PLYMOUTH VOYAGER

Voyager LE with woodgrain bodyside applique, shown in Claret Red Pearl Coat.

Plymouth Voyager... the benchmark

Plymouth Voyager is an American original and according to the latest J.D. Power and Associates survey,* Chrysler Motor's mini vans have the highest Customer Satisfaction Index Rating of any domestic mini van for the third consecutive year. And *Motor Trend* named Voyager the top mini van among its top ten new-car buys for 1988-89. Also, Voyager is a winner in resale value. A recent study indicates that a one-year-old Voyager LE retained over 88 percent of its original retail value.† *Motor Trend* designated Voyager as the top used mini van buy for 1984-88. You'll love Voyager's drivability and versatility, its car-like front-wheel drive traction and comfortable ride. For larger needs, choose an even roomier Grand Voyager. For

Winner

1990, there's a new, more powerful 3.3-liter V-6 engine, and other refinements, all backed by Plymouth's unequaled 7/70 protection plan. Nobody knows mini vans better than Plymouth. And the best keeps getting better.

*J.D. Power and Associates 1987-1989 Light Duty Truck CSI—customer satisfaction with product quality and dealer service on 1986-1988 models.

†Automotive News, CCC Information Services, April 1989.

1990 PLYMOUTH VOYAGER

"...stepped up as the benchmark
in this class, and nothing's
come close since."

MOTOR TREND

About this catalog: We have tried to make this catalog as complete as possible. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is available at extra cost.

Voyager LE with the optional LX Decor Package, shown in Bright White Clear Coat. (Also shown on cover in Black Clear Coat.)

"...much of the ride and handling
feel of a conventional automobile..."

MOTOR TREND

Voyager LE, shown in Radiant Silver Metallic Clear Coat/Charcoal Pearl Coat two-tone paint.

Plymouth Voyager LE... car-like personality

Meet Plymouth Voyager LE, the flagship of the Voyager line. It handles and parks as easily as a car, thanks to Voyager's **front-wheel-drive maneuverability** and compact, garageable design.

Nimble

Distinctive styling traits include the standard bodyside woodgrain appliques, 14-inch luxury wheel covers, and body-color front and rear fascias. Inside, your family enjoys new **standard seven-passenger seating**, luxury cloth trim seats, and more standard luxury features than ever before.

There's a standard 2.5-liter EFI (electronic fuel injected) engine. If you prefer turbocharged power,

Voyager LE's optional **2.5-liter Turbo SMPI (sequential multipoint fuel-injected) engine** more than meets the challenge. Or for lively V-6 performance, choose the available 3.0-liter MPI V-6 engine.* The standard **overhead console** features map/reading lights, two storage compartments, and outside temperature and compass readouts.

*See page 22 for engine details.

Voyager SE, shown in Ice Blue Metallic Clear Coat/Twilight Blue Pearl Coat two-tone paint.

Plymouth Voyager SE... does it all superbly

Plymouth Voyager wrote the book on automotive versatility with its ability to be whatever your lifestyle demands...people mover, shopping companion, cargo carrier, or trailer hauler. Voyager SE's **front-wheel-**

Versatile

drive design

provides a flat, low floor for generous leg room, and a shorter step-up that makes for easy entry and exit. From inside, Voyager's excellent visibility lets you enjoy a commanding view of the road. Need towing talent? Voyager SE's optional **3.0-liter MPI V-6 engine** has the muscle to tow your boat or trailer up to 2,500 pounds. For heavier loads, you can tow up to 3,350 pounds with the available Heavy-Duty Trailer Towing Preparation Package and Ultradrive, Plymouth's electronically controlled, fully adaptive

four-speed automatic overdrive transaxle. (See page 19 for full towing information.)

Voyager LE interior with high-back reclining front bucket seats, shown in Almond.

Plymouth Grand Voyager SE ...new 3.3-liter V-6 power

Enjoy a responsive new standard engine in Grand Voyager SE—our **3.3-liter MPI V-6** that delivers more power to cruise, to pass, and to pull. It's teamed with the smooth-shifting Ultradrive electronic four-speed overdrive

transaxle. (See page 18 for more information on Ultradrive, and page 22 for details on the new 3.3-liter MPI V-6.)

Refined

Inside Grand Voyager SE's tastefully appointed interior you're cradled in the comfort of high-back reclining bucket seats. The chair-high seating position is so relaxing you can drive many miles without tiring. (See page 14 for complete seating details.)

