## AM RADIO

Excellent reception of AM stations. All transistor receiver. Available as a three-box system for ALL MODELS. Radio chassis kit—Basic Part No. 18806. Radio antenna kit—Basic Part No. 18813. Radio speaker and hardware kit—Basic Part No. 18819. Complete single package radio kits available for prior model years—Basic Part No. 18805.

## AM/FM MONAURAL RADIO

Push-button, all-transistor receiver. Fine FM listening for the economy-minded. Handsome dial grouping harmonizes with instrument panel. MAVERICK (illustrated)—MUSTANG II, PINTO (not shown). Chassis—Basic Part No. 18806. Antenna Kit—Basic Part No. 18813. Radio Speaker and Hardware Kit—Basic Part No. 18819.

## REAR SEAT SPEAKERS—AM RADIO (not shown)

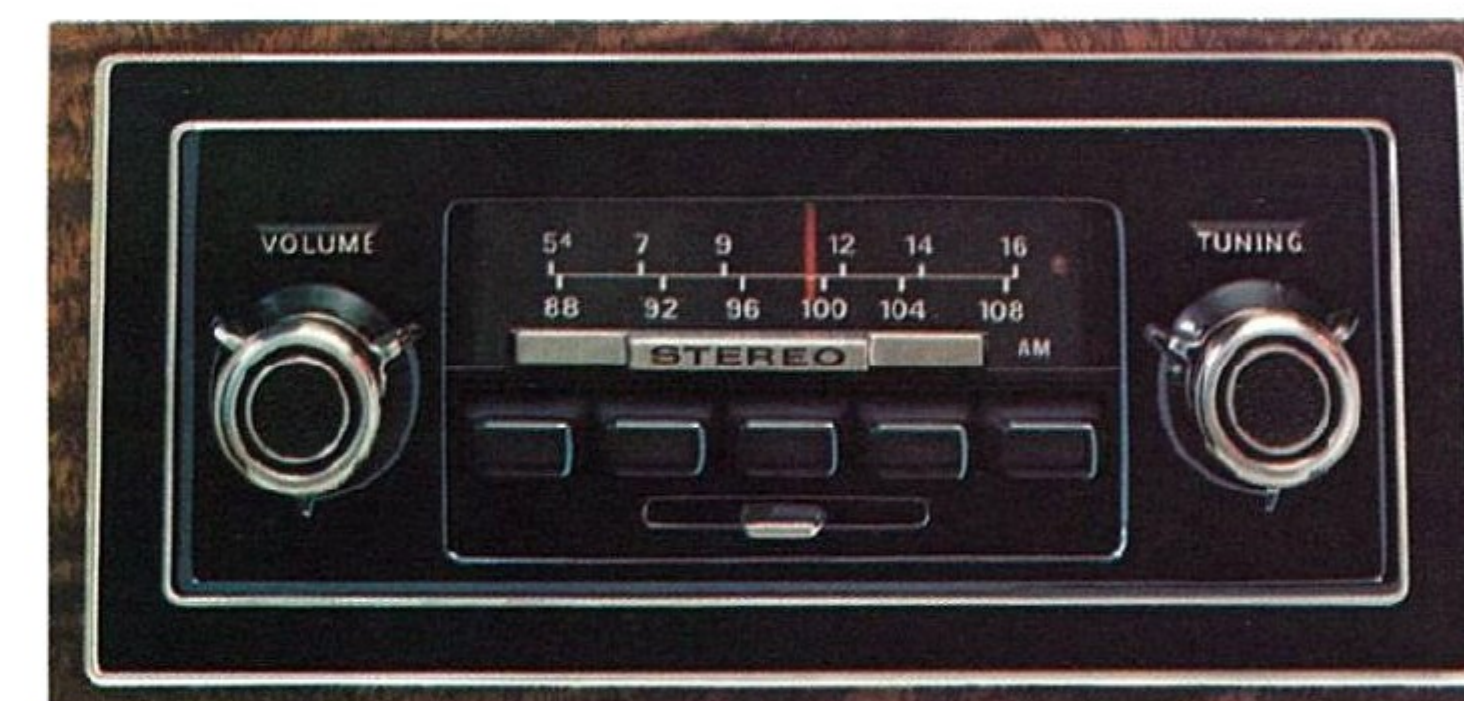

Extra speakers to increase your in-car field of sound. Dual or single, designed to blend with interior decor. Selected models. Basic Part No. 18875.

## ELECTRIC ANTENNA (not shown)

Great convenience and easy interior control of antenna length. Chrome finished. Available all models except Pinto, Thunderbird and Station Wagons. Basic Part No. 18813.

## FORD STEREO 8 TAPE CLUB (not shown)

Enjoy the finest in 8-track tapes at reduced cost by joining the Ford Stereo 8 Tape Club. Full information by writing Ford Stereo 8 Tape Club, Box 26888, Lawrence, Indiana 46216.

## AM/FM MULTIPLEX STEREO RADIO

Enjoy high-quality sound through the four speaker output of this new car radio. 5 x 10 push-button selection provides 5 AM and 5 FM pre-selected stations. All-transistor unit comes as a three-box system for ALL MODELS.\* Radio chassis kit—Basic Part No. 18806. Speaker and Hardware Kit—Basic Part No. 18819. Antenna Kit—Basic Part No. 18813. \*Chassis only required, Thunderbird.

## AM/FM MULTIPLEX STEREO TAPE SYSTEM

Excellent sound performance from this precision-built AM/FM stereo radio and 8-track tape system. Easy tape operation. Available as a three-box system for FORD, MUSTANG II, TORINO, THUNDERBIRD.\* Radio chassis kit—Basic Part No. 18806. Radio antenna kit—Basic Part No. 18813. Radio speaker and hardware kit—Basic Part No. 18819. \*Chassis only required.

