

1987 CHRYSLER

LE BARON GTS

CHRYSLER LeBARON GTS

This then is the latest refinement of Chrysler's LeBaron GTS. An example of how Chrysler is driving to be the best, it's a true sports sedan. And one that challenges the pricey, big-reputation imports. Optional turbo power. Optional leather seating. Front-wheel drive stability. Excellent handling. A roomy, handsome interior designed to carry people comfortably on jaunts or long distances. Refinements include a new smoother-shifting linkage design for the five-speed manual transaxle and stainless steel exhaust system. Two models: Premium and High Line. LeBaron GTS. So you can be comfortable with performance.

About this catalog, we have tried to make this catalog as complete as possible. However, by the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is available at extra cost.

1987 Chrysler LeBaron GTS Premium with optional 15-inch cast aluminum road wheels, shown in Black Clear Coat.

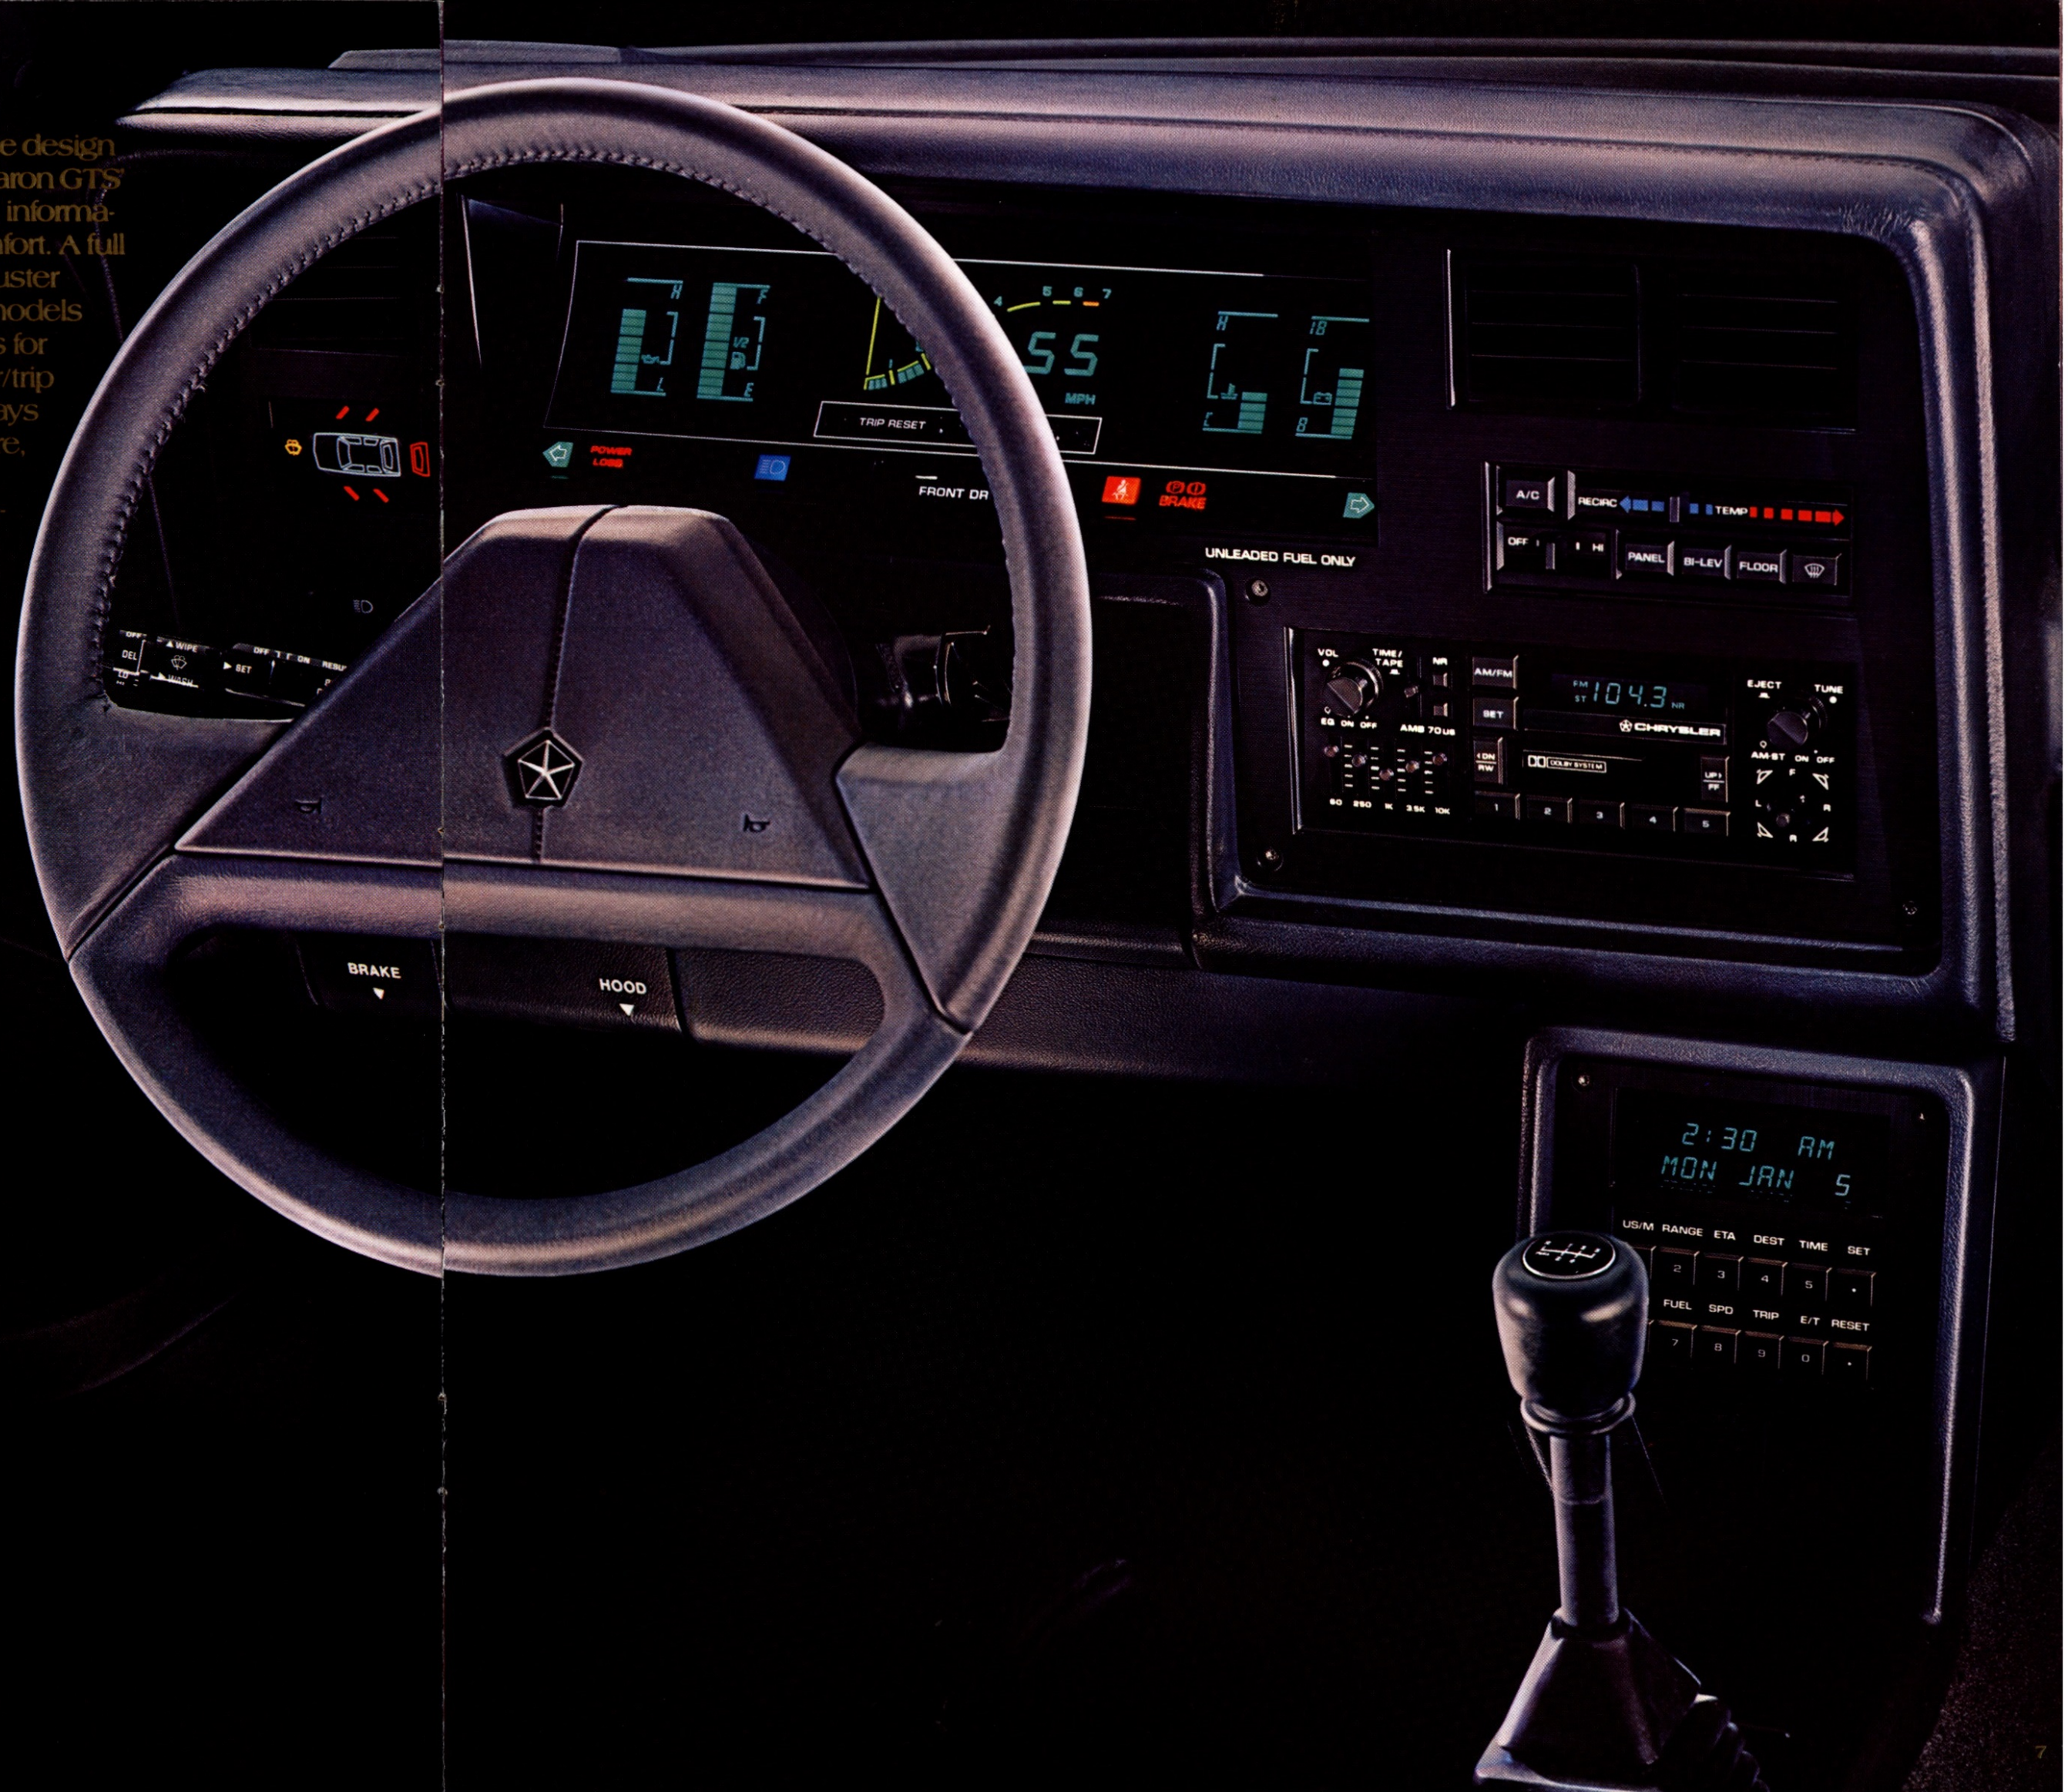

You should understand that comfort is one of the things LeBaron GTS is about. Comfort for five people or two people and things because rear seatbacks fold to provide 42 cubic feet of cargo space. The rear seatbacks in the Premium model are split 40/60 to make room for passengers and long cargo. Triple-sealed front doors and extensive use of sound deadeners keep your comfort quiet. The reclining low-back front bucket seats on the Premium model win rave reviews for support and comfort. Convenience touches you'll appreciate include map pockets, cup holders and coin holder.

Optional Corinthian leather with vinyl trim interior, available only on Premium model, shown in Charcoal.