Exterior **dual power remote control mirrors** are one of many conveniences available in the Luxury Equipment Discount Package. The convenient **overhead console** features map/reading lights and storage compartments, for a garage door opener, and glasses. (See page 20 for package availability.)

Grand Voyager SE, shown in Medium Suede Metallic Clear Coat.

Plymouth Grand Voyager LE...grand-size comfort

Grand Voyager LE's wheelbase is seven inches longer, and its body length 14.6 inches greater than Voyager. So Grand Voyager LE gives you more room for everything. Like comfortable, **standard seating for seven** with 144 percent more rear-seat knee room than a standard Voyager. Plus **30 cubic feet of storage** behind the rear seat. Grand Voyager LE also provides an abundant 150

cubic feet of cargo area with rear seats removed. Voyager's standard **sliding side door** (shown left), ensures easy access through an entrance over 29 inches wide, and with low step-up.

Spacious

Grand Voyager LE, with woodgrain trim, shown in Dark Suede Metallic Clear Coat.

Voyager LE/Grand Voyager LE. Standard luxury cloth trim reclining high-back front bucket seats with integral head restraints, inboard folding armrests, plus front passenger seatback storage pocket and assist handle. Standard seven-passenger seating includes two-passenger and three-passenger rear bench seats in matching trim. In Almond, Bordeaux, Silver/Charcoal, Twilight Blue.

Voyager SE/Grand Voyager SE. Standard deluxe cloth with vinyl trim reclining high-back front bucket seats or optional luxury all-vinyl high-back front bucket seats, both with integral head restraints, inboard folding armrests, and passenger seatback assist handle. Includes a three-passenger rear bench seat in matching trim. Standard seven-passenger seating on Grand Voyager SE includes two-passenger and three-passenger rear bench seats in matching trim. In Almond,* Bordeaux, Silver/Charcoal, Twilight Blue. *Almond not available in all-vinyl trim.

Voyager. Standard deluxe cloth with vinyl trim reclining high-back front bucket seats with integral head restraints, inboard folding armrests, and passenger seatback assist handle. Includes a three-passenger rear bench seat in matching trim. Seven-passenger seating is optional on Voyager. In Almond, Bordeaux, Silver/Charcoal.

Seating choices that adapt to your needs

Plymouth Voyager is a crowd pleaser, with a choice of seating arrangements to suit almost

Flexible any family's size and preference. Voyager and

Voyager SE provide **standard five-passenger** or optional seven-passenger seating. Voyager LE, Grand Voyager SE and Grand Voyager LE feature **standard seven-passenger seating**.

Voyager's LE interior, shown left in Almond, is extra roomy to accommodate growing families. And there's plenty of passenger walk-through space from the front seats to both rear seats. For extended traveling, choose the **available**

Converta-Bed (shown right), that sleeps two comfortably. Simply lift the lever and the rear bench seat folds into a handy bed. (Available only on Voyager SE and LE models with five-passenger seating.)

Bench seats are movable and removable for great flexibility. Leather with vinyl trim seats are available on Voyager LE. Grand Voyager LE shown in Almond above.

Voyager LE's instrument panel is beautifully designed to meet human needs. Behind the luxury steering wheel all controls are close at hand, and analog gauges are within easy view. The standard front console contains cassette tape storage (not shown) and a handy cubby box. Standard air conditioning improvements ensure faster cooldown.

Passengers will find the storage bin with dual cup holders on the left rear wheelhousing a great convenience. There's also one on the right side with a single cup holder.

Conveniently positioned cup holders keep drinks securely in place.

Voyager LE's center console offers a world of convenience: Deep-depression cup holders, pencil and coin holders, cigar lighter, and more.

The liftgate wiper/washer, with fixed intermittent time-delay wipe, ensures a clear rear view. It's standard on all Voyagers.

A lockable storage drawer keeps items safely concealed under the front passenger bucket seat.

Road wheels and wheel covers (set of four) add styling flair to your Voyager. (A) 14-inch wire wheel covers with security locks, optional on all Voyagers. (Requires white sidewall tires.) (B) 15-inch styled steel road wheels with bright trim ring, lug nuts, and hub cover. Included with and available only in Heavy-Duty Trailer Towing Package. (C) 15-inch cast aluminum road wheels, included in the LX Decor Package, and available in the Sport Road Wheel Package on all SE and LE models.

Power sunroof. Lets you soak up sunshine and fresh air. Features sun-screen glass with automatic air deflector to reduce wind noise, power tip-up for improved ventilation, and a sliding sunshade. (See page 21 for optional availability.)

