

'95 is going to be
a great year for Merlot.

MAZDA MX-5 MIATA

Introducing the Miata for the connoisseur.

For those with a palate for the finer things in life, we recommend you sample our latest vintage.

The 1995 Miata M Edition. You'll savor its smooth, rich finish. We call it Merlot Mica. Deep. Complex. Mysterious.

Take time to enjoy the distinctive bouquet of its special leather-trimmed interior.* Tastefully matched by a tan

convertible top. And perfectly accompanied by subtle hints of sophistication like BBS® wheels and extra deep,

luxurious carpeting. In addition to these stylish amenities, the Miata M Edition overflows with standard

features. Such as air conditioning for those warm microclimates. Anti-lock brakes for better steering control

during hard braking. And the peace of mind that comes from dual air bags and a warranty 14,000 miles longer

than that offered by any other car in its class.** So open up our Merlot and make every drive a special occasion.