Three criteria ruled the design and engineering of LeBaron GTS' driver's position: control, information and, of course, comfort. A full electronic instrument cluster standard on Premium models includes digital readouts for speedometer/odometer/trip odometer. Analog displays report engine oil pressure, fuel level, engine rpm, engine coolant temperature, and electrical system voltage. On High Line models, a fast-read electromechanical instrument cluster has gauges reporting these functions.

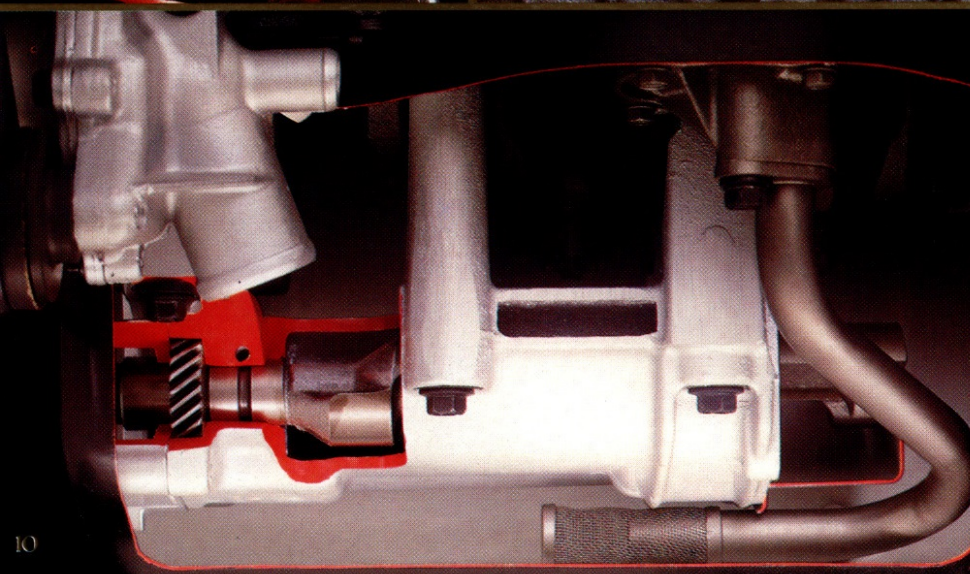

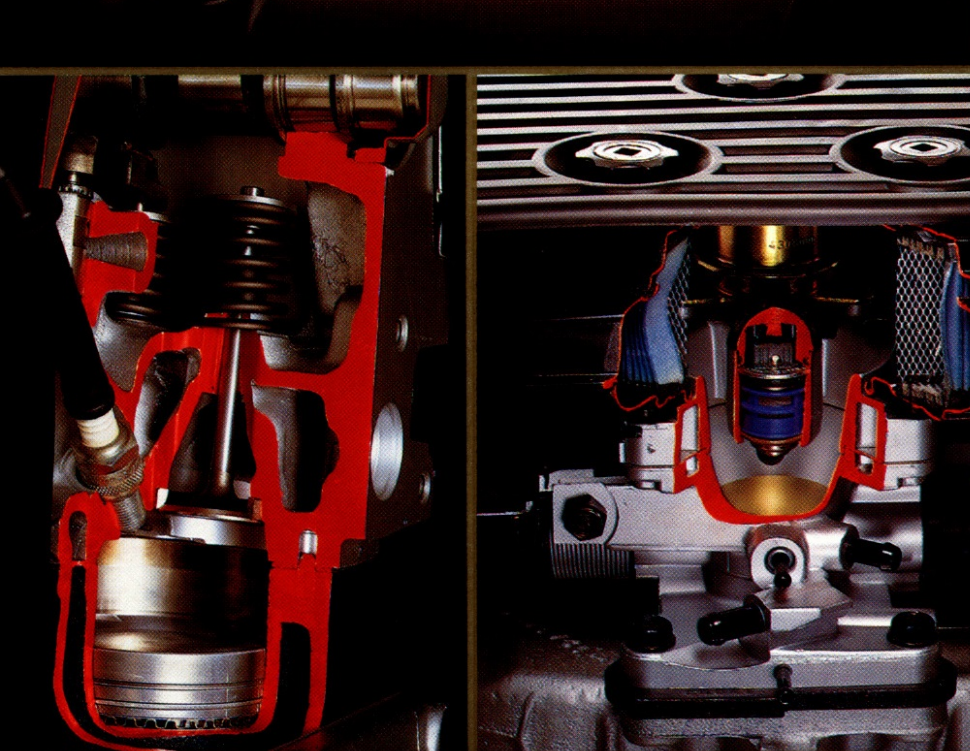

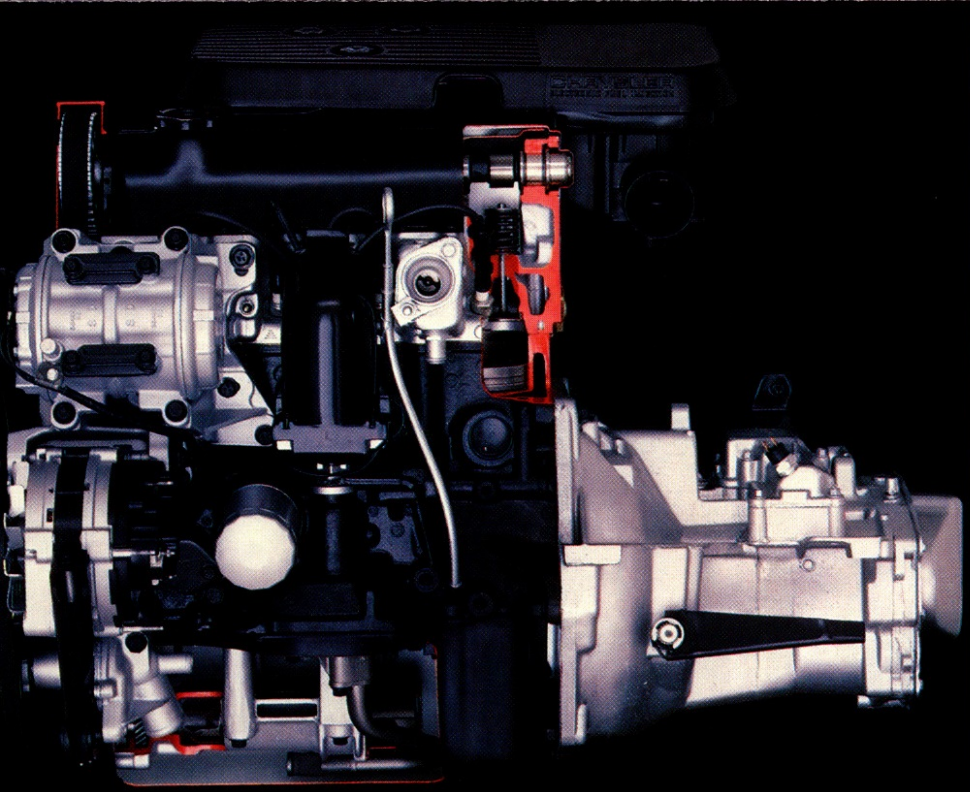

Functional has become an automotive cliché, but there's no better way to describe the styling of the LeBaron GTS with its six-window design with flush-mounted windshield and liftback glass, semiflush side glass, and full-stamped doors that fit snugly over the upper drain troughs. Functional aerodynamic styling here means a low drag coefficient of 0.37. A smooth shape with benefits of efficiency and control. Of course, that shape also happens to have a striking contemporary appearance.

