Volkswagen accessories are engineered to exact specifications to custom-fit and complement your new Volkswagen. Each has been carefully selected to enhance your driving pleasure as well as accommodate your unique lifestyle.

A

Sport & Appearance

A. Passat GL Sedan

This sleek and sporty sedan's appearance is accentuated with the addition of rugged metallic gray alloy wheels, sunroof wind deflector, side window deflectors, front end cover and halogen fog lights.

B

B. Sport Wheels

Available for most Volkswagen models, light alloy wheels enhance the sport-look of your Volkswagen's styling.

C. Alloy Wheel Security Locks

Lockable wheel lugs offer an extra margin of security. The Lug Wrench, offered separately, has an adjustable-length feature for easier bolt installation.

D. Halogen Fog Lights

Halogen Fog Lights help increase forward and peripheral visibility in all kinds of weather.

E. Sun Roof Wind Deflector

Contoured acrylic wind deflector allows draft-free ventilation when the sunroof is partially retracted.

Interior Protection

Genuine Volkswagen Floor Mats are custom-contoured to fit your model, protecting the original carpeting.

Each Volkswagen floor mat has a non-skid backing, and front mats feature a positive retention system to help keep them firmly in position.

High quality, tufted nylon floor mats feature suede-textured fabric edging, custom embroidered logos, and are available in colors to match or complement your Volkswagen's interior.

Genuine Volkswagen Floor Mats are also available in heavy-duty rubber construction, and are offered in twin sets to provide front and rear carpet protection.

A. Radio Carrier Bag

Padded storage bag accommodates the SCS "Hide-Away" Stereo unit, and has an extra cargo pocket and convenient carrying strap.

* DNRTM is a registered trademark of National Semiconductor.

NOTE: For details of Sound System Components and their applications, consult our Parts Department.

Audio

B. SCS "Hide-Away" AM/FM Stereo Radio/Cassette Player

Pull-out design provides a theft-deterrent capability. AM/FM Stereo Radio features fully electronic tuning with separate bass, treble, and balance/tuner controls, station seek, automatic local/distance signal selector, automatic loudness contour adjustment, and 6 AM and 6 FM station storage capability.

Auto Reverse Cassette Deck features DNRTM*, logic fast forward/rewind, and metal tape equalization.

Body Protection

A. Splash Guards

Contoured design for your model Volkswagen. Protects against damage from road debris, salt and tar. Model name in permanent metallic logo type.

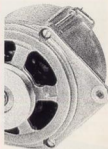

B. Front End Cover

Custom-contoured design protects against paint damage. Easily removes and installs. Embroidered model name in logo type. Allows access to engine compartment without removal of cover.

A. First Aid Kit

Selected items provide "first aid" for common auto emergencies. Also ideal for home or boat use.

Care & Maintenance

B. Maintain the original high standards of your Volkswagen with our complete line of Autobahn® Car Care Chemicals and Genuine Volkswagen Parts. They are manufactured to Volkswagen's exacting specifications, and help maintain the value of your original investment.
