What the experts are saying about GTX Ram Air

ATTITUDE

"Overall, the GTX Ram Air is a hoot to drive, the perfect motorized antidote to political correctness."

WARREN BROWN, WASHINGTON POST

"The GTX's power is so much fun to use that it takes restraint not to continuously sample the extra urge."

TOM STRONGMAN, KANSAS CITY STAR

VALUE

"Readers, callers, e-mailers and friends often ask me what car I would buy. The Grand Prix GTX is the car I would own if I were in the market. It's one of those rare vehicles that's fun every time you get behind the wheel."

RICHARD TRUETT, ORLANDO SENTINEL

"Can't afford one of the larger, faster BMW or Mercedes models? Forget them...Pontiac GTX Ram Air awaits...The GTX Ram Air is plenty fast and distinctive, besides being much less costly to buy and maintain than a high performance foreign sedan."

DAN JEDLICKA, CHICAGO SUN TIMES

CONVENIENCE

"SLP's direct-to-dealer approach offers a quick turnaround...and receiving an endorsement from GMAC, in the form of residual lease support, has also made my job easier. For customers who want performance and a more aggressive exterior, GTX is hard to beat."

LARRY BANDEMER, SOMERSET PONTIAC, TROY, MI

*Along with the convenience of GMAC retail financing and lease residual support, GTX content is protected with a three year/36,000 mile, SLP/AG limited warranty.

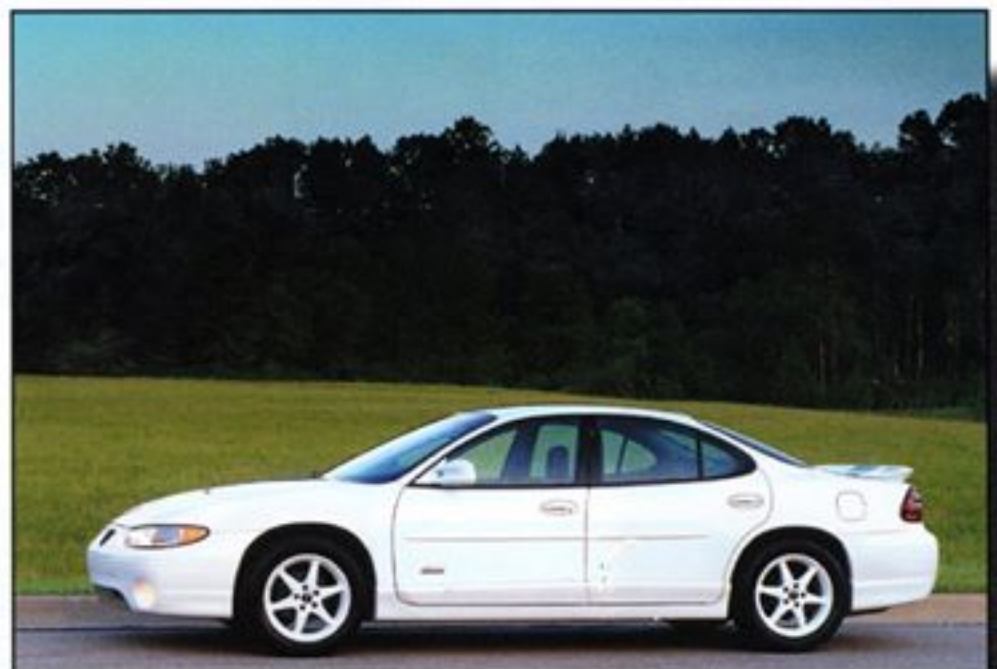

STANDARD GTX CONTENT

- Composite hood with functional dual scoops.
- Forced air induction system generates ten additional horsepower on the 3800 Series II V6 engine and its higher performance counterpart, the supercharged 3800 V6.
- Three GTX Ram Air cloisonne exterior badges.
- One SLP exterior badge.

GTX ORDER PROCESS

- Select a Grand Prix GT or GTP from your Pontiac-GMC dealer's inventory.
- Add the options of your choice, as shown on page three of this brochure.
- GTX content can be financed and residualized by GMAC, just like any other option on a new Grand Prix GT or GTP, coupe as well as sedan models. Dealer: For details on residuals refer to GMAC Bulletin #839, dated 10/12/98.
- After your dealer confirms the order with SLP/AG's regional installer, the installer will pick up, modify and return your new GTX to the dealer. Typically, the entire modification process only takes a few days. Plus, you get the protection of SLP/AG's three year/36,000 mile limited warranty on its content.