Electric rear window defroster. Clears snow, ice, and fog for good rearward visibility in all kinds of weather.

Power windows and door locks comprise the Power Convenience Package available for Voyager SE models. Switches are located on driver and front passenger armrests, providing security and fingertip control.

Chrysler Infinity I Sound System. AM stereo*/FM stereo radio/cassette sound system includes electronic tuning, seek-and-scan, Dynamic Noise Reduction†, cassette tape player with automatic reverse, Infinity speakers, Dolby B‡ Noise Reduction, and integral digital clock. Available on SE and LE models, and included in the Luxury Equipment Discount Package. (See page 20 for complete radio description.)

*Some AM stereo broadcasting may not be compatible with this radio.
†Dynamic Noise Reduction is a trademark of National Semiconductor Corporation.
‡Dolby B is a trademark of Dolby Laboratories.

Mopar® Accessories from your dealer personalize and protect your Voyager.

Bike Carrier. Securely holds one bike of any size including touring models. Mounts with hand tools to crossbars of available Mopar roof rack.

Fog Lamps. 108-degree beam gives improved visibility over ordinary lights with minimum glare. Glass fiber-reinforced nylon housing is impact-resistant and rustfree. Available for Voyager, Voyager SE, Grand Voyager SE.

Splash Guards. Give protection against mud, stones, salt, and road debris. Available in black with Voyager name or choice of colors.

Running Boards. Sturdy, heavy-duty aluminum with Voyager nameplate. Choice of bright or black finish with antiskid strips for safer footing.

Loading and unloading is a cinch with Voyager's low, flat cargo floor and wide, high-opening liftgate. The standard assist handle makes liftgate closing easy. Dual liftgate-mounted floodlights aid nighttime loading visibility (see page 20 for availability). Standard rear quarter and center vent windows flip open for extra fresh air. (See page 20 for optional power rear quarter vent window availability.)

Plymouth Voyager quality improvements for 1990 include: The new high-spirited 3.3-liter MPI V-6 engine, designed and built by Chrysler. It's the new standard engine in Grand Voyager SE and LE. Achieves 15 percent better acceleration and seven percent greater torque than last year's 3.0-liter MPI V-6 Grand Voyager. (See page 22 for engine details.)

Plymouth's **Ultradrive** **1** electronic four-speed overdrive automatic transaxle for 1990 is smoother on downshifts while retaining its quick acceleration, quiet cruising, and excellent fuel economy. This advanced transaxle was introduced last year as an industry "first."

Voyager's **corrosion protection** **2** uses galvanized steel body panels extensively. And Plymouth's 13-step pre-paint treatment and electropainting process gives you a highly

corrosion-resistant finish. (See back cover for anticorrosion warranty details.)

The **"Stainless Pentasteel"** Exhaust system **3** offers corrosion-resistance and long life. Front suspension gas-charged struts **4** are redesigned for greater absorption of road shocks and longer strut life. A **twenty-gallon fuel tank** **5** is standard on all Voyagers. **Standard power-assisted rack-and-pinion steering** **6** means low turning effort. **Standard power-assisted front disc brakes** **7** and self-adjusting rear drum brakes with height-sensing proportioning valve mean smooth, sure braking.

VOYAGER DIMENSIONS

SPECIFICATIONS

	VOYAGER, VOYAGER SE/LE	GRAND VOYAGER SE/LE
Length—Cargo compartment at floor	81.8"	96.4"
Width—Cargo compartment between wheelhousings	48.2"	48.2"
Cargo Volume		
Five-passenger seating	60 cu ft	78 cu ft
Seven-passenger seating	15 cu ft	30 cu ft
Rear seats removed	125 cu ft	150 cu ft

STANDARD SAFETY FEATURES

■ Antitheft liftgate lock ■ Backup lights ■ Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied) ■ Combination lap/shoulder belts for the driver and right front passenger; lap belts for all other passengers ■ Dual braking system with separate brake fluid reservoirs in the master cylinder ■ Electronic ignition ■ Electric windshield and rear window washers and wipers ■ Energy-absorbing front seatbacks ■ Energy-absorbing steering column ■ Energy-absorbing sun visors ■ Fade-resistant front vented disc brakes ■ Glare reduction measures for instrument panel, steering wheel and windshield wipers ■ Hazard warning flasher system ■ Headlight and wiper circuit breakers with automatic reset ■ Ignition and steering column lock ■ Inside rearview mirror ■ Interlocking door latches ■ Key-left-in-ignition warning ■ Non-override door locks (except driver's door) ■ Outside rearview mirrors ■ Recessed inside door release handles ■ Reinforced windshield header and roof ■ Resilient window crank knobs ■ Safety-Rim wheels ■ Seat belt reminder system ■ Side marker lights and reflectors ■ Turn signals with lane-change feature

³Built by Mitsubishi Motors Corporation.