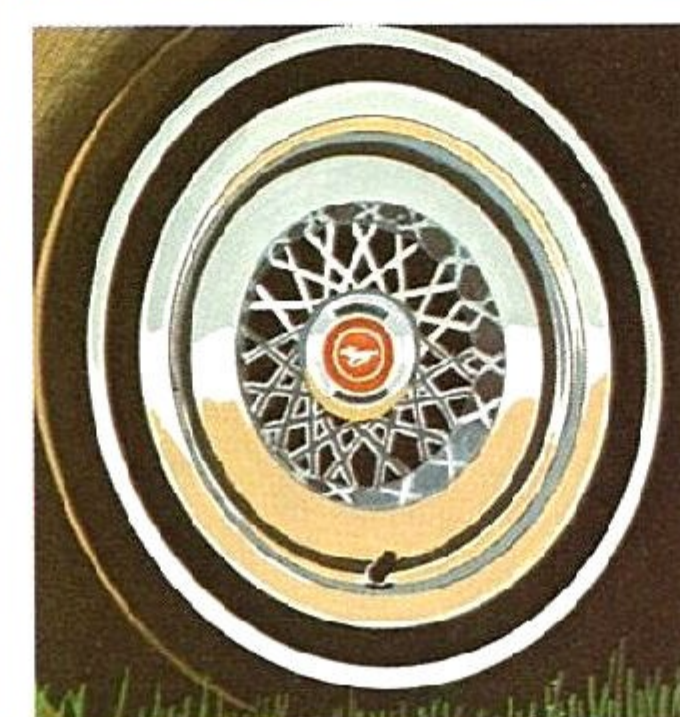

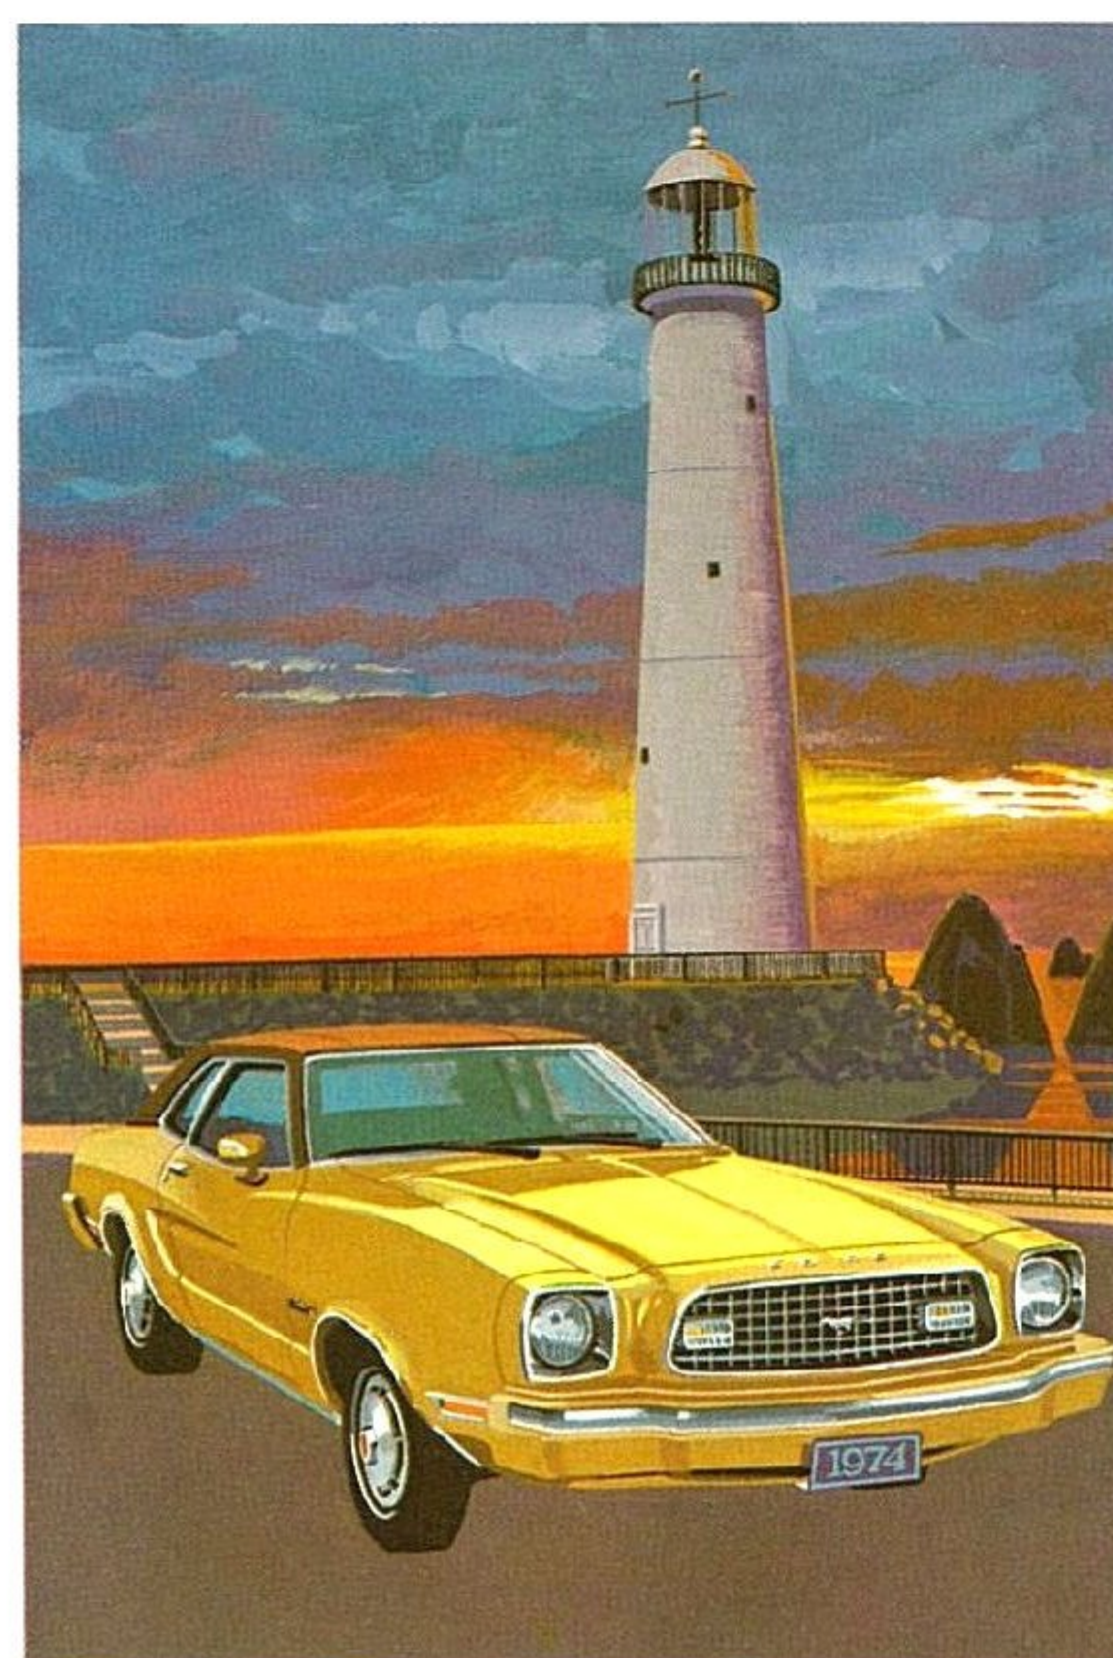

## AM/FM MULTIPLEX SEARCH TUNE RADIO (not shown)

Remarkable new radio that receives AM, FM or FM/Stereo stations. Stations can be tuned manually, by preset push buttons, automatically by signal seek or scan for AM, FM and FM Stereo stations. A sensitivity control for "SEEK" or "SCAN" selects "Town", "Country" or "Stereo" only stations. THUNDERBIRD. Basic Part No. 18806.

# ...CLASS OF 1974

## FOR AN EVEN FINER FINE CAR!

Your Ford-built choice—whether Galaxie, LTD, Maverick, Mustang II, Pinto, Torino, or Thunderbird—is built and equipped to be the best possible value for your motoring dollar. In addition to the high level of standard equipment, a wide range of options are provided, designed to give you even more comfort, more beauty, more convenience and added safety. High in quality and value, you'll find many "extras" you'll want to add to your excellent car choice on the following pages.

**ALL MODELS FEATURE:**

- **FULL CHOICE BLOWER SPEEDS**—High air output for rapid cooling. Lower speeds for moderate cooling.
- **COMFORT-RANGE SELECTION**—Dial desired temperature.

**FORD**

Simulated wood grain accent control panel blends with car interior. Custom built-in using existing panel registers. Full choice blower speeds with temperature set dial.

