CHEVROLET

2006 **OPTRA**

ATTRACTED TO VERSATILITY?

It used to be if you wanted a versatile vehicle you had to accept a less than inspiring approach to design. Functional – sure, but where was the style? Then along came Optra. With its sharp styling and impressive utility. In two distinct forms: Optra⁵ and Optra Wagon. They share solid engineering, highlighted by a lively dual overhead cam engine and four-wheel disc brakes. Also shared is the comprehensive backing of the 5-year/100,000 km* Extended Powertrain Warranty. A much more attractive form of versatility: Optra⁵ and Optra Wagon. For All Life's Roads.

*Whichever comes first.

FOREGROUND: Optra⁵ LT, shown in Cosmic Silver Metallic.

BACKGROUND: Optra LT Wagon, shown in Denim Blue Mica.

CHEVROLET

FOR ALL LIFE'S ROADS

For more information about Optra visit our Web site at
optra.gmcanada.com

A red Opel Astra G is shown from the side, driving on a winding road that curves into the distance. The background features a dramatic mountain landscape with steep, forested slopes under a clear sky. The car is in motion, as indicated by the blurred background and the motion blur on the road surface. The car is a vibrant red color, and its design is characteristic of the late 1990s or early 2000s Opel Astra G generation.

OPTRA⁵

IT HAS AN OPEN DOOR POLICY. Optra⁵ welcomes all – not just your buddies and family, but also the stuff they bring with them. The functionality is the product of more than the standard rear liftgate – the split-folding rear seatback enables you to accommodate both passengers and cargo. Which in turn opens a lot of doors.

Optra⁵, shown in Super Red.

The instrument panel features a silver metallic-trimmed analogue gauge cluster and meticulously arranged controls.

Optra⁵

FUNCTIONAL DESCRIBES HOW IT ACTS, NOT HOW IT LOOKS.

While the style of the driver's environment seamlessly integrates the instrument panel and the centre stack, Optra⁵ does an equally effective job integrating your cargo. The look is enhanced by the added sporty touches of the available Appearance Package that includes a leather-wrapped steering wheel and shift knob. The utility is enhanced by the standard front floor console armrest and storage compartment, as well as seatback storage pockets.

KEY FEATURES

- Air conditioning, standard on LT, available on LS
- Power door locks and windows, standard on LT
- Tilt adjustable steering column
- Four-speaker sound system and CD player with MP3 playback
- 60/40 split-folding rear seatback
- Rear liftgate
- Available 8-speaker Premium sound system.

7

Go ahead and bring it with you. Optra⁵'s combination of a rear liftgate and a 60/40 split-folding rear seatback makes the interior flexible enough to handle both passengers and cargo.

The available Appearance Package features a leather-wrapped shift knob and steering wheel with sound system controls. Also included are 15-in. aluminum wheels and a rear spoiler.

OPTRA WAGON

ONE GOOD WAGON. Sightings of affordable, good-looking wagons on today's roads are about as common as sightings of the Loch Ness monster. But all that is changing, thanks to the introduction of the Optra Wagon. The Wagon takes the versatility of Optra⁵ and adds almost 500 litres (more than 16 cubic feet) of cargo capacity. That's a lot of space – because you have a lot of stuff. What you've been looking for – one very good wagon. Optra Wagon.

Optra LS Wagon, shown in Imperial Blue Mica.

For easy loading, the rear tailgate opens up a large cargo area with a level load floor.

Optra Wagon

SPACE IS A PRECIOUS COMMODITY.

If you think time is a precious commodity these days, how about space? With the rear seats folded down, Optra Wagon opens up 1750 litres (61.8 cubic feet) of highly usable cargo capacity. And the utility isn't confined to the rear cargo area. Like Optra⁵, a split-folding rear seatback, as well as a roof-mounted sunglasses holder for the driver, add to the convenience. Optra Wagon – puts you in a different space.

KEY FEATURES

- Wide-opening rear tailgate
- Integrated roof rails, standard on LT
- Rear windshield wiper and washer
- 60/40 split-folding rear seat backs
- 8-integrated anchors in cargo area
- Cargo area floor net.

Driver comfort is enhanced by a standard lumbar support adjuster.

Optra TECHNOLOGY

READ THE SPECS.

Four-wheel disc brakes – instead of the common front disc/rear drum combo. Four-wheel independent suspension. Dual overhead cam engine. They're all standard. As is a heavy-duty exhaust system that resists the corrosive effects of Canadian winter roads. What did you expect? Optra is a Chevrolet, with the built-in durability that Chevrolet is known for. And with its long list of standard features, Optra delivers another attribute shared by all Chevrolets – outstanding value.

