- Puts the quality of CD sound in your Rodeo Sport

² For deluxe audio system only.

ISUZU

RODEO SPORT

ACCESSORIES

Nose Mask, Half

- Protects front of vehicle from dirt, gravel and other road debris
- Custom tailored for snug fit without sagging or flapping
- Two piece design allows hood to be opened without removing mask
- Cannot be used with Isuzu Hood Protector

Nose Mask, Full

- Installs quickly and easily
- Protects front of vehicle from dirt, gravel and other road debris
- Custom tailored for snug fit without sagging or flapping
- Two-piece design for easy engine access
- Cannot be used with Isuzu Hood Protector

Hood Protector

- Helps protect finish from bugs, gravel and other road debris
- Durable smoked or clear cell-cast acrylic
- Enhances Rodeo Sport's appearance
- Installs securely and quickly without modifications to the underside of the hood
- Goes well with the Isuzu Door Visors

Front Window Mask

- Covers entire windshield exterior
- Keeps sun off in summer; snow off in winter
- Side tabs fold securely under door frames
- Rolls up easily for storage

Door Visors

- Allows windows to be partially opened in inclement weather, while minimizing wind noise
- Custom fit and simple installation
- Tough smoked acrylic visors enhance Rodeo Sport's appearance
- Acrylic material matches the Isuzu Hood Protector

Soft Top Boot

- Made of durable, vinyl material
- Easy installation using zippers and hook & loop fasteners
- Enhances appearance of vehicle
- Hides soft top when down

Yakima Bike and Ski Mount Attachments

- Yakima proven quality and convenience
- Yakima SKS (same key system) lock cores allow the use of one key for multiple locks
- Easy installation - no special tools required
- Provides a safe and secure method for transportation of bikes, skis and snowboards
- See your Isuzu dealer for more information

Note: Requires multi-sport rack.

Tail Lamp Trim

- Installs easily without drilling
- Enhances Rodeo Sport's appearance
- Tough polyurethane construction

Convenience Net

- Rugged elastic expands for different size cargo
- Use flat or standing up

Cargo Tray

- Made of durable TPO (thermoplastic polyolefin)
- Protects carpeted cargo area from wear, tear, spills and stains
- Easy to install - just place in cargo area
- Removes easily for cleaning

Rear Security Cover

- Constructed of durable ABS plastic to conceal cargo and protect it from the sun
- Designed to cover entire cargo area and is only accessible when rear door is opened
- Easy bolt-on installation makes it easy to remove when extra cargo is required
- Custom fit and design is color-keyed to provide an integrated look
