

## Introducing the Volkswagen Scirocco 16-Valve

Scirocco 16-Valve optional leather interior shown.

The Scirocco 16-Valve is the most powerful Scirocco Volkswagen has ever sold in the United States. It literally rockets into the front rank of true sports coupe performance.

The source of the Scirocco 16-Valve's spectacular strength nestles beneath the hood: a lively 1.8 liter dual-overhead cam fuel-injected 16-valve powerplant. Each cylinder has four valves instead of the customary two, dramatically increasing engine power.

The results are most impressive. The engine generates a full 123 horsepower. Can hit a top track speed of 125 mph. And can take you from 0 to 50 in 3.9 seconds flat.

**A power trip that will take your breath away**

The Scirocco 16-Valve transforms all of this raw power into stunning performance by combining it with sophisticated race-track inspired engineering features.

A 5-speed close-ratio transmission lets you run through the gears precisely and with little effort. Handling is nimble and sure-footed even on the most winding roads, thanks to its independent suspension, front and rear stabilizer bars, quick-ratio power rack and pinion steering, and low profile 185-60HR14 steel belted radial tires. Four wheel power disc brakes front vented help assure secure stops.

#### **A driving enthusiast's delight**

Even standing still, the Scirocco 16-Valve will move you. Consider its sleek aerodynamic body crafted by Karmann to slice the wind. Its front and rear wing-around spoilers designed to reduce lift. And stylish alloy wheels, as efficient as they are sporty.

Once behind the wheel, you'll feel like a pilot indeed. There are no gadgets or gimmicks to distract you. Only the advanced technology a driving enthusiast demands and requires. Instrumentation and vital controls are all carefully positioned. There's a convenient center console with an oil temperature gauge. Fully reclining, bright adjustable sport seats provide excellent lateral support during spirited driving. And both the sport steering wheel and shift knob are wrapped in leather.

You'll also appreciate the long list of standard convenience features that add to your driving pleasure. Like a rear window wiper and washer. A fold-down rear bench seat. And the covering touch of a radio antenna mounted reliably on the roof.

The Scirocco 16-Valve. Here reminding it is to know that one of the most thrilling combinations of power, performance and practicality in the sports coupe world is also a Volkswagen.

Igniting the exhilaration  
of true sports coupe performance.

## Features And Options

S—Standard O—Optional —Not Available	SCIROCCO 16-VALVE
<b>MECHANICAL</b>	
1.8 liter 4-cylinder dual overhead cam, fuel-injected 16-valve engine	S
Hydraulic valve lifters	S
5-speed, close ratio manual transmission; self adjusting clutch	S
Electronic breakerless ignition	S
Longer life spark plugs	S
MacPherson strut front suspension	S
Independent rear suspension	S
Front and rear stabilizer bars	S
Power rack and pinion steering (quick-ratio)	S
Power assisted front and rear disc brakes (front vented)	S
High-mounted brake light	S
Steel belted radial tires	S
<b>EXTERIOR</b>	
Unitized construction with energy absorbing front and rear crush zones	S
Polyurethane covered, wrap-around energy absorbing bumpers	S
Wrap-around spoiler package in body color including front spoiler, rocker panel and rear valance	S
Twin rectangular halogen headlights	S
Power mirrors (convex on pass. side) with body colored mirror housings	S
Tinted glass	S
Large rear spoiler	S
Wide bodyside moulding	S
6 1/2 x 14 light alloy wheels	S
Wind deflector on left hand windshield wiper	S
Rear window wiper/washer	S
Roof mounted antenna	S
Body cavity wax coating and full factory undercoating	S
Lockable gas cap	S
<b>INTERIOR</b>	
Padded instrument panel with full instrumentation including speedometer, trip odometer, tachometer, and digital clock	S
Center console with oil temperature gauge	S
Leather-wrapped sport steering wheel and shift knob	S
Fully reclining cloth sport seats with leatherette bolsters (height adjustable)	S
Fold-down rear bench seat	S
4-speaker radio prep	S
Wall to wall carpeting	S
Stalk controls for high beams, turn signal, passing lights	S
Intermittent 2-speed wipers and washer	S
Door panels with cloth inserts and map pockets	S
3-point inertial reel front seat belts	S
2 rear tractor seat belts	S
Lockable and illuminated glove box	S
Courtesy light	S
Illuminated ashtray with cigarette lighter	S
<b>OPTIONS</b>	
Air conditioning	O
Crunch control	O
Leather seats	O
Power door locks and windows package	O
AM/FM stereo cassette with cassette storage tray	O
Sunroof (tilt and slide)	O
California equipment	O
Metallic paint	O

## Specifications

	SCIROCCO 16-VALVE		
<b>ENGINE TYPE</b>	4-cylinder dual overhead cam, fuel-injected, 4 valves per cylinder		
<b>DISPLACEMENT</b>	1.8 liter (109 cu. in.)		
<b>HORSEPOWER @ RPM (SAE Net)</b>	123 @ 5,800		
<b>TORQUE @ RPM</b>	120 ft. lbs. @ 4,250		
<b>BODY/FRAME CONSTRUCTION</b>	Unitized construction, bolt-on front fenders		
<b>FRONT SUSPENSION</b>	Independent MacPherson struts, 16.5mm stabilizer bar, coil springs, telescopic shock absorbers		
<b>REAR SUSPENSION</b>	Independent stabilizer axle, 24mm stabilizer bar, coil springs, telescopic shock absorbers		
<b>STEERING TYPE</b>	Power rack and pinion (quick-ratio)		
<b>TURNING CIRCLE</b>	31.2 ft.		
<b>BRAKES</b>	Dual diagonal circuits with power assist. Ventilated 10.3" front discs, 9.4" solid rear discs, self-adjusting. Mechanical parking brake		
<b>DIMENSIONS</b>			
Wheelbase	94.9"		
Front track	54.7"		
Rear track	53.6"		
Overall length	165.7"		
Overall width	64.8"		
Overall height	52.4"		
Ground clearance	4.3"		
<b>CAPACITIES</b>			
Luggage capacity	19.3 cu. ft. (23.7 cu. ft. with rear seat folded)		
Fuel tank capacity	13.8 U.S. gallons		
<b>WHEELS AND TIRES</b>			
Alloy wheels	6 1/2 x 14 light alloy		
Steel belted radials	185/60HR14		
<b>EPA MILEAGE ESTIMATES*</b>