Chrysler LeBaron GTS High Line standard interior shown in Cordovan.

1987 Chrysler LeBaron GTS High Line with optional 14-inch cast aluminum road wheels, shown in Light Rosewood Mist Pearl Coat.

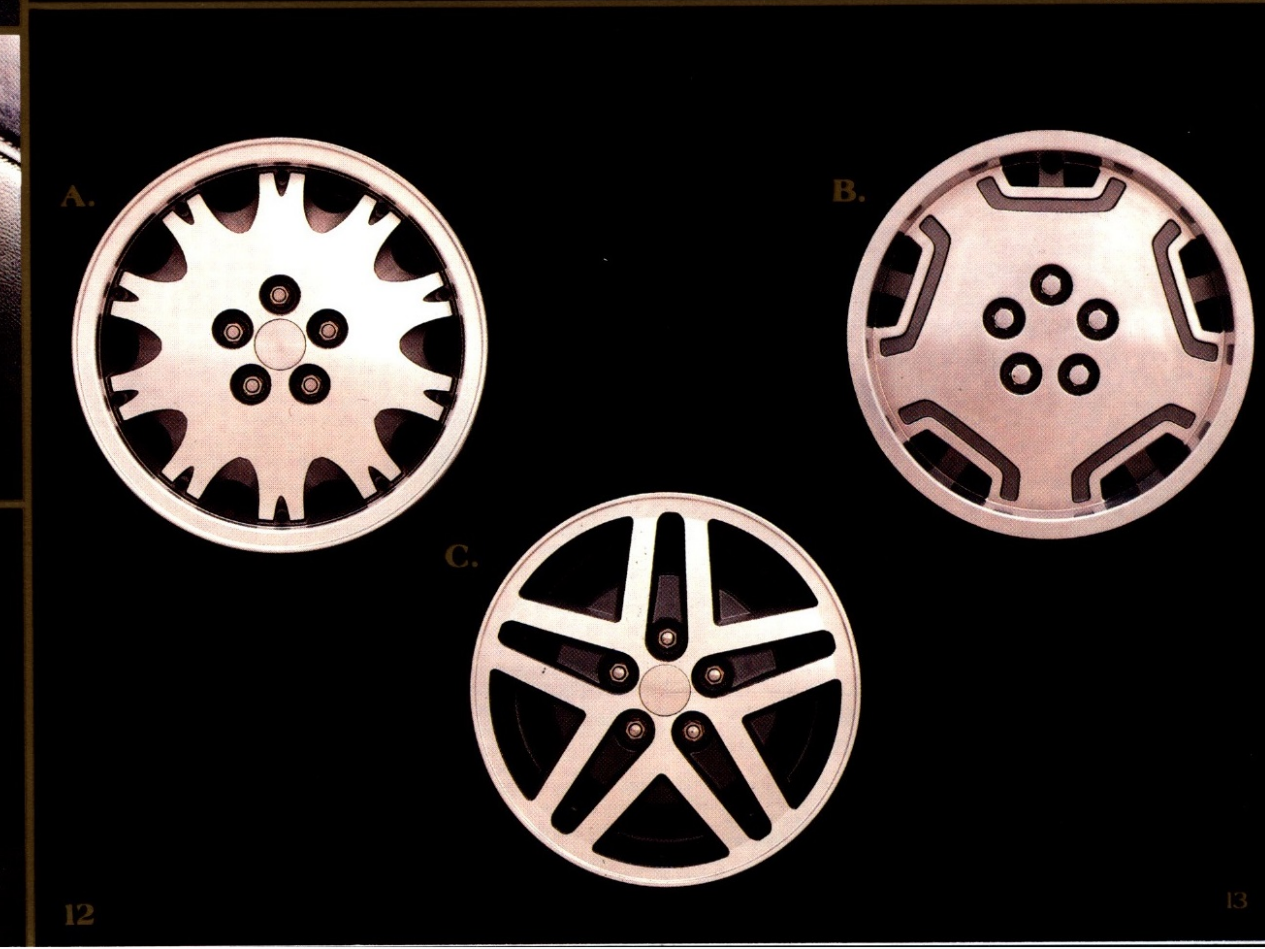

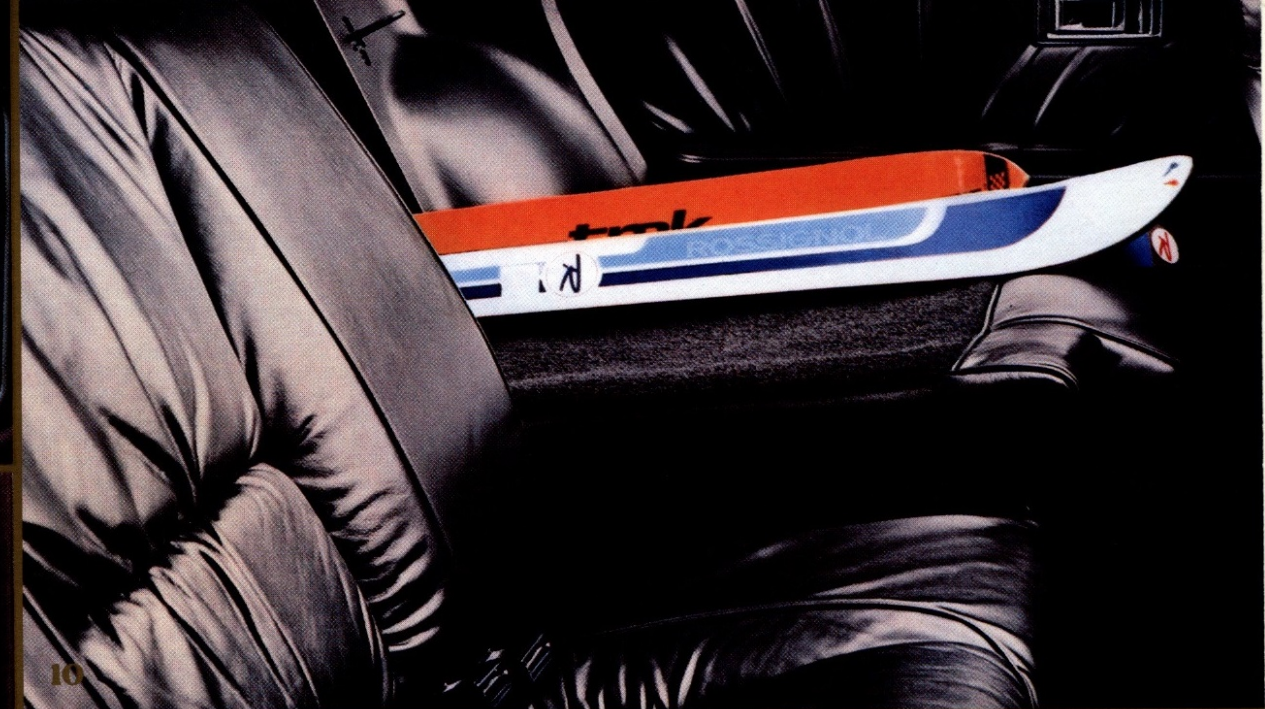

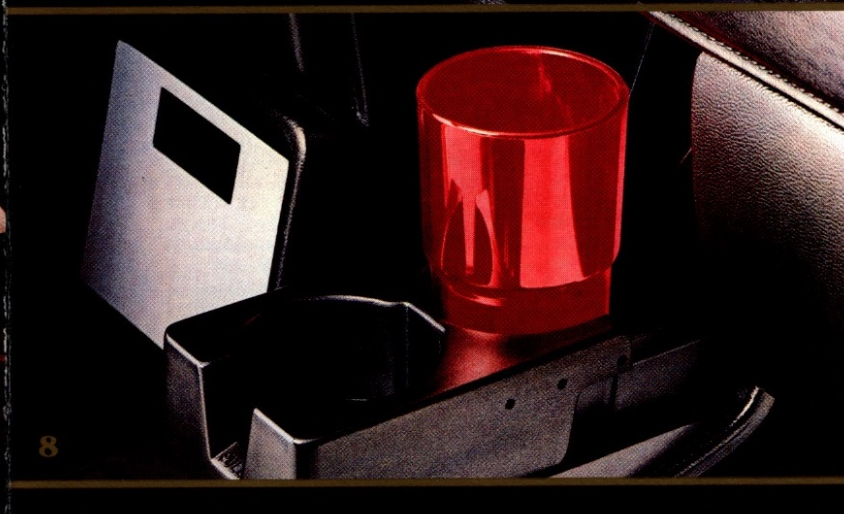

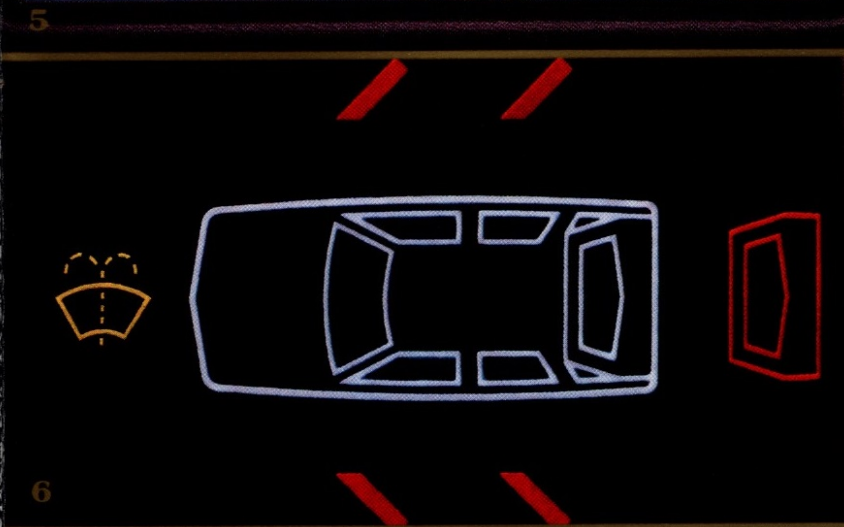

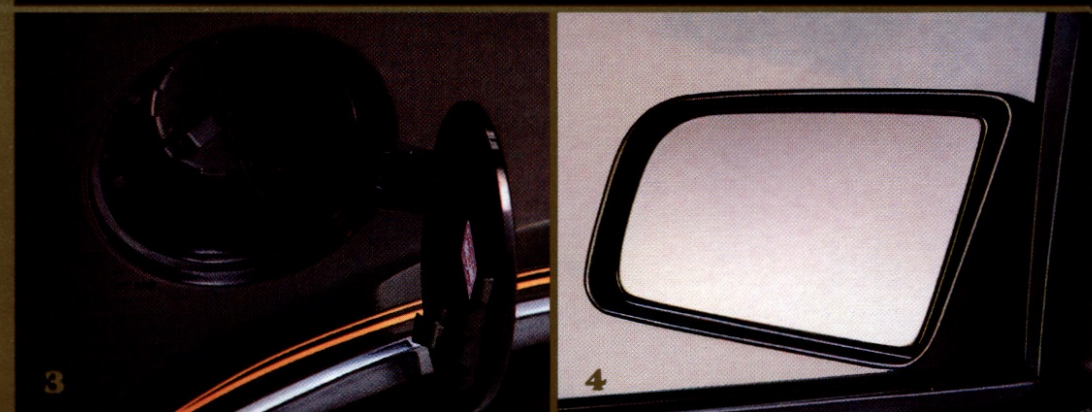

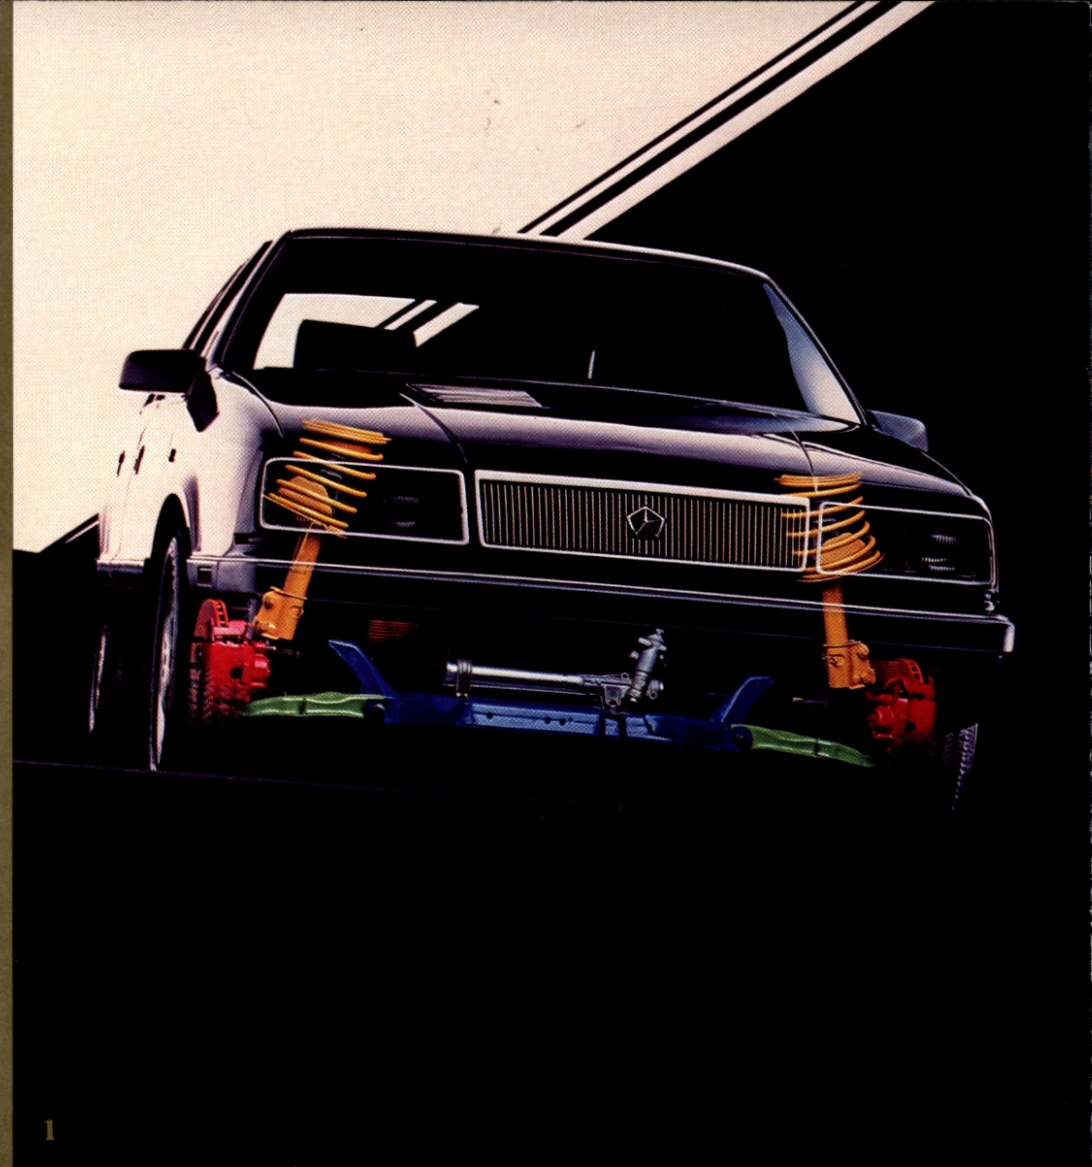

Walter P. Chrysler founded his firm on engineering. And that heritage persists today, as evidenced by cars like the Chrysler LeBaron GTS. For example, the fast-burn cylinder heads that result in faster, more complete combustion for smoother engine operation. Sophisticated electronic fuel injection for faster starting and smoother running. And highly developed suspension systems featuring gas-charged dual-path front Iso-Struts and gas-charged rear shocks to control road shocks and improve stability. This preoccupation with engineering extends to the extensive built-in corrosion protection and durability that enables Chrysler Motors to offer its 5/50 Limited Warranty (see page 15 for details).

S

TANDARD AND OPTIONAL FEATURES

1. The standard road touring suspension is a big reason for LeBaron GTS's strong performance. The system includes gas-charged dual-path front Iso-Struts and gas-charged rear shocks, large diameter solid front linkless and tubular rear antisway bars, and rear beam axle with trailing arms and coil springs. A fast-ratio, reduced effort rack-and-pinion power-assisted steering system provides precise, sure control. **2.