

1976 SUNBIRD

A great small car from the Wide-Track people.

In a sea of small cars, sooner or later one has to bubble to the top to show the others what a small car can really be.

That car has just bubbled. It's brand new. Called Sunbird. The first Pontiac Sunbird.

Lofty talk? Don't bet on it. Sunbird has a lot more than rectangular headlamps and super buckets to back it up.

This spunky little rascal comes with a 140-cu.-in. engine and a 3-speed manual transmission.

And that engine is covered by a guarantee. It protects you for five years or 60,000 miles (whichever comes first). And it works like this.

Pontiac guarantees to the owners of 1976 Sunbirds with the 140-cu.-in. engine that any authorized Pontiac dealer will make repairs without charge to the owner, during the term of the guarantee, to the cylinder block, cylinder heads, all internal engine parts, the intake and exhaust manifolds and water pump made necessary because of defects in material and workmanship.

Sunbird 2-Door Coupe.

This guarantee is in addition to the New Vehicle warranty but does not apply to repairs required because of misuse, negligence, alteration, accident or lack of reasonable or proper maintenance.

Sound good? This 5-year/60,000-mile engine guarantee is an added value feature included in your 1976 Sunbird.

You can also order Sunbird with an available 231-cu.-in. V-6 and a 5-speed manual.

The 5th acts as an overdrive at highway speeds to slow down the engine.

Sunbird's super bucket seats are covered in some of the finest Morrokide you've seen in any size car. That Morrokide even spills over onto the door panels.

To give the interior a finished look, we finished the instrument panel with a simulated rosewood applique.

You can dazzle a few big car owners by ordering the luxury bucket seats and appointment group.

The cloth and Morrokide (or all-Morrokide) get downright elegant.

And the appointment group includes custom seat and shoulder belts, outside sport mirrors, thicker carpeting, a trimmed luggage compartment (it's Be-kind-to-your-suitcase Year), special stripes and some other niceties.

We recommend it.

We also recommend Pontiac's available Radial Tuned Suspension with steel-belted radial tires. Just in case you're discerning enough to appreciate a small car that can take on corners with the same finesse that it takes on passengers.

Kind of a terrific thing to have when you're cruising a back road enjoying the night air with your sunroof open.

Yep, you can order a removable sunroof, too.

Now isn't that a nice little car? Heck no! It's a great little car. Sunbird is another great small car from the Wide-Track people.

- A. Here's where you'll find out what's going on in your Sunbird. At a glance.
- B. When we say we have luxury buckets and luxury appointments available, you can stake your stake on it. The color is firethorn. It could be white, black, blue or buckskin if you prefer.
- C. This name's going to spread fast.
- D. Our new 5-speed manual transmission. Fully synchronized and available for the ordering.

FACTS AND FIGURES

SUNBIRD

MODELS

Shown on the cars and described in this catalog are some of the many options and accessories offered by Pontiac. They're available at extra cost and well worth it in driving comfort and convenience. Pontiac Motor Division of General Motors Corporation reserves the right to make changes at any time, without notice, in colors, equipment, specifications, prices and models—and also to discontinue models. The right is also reserved to change any specifications, parts or equipment at any time without incurring any obligation to equip same on cars built prior to date of such change.

Pontiac Motor Division, General Motors Corporation, One Pontiac Plaza, Pontiac, Michigan 48053.

V-6. It's available to anyone who'd rather face the expressway with 231 cubic inches than 140.

This is what many other little fellows wish they had as standard. Shown in white. Also available in black, buckskin and firethorn.

See that nice opera window with the landau top? It's also available with a full vinyl top in a choice of 7 colors (depending on body color).

Surprise. Fold the rear seat down. And Sunbird can hold a passel of parcels.
