

CAMARO 2020

Camaro 2SS Coupe in Riverside Blue Metallic with available features and Second Generation Ground Effects in Metallic Black from Chevrolet Accessories.

TAKE IT TO THE STREETS.

"Few cars capture the joy of driving as well as the iconic Chevrolet Camaro," declares *Car and Driver*. This is performance without pretense, style sculpted to perfection. The architecture is lightweight and ultra-strong, helping the tuned suspension provide an incredible connection to the road. For 2020, there's a wider range of customizing options, a stealthy LT1 debuts and SS gets a new concept-inspired appearance. From a 2.0L turbo all the way to a supercharged V8 that has stunned the sports car world, Camaro makes a provocative statement. Are you ready for the ride of your life?

FIND NEW ROADS™

MODELS

LS

Every Camaro is an original, a true sports car in all respects. LS Coupe is no exception.

A 275-horsepower turbo engine offers 0-to-60 times of 5.4 seconds.¹ You'll stay connected with a Chevrolet Infotainment 3 system² featuring Apple CarPlay^{®3} and Android Auto^{™4} compatibility. The well-equipped LS Coupe also features standard power-adjustable mirrors, a dual-outlet exhaust with polished tips and 18-inch Silver-painted aluminum wheels.

LT

Consider the possibilities and all the ways you can personalize Camaro LT: Coupe, Convertible, 2.0L Turbo, 3.6L V6, even a dramatic RS appearance option.

Choose from a 6-speed manual transmission or a newly available 10-speed paddle-shift automatic on V6 models. Standard safety technology on 3LT includes Forward Collision Alert⁵, Lane Change Alert with Side Blind Zone Alert⁵, Rear Park Assist⁵ and Rear Cross Traffic Alert⁵.

LT1

The new-for-2020 LT1 is the most affordable way to enjoy the thrill of a V8-powered Camaro.

A 455-horsepower 6.2L V8 engine, shared with Camaro SS, is standard. Choose from either a 6-speed manual transmission or an available 10-speed paddle-shift automatic.

With its domed hood, LT1 fender badging and 20-inch aluminum wheels on all-season tires, LT1 will make Camaro-watching even more fun this year.

SS

Since day one, SS has been the heart and soul of Camaro performance.

The driving force behind the 2020 SS is the 6.2L V8. SS also features a 6-speed manual transmission with Active Rev Matching or an available 10-speed paddle-shift automatic. Brembo[®] brakes, 20-inch aluminum wheels (paired with summer-only tires⁶) and available Magnetic Ride Control[™] contribute to this American tour de force.

¹ Based on initial vehicle movement. LS with 6-speed manual transmission. ² Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁴ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. ⁵ Read the vehicle Owner's Manual for important feature limitations and information. ⁶ These wheels are paired with summer-only tires. Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer.

MODELS

ZL1

Sometimes more is more. The 650-horsepower supercharged ZL1, available as a Coupe or a Convertible, is purpose-built to challenge the most advanced sports cars in the world.

The résumé of this American supercar¹ includes a 6-speed manual transmission or available 10-speed paddle-shift automatic, Magnetic Ride Control, Brembo® 6-piston front and 4-piston rear brake calipers and a dual-mode performance exhaust. Standard 20-inch forged-aluminum wheels are wrapped in sticky Goodyear Eagle® F1 SuperCar® G:2 summer-only tires.² Custom launch control with line lock provides maximum grip at the drag strip.

Long story short: 1.02 g on the skid pad, 0 to 60 in 3.5 seconds³ and a 198 mph top speed on the test track⁴ for ZL1 Coupe.

¹ Assembled in Lansing, Michigan, of U.S. and globally sourced parts. ² Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer. ³ Based on initial vehicle movement. Coupe models with available 10-speed paddle-shift automatic transmission. ⁴ Coupe models with available 10-speed paddle-shift automatic transmission.

Left to right: Camaro 2SS Coupe in Satin Steel Metallic, Camaro 3LT Coupe in Red Hot and Camaro ZL1 Coupe in Summit White.

All vehicles shown with available 1LE Track Performance Packages and other features.

1LE TRACK PACKAGES

CAMARO FOR THE WIN.

