

Drive your new Passat with confidence. It's built to withstand the challenges of the road, and designed to enhance the level of your driving satisfaction for as long as you own it. Our confidence in our products has led us to provide a Protection Plan that's as simple and straightforward as a Volkswagen itself.

Every Passat is protected by a comprehensive 5-year/50,000-mile powertrain warranty, a 6-year/unlimited-mileage warranty against corrosion and rust perforation, and a 3-year/34,000-mile bumper-to-bumper warranty that covers virtually all components against defects in materials and workmanship, including light bulbs, adjustments, even windshield wiper blades. See your authorized Volkswagen dealer for details of these limited warranties.

**• WITH 2001-2002 MODEL CORROSION PROTECTION** Volkswagen regularly tests to ensure excellent corrosion resistance in our products. Volkswagen standard product performance is 50-100% that required for meeting our production and longevity requirements. Here you can get more information. To get more information, see a new Volkswagen dealer.

**• Volkswagen dealer dealer** See below the specifications in the brochure for more information. Models specifications, standard equipment and options. See dealer to change address online. Some options may not be available in all areas. Please call your dealer for details concerning availability of options and other details. The actual equipment you receive may vary from the information. Specifications are subject to change without notice. Please contact your dealer for more information. PASSAT

In 1949, automotive history was made when the first Volkswagen for sale in America landed on a quiet waterfront dock. It was an experiment. But for you, and for an entire generation of car buyers, it became a symbol of lasting value and reliability.

But Volkswagen brought more than just a new kind of car to America. We introduced an entire philosophy of transportation. Since then, we've designed cars for the way people live and drive. Some wanted sports cars. Others needed plenty of room. Still others required versatility. We met all these demands, Volkswagen style.

We pioneered the first van and the performance-oriented "pocket rocket." We created a convertible that embodies the essence of open-air driving.

And we produced a true European road car that was affordable. Today, we offer other family car models and wagons, versatile hatchbacks and a technologically advanced sports coupe.

Each is designed to fit a particular lifestyle, yet each is a Volkswagen to the core. Efficient. Durable. And fun to drive. In a word, each offers you Volkswagen, the distinctly European driving experience you can appreciate only when you drive a Volkswagen.

We invite you to experience the personal driving philosophy for yourself. Take a Volkswagen out for a test drive. You'll find that it feels good and looks right. And it's a sensation you'll enjoy for as long as you own it.

Volkswagen's commitment to quality, performance and safety is a tradition of reliability and the best things of European engineering.

Just as with choosing your Volkswagen, you'll find the right car for you. And you'll enjoy it for as long as you own it.

Available in a wide range of colors, the Volkswagen Beetle is a true classic. It's the perfect "pocket rocket" for you and yours.

I've always loved to drive. But since I have a family, I thought I'd have to trade performance for room. You know, settle for a "typical" family sedan. Then I discovered Passat. There's loads of room for our entire family, including the dog. There has to be. We have an active lifestyle—always piling in the car to go someplace together. We don't know how Volkswagen did it, but the inside seems bigger than the outside. The rear seats are really incredible. They move low and off so that everyone in the back can get comfortable. And when I get behind the wheel of our Passat, I feel like I'm driving a sports sedan—multi-valve engine, independent suspension, stabilizer bars, four-wheel disc brakes—the works. When my wife drives, she says she's never felt more in control, and that's especially reassuring when our family is in the car. Volkswagen calls this kind of driving pleasure Fahrvergnügen. Now I know exactly what they mean.

"I always look forward to longer drives in my Passat. I guess that's one of the benefits of Fahrvergnügen!"

Passat's 16-valve premium diesel meets driving performance in 200-hp, turbocharged V6 engine featuring 100-hp and 150-hp.

Passat's high-torque, 2.0 liter fuel injected engine delivers power on demand.

To ensure consistent performance as well as optimum efficiency, an electronic engine control system monitors and adjusts the fuel system to ever-changing driving conditions. Coupled with a 5-speed transmission, the engine responds quickly and effectively throughout its entire operating range. Reduced idling is especially welcome in parking situations or when entering traffic.

