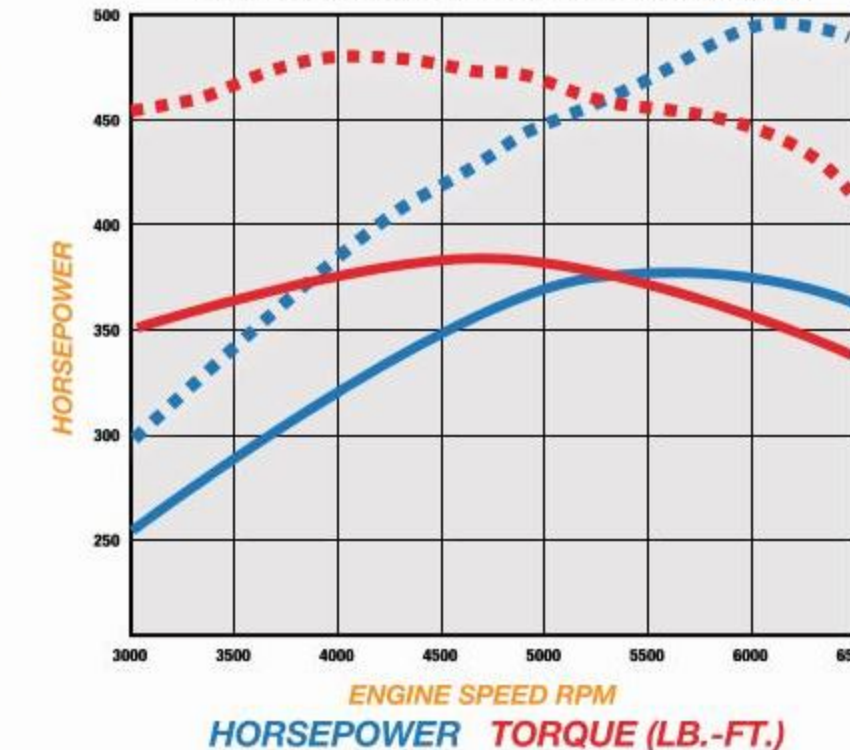

500 HP

575 HP

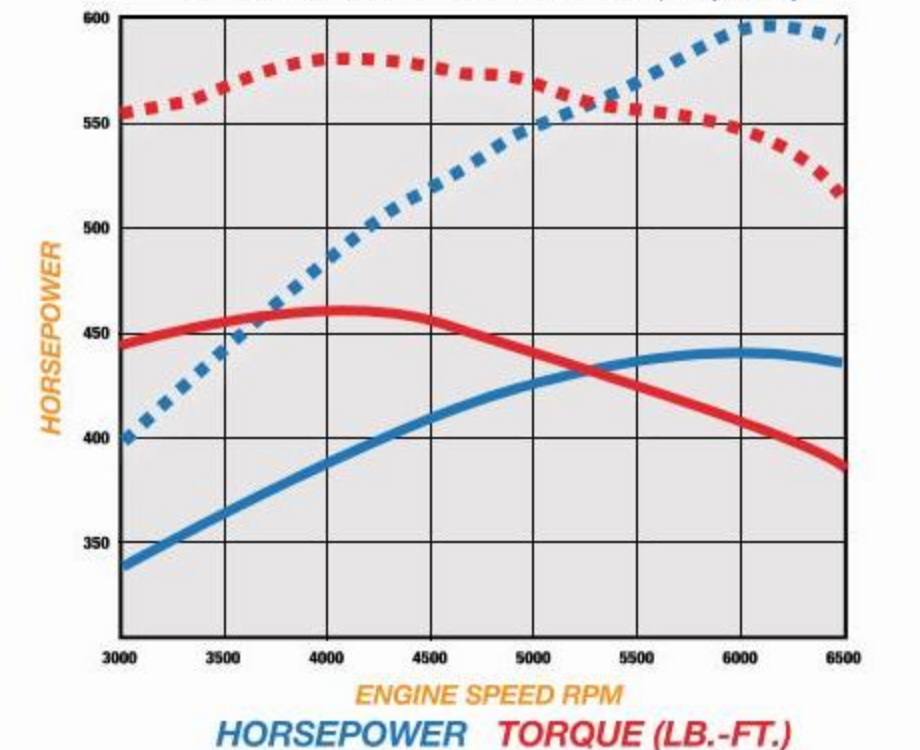

Our **SPORT EDITION SUPERCHARGED** upgrades (Patent Pending) provide 500 horsepower and 500 lb.-ft. of torque on the 5.3L engine and 575 horsepower and 575 lb.-ft. of torque on the 6.2L. They are 50-state emission legal (E.O. pending) and are as quiet during operation as any of GM's high-performance supercharged cars. For the performance enthusiast looking for a high-performance Silverado, our Sport Edition Supercharged models will surely put a smile on your face from the moment you start the engine to the first time you have to pass a slow moving vehicle on the highway.

2018 500HP 5.3L SPORT EDITION SUPERCHARGED SILVERADO FLYWHEEL HORSEPOWER and TORQUE (lb.-ft.)

2018 575HP 6.2L SPORT EDITION SUPERCHARGED SILVERADO FLYWHEEL HORSEPOWER and TORQUE (lb.-ft.)

Specialty Vehicle Engineering's centrifugal supercharger includes a custom performance tune.