It was born as an option package for third-generation Camaro race cars. Since then, 1LE has developed into a comprehensive Track Performance Package that's available on LT, SS and ZL1.

Turbo 1LE. The 1LE Track Performance Package for the Camaro 2.0L turbo includes FE3 suspension components, heavy-duty cooling, Brembo® 4-piston front brake calipers, 20-inch Black-painted forged-aluminum wheels and

summer-only tires! There's also a unique 3-piece spoiler, an enhanced fuel system for higher cornering loads, a Driver Mode Selector that includes Track Mode, and available RECARO® performance seats.

V6 1LE. The 335-horsepower V6 1LE includes all the basics of the Turbo 1LE, plus a dual-mode exhaust. With its aggressive suspension tuning, V6 1LE delivers an estimated 0.97 g in cornering grip for consistent lap times on the track.

SS 1LE. This 455-horsepower SS 1LE includes an FE4 chassis system with Magnetic Ride Control dampers, plus special springs and stabilizer bars. Brembo 6-piston front brake calipers and Goodyear Eagle® F1 SuperCar® summer-only tires¹ are featured.

ZL1 1LE. The most extreme production Camaro ever, ZL1 1LE is designed for track day setups with the ability to readjust for the ride home. Besides its LT4 supercharged V8, ZL1 1LE includes adjustable front camber and ride height of the Multimatic DSSV™

dampers, adjustable rear stabilizer bar, fixed carbon-fiber rear wing and dive planes on the edges of the front fascia. Choose from a 6-speed manual transmission or available 10-speed paddle-shift automatic.

¹ Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer.

CHASSIS/POWERTRAIN

HEART OF A MASTERPIECE.

A robust foundation enables a series of performance choices that range from a turbocharged 4-cylinder to a supercharged V8.

Featuring aluminum components and MacPherson struts, the **multi-link front suspension** is engineered for precision at every turn.

SS and ZL1 feature **Brembo® 4-wheel disc brakes**. Track-tested 4-piston front and rear calipers are standard on SS. ZL1 has 6-piston front and 4-piston rear calipers.

Take Camaro performance to an even higher level with the available **Heavy-Duty Cooling and Braking Package** that includes an external engine oil cooler, an extra-capacity cooling system and 4-piston Brembo performance front brake calipers on LS and LT. Models equipped with the 2.0L turbo engine get an auxiliary engine cooler.

Elevate road feel and response with **Electric Power Steering**. You can select up to four drive modes. Quick steering ratios contribute to a nimble, controlled feeling with every turn of the wheel.

Tuned specifically for each Camaro model, the **independent rear suspension** provides a refined ride and responsive driving dynamics.

Standard on ZL1 and available on SS, **Magnetic Ride Control** reads the road every millisecond. It then changes damping in just 10 to 15 milliseconds in shocks filled with magnetorheological fluid containing minute iron particles.

Standard on ZL1 Coupe and available on SS Coupe, the **Electronic Limited-Slip Differential** continuously modulates torque split to improve traction and acceleration out of corners, enhancing stability and turn-in responsiveness. A mechanical limited-slip differential is standard on LS, LT, LT1 and SS.

Standard on ZL1 and available on SS, LT1 and LT with the available 3.6L V6 engine, the **dual-mode exhaust** provides a more aggressive exhaust note in Sport and Track modes. (Track mode is exclusive to LT with available 1LE Track Performance Package, SS and ZL1.)

Camaro 3LT interior in Jet Black with available Ceramic White Interior Accent Trim Package and other available features.

INTERIOR DESIGN

IT'S ALL ABOUT THE DRIVE.

At the heart of it, Camaro is sheer exhilaration.

Available leather-trimmed seating surfaces and **heated and ventilated front seats** provide premium comfort. Or choose the available **RECARO® performance seats** with sueded microfiber inserts as well as Jet Black leather appointments and Red accents. Personalize your Camaro even further with available Red seat belts, Red knee pads and alloy pedals.

TECHNOLOGY

STAY CONNECTED, WHEN YOU WANT TO.

Camaro is designed to accelerate your game. From a **flat-bottom steering wheel** to deeply contoured seating, everything comes together seamlessly to keep you connected to the road.