VOYAGER/GRAND VOYAGER TOWING APPLICATIONS

All Voyager models with 2.5-liter EFI engine. Voyager's standard 2.5-liter EFI balance-shaft engine, when teamed with the available automatic transaxle, provides up to 2,000 pounds of towing capacity, covering your light trailer needs. (1,000 pounds with manual transaxle.)

Voyager/Grand Voyager SE and LE models with V-6 engines.* Voyager's optional 3.0-liter MPI V-6 engine and Grand Voyager with its standard 3.3-liter MPI V-6 engine provide you an additional 500 pounds of towing capacity for a total of 2,500 pounds.

Voyager/Grand Voyager SE and LE models with V-6 engines, four-speed automatic transaxle and Heavy-Duty Trailer Towing Preparation Package. Voyager SE and LE with optional 3.0-liter MPI V-6 engine* and four-speed automatic transaxle, and Grand Voyager models with new standard 3.3-liter MPI V-6 engine and four-speed automatic transaxle, provide you with 3,350 pounds of trailer towing ability for heavy towing/trailer needs, when equipped with the optional Heavy-Duty Trailer Towing Preparation Package.

TRAILER TOWING WARNING
Turbocharged engine not recommended for trailer towing, and such use may invalidate warranty.

*See page 22 for further engine information.

OPTION PACKAGE CONTENT

Popular Equipment Discount Package
(Available for SE models, standard for LE models.)
Includes ■ Accessory floor mats front and rear ■ Conventional spare tire ■ Deluxe sound insulation ■ Electronic speed control ■ Engine oil pressure gauge* ■ Engine coolant temperature gauge* ■ Forward storage console ■ Lights for ash receiver, check gauges warning,* door ajar; headlight switch time-delay callout; ignition switch time-delay; liftgate dual flood; low fuel and washer fluid warning; map/reading, front (two); storage drawer ■ Overhead console ■ Power rear quarter vent windows ■ 125-mph speedometer* ■ Tachometer (with manual transaxle only) ■ Tilt steering column ■ Trip odometer with pushbutton reset*

Luxury Equipment Discount Package
(Available for SE and LE models only.)
Includes Popular Equipment Discount Package (SE only) plus ■ Chrysler Infinity I Sound System ■ Defroster, rear window, electric ■ Dual power mirrors (SE only) ■ Illuminated visor vanity mirrors left and right (SE only) ■ Luxury steering wheel (SE only) ■ Power door locks (SE only) ■ Power driver's seat (LE only) ■ Power windows, front doors only

Heavy-Duty Trailer Towing Preparation Package
(Available for SE and LE models only.)
(V-6 engine with four-speed automatic transaxle required.) Includes ■ 120-amp alternator ■ 625-amp battery ■ Heavy-duty brakes ■ Fifteen-inch styled-steel road wheels ■ Heavy-duty radiator ■ Heavy-duty suspension ■ Heavy-duty transaxle oil cooler ■ Heavy-duty variable load turn signal flasher ■ P205/70R15 black sidewall tires (set of five) ■ Special trailer tow wiring harness

Value Wagon Package
(Available for Voyager and Voyager SE.)
Includes ■ Air conditioning* ■ Deluxe sound insulation ■ Dual-note horn (standard on SE) ■ Electric rear window defroster ■ Five-speed manual overdrive transaxle (standard on all Voyagers) or three-speed automatic transaxle ■ Light Package

Sport Road Wheel Package
(Available for all SE and LE models. Requires heavy-duty suspension at extra cost.)
Includes ■ Fifteen-inch cast aluminum wheels (set of four) ■ P205/70R15 steel-belted radial black sidewall tires (set of four) ■ Heavy-duty brakes

Deluxe Convenience Package
(Available for Voyager and all Voyager SE models. Requires Value Wagon Package on Voyager.)
Includes ■ Electronic speed control ■ Tilt steering column

Power Convenience Package
(Available for all Voyager SE models.)
Includes ■ Power door locks ■ Power windows, front doors only

