

SURPRISING EFFICIENCY MEETS FLEXIBLE FUNCTIONALITY.

HHR is a bold spin on the compact multipurpose vehicle. Its style stands out from the crowd and comes in three choices — the versatile HHR, the cargo-friendly HHR Panel and the high-power HHR SS Turbocharged. The highly configurable interior offers lots of places to store your stuff. With better highway fuel economy than its competitors¹ — an EPA estimated 32 MPG highway and a highway driving range of up to 512 miles² — HHR tops Scion xB, Kia Rondo and MAZDA5³.