12

Optra's 119 hp 2.0L dual overhead cam 4-cylinder engine is transversely mounted, making it space efficient.

Optra's standard four-wheel independent suspension system contributes to its precise handling characteristics.

Optra SAFETY

SOMETHING TO LATCH ONTO.

Of course you're concerned about safety. And it goes without saying that Optra was engineered with safety as a top priority. So you'll be pleased to learn that a reinforced steel safety cage surrounds the passenger compartment. Front and rear crush zones help absorb the impact of a collision. And the rear-seat LATCH system enables you to easily secure a child safety seat. Optra – it's solidly built with a solid safety package.

*A NOTE ON CHILD SAFETY: Always use safety belts and proper child restraints, even in vehicles equipped with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. Refer to the vehicle Owner's Manual and child safety seat instructions for more information.

KEY FEATURES

- Standard dual-stage frontal air bags with Passenger Sensing System*
- Rigid steel safety cage body construction
- Front and rear crush zones
- Remote keyless entry, standard on LT
- Rear-seat LATCH system (Lower Anchors and top Tethers for Children).

Optra LT models feature the enhanced convenience and security of a standard remote keyless entry system. In addition to lock and unlock functions, the key fob also includes a Panic button.

Optra ACCESSORIES

IT'S NOT JUST AN OPTRA. IT'S YOUR OPTRA.

Optra is built to reflect who you are. But don't stop there. You can transform your Optra into a personalized expression of your style and priorities – with GM Accessories. They are the only accessories that are integrated into the process of designing your vehicle, ensuring excellent fit, finish and functionality. And only GM Accessories are backed by GM's 3-year/60,000 km New Vehicle Limited Warranty.* They can also be included in your new-vehicle lease or finance agreement through GMAC. Ask your dealer for a complete list of the GM Accessories available for Optra, or visit gmcanada.com

*Whichever comes first, when permanently installed by the dealer at the time you purchase or lease your new vehicle.

GM Accessories available for Optra include:

- Multi-purpose trunk organizer
- Splash guards
- Side-window weather deflectors
- All-weather floor mats
- Sunroof wind deflector
- Mobile office organizer.

COMMITMENT

Canada

Every Chevrolet comes with peace of mind as a standard feature. We're not only committed to engineering and manufacturing vehicles that are rewarding to drive – we're equally committed to making the ownership experience just as responsive to your specific needs. You'll find that our comprehensive support programs make it easier to purchase or lease a Chevrolet Optra. They also help to protect you and your vehicle down the road. A powerful example of the level of protection you can expect is the GM TOTAL™ Warranty. It is so thorough it covers your vehicle – from the roof right down to the tires. So when you drive off the lot of your Chevrolet dealership, you can do so with total confidence. Peace of mind is knowing that your vehicle is built for the long haul, and is backed by a comprehensive warranty.

THE GM TOTAL™ WARRANTY:[†]

The GM TOTAL™ Warranty is your promise of total warranty protection. It covers every new Chevrolet Optra for 3 years or 60,000 km.* Complete vehicle repairs are covered,** including parts and labour, with no deductible. The warranty includes:

- 3-year/60,000 km* complete vehicle repair coverage
- 6-year/160,000 km* corrosion perforation coverage
- 8-year/130,000 km* coverage on catalytic converters and powertrain control modules (PCMs).

*Whichever comes first. **To correct any defects in material or workmanship occurring during the warranty period. Regular maintenance is not included, nor is excessive wear and tear caused by reckless or negligent driving.

[†] Conditions and limitations apply.

EXTENDED POWERTRAIN LIMITED WARRANTY:[†]

Every Chevrolet Optra is also covered by a special Powertrain Component Warranty with no deductible for 5 years or 100,000 km.* So you can count on your Chevrolet Optra for much more than its styling and engineering – today, and down the road.

