The fun of driving a Cabriolet has just become excitingly fashionable. The designers at Etienne Aigner, known worldwide for their elegant leather creations, have joined Volkswagen in developing this unique designer edition, limited production Cabriolet. Everything from the color-coordinated special fabric roof to the subtle integration of the Etienne Aigner horseshoe logo, works together to transform the Cabriolet's driving environment into a very personal fashion statement. The Etienne Aigner Cabriolet combines all of the lively performance characteristics of a Cabriolet—a 1.8 liter fuel injected engine, close-ratio 5-speed transmission, power rack and pinion steering and sport-tuned suspension—with a number of special features that include forged alloy wheels, cruise control, unique striped sport seats with leather accents, and a leather wrapped steering wheel, with knob and boss. High fashion. Fun in the sun. Auf Fahrgnügen. Discover the rewarding and distinctly European driving experience by test driving our new designer edition Etienne Aigner Cabriolet.