** The standard liftback gives LeBaron GTS great versatility. Gas-assist props make opening and closing easy. A carpeted shelf panel keeps cargo out of sight. And a remote cable release contains a security provision with defeat mechanisms to prevent the liftback from being opened without a key and the rear seatbacks from being folded. **3.** Fuel filler door has a standard remote cable release at driver's left fingertips and a safety override in the cargo area. **4.** Standard dual manual remote control mirrors allow fast, convenient adjustment. **5.** Electronically tuned AM stereo*/FM stereo radio with integral digital clock is standard. See page 15 for radio options. **6.** Message center included in the instrument panel displays car graphic with reminders for door or liftback ajar and low washer fluid. **7.** A built-in coin holder in the glove box holds change for parking or highway tolls. **8.** Another standard: a retractable cup holder has secure recesses for two cups. **9.** Map/storage pockets in front door panels also are standard. They are in easy reach of both driver and passenger. **10.** Premium model (shown) has a 40/60 split-back rear seat with integral headrest to accommodate rear seat passengers and cargo. The High Line model features a single piece fold-down rear seatback. **11.** Armrest console includes illuminated storage bin and rear seat courtesy light (standard on Premium model and available on High Line in Console/Lights Convenience Package). **12.** Wheels and wheel covers shown: A. Optional 15-inch cast aluminum road wheels with five-stud mounting (set of four) are available in the Road Wheel/Tire Package. B. Optional 15-inch luxury wheel covers (set of four) are available in the Wheel Cover/Tire Package. C. Fourteen-inch cast aluminum wheels are optional.