**PINTO**

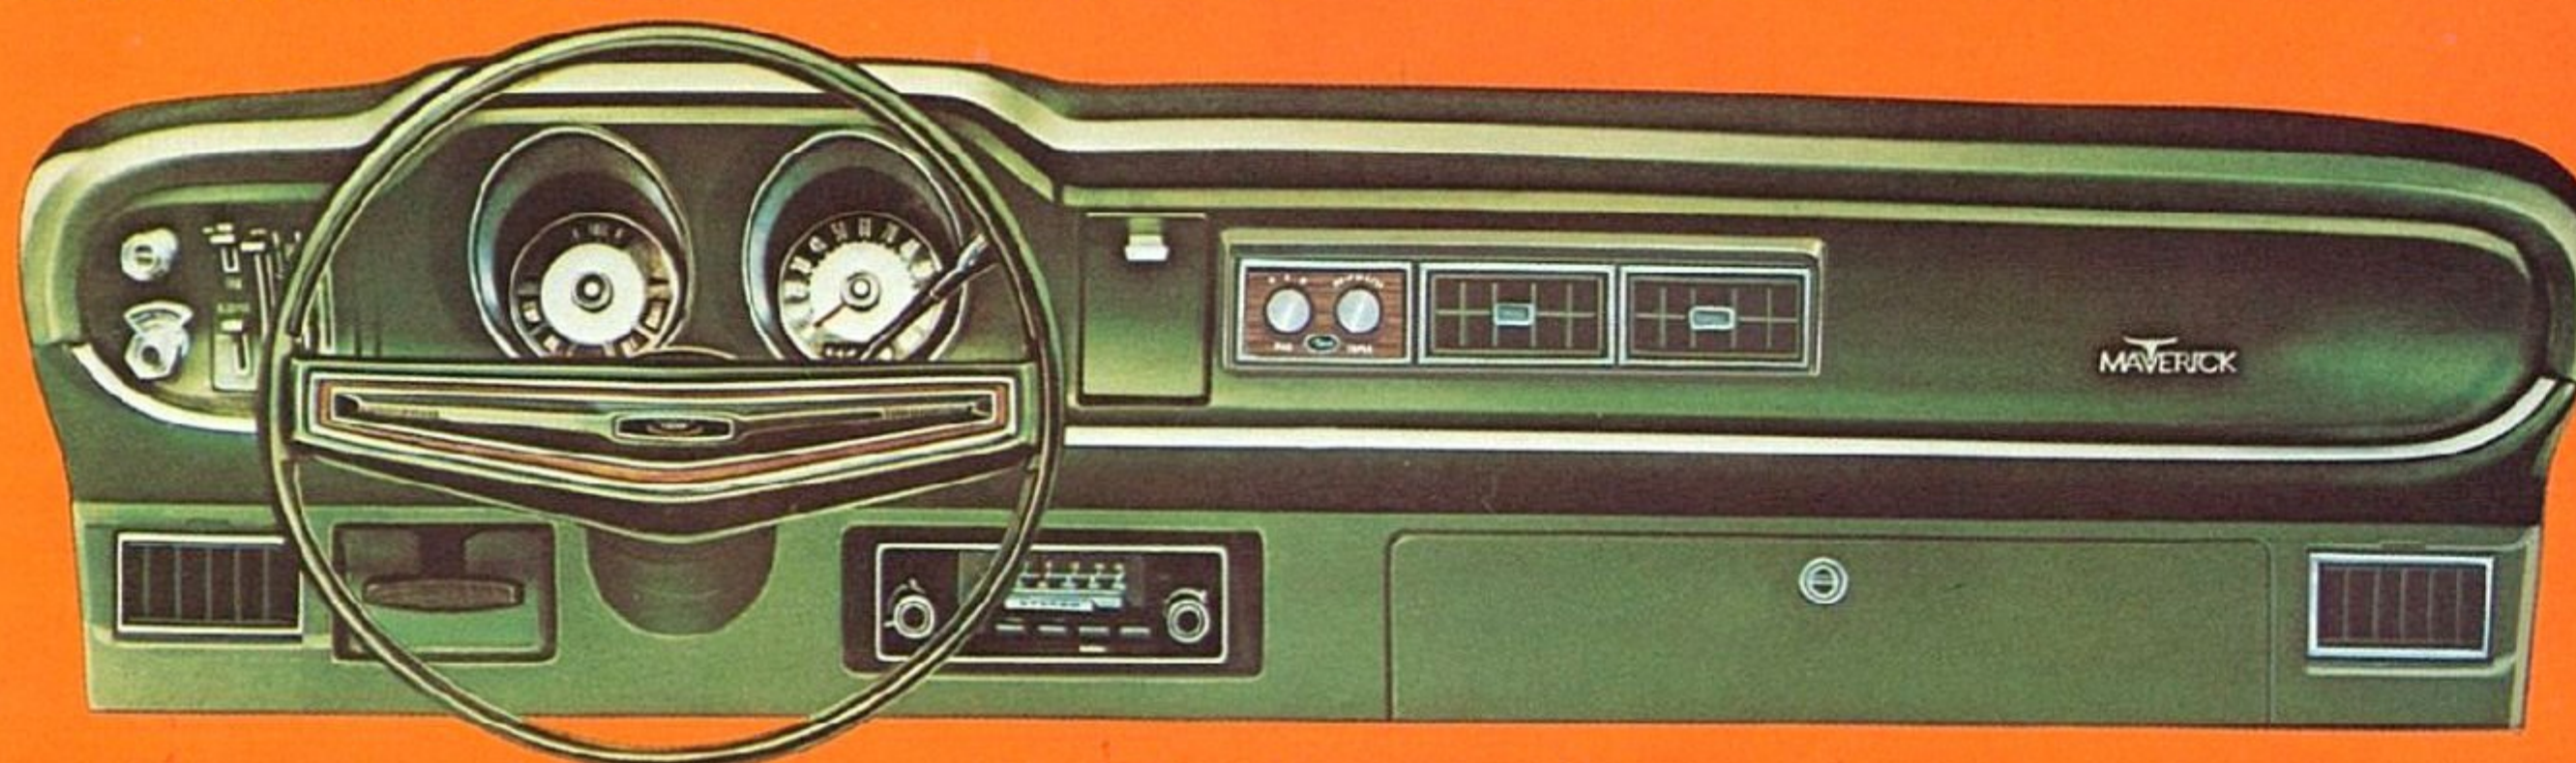

New unit built into the instrument panel.

**PINTO UNDER DASH MODEL (not shown)**  
Custom styled for under dash installation.

**MAVERICK**

Excellent cooling for Maverick with a built-in evaporator.