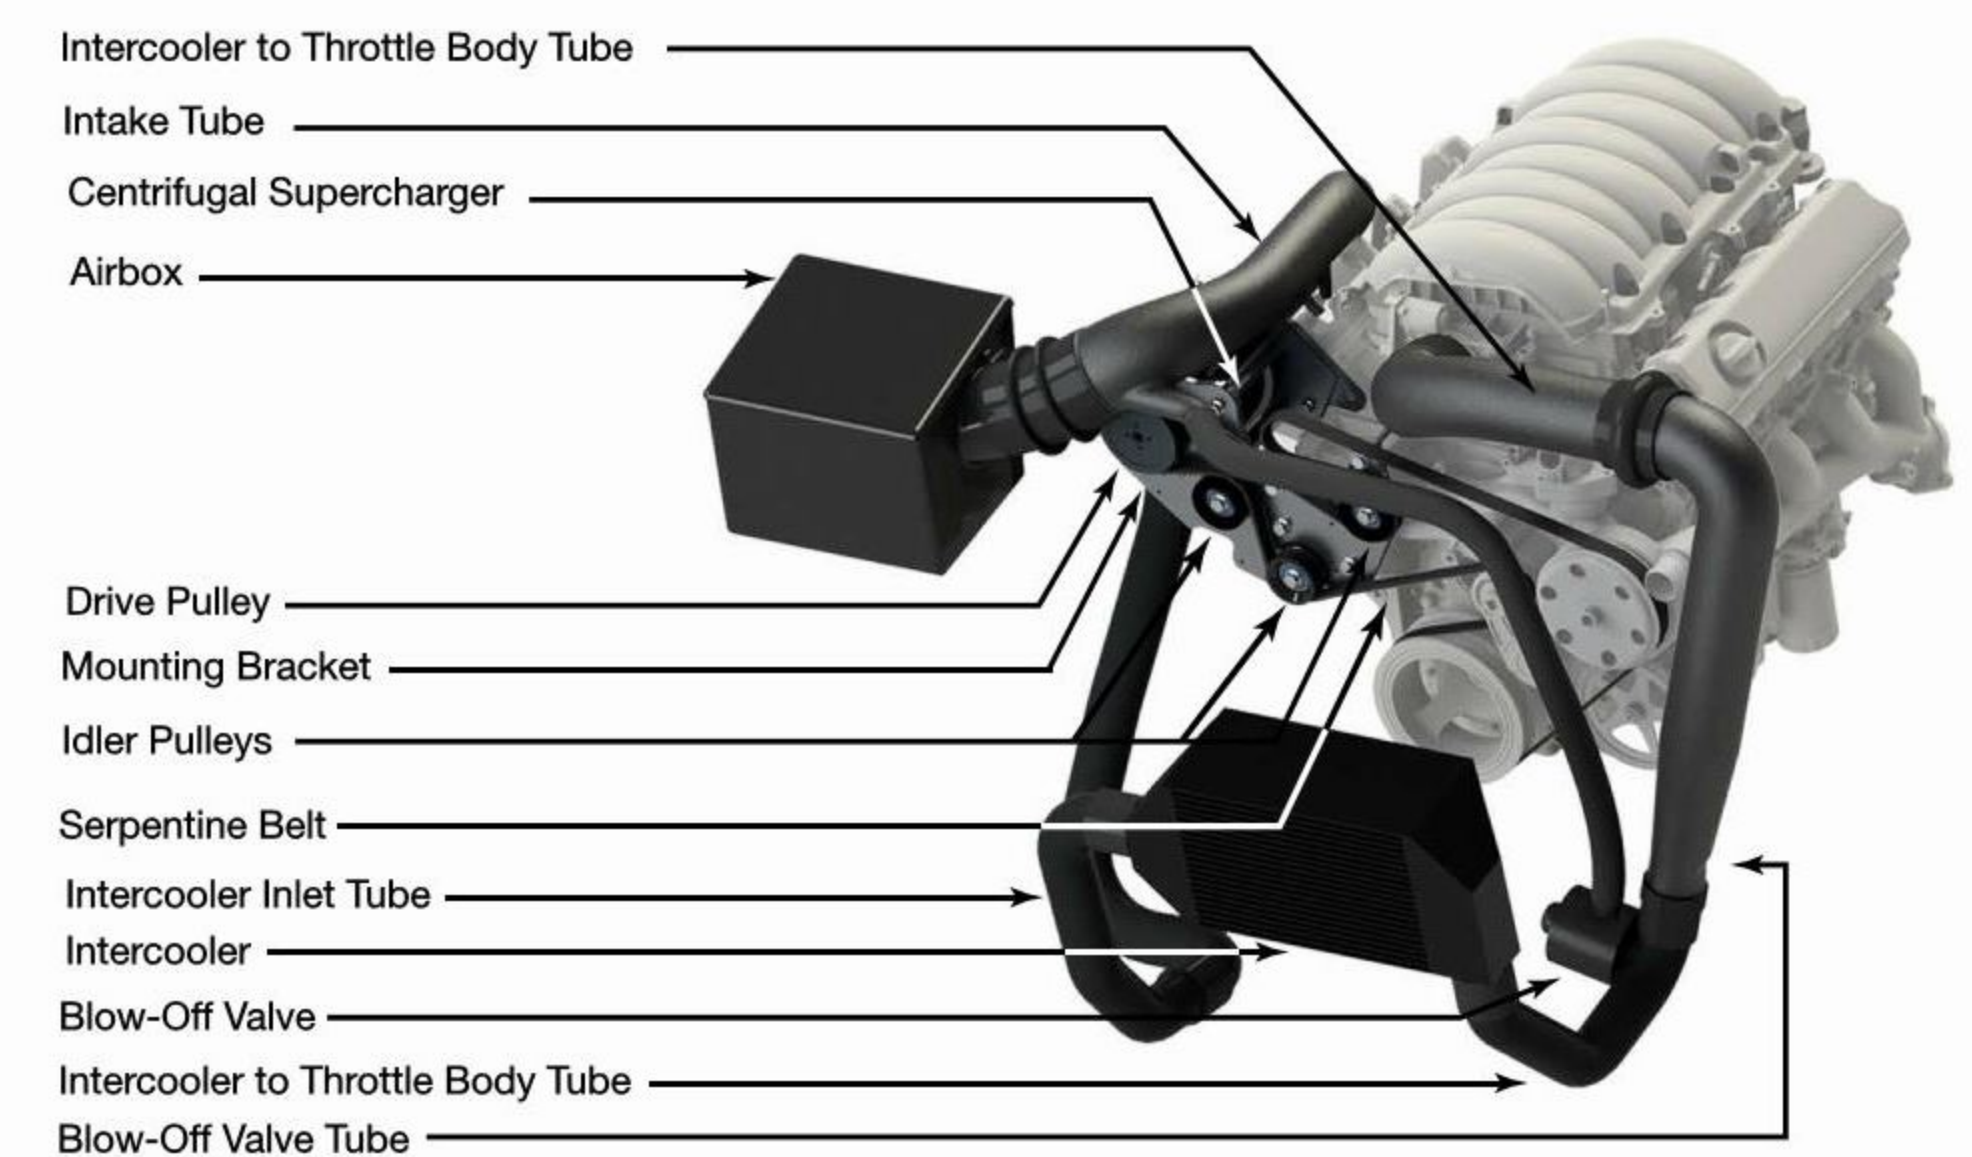

Illustration shown without alternator

Our 2018 Silverado Specialty Vehicles are available in 3 ride heights:

ZL OFF-ROAD LEVELED
raises the front 2"

ZL OFF-ROAD LIFTED
utilizing our 6" lift kit

LOWRIDER
Lowering package featuring our 2" front and 3" rear Lowrider Sport Suspension

LEVELED

Our optional ZL Off-Road Leveling Package is available with the High/Output Series or Sport Edition Performance Packages and raises the front of the truck 2" giving it a more off-road appearance compared to stock. Provides improved off-road handling and clearance for our optional 35" off-road tires.

LIFTED

Whether you're looking for more ground clearance or that off-road lifted look, our optional ZL Off-Road 6" Lift Package is the ultimate in off-road appearance and easily accommodates our larger 35" off-road tire option. 6" Lift Kit is NOT available with High/Output Series Performance Package.

575HP (6.2L only) Sport Edition Supercharged Silverado shown with ZL Off-Road 6" Lift Package w/ZL Off-Road rear 1/4 panel graphics (optional); monochromatic paint treatment* with body color painted front and