

1981 Honda Civic, Accord and Prelude

HONDA

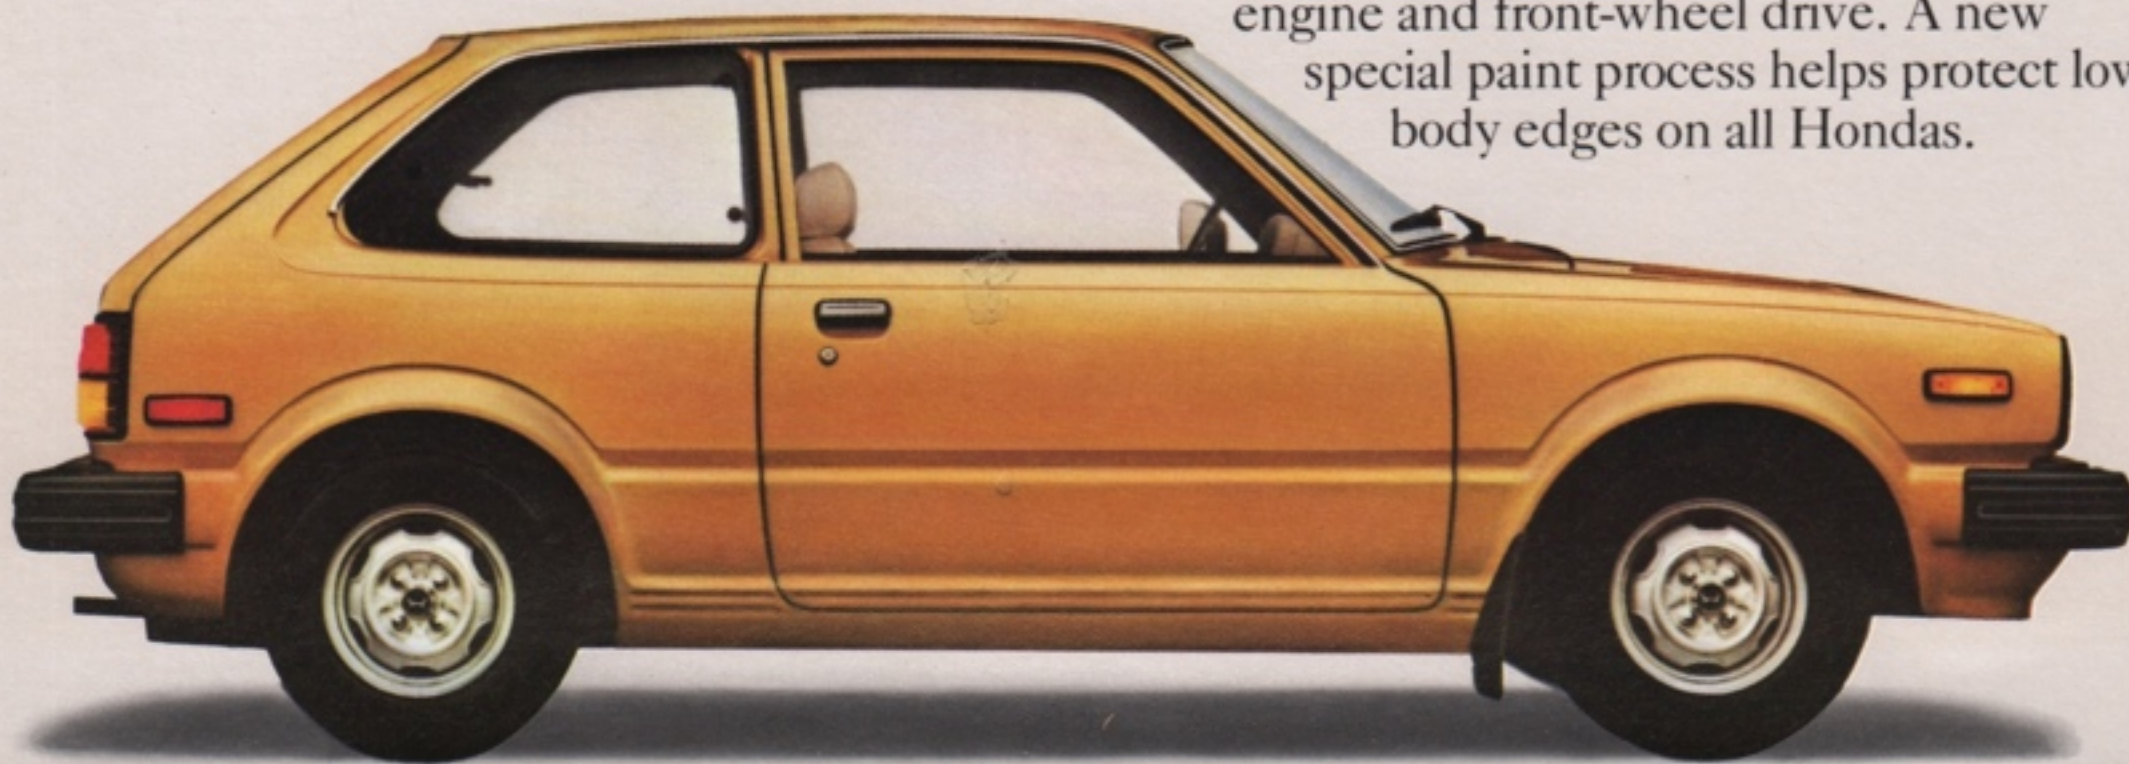

Honda Civic 4-Door Sedan

The newest Civic is a surprisingly comfortable automobile. With luxurious interior trim, a spacious trunk, and Honda's fuel efficiency.* A specially designed instrument panel includes a tachometer and digital clock. And our 4-wheel independent suspension helps provide for crisp handling and a remarkably smooth ride.

Honda Civic 1300 Hatchback

Our lowest priced Civic. With a long list of outstanding features and standard equipment. An economical car,* with Honda engineering features that include the CVCC® transverse-mounted engine and front-wheel drive. A new special paint process helps protect lower body edges on all Hondas.

Honda Civic 1500 DX Hatchback

Even more features than the Civic 1300 Hatchback. Like steel-belted radials, rear-window defroster, and remote hatch release. Plus handsome interior decor. Honda's 5-speed is standard, and our 3-speed automatic is optional. A Civic 1300 DX with a slightly smaller engine is also available. A rear window wiper/washer is standard with the Civic 1500 DX.

Honda Civic GL Hatchback

Our sporty hatchback features all the Civic 1500 DX refinements and more. Including plush interior trim, digital clock, tachometer, adjustable rear seatback, and protective body side mouldings. With Honda's 4-wheel independent suspension and rack and pinion steering you'll enjoy excellent road handling. Fun to drive and fuel efficient too.*

Honda Civic Wagon

A large liftgate for convenience, a rear suspension system that provides plenty of carpeted loadspace, and an adjustable rear seatback for passenger comfort. The rear seatback easily folds down for even more luggage space. A car that adapts simply to your needs — for carrying people or things.

HONDA

We make it simple.

Honda Accord Hatchback

An impressively well appointed hatchback that provides remarkable comfort. And engineering features like front-wheel drive, transverse-mounted engine, and rack and pinion steering. Our maintenance reminder and electronic warning system are standard on all Accords.