**MAVERICK UNDER DASH MODEL (not shown)**  
Snug under dash installation designed for Maverick cool comfort.

**TORINO**

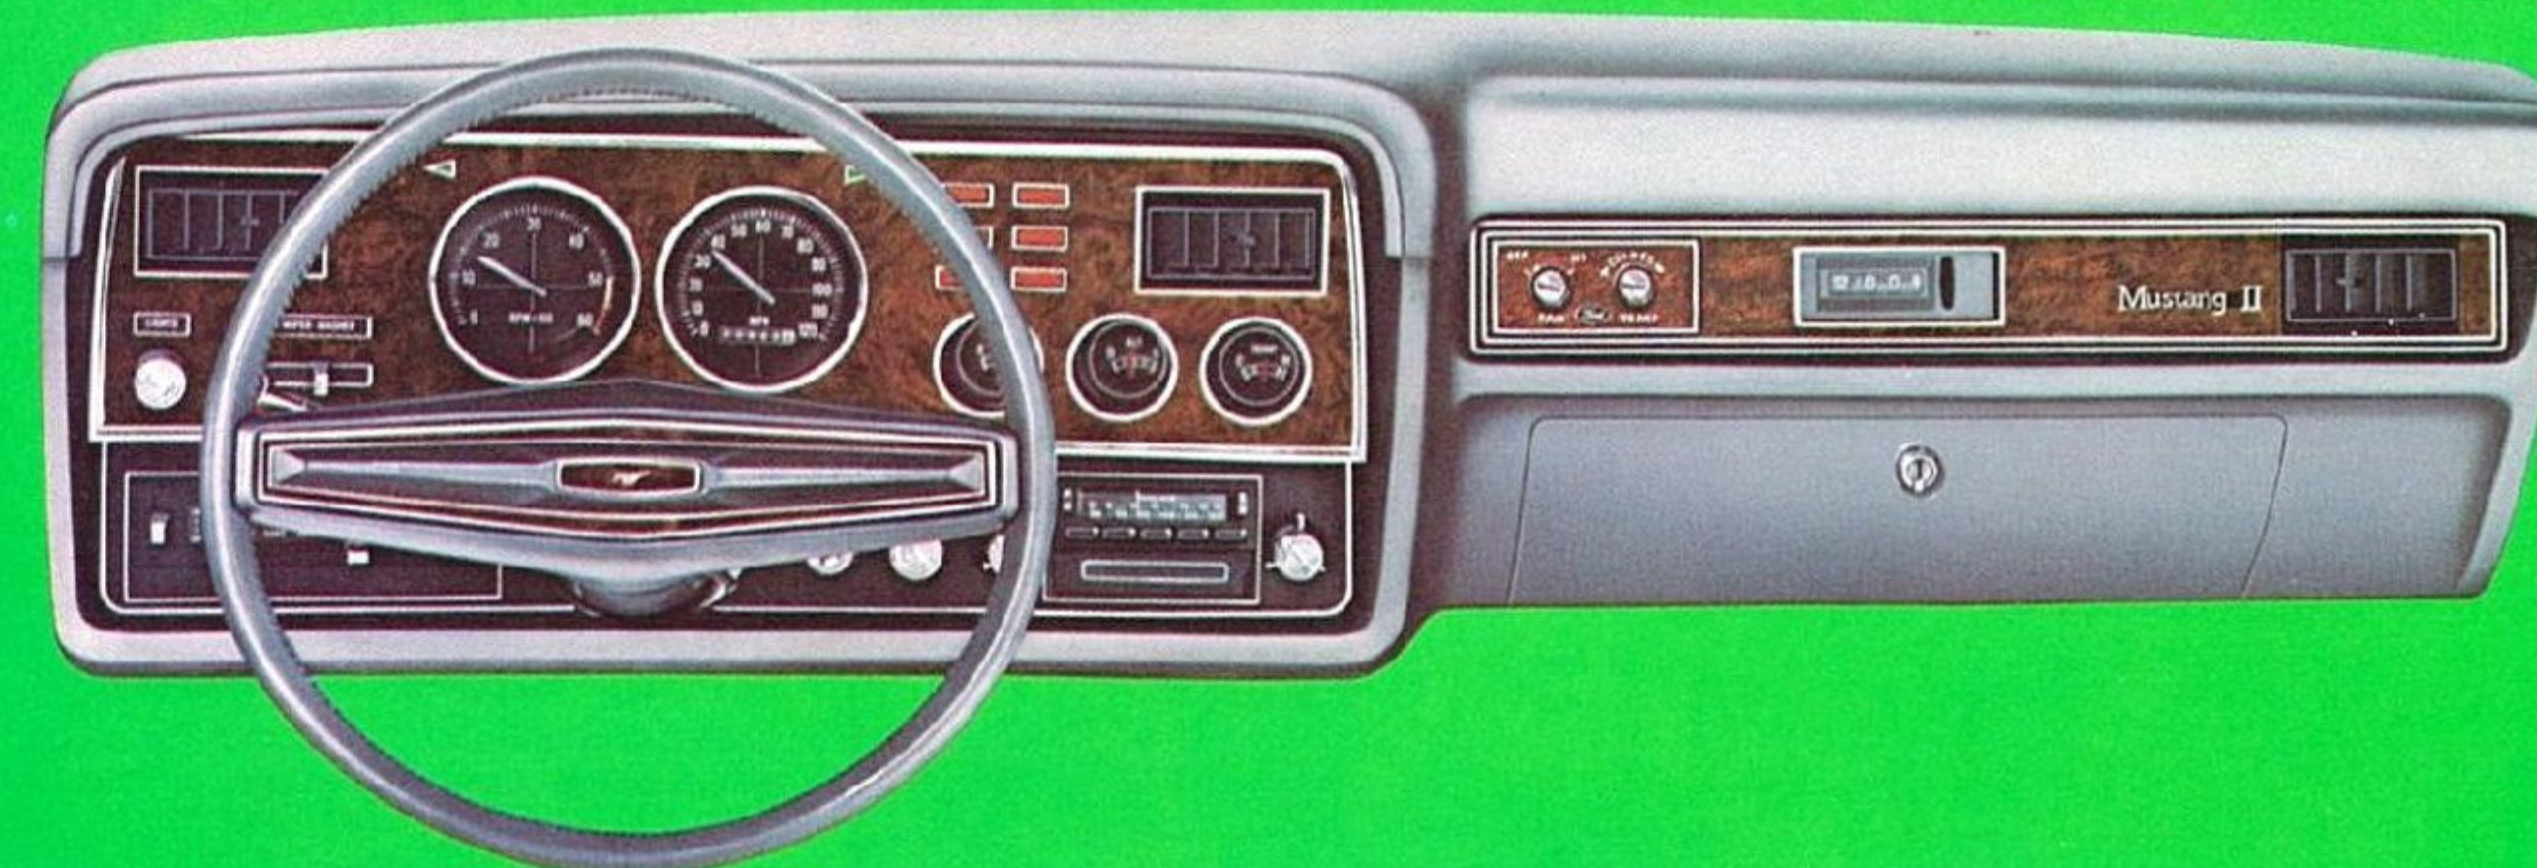

Custom design with simulated wood grain accents. Utilizes existing registers for fully controlled cooling.