*Whichever comes first.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:[†]

- **Roadside Assistance** – 24/7 service via toll-free number during your warranty period, anywhere in Canada or the United States
- **Courtesy Transportation** – may be offered during the warranty period
- **GM Protection Plan (GMPP)** – the only extended services contract backed by the resources and commitment of General Motors, GMPP may be purchased at the time of your sale or lease, or subsequently
- **GM Mobility Program** – you may be eligible for reimbursement of up to \$1000 (taxes included) for adaptive equipment for your GM vehicle
- **GM Accessories** – personalize your vehicle with GM Accessories, specifically engineered for your new GM vehicle
- **GM Goodwrench Service** – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **GMAC Financing** – on the spot financing at your GM dealership^{††}
- **GMAC SMARTLEASE** – a smart alternative to traditional financing^{††}
- **GM Student Bonus Program** – GM will cover the first two purchase finance or lease payments and the lease security deposit on eligible new GM vehicles for students and recent graduates of high school, college or university.[†]
- **The GM Card** – eligible cardholders may be able to redeem up to \$3500 on GM Card® Earnings toward the total purchase price or lease down payment on selected vehicles. For more information on The GM Card please call 1-800-461-3279. [†]

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM Web site at gmcanada.com
- The GM Customer Communication Marketing Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users) – for information about any GM product or service, including The GM Card and the GM Mobility Program
- For information about GMAC visit gmcanada.com or call 1-800-616-4622.

[†] Conditions and limitations apply.

^{††} Subject to eligibility.

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

PRIVACY STATEMENT

At General Motors of Canada Limited ("GM Canada") we respect your privacy and value our relationship with you. Your personal information will be protected, will never be sold, and will be used only by GM Canada, our affiliates, dealers/retailers, and service suppliers (only to provide services). If you wish to be removed from GM Canada marketing communications; would like to limit only certain marketing communications from us; would like a listing of our specific uses or further information about those with whom your information is shared; or for further information about our Privacy Policy and practices, please contact us at 1-800-GM-DRIVE (1-800-463-7483) or through our Web site at gmcanada.com

A WORD ABOUT ASSEMBLY

Chevrolets are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Chevrolets. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

TRADEMARKS

The marks appearing in this Chevrolet Optra brochure including, but not limited to: General Motors, GM, the GM emblem, the GM Canada Web site address, the GM Accessories logo, Chevrolet, the Chevrolet emblem, Aveo, Cobalt, Corvette, Epica, HHR, Impala, Malibu, Malibu Maxx, Monte Carlo, Optra, Uplander, and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as, SMARTLEASE and the TOTAL Warranty are trademarks of General Motors Corporation and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.

A STORY ONLY GENERAL MOTORS CAN TELL.

General Motors' commitment to setting the highest standards in quality, safety, innovation, and fuel efficiency are matched by an equally strong commitment to the community.

DID YOU KNOW?

QUALITY: GM plants swept the J.D. Power Initial Quality Study^{SM*} rankings for North and South America: Gold and Silver Plant Quality Awards for the Canadian Oshawa #2 and #1 car plants, in addition to the Bronze Plant Quality Award for the Hamtramck, Michigan plant.

SAFETY: General Motors is the only automotive manufacturer committed to offering a full range of cars, trucks, and SUVs that provide safety protection before, during and after a collision. GM vehicles are equipped with a range of features and technologies that help drivers avoid collisions, reduce the risk of injury should a collision prove unavoidable, and help you get the assistance you need after a collision.

INNOVATION: GM is at the forefront of automotive technology with breakthrough features such as OnStar and XM Satellite Radio.

FUEL EFFICIENCY: GM offers more cars than any other automaker in Canada that get better than 7.0 L/100 km in highway driving. GM has also won more EnerGuide fuel-efficiency awards than any other car company.

GM IS COMMITTED TO CANADA.

INVESTMENT: GM invests more in Canada than any other car company: The \$2.5 billion Beacon Project represents the largest automotive investment in Canadian history.

EMPLOYMENT: GM directly employs over 20,000 people in Canada – more than any other car company.

DESIGN: GM is the only car company that designs, engineers and builds cars in Canada.

GM IS BEHIND YOU AND YOUR VEHICLE.

GM is equally comprehensive in the way it backs its Chevrolet vehicles. All Chevrolet models include:

- 3-year/60,000 km** complete vehicle repair coverage
- 6-year/160,000 km** corrosion perforation coverage
- 8-year/130,000 km** coverage on catalytic converters and powertrain control modules (PCMs)
- 3-year/60,000 km** 24-hour Roadside Assistance.

*General Motors Corporation – Oshawa #2 (Ontario – Car) was the highest ranked plant, Oshawa #1 (Ontario) was the second ranked plant and Hamtramck, MI was the third ranked plant in North/South America among plants producing vehicles for the U.S. market in J.D. Power and Associates 2005 U.S. Initial Quality StudySM. Study based on a total of 62,251 U.S. consumer responses indicating owner reported problems during the first 90 days of ownership. www.jdpower.com
