Introducing the all new Volkswagen Jetta III GL.

The Jetta III GL is guaranteed to bring you more smiles per gallon with smart features and benefits that will have both you and the car purring. In designing the Volkswagen Jetta III GL we've ignored the whims of fashion and instead opted for what we at Volkswagen call "intelligent refinements." We

Special seating for five, and new fabrics and patterns lend an elegant touch.

won't translate it into German for you, we'll simply let the Jetta III GL speak for itself. The powerful all new 2.0 liter fuel-injected engine tells you it has excellent acceleration and overall performance. While the quiet, secure ride comes from the added benefit of advanced sound-deadening insulation and new strengthened body structure. And when things get a little BUMPY...

not to worry...Jetta III GL's refined front wheel drive, 4-wheel independent suspension, and 4-wheel disc brakes can handle whatever the weather throws on you, or the road throws at you. You'll feel secure with Jetta III GL's standard vehicle alarm system and power doorlocks. Add the optional "deluxe" sound system with eight

(count 'em) bass and mid-range speakers, and you'll conclude the same thing we have...this car really sings. To get in on the fun yourself, all you have to do is visit your local Volkswagen retailer, and you'll be singing Jetta III GL's praises, too. Smile per smile, you're going to love driving the all new Volkswagen Jetta III GL.

A deluxe AM/FM stereo cassette with 8 speakers and anti-theft protection.

An available power glass moonroof lifts and slides open.

Introducing the all new Volkswagen Golf_{III} GL.

Volkswagen Golf_{III} GL brings new meaning to the concept 'fun to drive.' It sports a new commitment to roadwise intelligence and design integrity. Perhaps this is why European automotive experts voted this versatile, economical hatchback '92 Car of the Year. In fact, last year the

Up to 67 cu. ft. of cargo space right at your finger tips.

Volkswagen Golf_{III} GL was the best selling car in the world. Over 1.3 million* models were sold...even before their introduction to the U.S. The all new Golf_{III} GL features a wider stance and a returned 4-wheel independent suspension system that has already tasted millions of miles of cobblestone roads in Europe. (You think those Tour De France guys have it rough!) Then it continues with more sensible refinements like improved aerodynamic

*Based on A.S. Statistics (1991-1992) for sales figures.

lines and Eurostyle headlamps, a new 2.0 liter fuel-injected engine for added power and acceleration, high efficiency sound-deadening insulation so you hear less road noise and 4-wheel disc brakes for sure-footed

stopping. And, when it comes to versatility, it's hard to beat the Golf_{III} GL's expanded interior. You can fold down the back seat for major storage space that holds everything you need for major fun! Come in and drive one for yourself. And experience firsthand why the all new Golf_{III} GL drove even those demanding drivers on the other side of the world...completely out of their driveways.

Switches and gauges are sensibly positioned within the driver's line of sight and reach.

Standard power window locking and anti-theft alarm system.