**TORINO UNDER DASH MODEL (not shown)**  
Convenient control placement with under dash Torino installation.

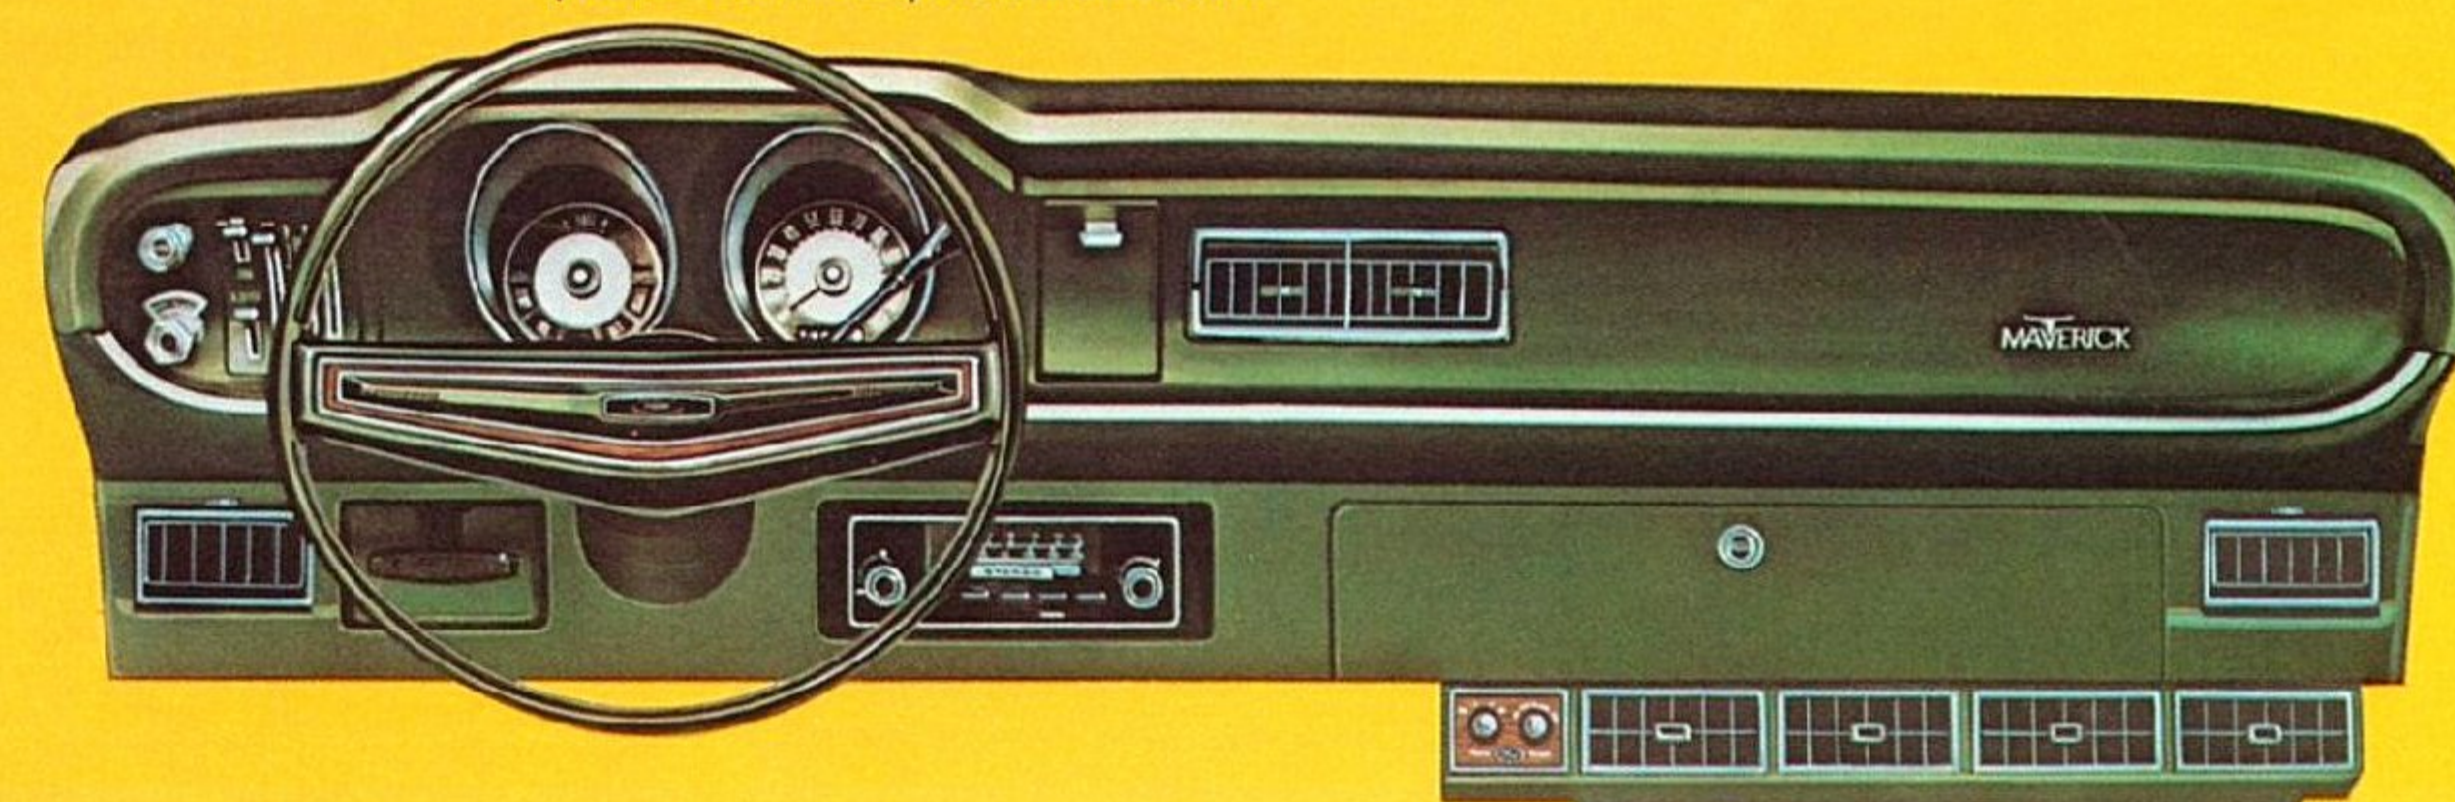

**MUSTANG II**

Re-designed, built-in to fit all-new 1974 Mustang II. Simulated wood grain accent panel with comfort level controls.

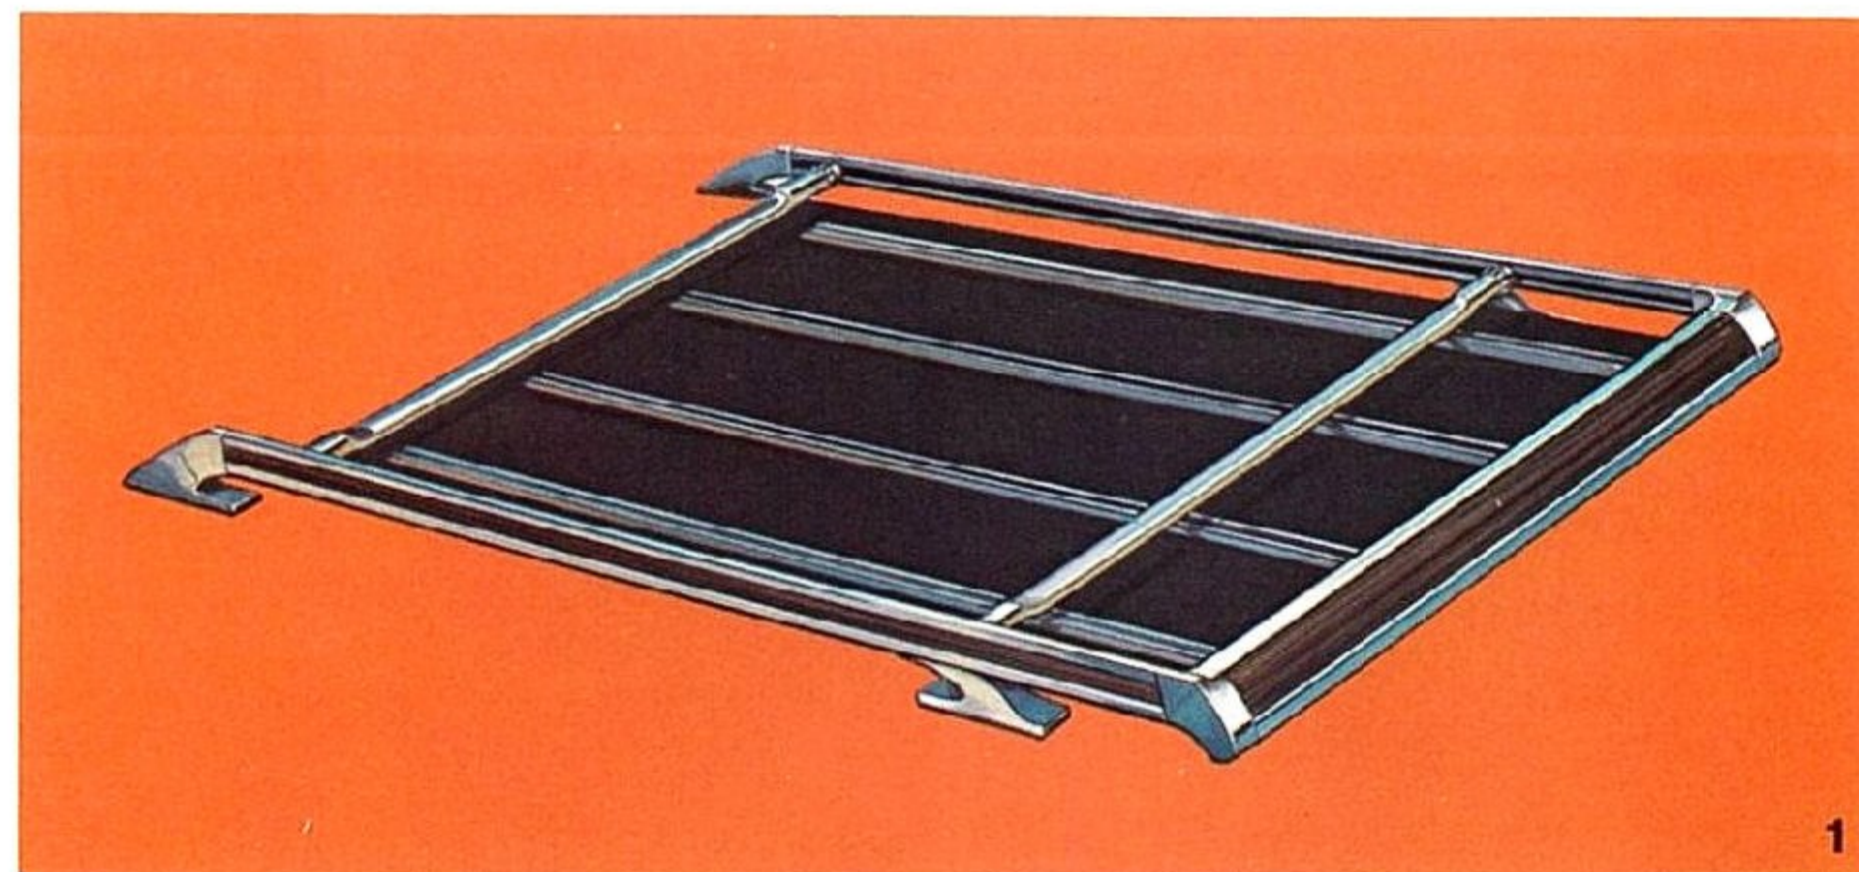

**UNIVERSAL**

Excellent value for the economy-minded motorist. Installs in most Ford models. Same cooling capacity as custom models. Controls located for easy driver reach. Choice of blower speeds and full temperature selection.

1

### 1. DELUXE STATION WAGON RACK

Handsome chrome and woodgrain rack with luggage space to spare. Adjustable, with air deflector. FORD measures 39" x 54". TORINO measures 38" x 44". Basic Part No. 55100.

### 2. PINTO DELUXE STATION WAGON RACK

Tailored for PINTO. Extra luggage space for station wagon travel. Bright chrome finished. Measures 32" x 40". Basic Part No. 55100.

### PINTO, MAVERICK LUGGAGE RACK (not shown)

An extra dash of style for your PINTO car providing additional luggage space. Chrome finish. Measures 32" x 32". Basic Part No. 55100. Collapsible luggage carrier for temporary use also available. Basic Part No. 55100.

### 3. REAR DECK LUGGAGE RACK

Beautiful, chrome-finish cargo-carrying space for rear decks. For ALL MODELS (except Pinto, and Mustang/Torino Fast-backs). Measures 20" x 48". Basic Part No. 55100.

