## SPORT & DRIVING

Sport and driving accessories add distinctive character to your new Volkswagen. Each sport and driving accessory has been carefully selected to enhance your driving pleasure.

These accessories offer a smart, stylish look. The leather gearshift knob and boot is a classically understated addition. Alloy sport wheels enhance aerodynamic presence, and front and rear spoilers bring harmony in overall styling for an added statement of individuality.

12

13 Alloy Wheels. Add styling and fun to your new Volkswagen with the addition of limited Volkswagen Alloy Wheels. Rugged, one-piece construction adds lasting durability and value. Use application list for the correct wheel for your model and make.

14 Rear Spoiler. Rear spoiler accents your VW.

15 Front Spoiler. Aero dynamically designed front spoiler adds an integrated look.

16 Leather Shift Knob and Boot. Fine-grained leather knob and boot are a hand some addition.

17 Fog and Driving Lights. Sports package. Large increase visibility in all kinds of weather.

# TRAVEL & COMFORT

**1** **Roof Racks\*** - Stay on wheels in an upright position. Constructed with center bars.

**2** **Kit Attachment\*** - Substantive kit attachment can carry up to six pairs of ski skis. Constructed with center bars.

**3** **Relays Max Light** - Substantial beam of light. Plug into cigarette lighter.

**4** **Relays Sport Light** - 60" search cone. Mounts to any metal surface with built-in magnet.

**5** **Luggage Basket\*** - Versatile basket provides all-weather storage. Constructed with center bars.

**6** **Rear Window Spoiler** - Designed to help keep rear window clean.

**7** **Sunroof Wind Deflector** - Directs air flow for built-in ventilation.

**8** **Rear Deck Lid Cover** - Promotes quiet, efficient ramping, stops, storage and handling.

Volkswagen offers select travel and comfort accessories in the spirit of getting away from it all. Whether you're destined for a well-deserved vacation or just a weekend escape, your journey will be made more pleasurable with accessories to accommodate your travel needs. Skiers, bicyclists, windsurfers and surfboarders will enjoy the convenience of roof attachments that provide hassle-free recreational outings. Weekend getaways are also a breeze with the addition of a rooftop luggage rack or rear deck lid carrier.

\*These rack attachments require specific load capacity limits for maximum safe vehicle stability. See your Volkswagen Dealer for applications and load limitations.

**1** Electronic storage memory accesses 6 AM and 1 PM radio stations. Built-in or manual tuning and FM lock/unlock capability. Features preset and graphic equalizer controls, continuous loop play. Only 1" Stereo Receiver minimum head unit. Equipped with a built-in relay option activated by a standard four-stage radio.

**2** Station selection pushbutton (only 1 AM or 1 PM frequencies in other mode). Secondary facility paired with Dynamic Radio Retention (DRR) 1.3. Alternative controls accommodate steering wheel use.

**3** Dynamic Radio Retention (DRR) 1.3 retains radio frequency operation. Electronic station storage memory (only 1 AM and 1 PM stations). The cassette player automatically locks in manual stops, and auto-rewind prevents continuous loop play.

# AUDIO SYSTEMS

"Sound Choice" audio systems are available in a wide selection of radio and cassette player formats to suit your individual preferences. For sound reproduction of unsurpassed clarity, request a "Sound Choice" demonstration at your local Volkswagen dealership, and experience sound reproduction that transcends the ordinary.
