<sup>1</sup> Cargo and load capacity limited by weight and distribution.  
<sup>2</sup> Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details.  
<sup>3</sup> RDS functions only where stations broadcast RDS information.  
<sup>4</sup> Included with Preferred Equipment Group (PEG) 1SB.  
<sup>5</sup> Use only appropriate wheels and GM-specified TPC tires on this vehicle. Using different wheels or tires can adversely impact vehicle safety and performance. See your Chevy dealer for more information.  
<sup>6</sup> Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. Air Bag Off Switch for use when carrying children. See the Owner's Manual for more safety information.  
<sup>7</sup> Extra cost.
