X6 xDrive35i
X6 xDrive50i

A coupe that's a cut above the rest.
The new BMW X6.

Ignite your driving passion at every turn.

An engine of change: the incredible new twin-turbo V-8.

Seeing is believing.

Drive all you want – you can't throw it off guard.

Breaking new ground. Setting new standards.

Inside this unique new vehicle: a familiar perspective.

360 degrees of pure BMW luxury.

Classic BMW style – and modern convenience – in every detail.

This page, clockwise from top left:

- Optional **running boards** along the door frames give you a leg up when getting into or out of the X6.
- Sport-inspired design, optional with the X6 xDrive50i¹ Sport Package: **Star Spoke (Style 259) light alloy wheels, 20 x 10.0 front / 20 x 11.0 rear, with 275/40 front, 315/35 rear run-flat performance tires.**^{2,3}
- Optional **Head-up Display** projects important travel information, such as current speed, Check Control data, and directional arrows from the Navigation system⁴ on the windshield directly in the driver's line of vision.

- Standard on the X6 xDrive50i: **V-Spoke (Style 257) light alloy wheels, 19 x 9.0 front and rear, with 255/50 run-flat all-season tires.**¹

¹ Delayed availability – May 2008 start of production for X6 xDrive50i.

² Run-flat tires come with a space-saver spare.

³ Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damage. Performance tires not recommended for driving in snow and ice conditions.

⁴ Standard on X6 xDrive50i; available as a stand-alone option and included in the X6 xDrive35i Technology Package.

This page, clockwise from top left:

- **Dynamic Performance Control (DPC)** seamlessly shifts drive power between the two rear wheels, as needed, for greater traction in curves. DPC works in conjunction with BMW's xDrive all-wheel-drive system, which shifts power from the rear axle to the front, as needed.
- Optional with the X6 xDrive35i Sport Package: sporty **Y-Spoke (Style 214) light alloy wheels, 20 x 10.0 front / 20 x 11.0 rear, with 275/40 front, 315/35 rear run-flat performance tires.**^{2,3}

- The convenience of **Comfort Access** is available as an option. Simply keep the remote key in your pocket, and you can unlock the vehicle's door merely by touching the handle. You can also turn the engine on or off by pressing the Start/Stop button.
- Standard on the X6 xDrive35i: **Star Spoke (Style 232) light alloy wheels, 19 x 9.0 front and rear, with 255/50 run-flat all-season tires.**²

The pages in this section of this publication show available colors and materials for the BMW X6. Use these samples to compare paint, upholstery and trim colors. Please note that these samples are representations; they are not exact reproductions. To see the actual colors, visit your local BMW SAV® center. They will be happy to show you original samples and assist you with special requests.

All-season tires limited to 130 mph.
Sport Package top-speed limiter increased to 150 mph with optional 20-inch wheels and performance tires.

BMW and the environment.

BMW is a strong proponent of the environment and social responsibility. It is important to manage the earth's resources responsibly, and not jeopardize the needs of future generations. That is why BMW makes vehicles that minimize adverse environmental impact, from production (pollution prevention and waste minimization at the plant) through owner use (low emissions) to eventual disposal (easy drainability of all fluid-related components and easy neutralization of all pyrotechnic devices).

This effort has been recognized worldwide, and as a result, we are pleased to have received numerous environmental honors. In the U.S., for example, the Environmental Protection Agency accepted BMW's Spartanburg, SC production and manufacturing facility as a charter member of the agency's National Environmental Performance Track. Internationally, BMW AG – the parent company of both BMW of North America and BMW Manufacturing Co., Spartanburg, SC – was the first automotive company to be represented on the Dow Jones Sustainability Group Index, and has remained on the Index ever since. At BMW, we strive for high performance in everything we do.