And that connected feeling takes on a whole new dimension with the next-generation **Chevrolet Infotainment 3 system**.¹ It features an available 8-inch diagonal color touch-screen on select models, Apple CarPlay^{®2} and Android Auto^{™3} compatibility, and Bluetooth[®] streaming capability⁴ for two users.

Available color Head-Up Display.

Available configurable Driver Information Center.

Available Rear Camera Mirror.⁵

Available interior spectrum lighting.

¹ Chevrolet Infotainment System functionality varies by model. Camaro LS Coupe in
Rally Green Metallic.

LS

WHY FOLLOW THE CROWD?

- 275-horsepower 2.0L turbocharged engine with Variable Valve Timing and Direct Injection.
- Driver Mode Selector with three modes (Snow/Ice, Tour and Sport).
- 18-inch 5-split-spoke Silver-painted aluminum wheels.
- Dual-outlet stainless steel exhaust with polished tips.

Camaro 3LT Coupe in Satin Steel
Metallic with available RS Package
and other available features.

LT

STAND OUT.

- Available LED projector-style headlamps.
- Available 335-horsepower 3.6L V6 engine with Variable Valve Timing and Direct Injection.
- Available 10-speed paddle-shift automatic transmission.
- Available Bose premium audio system.
- Available RS Package with 20-inch 5-split-spoke aluminum wheels, RS-specific grille and dark-tinted taillamps.

Camaro 3LT Convertible in Satin Steel Metallic with available RS Package and other available features.

CONVERTIBLE

FIRST IT'S A CAMARO. THEN IT'S A CONVERTIBLE.

This is Camaro — the pure driver's car — in possibly its most spectacular form. The Camaro Convertible features modular underbody bracing to allow the same precise, nimble handling as the Coupe. Plus, an open roof and a rush of fresh air.

The top fluidly disappears under the **fully automatic hard tonneau cover** for a show-car smooth appearance. And the electronic top lowers with the touch of the key fob or the single push of a button — even when driving up to 30 mph.

With this year's wide range of **LT, LT1, SS and ZL1 Convertible models**, the level of euphoria just went sky-high.

Camaro LT1 Coupe in Garnet Red Tintcoat (extra-cost color) with available features.

LT1

SPEAK SOFTLY, AND CARRY A 455-HP V8.

Beware the sleeper. The new Camaro LT1 is the pure V8 performance experience for the dedicated enthusiast. LT1, **available in Coupe or Convertible models**, is lightweight, agile and ready to intimidate any would-be competitor.

- 455-horsepower 6.2L V8 engine with Active Fuel Management.[™]
- Standard 6-speed manual transmission.
- Available 10-speed paddle-shift automatic transmission.
- Brembo[®] 4-piston front brake calipers.
- LT1 fender badging, Black bowtie emblems, a vented and domed hood, and 20-inch wheels with all-season tires.
- Available dual-mode performance exhaust system.

SS

THE “SUPER SPORT” CAMARO NEVER LOOKED BETTER.

Up front, there's an exclusive new look for Camaro SS. But make no mistake, with a **455-horsepower LT1 V8** engine under its vented hood, SS embodies the heart and soul of Camaro performance. And it will propel you from **0 to 60 in 4 seconds flat¹** with the available 10-speed paddle-shift automatic transmission.

The track-tuned credentials of Camaro SS are further enhanced by available Magnetic Ride Control that stiffens the suspension for high-performance driving while helping to maintain a smooth ride. The robust **4-piston Brembo® brake system** is capable of taking the SS Coupe from 60 mph to a complete stop in 117 feet. The available **dual-mode exhaust system** lets you refine the roar of the LT1 V8 within each of its four driving modes – Snow/Ice, Tour, Sport and Track.

¹Based on initial vehicle movement. Coupe models with available 10-speed paddle-shift automatic transmission.

Camaro 2SS Coupe in Riverside Blue
Metallic with available features.

Camaro 2SS Coupe in Riverside Blue Metallic with available features.

SS

IT'S NEXT-LEVEL LEGENDARY.

- 455-horsepower 6.2L V8 engine.
- Standard 6-speed manual transmission with Active Rev Matching.
- Available 10-speed paddle-shift automatic transmission.
- Domed hood with functional air extractor and SS-specific rear spoiler.
- Limited-slip differential, extra-capacity cooling system and rear differential cooler (Coupe only).
- Staggered wheel size (20-inch x 8.5-inch front and 20-inch x 9.5-inch rear)¹

¹ These wheels are paired with summer-only tires. Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer.