### 4. PINTO ROOF MOUNTED CARRIER W/SKI ADAPTER

Special luggage carrier adapts to safe transport of skis. Enhances exterior of PINTO, mounts on roof. Basic Part No. 55100.

### PINTO S/W REAR WINDOW AIR DEFLECTOR (not shown)

Keeps dust and moisture away from rear window for better visibility. Basic Part No. 19E524.

### 5. LUGGAGE RACK COVER

Protects luggage/cargo in any weather, on FORD and TORINO Station Wagons with roof luggage racks. Sturdy, handsome vinyl material, easy to install and remove. Measures 36" x 48". Folds for compact storage. Basic Part No. 19B507.

### 6. RECREATION TABLE

Multi-use travelling companion, portable table for use in rear passenger area of vehicle or to take to picnic areas. Handy at home as snack table. Can be folded for storage. Locks into position in Ford Wagons. Rugged construction. Complete with magnetized checkers. Basic Part No. 279B76.

### 7. MOTORCRAFT PREMIUM HEAVY DUTY BATTERY

Top-of-the-line quality battery for superior power performance and maximum reliability. Ideal for cars with larger engines and power-consuming accessories. Part No. G-27F. Also G-22FC, G-24C, G-24F, G-24M, G-27C, G-29F.

### 8. COOLANT RECOVERY SYSTEM

Catches radiator coolant overflow, stores and returns it for re-use after pressure reduces. Ideal for high temperature conditions obtained during towing, driving in heavy traffic or on long trips. Connects to cooling system. ALL MODELS. Basic Part No. 8522.

### 1. ADJUSTABLE AIR SPRINGS AND DASH CONTROL

Provides improved riding comfort, adjusts to desired level. Air cells deliver extra spring support and better handling. Available for FORD, TORINO, THUNDERBIRD. Basic Part No. 5A589. Convenient Air Level Dash Control. Basic Part No. 5A589.

### 2. TRAILER HITCH AND BALL

Essential for hauling camper, light trailer or small boat. (SAE Class 1, for trailers to 2000 lbs.) ALL MODELS except Pinto. Basic Part No. 19D520. Trailer Hitch for PINTO for hauling trailers to 1000 lbs. is available. Basic Part No. 19D520. Trailer Hitch Ball not included in hitch kit; offered separately. Basic Part No. 19F503.

### 3. TRAILER PLATFORM HITCH —CLASS III

New, complete bolt-in unit for heavy duty hauling up to gross weight of 6000 lbs., and 800 lb. tongue load. Bolts direct to frame to provide a strong base. Accepts most commercially available draw bars and weight-distributing hitches. Basic Part No. 19D520.

### 4. SUPER-FLEX SHOCK ABSORBERS (AA TYPE)

Designed for rear suspension applications requiring heavy-duty shock control and increased rear suspension load capacity. Use with relatively high trailer tongue loads or where heavy loads are frequently carried, such as in station wagons.

### 5. TRANSMISSION OIL COOLER #HIGH CAPACITY AND \*EXTRA HIGH CAPACITY THIN LINE

Provides top cooling performance for all driving conditions, particularly when pulling heavy loads for automatic transmissions combined with 6 and 8-cylinder engines. Keeps fluids cooled for longer transmission life. Ideal for air conditioned cars and trailer towing. MOST MODELS. Basic Part No. 7K177.

#Ford without air conditioning.  
\*Ford with air conditioning.

### TRANSMISSION OIL COOLER —ECONOMY MODEL (not shown)

Insures additional fluid cooling when pulling moderate loads. Designed for automatic transmissions with 4, 6 or 8-cylinder engines. Extends transmission life. ALL MODELS. Basic Part No. 7K177.

### 6. TRAILER TOWING MIRROR—FENDER MOUNTED

For excellent visibility, well-designed mirror installs on fender for quick attachment and removal. ALL MODELS. Basic Part No. 17696.

### TRAILER TOWING MIRROR—DOOR MOUNTED (not shown)

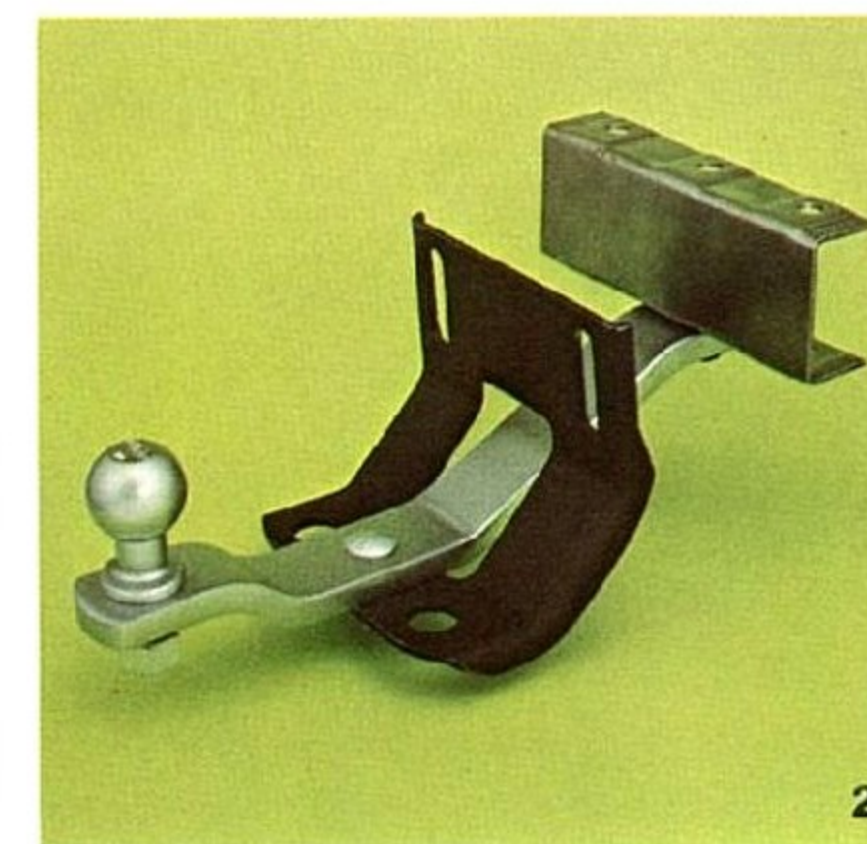

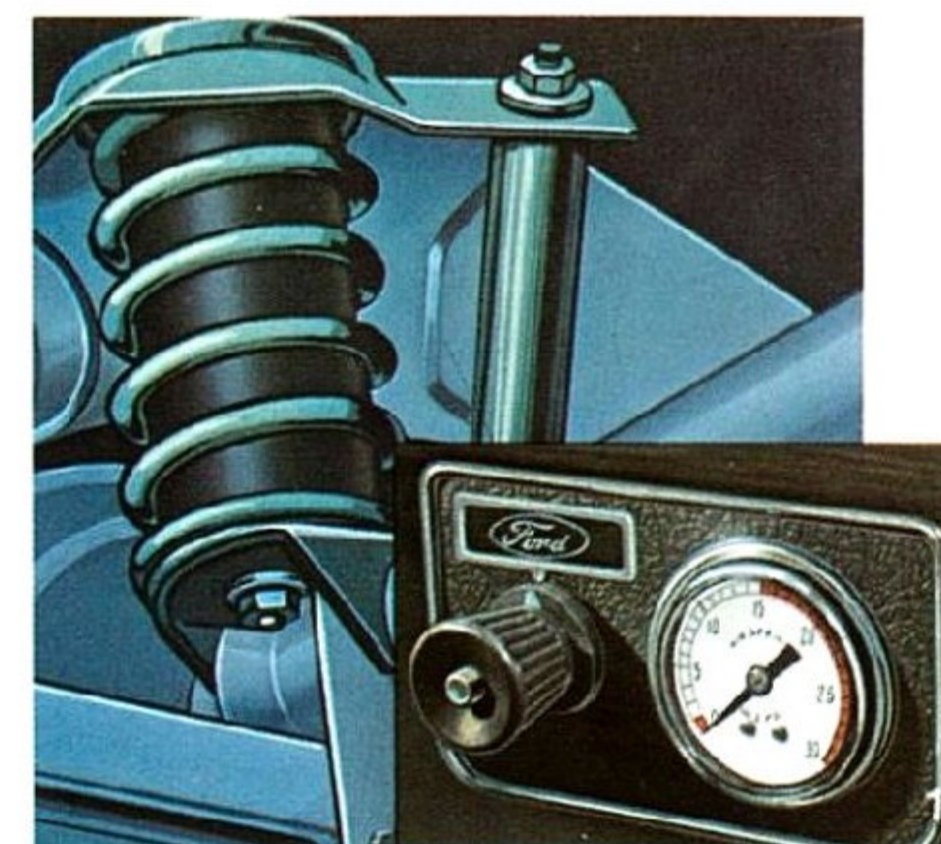

Handy, adjustable, excellent beyond-trailer visibility, designed for door-mount installation. ALL MODELS. Basic Part No. 17696.