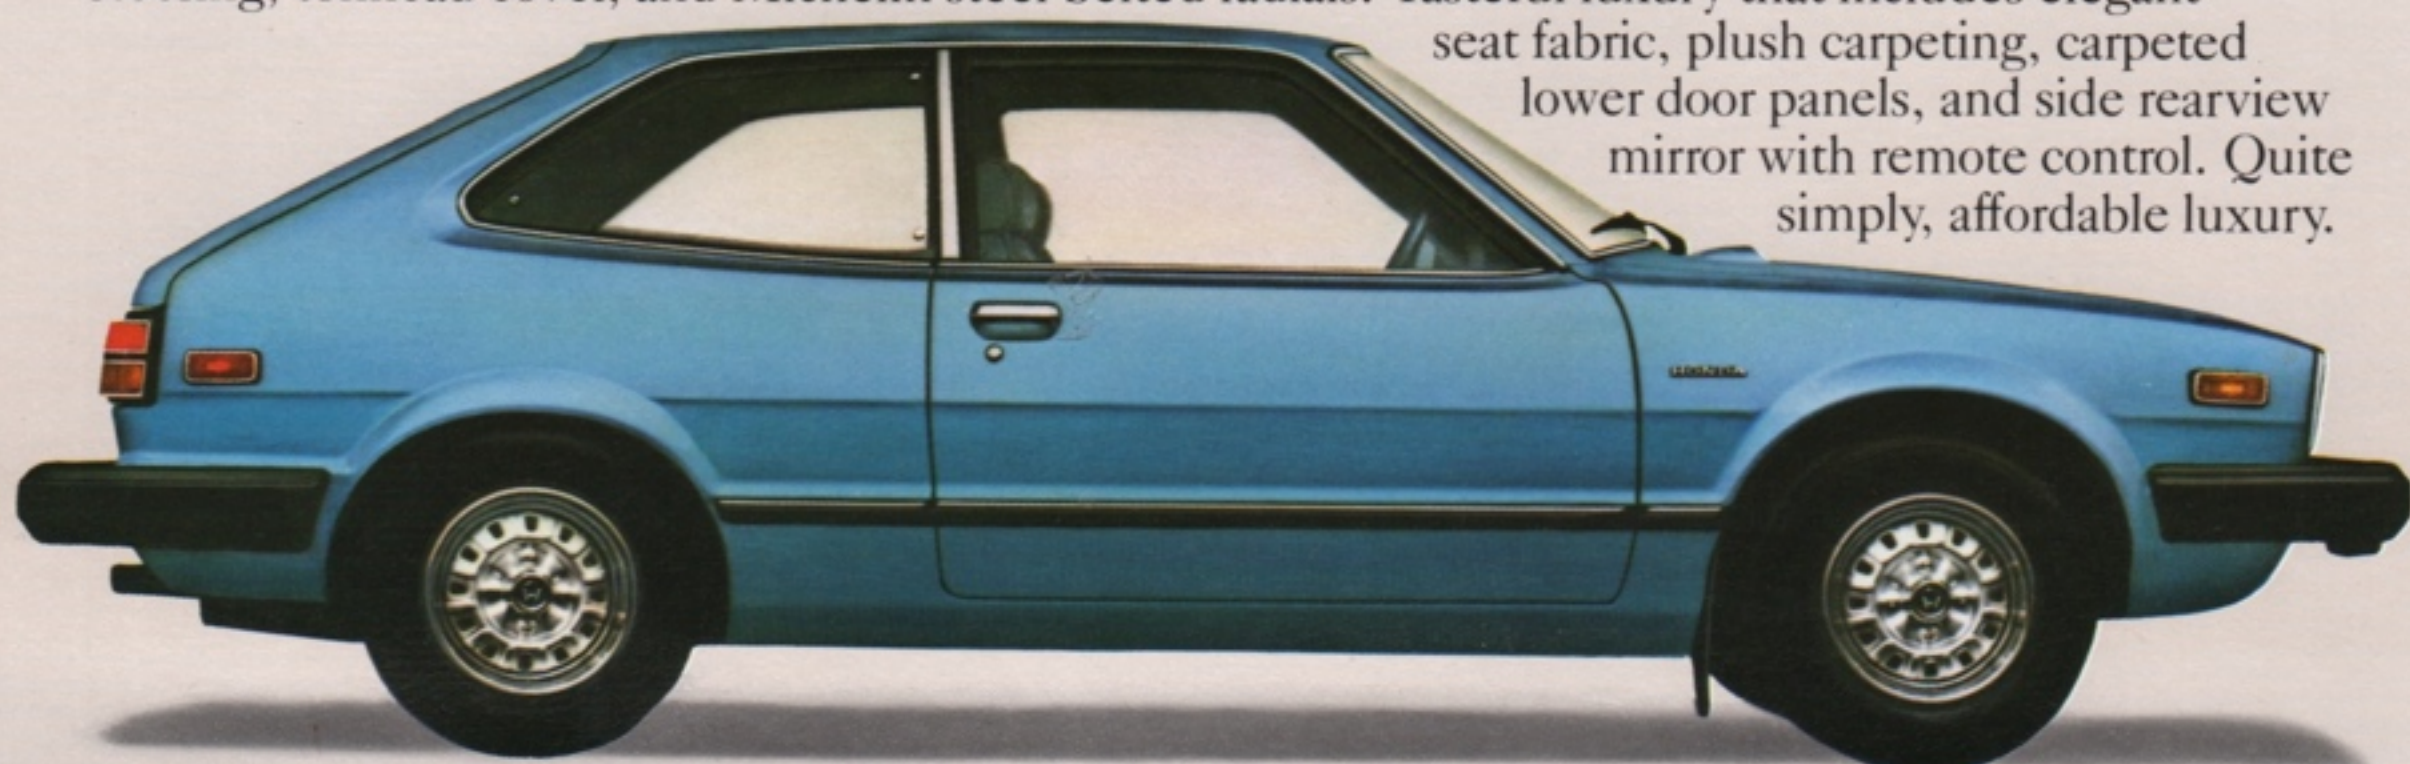

There's also plenty of luggage room and fuel economy.*

Honda Accord LX Hatchback

All of the Accord Hatchback refinements, plus air conditioning, digital clock, variable-assist power steering, tonneau cover, and Michelin steel-belted radials. Tasteful luxury that includes elegant

seat fabric, plush carpeting, carpeted lower door panels, and side rearview mirror with remote control. Quite simply, affordable luxury.

