STYLING

Inside and out, custom badging and embroidery identify this Specialty Vehicle, letting everyone know your Escalade is unique.

HP HOOD BADGES

The High-Output Series Escalade Specialty Vehicles feature 810HP hood cowl and liftgate badges displaying the horsepower in chrome and red-chrome or new for '19 gloss black and red-chrome finish.

EXTERIOR BADGES

The OE-quality exterior door and liftgate badges are an added touch of class featuring a chrome and red-chrome finish.

EMBROIDERED HEAD RESTS & FLOORMATS

The High-Output Series logo is embroidered on both front seat head rests and the Specialty Vehicle Engineering logo is embroidered on the front floor mats of every Escalade Specialty Vehicle.

DASH PLAQUE AND KEY FOBBS

Specialty Vehicle Engineering dash plaque and two key fobs are included with every Escalade Specialty Vehicle.

EXHAUST TIPS

Stainless Steel Dual Exhaust Tips are standard in high-polished stainless steel and are available with black finish as part of the Chrome Trim Paint Treatment option.

OPTIONAL CHROME TRIM PAINT TREATMENT

To give the High/Output Series Escalades an even more unique appearance, our optional chrome trim paint treatment is available in a charcoal or black satin-finish. All of the Escalade's exterior chrome trim is painted and when combined with the optional satin-finish exterior paint, this Escalade looks like no other on the road! (Shown on cover and pages 2 and 3). This paint treatment option is covered by our 3 year/36,000 mile limited warranty.

OPTIONAL SPORT SUSPENSION LOWERING PACKAGE

With the addition of our optional Sport Suspension Lowering package your Escalade Specialty Vehicle stays firmly planted on the road. By lowering it 2" in front and 3" in the rear with our progressive rate springs, this package provides improved handling and gives the Escalade a more aggressive stance.

OPTIONAL SATIN-FINISH EXTERIOR PAINT

This optional paint treatment uses an OE-quality satin-finish clearcoat paint over the factory exterior paint, giving it a unique satin-finish appearance while maintaining the vehicle's stock factory body color. Looks great over all factory Escalade colors. This paint treatment option is covered by our 3 year/36,000 mile limited warranty.