Seven-Passenger Seating Package
(Available for Voyager and Voyager SE models.)
Includes ■ Standard front bucket seats with reclining seatbacks and folding armrests; second seat—two-passenger bench with fixed-back, side armrests, and quick-release attachments; third seat—three-passenger bench with folding-back, adjustable feature (slides front-to-rear on tracks), and quick-release attachments (seats available in standard deluxe cloth with vinyl trim or optional luxury all-vinyl trim on SE models) ■ Dual rear storage bins with armrest covers incorporated into wheel wells

LX Decor Package
(Available for Voyager LE model only; V-6 engine upgrade allowed. Woodgrain applique is deleted with this package.)
Includes ■ 2.5-liter MPI turbocharged engine* ■ Bright bodyside molding ■ Bright dual exhaust tips ■ Bright liftgate molding ■ Bright taillight molding ■ Bright wheel lip molding ■ Fifteen-inch cast aluminum road wheels (set of four) ■ LX nameplate on liftgate ■ Monotone paint (available in four colors) ■ P205/70R15 all-season radial black sidewall tires (set of five) ■ Sill moldings in Medium Mist ■ Soft front and rear fascias in Medium Mist ■ Heavy-duty suspension ■ Heavy-duty brakes

Light Package
(Available only as part of the Value Wagon Package or Popular Equipment Discount Package. Standard on Voyager LE models.)
Includes ■ Ash receiver light ■ Dual liftgate-mounted floodlights ■ Front map/reading, dual light ■ Front passenger underseat drawer light ■ Headlight switch callout light with time-delay ■ Ignition switch with time-delay ■ Instrument panel door ajar warning light ■ Low fuel and washer fluid warning lights

Gauge Package
(Available only as part of the Popular Equipment Discount Package, standard on Voyager LE, all Grand Voyager models.)
Includes ■ Check gauges warning light ■ Engine coolant temperature gauge ■ Engine oil pressure gauge ■ 125-mph speedometer ■ Tachometer (with manual transaxle only) ■ Trip odometer with pushbutton reset

*Standard on Grand Voyager SE models.
†There are special engine coolant requirements for field-installed air conditioning. Failure to follow these requirements may invalidate warranty. See your dealer for details.
‡See page 22 for further engine information.

VOYAGER SOUND SYSTEMS

AM Stereo*/FM Stereo Radio
(Standard on all Voyager models.)
Includes electronic tuning, Dynamic Noise Reduction†, bass/treble slide control, four-speaker system, ten-station pushbutton programming, integral digital clock

Entry-Level AM Stereo*/FM Stereo Radio with Cassette Tape Player
(Available on all models.)
Includes electronic tuning, Dynamic Noise Reduction†, bass/treble slide control, cassette tape player with automatic reverse, locking fast-forward and rewind, four speakers, integral digital clock

Chrysler Infinity I Sound System
(Available on all SE and LE models, and included with Luxury Equipment Discount Package.)
AM stereo*/FM stereo radio, electronic tuning, memory scan, up-and-down seek-and-scan, Dynamic Noise Reduction†; electronic cassette tape player with automatic reverse, true fast-forward and rewind, automatic Hi-Bias and metal tape sensor, tape program music search, Dolby B‡ Noise Reduction, motorized tape eject, electronic bass and treble control, joystick balance/fader speaker control, and Chrysler Infinity vehicle-equalized eight-speaker system; instruction/demonstration tape with musical selections, and dry-type head cleaner integral with tape leader; integral digital clock

Chrysler Infinity II Sound System
(Available for SE and LE models with Luxury Equipment Discount or LX Decor Packages only.)
AM stereo*/FM stereo radio, electronic tuning, memory scan, up-and-down seek-and-scan, Dynamic Noise Reduction†; electronic cassette tape player with automatic reverse, true fast-forward and rewind, automatic Hi-Bias metal tape sensor, tape program music search, Dolby B‡ Noise Reduction, motorized insert and eject, five-band electronic graphic equalizer, joystick balance/fader speaker control, and Chrysler Infinity vehicle-equalized eight-speaker system; instruction/demonstration tape with musical selections, and dry-type head cleaner integral with tape leader; integral digital clock

2.5-Liter EFI Dual Balance-Shaft Engine

The 2.5-liter EFI dual balance-shaft engine is standard on Voyager, Voyager SE and LE. It develops 100 horsepower at 4,800 rpm and 135 pound-feet of torque at 2,800 rpm. Electronic fuel injection ensures optimum fuel use, and the dual balance shafts dampen engine vibration.