Camaro ZL1 Coupe in Black
with available features.

ZL1

THE REIGNING KING OF CAMARO PERFORMANCE.

Featuring a 650-horsepower 6.2L supercharged V8 engine, ZL1 is the most powerful production Camaro ever built. With a whopping 650 lb.-ft. of torque, ZL1 offers a **top track speed of 198 mph** and a **0-to-60 time of 3.5 seconds**¹.

- 6-speed manual transmission with Active Rev Matching.
- Available 10-speed paddle-shift automatic transmission.
- Magnetic Ride Control reads the road every millisecond and changes damping in just 10–15 milliseconds.
- Available Performance Traction Management system (Coupe only) helps achieve faster transitions on the track.
- 20-inch forged-aluminum wheels and Goodyear Eagle® F1 SuperCar® G:2 summer-only tires² (305/30R19 front and 325/30R19 rear).
- Brembo® 6-piston front and 4-piston rear brake calipers, plus aero additions such as a platform wing and front and side splitters.

¹ Based on initial vehicle movement. Coupe models with available 10-speed paddle-shift automatic transmission. ² Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer.

PERFORMANCE

PUT A SPIN ON IT.

Custom Launch Control, included with the available 10-speed automatic transmission, allows you to adjust both the launch rpm and rear wheel slippage through the Driver Information Center (with a brake pressure bar graphic to assist in operation).

On a closed-course drag strip, **line lock** lets you lock the front wheels to enable the rear wheels to spin, warming the tires for maximum grip.

A carbon-fiber hood air extractor, air dam and wing-style rear spoiler help to reduce lift.

ZL1 6.2L supercharged V8 engine.

Record lap times and log videos of your drives with the available Performance Data Recorder.

RECARO® performance seats with Jet Black leather appointments and sueded microfiber inserts (standard on ZL1).

ACCESSORIES

Front Six-Piston Brembo® Brake Upgrade System in Red from Chevrolet Accessories.

Black Lower Grille with Red Hot-Painted Inserts available from Chevrolet Accessories.

ZL1 Car Cover available from Chevrolet Accessories.

Second Generation Ground Effects in Carbon Flash and Hood Stripe in Satin Black with Silver Ice Metallic Hash Mark available from Chevrolet Accessories.

¹ Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer. ² Available on LT with RS Package. ³ Available on LT with 1LE Track Performance Package. ⁴ Available on SS with SS 1LE Track Performance Package. ⁵ Available on ZL1 with ZL1 1LE Extreme Track Performance Package. ⁶ Available on 2LT and 3LT with Shock and Steel Special Edition. ⁷ Available on 2SS with Shock and Steel Special Edition. ⁸ Standard on LT1 and SS. Available on LT with Heavy-Duty Cooling and Brake Package or 1LE Track Performance Package. ⁹ Standard on ZL1. ¹⁰ Available on LT1 and SS. Available on LT with Heavy-Duty Cooling and Brake Package.

MODELS

1LS AND 1LT Camaro 1LS Coupe (shown) and 1LT Coupe and Convertible include these features:

MECHANICAL

Brakes – 4-wheel antilock, 4-wheel disc; electronic parking brake

Differential – limited-slip

Driver Mode Selector – three modes: Snow/Ice, Tour and Sport

Engine – 2.0L turbocharged 4-cylinder with Variable Valve Timing and Direct Injection

Exhaust system – dual-outlet with bright tips

StabiliTrak® – Electronic Stability Control System with Traction Control

Steering – rack-and-pinion, power variable-ratio

Suspension – 4-wheel independent, Sport (FE2)

Transmission – 6-speed manual

EXTERIOR

Badging – Camaro insignia on front fenders

Daytime running lamps – LED

Fuel filler – capless fueling

Headlamps – projector-style halogen, automatic on/off with automatic delay

Mirrors – power-adjustable, manual-folding with body-color caps

Taillamps – LED

Tires – 245/50R18 all-season blackwall

Wheels – 18" x 8.5" front and rear 5-split-spoke Silver-painted aluminum (1LS)