### 7. TRAILER WIRING HARNESS

Dependable hook-up for reliable wiring to trailer, with relays for preventing overload of circuit. ALL MODELS. Basic Part No. 15A416.

### TRAILER WIRING CONNECTOR KIT (INSET)

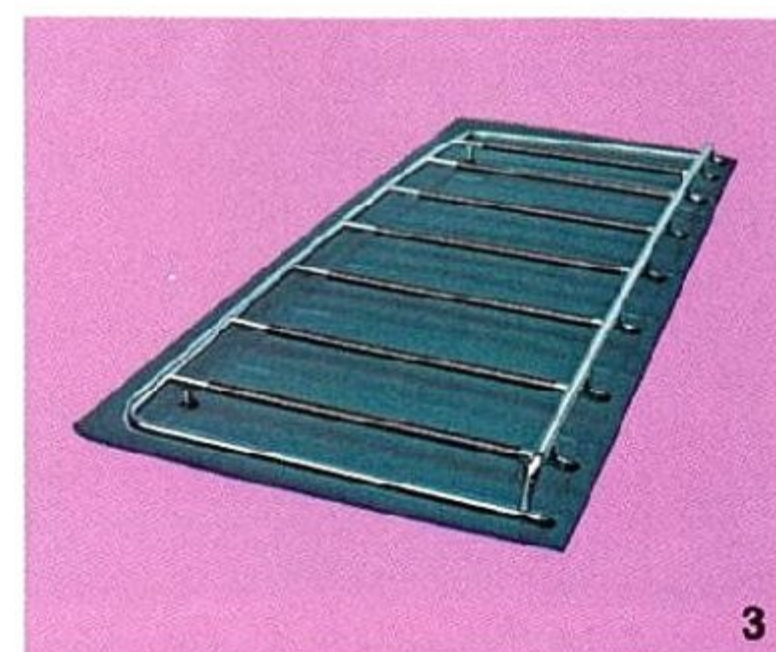

Wiring connection kit for ALL MODELS. Basic Part No. 14A347.

### VANITY MIRROR

Firmly attaches to back of visor. ALL MODELS. Basic Part No. 17A679.

### LEFT-HAND REMOTE CONTROL MIRROR

Installs on door, a handsome chrome-finish mirror for safer rear-viewing with handy angle-adjustment inside control. For FORD (as illustrated). Available for TORINO, MAVERICK (not shown). Basic Part No. 17696.

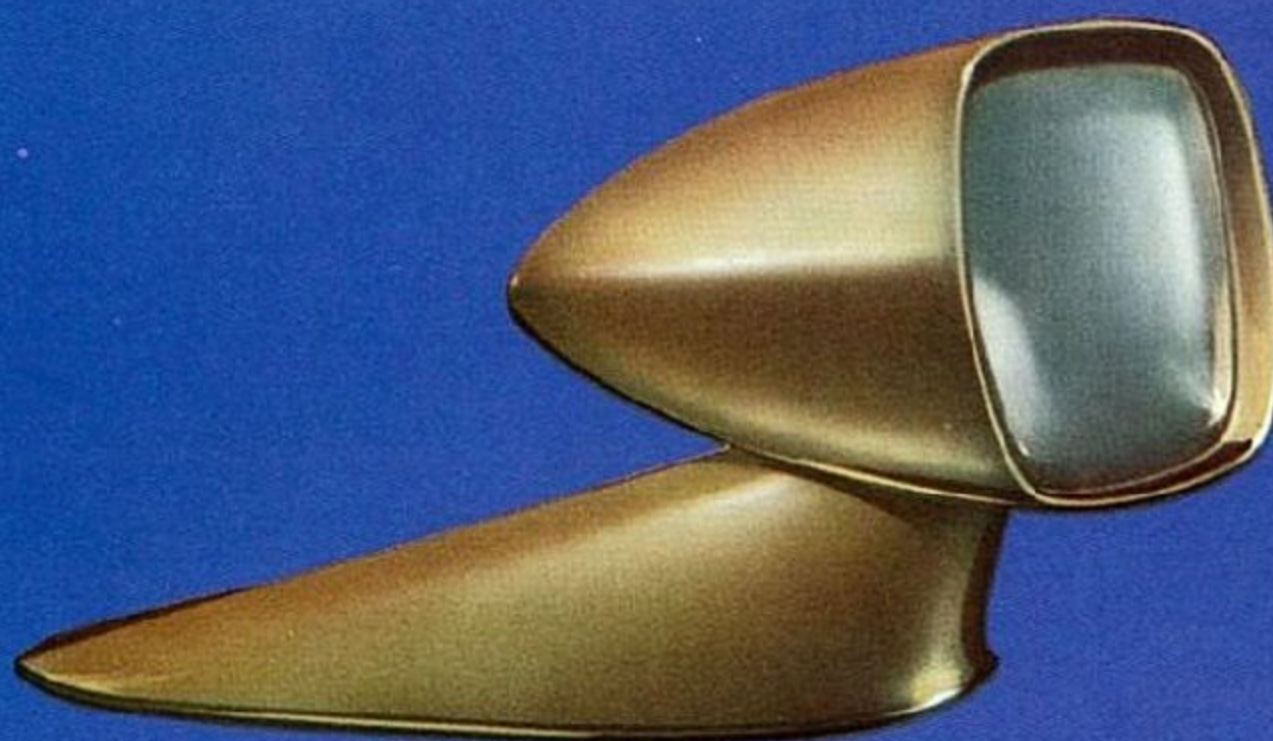

### RIGHT-HAND MANUAL MIRROR (not shown)

Matches the Left-Hand Remote Control mirror to provide rear view from right side of car. Manual angle adjustment. FORD Basic Part No. 17696.

### DAY-NIGHT MIRROR

Bright headlight glare vanishes with a quick flip of the lever for safer night driving. Replaces standard rear-view mirror. MAVERICK, PINTO. Basic Part No. 17700.

### DUAL RACING MIRRORS

Door mounted mirrors with a dash of sportiness. Left-hand remote control and right-hand manual, available as set only. Paint to match car finish. TORINO (illustrated). Also for MAVERICK, MUSTANG II, PINTO. Basic Part No. 17696.

### REAR WINDOW DEFOGGER

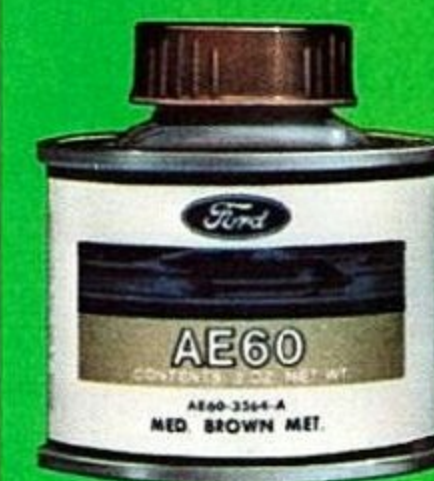

A safety feature every motorist should have. Installs in rear window deck to keep rear window fog-free. Blends with interior finish. FORD AND TORINO (all except Station Wagons), MAVERICK, PINTO 2-Door. Basic Part No. 18397.

### THUNDERBIRD WHEEL COVERS

Deluxe—full cover, vane pattern. Thunderbird crest in center. Basic Part No. 1130.

### FORD WHEEL COVERS

15" deluxe—full cover. Brushed finish. Ford name in center area. Basic Part No. 1130.

### TORINO WHEEL COVERS

14" deluxe—full cover, vane design. Basic Part No. 1130.

