DRESS UP YOUR NEW VOLKSWAGEN

SPLASH GUARDS

Contoured splash guards add to the style of your Volkswagen, while protecting it from salt, tar and road debris. Available in sets of two – front or rear – for all Volkswagen models.

KEYLESS ENTRY/SECURITY SYSTEM

With the touch of a button you can open your doors, lock your doors and arm your security alarm system. It's that easy.

COMPACT DISC CHANGER

It holds six of your favorite CDs and mounts in your trunk for added protection. Just load it up, hit the road and kick out the jams.

FRONT END COVER

A custom designed front end cover is the best way we know to protect your Volkswagen's paint finish from flying road debris.

CARRIER BARS

Whether you carry bikes, luggage or skis, first you need this versatile lightweight carrier bar system.

LUGGAGE CARRIER

It supplements the carrying capacity of your Volkswagen. Now luggage that won't fit in the trunk can be carried on the roof.

**WINDSTOP**

This Cabrio windstop helps reduce turbulence when you're driving with the top down. Plus its distinctive look adds a touch of elegance.

**WIND DEFLECTOR**

It reduces glare and wind noise. So now you can drive comfortably on the highway with your sunroof open.

**REAR DECK SPOILER**

Give your Volkswagen an even sportier, aero look with this functional, high-style rear spoiler.

**CRUISE CONTROL KIT**

Get the comfort and convenience of cruise control with a kit that looks factory installed.

**ALLOY WHEELS**

Nothing makes a Volkswagen look better than the right set of wheels. Alloys, of course. Each is designed to enhance the sporty look of your Volkswagen.

BICYCLE HOLDER ATTACHMENT

One trip and you'll appreciate this convenient, easy-to-install rooftop carrier. It holds up to three bikes, locking them safely and securely – even at highway speeds. Get to where you're going and you're ready to ride.

**ALLOY WHEEL SECURITY LOCKS**

After you invest in a set of sporty alloy wheels, protect your investment with a set of lockable wheel bolts.

**FLOOR MATS**

These durable, long-wearing nylon custom contoured floor mats are designed to protect your carpeting. And they're available in a range of colors (sets of four) to match the interior of your Volkswagen.