Wheels – 18" x 8.5" front and rear 5-spoke Silver-painted aluminum (1LT)

Wipers – front variable-speed, intermittent with washers

INTERIOR

Air conditioning – automatic, single-zone

Audio – 6-speaker system

Cruise control – electronic with Set and Resume Speed

Door locks – power programmable with lockout protection

Medium Ash Gray Cloth (shown)

RECARO® Performance Seats with Jet Black Leather Appointments and Sueded Microfiber Inserts (1LT only)

Jet Black Cloth

INTERIOR (CONTINUED)

Driver Information Center – color display with compass

Entertainment – Chevrolet Infotainment 3 system³ with 7-inch diagonal color touch-screen, AM/FM stereo, Bluetooth® audio streaming⁴ for two active devices, voice command pass-through to compatible phone, and Apple CarPlay⁵ and Android Auto⁶ compatibility

Keyless Open and Start – includes extended-range Remote Keyless Entry

Lighting – front reading lamps and interior dome lamp with illuminated entry

Media – two USB ports⁷ and auxiliary input jack

Rear Vision Camera⁸

Seat – front passenger 6-way power adjuster (1LT)

Seats – front sport buckets with driver 8-way power adjuster and front passenger 4-way manual adjuster with power recline; folding rear (Coupe)

SiriusXM® with 360L⁹ – All Access Package with 12-month trial subscription (1LT)

Steering column – manual tilt and telescopic

Steering wheel – leather-wrapped flat-bottom with mounted audio, cruise and phone controls

Theft-deterrent system – unauthorized entry

Tire Pressure Monitor – with Tire Fill Alert

Visors – driver and front passenger, covered illuminated vanity mirrors

Windows – power with driver and front passenger express-up/-down

compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. ⁷ Not compatible with all devices. ⁸ Read the vehicle Owner's Manual for important feature limitations and information. ⁹ Certain features require a SiriusXM subscription and the Chevrolet Connected Access plan. See siriusxm.com and onstar.com for details and limitations.

MODELS (CONTINUED)

2LT In addition to or replacing 1LS and 1LT features, 2LT includes:

INTERIOR

Air conditioning – automatic, dual-zone with individual climate settings for driver and front passenger and outside temperature display

Seats – heated and ventilated leather-appointed driver and front passenger

3LT In addition to or replacing 2LT features, 3LT includes:

EXTERIOR

Mirrors – heated, power-adjustable with driver-side auto-dimming feature, manual-folding with body-color caps

INTERIOR

Accents – aluminum accents on door trim and shifter cap

Audio – Bose premium 9-speaker (Coupe) or 7-speaker (Convertible) system

Driver Information Center – enhanced 8-inch diagonal reconfigurable multi-color display

Entertainment – Chevrolet Infotainment 3 Plus system¹ with 8-inch diagonal HD color touch-screen, AM/FM stereo, Bluetooth® audio streaming² for two active devices, Apple CarPlay^{®3} and Android Auto^{™4} compatibility, voice recognition and in-vehicle apps⁵

Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevolettires or see your dealer. ² Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³ Go to my.chevrolet.com/learnAbout/bluetooth to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model and software version. ⁴ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁵ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. ⁶ Requires active service plan and paid AT&T vehicle data plan or compatible device with 3G/4G LTE tethering data plan. Visit onstar.com for details and limitations. ⁷ Read the vehicle Owner's Manual for important feature limitations and information. ⁸ Requires available Adrenaline Red Interior Accent Trim Package. ⁹ Requires available Ceramic White Interior Accent Trim Package.

MODELS (CONTINUED)

ZL1 In addition to or replacing 2SS features, ZL1 includes:

MECHANICAL	
Brakes	4-wheel antilock, 4-wheel disc with Brembo® 6-piston front and 4-piston rear calipers; electronic parking brake
Differential	Electronic Limited-Slip (eLSD) (Coupe)
Engine	6.2L LT4 supercharged V8 with Variable Valve Timing and Direct Injection
Exhaust system	dual-mode performance with quad outlets
Launch control	custom
Suspension	4-wheel independent, performance (FE4); Magnetic Ride Control
EXTERIOR	
Spoiler	rear, Sport
Tires	285/30ZR20 front and 305/30ZR20 rear summer-only ^{1,2} blackwall
Wheels	20" x 10" front and 20" x 11" rear 10-split-spoke Dark Graphite-painted forged-aluminum
INTERIOR	
Pedals	Sport alloy
Seats	RECARO® performance seats with Jet Black leather appointments and Red accents and sueded microfiber inserts
Shifter	sueded microfiber-wrapped
Steering wheel	sueded microfiber-wrapped flat-bottom
Wireless charging ³	

