

“TRAVERSE...QUITE SIMPLY, IS ONE OF THE BEST VEHICLES — NOT JUST CROSSOVERS — ON THE MARKET TODAY.” – AutoWeek

Even the critics have taken notice. Traverse was named a 2009 Best New Family Vehicle¹ by Kelley Blue Book's kbb.com, a “Best Bet” — Large SUV Category² by The Car Book 2009 and a Consumers Digest “Best Buy” two years in a row. And with an EPA estimated 24 MPG highway, Traverse offers the best fuel economy of any eight-passenger crossover.³ In fact, Traverse is more fuel-efficient and delivers 30% more cargo space than Honda Pilot.⁴ Traverse offers both beauty and capability for less than you'd expect.