1. The standard front shift console includes the floor-mounted shift lever for the standard five-speed manual transaxle with overdrive or the optional three-speed automatic transaxle. **2.** The optional power-operated driver's seat tilts and moves up and down and forward and back for increased driver comfort. **3.** The optional Electric Rear Window Defroster Package includes a heating element grid on the rear window which helps keep the rear window free of mist, snow and ice. The optional liftback wiper/washer includes a single-pulse intermittent wipe cycle. **4.** The overhead console (available only in the Console/Lights Convenience Package on Premium models) includes compass and outside temperature readouts, plus storage for garage door opener and sunglasses. **5.** The optional electronic speed control (available only in the Deluxe Convenience Package) enables you to maintain a constant highway cruising speed for improved fuel efficiency and driver comfort. **6.** The air conditioning system has bi-level ventilation to increase air circulation and help eliminate cold spots. Low-travel switches provide choices for selection of air direction (standard on Premium models, optional on High Line models).* **7.** The optional Ultimate Sound System has an electronically tuned AM stereo¹/FM stereo radio receiver with memory scan, up-and-down scan, Dynamic Noise Reduction²; cassette tape player with automatic reverse and metal tape capability, Dolby B Noise Reduction,³ five-band graphic equalizer, joystick balance/fader control, six speakers, ambience sound control and integral digital clock.