RECARO® Performance Seats with Jet Black Leather Appointments and Red Accents and Sueded Microfiber Inserts

¹ Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer. ² Driving on wet roads, in heavy rain, or through standing water with competition-oriented tires may cause hydroplaning and loss of control. Use extreme caution and drive slowly on wet roads. ³ The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/back cover. To check for phone or other device compatibility, see my.chevrolet.com/learn or consult your carrier.

Experience Chevrolet Complete Care, a comprehensive coverage, warranty and protection program that comes standard with every new 2020 Chevrolet Camaro lease and purchase. Simply, it is designed around you, to make it easy to keep your Chevrolet like new – and give you the confidence you deserve when you need it most.

NEW VEHICLE LIMITED WARRANTY

3-year/36,000-mile Bumper-to-Bumper Limited Warranty. Chevrolet will warrant each 2020 Camaro from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

EPA-ESTIMATED FUEL ECONOMY

2.0L turbocharged 4-cylinder	20 MPG city/30 highway/23 combined (manual) 22 MPG city/31 highway/25 combined (automatic)
3.6L V6	16 MPG city/26 highway/20 combined (manual) 19 MPG city/29 highway/22 combined (automatic)
6.2L V8	16 MPG city/24 highway/19 combined (manual) 16 MPG city/27 highway/20 combined (automatic)
6.2L supercharged V8	14 MPG city/20 highway/16 combined (manual) 13 MPG city/21 highway/16 combined (automatic)

Your comprehensive owner benefit program.

Includes one maintenance visit (oil change, tire rotation [excludes Camaro ZL1 and models with available 1LE Track Performance Packages, due to their unidirectional tires; see Owner's Manual for details] and multi-point vehicle inspection)?
5 years/60,000 miles ³ of Roadside Assistance ⁴ and Courtesy Transportation.
3-year/36,000-mile ⁵ Bumper-to-Bumper Limited Warranty.
5-year/60,000-mile ⁵ Powertrain Limited Warranty.
6 years/100,000 miles ⁵ of Rust-Through Protection.
Chevrolet Connected Access ⁵ with 10 years of standard connectivity, which currently enables features such as Vehicle Diagnostics and Dealer Maintenance Notification.
1 month of Chevrolet Connected Services ⁶ and 1 month of OnStar Safety & Security Plan coverage ⁶ .

5-year/60,000-mile transferable Powertrain Limited Warranty. Every 2020 Camaro comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

IMPORTANT INFORMATION

Chevrolet Owner Center (my.chevrolet.com). Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

Engines. Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

Assembly. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

Chevrolet Connected Services and OnStar. Connected vehicle services vary by vehicle model and require an active service plan, working vehicle electrical system (including battery), cell reception and GPS signal to function properly. Visit onstar.com for details and limitations.

A note on child safety. Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

Important words about this catalog. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their

usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Sports Car segment and latest available competitive information. Excludes other GM vehicles.

Fleet orders. Some standard content may be deleted on fleet orders. See dealer for details.

Tires. Camaro SS and ZL1 models, as well as models with available 1LE Track Performance Packages, come equipped with summer-only tires⁷ that tend to wear faster and are more susceptible to damage from road hazards or curb impact than standard profile tires. This type of damage is not covered by the GM New Vehicle Limited Warranty. See your dealer for proper tire selection.

Spare tire information. There is no standard jack or spare tire in the 2020 Chevrolet Camaro. Some vehicles have a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a one-quarter-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than one-quarter inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.

Chevrolet ownership experience. Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

Chevrolet.com/safety. Chevrolet is committed to keeping you and your family safe – from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMmobility.com (1-800-323-9935). GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

The BuyPower Card. The Chevrolet BuyPower Card – Every purchase you make with the BuyPower Card from Capital One* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.
* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
