

Guaranteed Mobility.

In the unlikely event that your new Volkswagen develops a mechanical problem, your car is covered by Volkswagen's Guaranteed Mobility programme.

Should you become stranded due to mechanical failure at any time, any day of the year, anywhere in Canada or the United States, all you have to do is call our toll-free number (Canada: 1-800-263-7601; U.S.: 1-800-782-7887.) You and your car will be delivered quickly and safely into the capable hands of an authorized Volkswagen Dealer. If a Volkswagen Dealer is more than 120 kilometres away, we will tow you to the nearest participating service centre. In some instances, we will even provide overnight hotel accommodation and/or a loaner car. Free of charge. Guaranteed Mobility is good for 6 years, as long as regular maintenance and repairs are performed by an authorized Volkswagen Dealer. Your dealer has full details.

Our 3-year warranty protection.

Volkswagen believes in what they build, so they back all new models with a 3-year or 60,000 kilometre (whichever comes first) bumper-to-bumper warranty. Ask your dealer for full details.