Honda Accord 4-Door Sedan

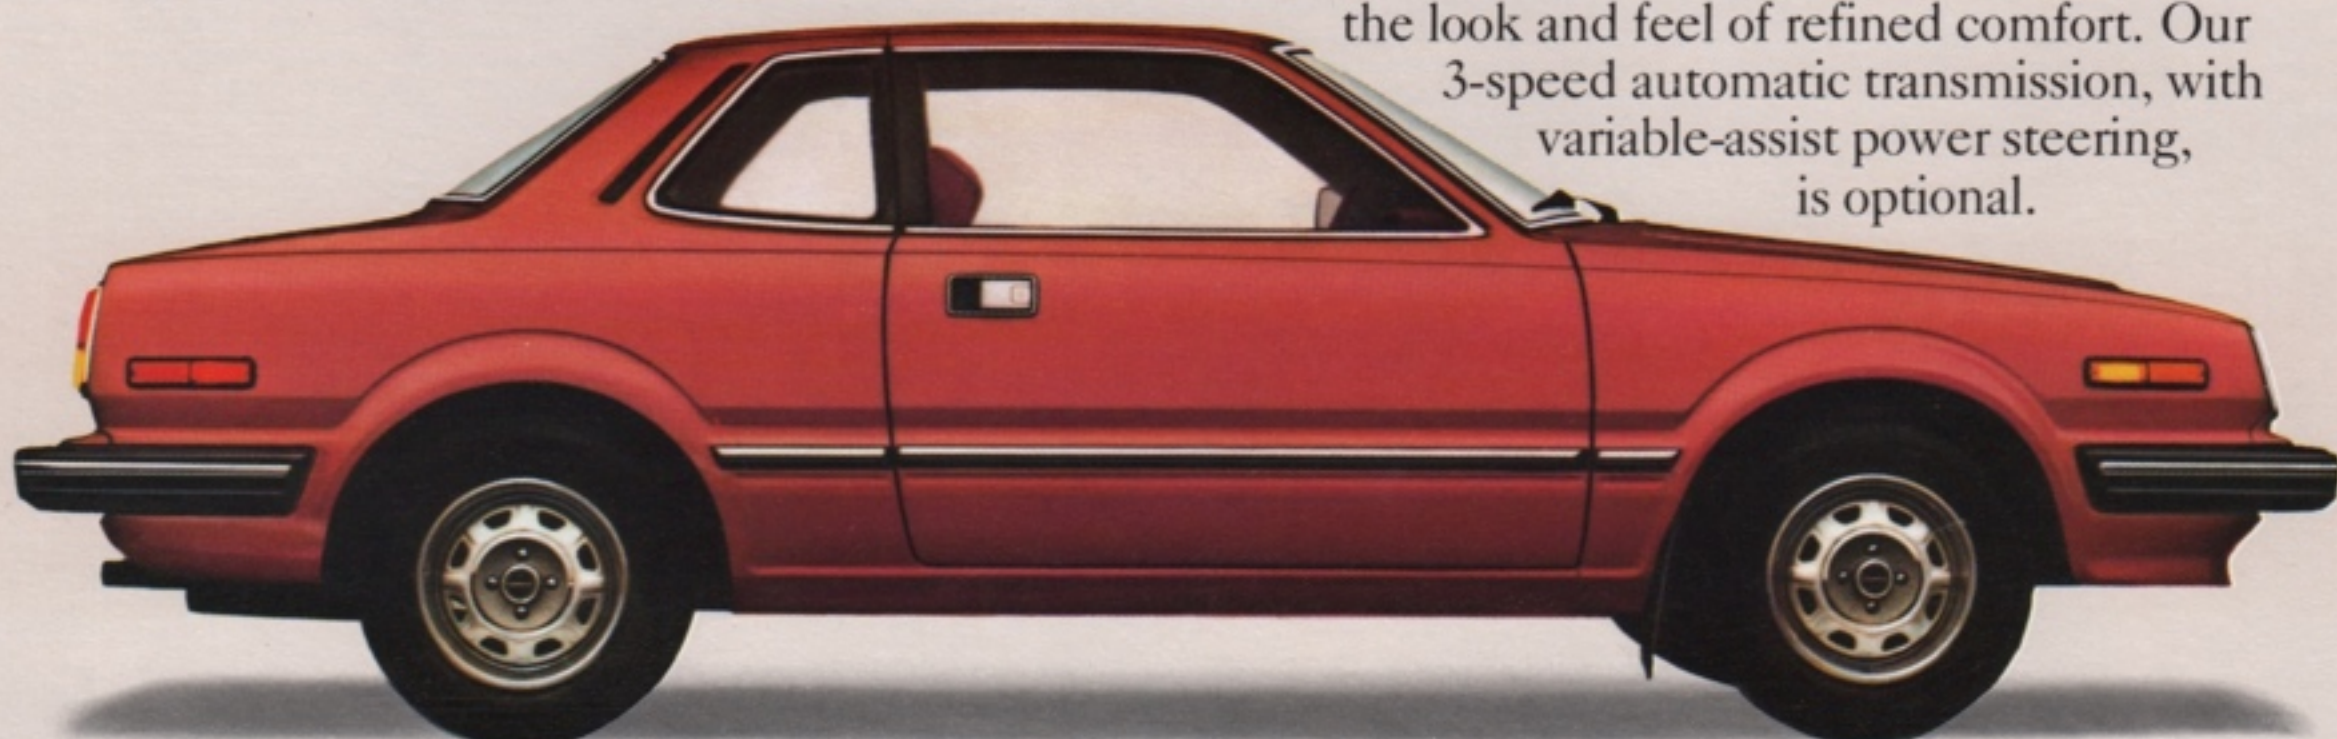

Roominess and comfort like a big sedan, with Honda's engineering and fuel efficiency, too.* Four doors provide ease of entry, and a large trunk accommodates more than you'd expect. Luxurious

interior appointments, and standard features like variable-assist power steering, tachometer, electric clock, and remote rear door locks.

Honda Prelude Sport Coupe

A power-operated moonroof for the openness of a sports car. With front-wheel drive and fully independent suspension for sportive handling. And an all-new cockpit design and interior trim for the look and feel of refined comfort. Our 3-speed automatic transmission, with variable-assist power steering, is optional.