rear bumpers, grille surround, headlamp bezels (optional on Specialty Vehicle Engineering Package, standard on Z71 Silverados direct from GM); 20" x 9" 8-spoke wheels with SE centercaps and 35" Nitto Trail Grappler tires (optional); Sport Edition Supercharged door and tailgate badges (standard); 575HP hood cowl badges (standard); axle-back exhaust system with dual high-polished tips in rear exit configuration (standard).

*only available on vehicles built at Specialty Vehicle Engineering's Toms River, NJ facility

800HP High/Output Series Silverado shown with ZL Off-Road Leveling Package w/ZL Off-Road rear 1/4 panel graphics (optional); monochromatic paint treatment* with body color painted front and rear bumpers, grille surround, headlamp bezels (optional on Specialty Vehicle Engineering Package, standard on Z71 Silverados direct from GM); 20" x 9" 8-spoke wheels with H/O centercaps and 35" Nitto Terra Grappler off-road tires (optional); flat black hood insert (standard), High/Output Series door and tailgate badges (standard); 800HP hood cowl badges (standard)

*only available on vehicles built at Specialty Vehicle Engineering's Toms River, NJ facility

LOWRIDER LOWERED

With the addition of our optional *Lowrider Sport Suspension Package*, the High-Output or Sport Edition Supercharged Silverado stays firmly planted on the road. By lowering it 2" in front and 3" in the rear with our progressive rate springs, this package provides improved handling and gives the truck a more aggressive stance and a 10% improvement in fuel economy.

STYLING

Inside and out, everyone will know your Silverado is unique. Our patent pending hood insert is made from durable OE-quality composite material and features a unique four louver design. Only available in flat-black finish, this hood insert makes our Silverado Specialty Vehicles stand out from the rest.

575HP (6.2L) Sport Edition Supercharged Performance Package shown on 2018 Z71 Silverado and shown with Lowrider Sport Suspension Package w/Lowrider rear 1/4 panel graphics (optional); 20" x 9" 6-spoke torque thrust-style wheels in gunmetal finish (optional); flat black hood insert (standard); Sport Edition Supercharged door and tailgate badges (standard); 575HP hood cowl badges (standard)

AVAILABLE ONLY THROUGH YOUR CHEVY DEALER!