*There are special engine cooling requirements for field-installed air conditioning. Failure to follow these requirements may invalidate warranty. See your dealer for details.
¹Some AM stereo broadcasting may not be compatible with this radio.
²Dynamic Noise Reduction is a trademark of the National Semiconductor Corporation.
³Dolby B is a trademark of Dolby Laboratories.

Standard and Optional Equipment

OPTIONAL PACKAGES

ELECTRONIC FEATURES PACKAGE

(Available on Premium; not available with electromechanical cluster)

- Electronic Navigator*—includes vacuum fluorescent alphanumeric display; average fuel economy, average speed, distance to destination, elapsed time, estimated time of arrival, fuel consumed, instant fuel economy, range in miles, time/day/month/date, trip odometer
- Electronic Voice Alert*—includes verbal warning messages; don't forget keys, door ajar, electrical system malfunction, engine oil pressure low, engine overheating, fasten seat belts, low fuel, headlamps on, park brake on, washer fluid low
- 500-amp maintenance-free battery

*Available in package only.

CONSOLE/LIGHTS CONVENIENCE PACKAGE

- Console/center armrest (standard on Premium model)*
- Illuminated left and right side visor vanity mirrors*
- Light Package (standard on Premium model) including: ash receiver light,* courtesy light below instrument panel,* ignition switch light with time delay,* map/reading light, underhood light (on High Line only)*
- Overhead console: includes compass and outside temperature readouts; storage compartments for garage door opener and sunglasses (available on Premium only)*

*Available in package only.

POWER CONVENIENCE DISCOUNT PACKAGE

- Dual power remote control outside mirrors*
- Power door locks*
- Power windows*

*Available in package only.

ELECTRIC REAR WINDOW DEFROSTER PACKAGE

- 500-amp maintenance-free battery*
- Electric rear window defroster*†

*Available in package only.

†Required on passenger vehicles registered in New York state.

DELUXE CONVENIENCE PACKAGE

- Accessory front and rear floor mats*
- Electronic speed control*
- Tilt steering column*
- Undercoating*

*Available in package only.

WHEEL COVER/TIRE PACKAGE

- Fifteen-inch luxury wheel covers (set of four)*
- Fifteen-inch stamped steel wheels (set of four)*
- P205/60HR15 steel-belted radial raised black letter performance-handling tires (set of four); includes T125/70D14 compact limited service spare tire*

*Available in package only.

ROAD WHEEL/TIRE PACKAGE

- Fifteen-inch cast aluminum road wheels (set of four)*
- P205/60HR15 steel-belted radial raised black letter performance-handling tires (set of four); includes T125/70D14 compact limited service spare tire included)*

*Available in package only.

POPULAR EQUIPMENT DISCOUNT PACKAGE

- Air conditioning with bi-level ventilation (standard on Premium model)
- Deluxe Convenience Package
- Light Package (standard on Premium model)
- Wheel Cover Package (Premium model only)
- 2.2-liter multipoint EFI turbocharged engine (Premium model only)

Certain models, packages and options are subject to specific restrictions, requirements or late availability. See your dealer for the latest ordering information.

STANDARD AND OPTIONAL EQUIPMENT

	PREMIUM HIGH LINE	
Air Conditioning!—Manual temperature control and bi-level ventilation.....	E	S
Alternator—90-ampere.....	S	S
Battery—335-amp, maintenance-free, low-profile; with integral test indicator.....	S	S
Brakes—Vented front discs; self-adjusting rear drums with dual proportioning valve; power-assisted.....	S	S
Cargo Area Security System—Defeat mechanisms; key required to open liftback and fold down rear seat.....	S	S
Carpet—Passenger compartment, cargo compartment floor, and lower door trim panels; colorkeyed.....	S	S
Chimes—Warning: fasten seat belts, headlights on, key in ignition, (not available with Electronic Voice Alert).....	S	S
Cigar Lighter.....	S	S
Clock—Electronic digital; integral with all radios.....	S	S
Coin Holder—In glove box.....	S	S
Console—Armrest, front center; with illuminated storage bin and rear seat courtesy light; soft vinyl.....	P	S
Console—Front Shift: includes ash receiver and cigar lighter, cubby box ² and side carpet; floor-mounted transaxle shifter; removable coin holder and pocket for garage door opener on High Line model.....	S	S
Corrosion Protection—Urethane protective coating on lower body-side panels; extensive use of galvanized steel.....	S	S
Cup Holder—Retractable; dual-cup capacity; mounted on instrument panel.....	S	S
Demisters—Side window, Electronic Ignition, Voltage Regulator, and Fuel Injection.....	S	S
Exhaust System—Stainless Steel for Extended Life.....	S	S
Fascia—Front: includes bumper rub strips, integral bumper guards.....	S	S
Footrest—Driver's left.....	NA	S
Fuel Filler Cap Tether.....	S	S
Fuel Filler Door—Remote cable release; with override in cargo compartment.....	S	S
Fuse Box—Easy-access; with spare fuses and fuse removal pliers.....	S	S
Glass—Tinted; all windows.....	S	S
Headlight Switch—With time delay (not available with electromechanical instrument cluster).....	NA	S
Headlights—Halogen; quad.....	S	S
Heater and Defroster—With bi-level ventilation.....	S	S
Hood—Counterbalanced; inside release.....	S	S
Horns—Dual note.....	S	S

	PREMIUM HIGH LINE	
Instrument Cluster—Electromechanical; analog displays; magnetic gauges for electrical system voltage, engine coolant temperature, fuel level and oil pressure; odometer; speedometer; tachometer; trip odometer; warning light module.....	S	NA
Instrument Cluster—Electronic; vacuum fluorescent blue green displays; ISO symbol flashing alert for electrical system voltage; engine coolant temperature, fuel level and oil pressure gauges; tachometer; trip odometer; speedometer with selectable metric scale; warning light module.....	NA	S
License Plate Bracket—Standard in states where required.....	S	S
Liftback—Rear: with fixed glass; gas-assist props and remote cable release.....	S	S
Light Package—Lights: ash receiver, below instrument panel courtesy bin and rear seat courtesy light; light with time delay.....	P	S
Lights—Cargo: dome/courtesy; front side markers (flash with turn signals); glove box.....	S	S
Lights—Courtesy, front and rear doors; with dual-color lens.....	NA	S
Lights—Courtesy, rear seat and ash receiver (available with front center armrest/console only).....	P	S
Lock—Glove box.....	S	S
Locks—Interior rear doors: child protection.....	S	S
Map Pockets—front doors.....	S	S
Message Center—Incandescent car graphic outline; reminders for door ajar, liftback ajar, and windshield washer fluid low.....	S	S
Mirror—Interior rearview: day/night.....	S	S
Mirror—Interior, right visor vanity; non-illuminated.....	S	S
Mirrors—Exterior, dual manual remote control: black, acrostyle.....	S	S
Molding—Bodyside & wheel openings: wide black or charcoal (Black, Radiant Silver and White exterior colors only) with bright edge.....	S	S
Multifunction Control Lever—Includes controls for turn signal, day/night flash/pass feature, headlight dimmer, lane-change feature, turn signals, windshield wiper/washer (controls for optional electronic speed control when ordered).....	S	S
Radio—AM stereo ³ /FM stereo; electronic tuning; four speakers; integral digital clock.....	S	S