Passat not only gives you the power to perform, it also gives you the confidence to go with it.

Power windows, mirrors, door locks, and more. For more information, call 1-800-4-A-FORD.

**If you like to drive, you'll like the way Escort's contemporary technology addresses the challenges of the road.**

Its independent suspension provides more balanced handling on curves and corners. Integrated into the front suspension is a self-stabilizing steering system that allows the car to continue in its chosen line of travel when the brakes are applied, even though the road surface may vary. A patented track-connecting rear axle helps minimize side-slip when cornering.

Escort's front-wheel drive and power windows, power

steering transmit the proper amount of road feel. And for increasing stopping ability, the four-wheel power disc brakes are supplemented by dual diagonal braking circuits and a front venturi pressure regulator for precise, straight-line stops.

Escort is engineered with the kind of performance technology that truly makes it fun to drive. When you take your family out in a Escort, you'll enjoy the drive as much as they'll enjoy the ride.

In true Volkswagen tradition, the Passat GL Wagon gives you a lot more than you expect. The interior is as spacious, if not kinder, just about everything your family needs to transport.

The Passat GL Wagon also shares much of the same performance technology with the sedan. Its multi-valve, fuel-injected engine and fully synchronized 5-speed transmission respond quickly and smoothly to all driving demands. While its independent suspension, power rack-and-pinion steering, four-wheel power disc brakes and front-wheel drive provide the kind of maneuverability an outdoor enthusiast would appreciate. In addition, the chassis is designed with short overhangs on a long wheelbase for excellent handling.

The Passat GL Wagon is not just built to give you a lot of room. It's also engineered to give you a lot of driving confidence.

A rear view of the Passat GL Wagon shows the spaciousness of the interior. The rear window is large, and the seats are comfortable. The interior is well-lit and features a variety of storage options.

Roof rack and tie-downs expand Passat GL Wagon carrying capacity.

Passer's interior is designed to help you concentrate fully on the driving task at hand.

Its curved instrument panel positions you at the center of attention. Intelligent ergonomics help you make driving decisions quickly and accurately. All major instrumentation is in your line of sight. Reading gauges comes first, then clearly. And all vital controls are within easy reach. Even the buttons and switches are designed for instant tactile identification.

Passer is also equipped with a height adjustable steering column and fully adjustable front bucket seats. Together they allow you to select the proper driving position and help reduce fatigue on long trips.

Power integrates the driver and his environment. There are no distractions or diversions. By helping you keep your mind on the road, Passer keeps you in command and control.

A height-adjustable steering column and fully adjustable front bucket seats help you select the proper driving position.

The levels of intuitive visibility. Instrumentation is clearly visible.

For convenience, essential controls are integrated into Passer's clean and uncluttered design.

Front and rear air conditioning vents are standard on all models. The available rear window entertainment system is available on select models.

**At first glance, you'll think that the Passat's outstanding interior space is an illusion. The inside seems bigger than the outside. But the room is real.**

Passat can carry five adults in complete comfort. You'll relax in fully adjustable, power-upholstered front bucket seats with adjust side head restraints. On Passat GL, adjustable high supports keep you firmly in place, while adjustable lumbar supports take the strain off your back. Enter the rear seat fold-down and seat cushions can be individually adjusted to enhance personal comfort.

There's so much more, you can actually cradle your legs with ease.

Passat creates an interior environment that's so roomy and comfortable, it easily combats driving fatigue.

Passat comes equipped with 10 air vents and a climate control system. The rear window entertainment system is available on select models. The front and rear seats are fully adjustable. The rear seat fold-down is available on select models. The rear seat cushions can be individually adjusted to enhance personal comfort. There's so much more, you can actually cradle your legs with ease.

When you need more cargo room in a Passat, simply fold down the 60/40 split rear seat. You'll not only redefine the space to suit your needs, you'll almost double your carrying capacity.