For over 25 years, Specialty Vehicle Engineering has been a Second Stage manufacturer for GM providing Specialty Vehicles for its dealers, and performance enthusiasts alike. From 1996-2002 we built over 65,000 Camaro SS, WS-6 and Firehawk Specialty Vehicles as GM's Tier One supplier, and over 1000 supercharged Camaros, GM full-size trucks and SUVs to-date.

STYLING

EXHAUST SYSTEM

The Axle-back Stainless Steel exhaust system that comes standard on our Specialty Vehicle Silverados features high-polished dual tips and are available in rear or side exit configurations.

EXTERIOR BADGES

The OE-quality exterior door badges are an added touch of class. Both the High/Output Series ▲ and Sport Edition Supercharged ▼ badges feature a chrome and red-chrome finish.

HP HOOD BADGES

The 800HP High-Output Series ▲ and both 500HP and 575HP Sport Edition Supercharged ▼ Silverados feature Hood Cowl Badges displaying the horsepower in a chrome and red-chrome finish. (500HP hood cowl badge not shown).

HEADRESTS AND FLOOR MATS

▲ The High-Output Series logo is embroidered on both front seat headrests and the Specialty Vehicle Engineering logo is embroidered on the front floor mats. Multi-colored stitching on the headrests matches the exterior badging. ▼ Sport Edition Supercharged models have its logo embroidered in the same multi-colored stitching on the front seat headrests and the Specialty Vehicle Engineering logo is embroidered on the front floor mats.

DASH PLAQUE AND KEY FOBS

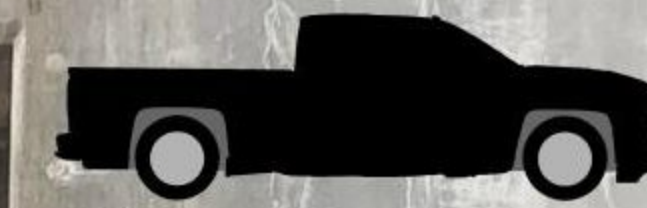

▲ Every Specialty Vehicle Engineering Silverado includes a dash plaque and two key fobs.

OPTIONS

MONOCHROMATIC PAINT TREATMENT

Give your Silverado Specialty Vehicle a monochromatic look with our optional Monochromatic Paint Treatment. The front grille surround, headlamp bezels, and the front and rear bumpers are painted in body color using an OE process. This optional paint treatment is covered by our 3 year/36,000 mile limited warranty. This option is not available on Z71 Silverados as this paint treatment is standard direct from GM. ONLY AVAILABLE ON VEHICLES BUILT AT SPECIALTY VEHICLE ENGINEERING'S TOMS RIVER, NJ FACILITY.

SUSPENSION PACKAGES

LOWERED
Our Sport Suspension Lowering Package lowers the vehicle 2" in front and 3" in the rear for an aggressive lowrider appearance.

LEVELED
Our Front End Leveling Package raises the vehicle 2" in front for a more off-road appearance compared to stock.

LIFTED
For the ultimate off-road appearance, our Lift Kit raises the vehicle 6" and easily accommodates our off-road 20" wheel and 35" tire option.

WHEELS AND TIRES

Our Off-Road wheel and tire option includes a set of 35" Nitto Terra Grappler or Nitto Trail Grappler tires and our 20" x 9" 8-spoke wheel. The wheels have a gloss black finish with machined edges around the spokes, machined rim "bolts" and SE or H/O logo center caps. The tires included in this option provide improved handling and traction off-road and give the Silverado a more rugged appearance.

NOTE: This option requires our Leveling or 6" Lift Kit option. (Expect more road noise with the Nitto Trail Grappler Tires).

For an aggressive street-look, the optional 20" x 9" 6-spoke torque thrust-style wheels are reminiscent of the classic muscle-car, and feature a machined lip and outer rim with gunmetal-finish spokes. Package includes a set of Ohtsu Falken ST205 274/55R20 street tires. This option is the perfect compliment to our Lowrider package.