2.5-Liter SMPI Turbocharged Engine*

The 2.5-liter SMPI Turbo engine features a single overhead camshaft design with dual counter-rotating balance shafts and low-inertia turbine and compressor for higher sustained peak acceleration, substantial low-end torque, and quiet, low-vibration idle. It develops 150 horsepower at 4,800 rpm and 180 pound-feet of torque at 2,000 rpm. Available on Voyager, Voyager SE, and LE.

3.0-Liter MPI V-6 Engine†

The 3.0-liter multipoint electronic fuel-injected V-6 engine is designed for increased towing power and powerful acceleration. It develops 142 horsepower at 5,000 rpm and 173 pound-feet of torque at 2,400 rpm. This engine is available on Voyager SE and LE.

New 3.3-Liter MPI V-6 Engine

This power-packed 3.3-liter V-6 has a 201.5-cubic inch displacement, multipoint electronic fuel injection, and tuned intake manifold. The design features Plymouth's first direct (distributorless) ignition system for quicker engine response and smoother idling. Horsepower is 150 at 4,800 rpm with 185 pound-feet of torque at 3,600 rpm. It's the new standard engine on Grand Voyager models.

*Premium unleaded fuel recommended. Turbocharged engine not recommended for trailer towing, and such use may damage engine and invalidate warranty.
†Built by Mitsubishi Motors Corporation.

Optional Service Contract Coverage
Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Chrysler Motors offers a variety of plans to meet your needs. Plan coverage begins after your vehicle's basic warranty expires. A deductible applies. Allowances for car rental and towing are also included. See your dealer for details.

MOPAR parts are engineered by Chrysler Motors for use in your new Plymouth Voyager. When replacement is necessary, be sure to specify MOPAR parts. Used by professional automotive technicians worldwide.

Consider Leasing
More consumers are considering leasing as an alternative to buying. Leasing a new Plymouth Voyager usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

Making the best even more affordable.
Chrysler Credit offers a variety of finance programs that will help make your new Plymouth Voyager even more affordable. These special finance and leasing programs are designed to meet the needs of today's automotive buyer. They include Gold Key Lease, America's Choice Payment Plan, College Graduate Plans, Retail Financing, and more. Ask your salesperson for details.

Chrysler Purchase Assistance Program For The Physically Challenged
Cash reimbursements of up to \$500 are available for qualified adaptive driving devices on 1990 Chrysler Motors cars and trucks. For further information, contact your dealer or the PHYSICALLY CHALLENGED RESOURCE CENTER AT 1-800-255-9877.

Plymouth and the U.S. Forest Service
Proud Partners in the National Forest Scenic Byways Program.

Buckle up for safety.

The name Plymouth will always stand for quality, plenty of standard features, and honest value. But today, car shoppers have a lot of choices. So we'd better have some darn good reasons for you to pick the new Plymouth...and we do. Plymouth Voyager for the '90s means contemporary styling, advanced technology, solid dependability, and safety-minded engineering innovations such as Unibelt shoulder restraints and more.

Our commitment to our customer is underscored by the latest J. D. Power survey,* which put Chrysler Motors ahead of all other domestic manufacturers in Customer Satisfaction for the third year in a row. Even more satisfying, Plymouth's full line of vehicles increased its ranking more than any other brand, import or domestic. Plymouth believes every American has the right to friendly treatment, honest service, and competent repairs. That's the mission of our 7/70 Limited Warranty, and it's part of our Corporate philosophy. So, while there are many cars you could choose to own, Plymouth for 1990 has more of what you're looking for.

*J.D. Power and Associates 1989 passenger car Customer Satisfaction Index of 1988 models.

Quality Worth Backing

All Chrysler Motors domestically built automobiles and light trucks now benefit from the 7/70 Power Train Limited Warranty. Upon expiration of the 12-month or 12,000-mile Basic Limited Warranty, coverage is extended on power train components to seven years or 70,000 miles.* This represents one of the most comprehensive original limited warranties available on cars and trucks built and sold in the United States, and points out Chrysler Motors' pride in building and backing its products the right way.

In addition to the 7/70 Power Train Limited Warranty described above, all domestically built Chrysler Motors automobiles offer the 7/100 Anticorrosion Limited Warranty. Your dealer will repair or replace at no charge outer body sheet metal panels found to have developed perforation (rust-through) in normal use up to seven years or 100,000 miles. See your dealer for a copy of the limited warranties.

*A deductible applies.