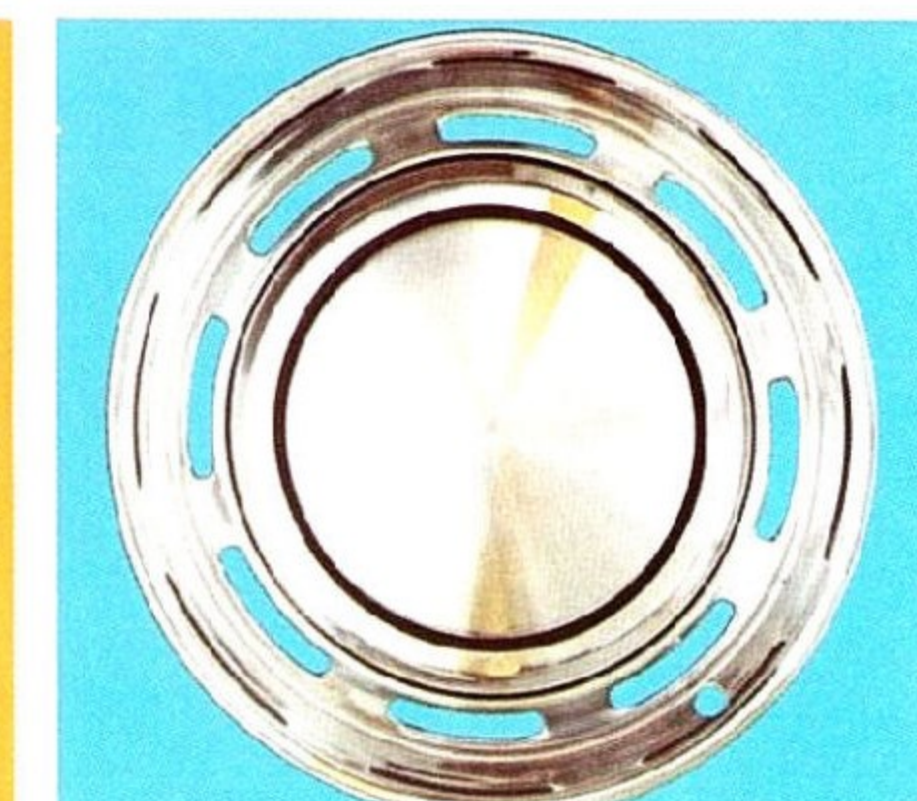

### MUSTANG II WHEEL COVERS

14" and 15" deluxe—simulated mag type. Central Mustang II symbol. Basic Part No. 1130.

### MAVERICK WHEEL COVERS

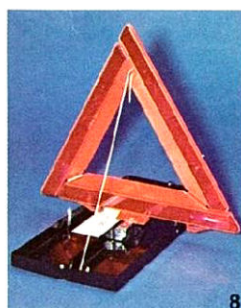

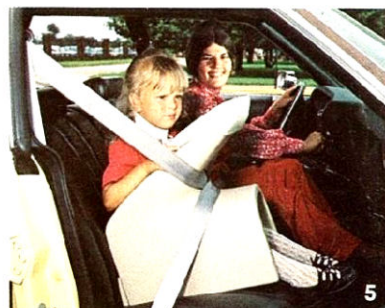

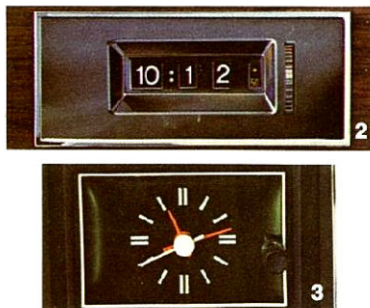

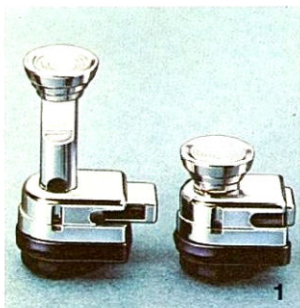

14" deluxe—full cover. Maverick crest insert in center. Basic Part No. 1130.

### PINTO WHEEL COVERS

Deluxe—full cover. Accent for Pinto. Basic Part No. 1130.

### 1. LIFEGUARD JUNIOR DOOR LOCKS

An invaluable protection for child passengers. Keeps rear doors locked, opens only by key. Easy installation. ALL FOUR-DOOR MODELS. Basic Part No. 21850.

### 2. DIGITAL CLOCK—MUSTANG II

Beautiful, practical, designed for the all-new Mustang II. Quick-sight of time in easy to read digits. Adds attractive distinction. Accurate. MUSTANG II, Basic Part No. 15A000.

### 3. ELECTRIC CLOCK

Elegant addition to the instrument panel, providing accurate time. Includes self-regulator. FORD (illustrated). TORINO. Basic Part No. 15A000.

### 4. TACHOMETER—ROUND

Accurate instrument that records engine's RPM when engine is running. Convenient mounting. Available for 8 CYLINDER FORD, TORINO, MAVERICK—9000 RPM Round Tach, 250° dial, Basic Part No. 17A326. 8 CYLINDER FORD, TORINO, MAVERICK—6000 RPM Economy Round Tach, 250° dial, Basic Part No. 17A326.

### 5. TOT GUARD CHILD SAFETY SEAT

Distributes forward-thrust forces over the child's body to help reduce the impact of collision forces. Vinyl-covered impact pad is washable. Designed for children from 20 to 50 lbs.; quickly attaches to car seat with standard vehicle seat belt. ALL MODELS—Basic Part No. 19E535.

### 6. FIRE EXTINGUISHER

Protection every car should have. Latest chemical-type extinguisher for grease, oil, gasoline and electrical fires. Includes heavy-duty bracket. Ideal for boat and home as well as car. ALL MODELS, 5 BC (illustrated), 10 BC (not shown). Basic Part No. 19B540.

### 7. PEAK PERFORMANCE MAINTENANCE AIDS

**Motorcraft Oil Filter**—two-stage rayon and cotton construction traps 50% more dirt and lasts twice as long as popular one-stage paper element filters. Part No. FL-1. (One of many part numbers available.)

**Motorcraft Air Filter**—high-quality cellulose elements and special resins to avert fire and resist collapse from moisture or oil fumes. Part No. FA-50. (One of many part numbers available.)

**Ford Super Premium Motor Oil**—formulated to exacting Ford standards and engineered to keep your engine clean and operating at peak efficiency. Excellent protection for long life. All-season adaptability. Basic Part No. 19579.

**Motorcraft Electrical Tune-Up Kit**—everything you need for a tune-up in one package. Autolite Spark Plugs, Motorcraft Point Set and Condenser, feeler gauge and cam lube, complete installation instructions. Part No. TKF-17. (One of many part numbers available.)

### 8. REFLECTOR FLARE KIT

Meets the more rigid truck Federal Motor Vehicle Safety Standards. Gives your car and you extra on-the-road protection while disabled. 3 reflector flares each in its own metal container that unfolds to form a base for the flare. Fluorescent and reflective, day or night. 3-reflector kit. ALL MODELS. Basic Part No. 19E500. Also sold individually. Basic Part No. 19F524. Emergency Reflector Flare Kit consisting of 3 reflector-flag units also available. Basic Part No. 19E500.

### OTHER SAFETY/CONVENIENCE/MAINTENANCE ACCESSORIES (not shown)

#### POWER STEERING

More comfortable driving with virtually effortless steering. ALL MODELS (except Ford, Pinto, Thunderbird). Basic Part Nos. 3A634 and 3A635.

#### POWER BRAKES

Easier, dependable braking with Ford's fast-response power brake systems. TORINO (disc brake type); Mustang II (disc brake type), Basic Part No. 2A091.

#### CIGAR LIGHTER

Quick, easy light-up on the move for driver safety. PINTO, MAVERICK, Basic Part No. 15A044.

#### REMOTE CONTROL TRUNK LID RELEASE—ELECTRIC

Provides handy trunk-opening from inside the car. No key necessary. FORD, MUSTANG II, MAVERICK, PINTO, THUNDERBIRD, Basic Part No. 432A00.

#### BATTERY BOOSTER CABLE SET

For use with 6 or 12 volt systems. Full 4 gauge construction, with heavy-duty insulation that resists grease, oil and hard usage under the most severe conditions. Part No. 954—8 feet long. Part No. 955—12 feet long.

#### DUAL AIR HORNS

Not only adds a distinctive flair to your car but affords a loud warning in today's traffic. Chrome finished. Basic Part No. 13800.