	PREMIUM HIGH LINE	
Radio—AM stereo ³ /FM stereo; premium; electronic tuning; seek-and-scan; Dynamic Noise Reduction ² ; cassette tape player with automatic reverse; six-speaker sound; integral digital clock.....	E	E
Radio—Ultimate Sound System AM stereo ³ /FM stereo; electronic tuning; memory scan; up-and-down scan; Dynamic Noise Reduction ² ; cassette tape player with automatic reverse, metal tape/capabilities and Dolby B Noise Reduction ⁵ ; five-band graphic equalizer; ambience control; joystick balance/fader control; six-speaker sound; integral digital clock.....	E	E
Roof Assist Handles—Three.....	S	S
Seat—Driver; power.....	E	E
Seats—Low-back front buckets with reclining seatbacks, two-way adjustable head restraints, one-piece rear folding seatback; cloth with vinyl trim.....	S	NA
Seats—Low-back premium buckets with increased lateral support; reclining seatbacks; four-way adjustable front head restraints; 40/60 split rear folding seatbacks with integral headrests; cloth with vinyl trim.....	NA	S
Seats—Leather, Corinthian leather with vinyl trim, low-back premium bucket seats with increased lateral support, reclining and four-way adjustable head restraints. Luxury leather-wrapped steering wheel included.....	NA	E
Shell Panel—Rear pivoting; removable.....	S	S
Sound Insulation—Includes hood insulation pad.....	S	S
Sound Insulation—Includes liftback trim, quarter panels, and under rear seat.....	NA	S
Steering—Firm-feel fast-ratio rack-and-pinion; power-assisted.....	S	S
Steering Wheel—Luxury Stripe—Tape; upper bodyside.....	S	NA
Stripes—Tape; lower bodyside, liftback, door window frame surround, rear fascia.....	NA	S
Sun Roof—Removable; includes air deflector, cargo compartment tie-down straps, storage bag.....	E	E
Suspension—Road touring; includes gas-charged dual-pull front Iso-Struts and gas-charged rear shocks; antisway bars front and rear.....	S	S
Tire—Spare, compact, limited service: T115/70D14.....	S	S

	PREMIUM HIGH LINE	
Tires—P185/70R14 steel-belted radial black sidewall (set of four).....	S	S
Tires—P185/70R14 steel-belted radial narrow white sidewall (set of four).....	E	E
Tires—P195/70R14 steel-belted radial raised black letter; performance-handling (set of four); includes T125/70D14 compact spare tire.....	E	E
Visors—Sun: left side with storage pocket; right side with nonilluminated vanity mirror.....	S	S
Wheel Covers—Sport (set of four).....	S	S
Wheels—Cast aluminum, road: 14-inch; five-stud mounting (set of four).....	E	E
Windshield Wipers—Deluxe: with variable intermittent wipe and wet-arm washer system.....	S	S
Wiper/Washer—Liftback: single pulse, intermittent wipe.....	E	E

S—Standard. E—Extra cost.
 NA—Not available. P—Package only.
 NC—No-charge option.
¹There are special engine cooling requirements for field-installed air conditioning. Failure to follow these requirements may invalidate warranty. See your dealer for details.
²Cubby box replaced by cassette holder when optional cassette tape player/radio is ordered.
³Some AM stereo broadcasting may not be compatible with this radio.
⁴Dynamic Noise Reduction is a trademark of National Semiconductor Corporation.
⁵Dolby B is a trademark of Dolby Laboratories.

STANDARD SAFETY FEATURES

- Antitheft trunk lock • Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied)
- Center high-mounted supplemental stoplight • Childproof door locks
- Combination lap-shoulder belts for the driver and right front passenger; lap belts for all other passengers • Double ball-joint rearview mirror mount • Dual braking system with separate brake fluid reservoirs in the master cylinder
- Dual throttle return springs • Electric windshield washers and wipers
- Energy-absorbing front seatbacks
- Energy-absorbing instrument panel and sun visors • Energy-absorbing steering column and steering wheel
- Fade-resistant front vented disc brakes • Fasten seat belt reminder system • Front seat head restraints • Glare reduction measures for instrument panel, steering wheel and windshield wipers • Hazard warning flasher system • Headlight and wiper circuit breakers with automatic reset • Ignition and steering column lock • Impact-actuated fuel supply shutdown relay • Inside and outside rearview mirrors • Interlocking door latches • Key left in ignition warning • Nonoverride door locks (except driver's door) • Recessed inside door release handles • Reinforced windshield header and roof • Resilient window crank knobs • Rotary glove box latch • Safety-Rim wheels • Seatback latches on folding front seats • Shatter-resistant glass • Side door beams
- Side marker lights and reflectors
- Turn signals with lane-change feature

5/50 LIMITED WARRANTY

Upon expiration of the basic 12-month or 12,000-mile new vehicle limited warranty, limited warranty coverage is extended on power train components to five years or 50,000 miles (two years or 24,000 miles for fleet and lease vehicles), plus outer panel rust-through protection of five years or 50,000 miles. A deductible may be required. Export vehicles excluded. See copy at your dealer.

OPTIONAL SERVICE CONTRACT COVERAGE

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Coverage starts on the specified components after your vehicle's basic 12-month or 12,000-mile limited warranty expires and continues for five years or 50,000 miles from the original warranty start date. A deductible applies. Allowances for car rental and towing are included. See copy at your dealer.

CONSIDER LEASING

More consumers are considering leasing as an alternative to buying. Leasing a new Chrysler LeBaron GTS usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, accuracy cannot be guaranteed. Chrysler Motors reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

MOPAR parts are engineered by Chrysler Motors for use in your Chrysler LeBaron GTS. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.