When you need more comfort, simply look around. Passat's long list of standard amenities includes everything from two delay courtesy lights and rear reading lights to dual illuminated vanity mirrors and a rear seat center console. Passat GL adds air conditioning, a central locking system, power windows and mirrors, cruise control plus a six-speaker premium AM/FM stereo cassette sound system.

To raise your enjoyment level even higher, you can select personal luxury options that include comfortable leather seating surfaces, a power sunroof, ABS brakes and alloy wheels.

Passat offers everything you need to keep you completely relaxed and refreshed.

Passat GL offers optional leather seating surfaces and interior air conditioning, air locking, auto center and power windows.

A 60/40 split rear seat allows you to fold down the seat to increase your carrying capacity.

Passat GL's 60/40 split rear seat provides a spacious storage area for your traveling requirements. Its generous 65.7 cu. ft. of storage capacity can be expanded to 102.7 cu. ft. when the rear seat is folded.

Passat GL's 60/40 split rear seat provides a spacious storage area for your traveling requirements. Its generous 65.7 cu. ft. of storage capacity can be expanded to 102.7 cu. ft. when the rear seat is folded.

As a true European sedan, Passat is engineered to meet your family's needs as well as your driving requirements.

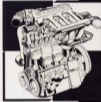

Start by seeing Passat's performance, comfort and security as an integral part of its design. Its passenger compartment is constructed as a sturdy safety cell with front and rear crush zones for an extra measure of security. Patented engineering features, like its track-mounting rear axle, help improve handling and driver control. And contemporary performance technology provides outstanding ride smoothness.

The Passat is designed to meet the needs of the driver as well as the demands of the road. This dedication to engineering excellence not only inspires confidence, it makes your Passat a thorough pleasure to drive.

Volkswagen's commitment to reliability and durability helps ensure that you'll continue to enjoy driving your Passat for many years to come.

To enhance driving, Passat's 4-wheel drive is a complement to a suspension that has been carefully engineered and tuned. The 4-wheel drive system, Passat's 4-wheel drive, is available on the 4-door model. The 4-wheel drive system is available on the 4-door model. The 4-wheel drive system is available on the 4-door model.

Passat is equipped with a high performance 18 valve, 2.0 liter fuel injected engine that develops 150 horsepower at 5500 rpm. To ensure consistent performance, a 60 channel<sup>™</sup> electronic engine management system monitors and adjusts the fuel system to ever-changing driving conditions.

Passat's independent front suspension features adjustable shock absorbers, coil springs, lateral link and stabilizer with a 2-tone stabilizer bar.

"My Pleasant Volkswagen is a dream. And when it comes to comfort and convenience, it's in a league by itself!"

Every Volkswagen colleague is committed with proven procedures to help prevent body rust. Rust is treated carefully and thoroughly so that it won't leak, peel or fade in years of normal service. An additional clear top coat is applied to all metal areas. Volkswagen's body painting process actually helps your Pleasant hold its luster. It also helps it hold its value.

#### WARRANTY INFORMATION

When you lease or finance your Volkswagen, it's just as important to understand the terms and conditions of your financing arrangement as it is to understand the terms and conditions of your product. For help in getting a financing arrangement or a comprehensive warranty, call your Pleasant's authorized Volkswagen dealer. Dealer's Pleasant is protected by a comprehensive 3-year/50,000-mile powertrain warranty, a 3-year/50,000-mile bumper-to-bumper warranty and a 3-year/50,000-mile warranty to transfer ownership. Volkswagen's 3-year/50,000-mile bumper-to-bumper warranty is available on select models. Always read your Volkswagen lease or financing agreement. Volkswagen dealers are authorized to discuss other financial services.

#### A WORD ABOUT SPECIAL SERVICE INFORMATION

Volkswagen regularly checks its dealers' special service information about Volkswagen's products and services. Volkswagen's special service information is available through your authorized Volkswagen dealer. Volkswagen's special service information is available through your authorized Volkswagen dealer.
