

2016 | **FLEET PREVIEW GUIDE**

Move Your Business Forward

Ford Fleet can help make it happen. We partner with you to tailor solutions that support your strategic planning. Our fully competitive and streamlined incentive pricing structure means the more vehicles you buy or lease, the more you save. When it's time for remarketing solutions, enlist our expertise to help maximize returns. *Trust us* – we know how important fleet operations are to the health and wealth of your organization.

Steer Your Fleet Smarter

Employ these tools to better manage and monitor your drivers and vehicles. Industry-first MyKey® is standard on most models. This programmable key can display an earlier low-fuel warning, keep audio volume down, and prohibit shutoff of crash-avoidance features (if so equipped). Equipping yourself with Ford Telematics™ powered by Telogis®¹ gives you total fleet visibility to help make your business more efficient, and foster safer driving habits. Deep integration provides a 360° view of exclusive vehicle metrics and driver behavior.

Color Your Fleet Greener

Use our Ford Fleet Purchase Planner,™ which promotes sustainability as a central purchase consideration. Factoring in environmental concerns, employee driving habits and terrain traveled, the planner calculates your proposed fleet's carbon footprint and cost. Manipulate the vehicle lineup so the mix meets both budget and your greenhouse gas-reduction goals.

Hone Your Fleet Acumen

Download our free, full-featured Ford Fleet app. It's the ideal, detailed companion to this Preview Guide. Swipe through comprehensive specs for every Ford and Lincoln vehicle – colorize each one by trim level, tour photo galleries and view technology videos. Download our app² for iPad® now from the App StoreSM: With a Wi-Fi® connection, simply scan the QR code below,³ or visit **FordFleetApp.com/guide** for a direct link.

¹Feature availability varies by model. Ford Licensed Accessory. ²Not compatible with 1st-generation iPad and iOS 7 mobile operating system. ³Message and data rates may apply.

Depend On Ford Vehicles

Most searched. Most purchased. Most loyal. In 2014, Ford was the most-searched auto brand on Google! Beyond searches, Ford is also the best-selling brand. Truth be told, more people have selected Ford over any other auto brand for 5 years straight! And more people are staying with Ford as compared to other automakers! It's definitely an honor to have you keep coming back. For the 2016 model year, be sure to catch specifics on the all-new, made-in-America² Super Duty® F-650/F-750, along with details on the dauntless new Explorer and powerful new Police Interceptor® Utility.

2016 **Fiesta** Sedan & Hatchback

Compact Car Class
Models: S, SE, Titanium, ST

Fiesta SE Sedan. Electric Spice. Available equipment.

STANDARD FEATURES

- 12-volt powerpoint (1)
- Air conditioning
- Audio – AM/FM stereo/single-CD player with MP3 capability and 6 speakers
- Audio – Auxiliary input jack
- Choice of sedan (S, SE, Titanium) or hatchback (S, SE, Titanium, ST)
- Cupholders (5 front, 1 in 2nd row)
- Easy Fuel® capless fuel filler
- Electronic power-assisted steering
- Engine – 1.6L Ti-VCT I-4
- Ford SYNC®
- Front carpeted floor mats

- Front-wheel drive (FWD)
- Hill start assist
- Intermittent front windshield wipers
- Power door locks – Auto-locking
- Quad-beam halogen headlamps
- Rear-window defroster
- Remote Keyless Entry System
- Seat – 6-way manual driver's
- Seat – 60/40 split-fold rear with adjustable head restraints
- Solar-tinted glass
- Tilt/telescoping steering column
- Transmission – 5-speed manual

STANDARD SAFETY & SECURITY

- AdvanceTrac® electronic stability control
- Airbags – Driver's knee, front-seat side, and side-curtain
- Anti-theft perimeter alarm
- Belt-Minder® front safety belt reminder
- Brakes – 4-wheel Anti-Lock Brake System (ABS)
- Brakes – Power-assisted front disc/rear drum
- Child-safety rear door locks

- Height-adjustable retractable safety belts
- LATCH – Lower Anchors and Tether Anchors for Children
- Personal Safety System™ for driver and front passenger with dual-stage front airbags
- SecuriLock® Passive Anti-Theft System
- Tire Pressure Monitoring System (excludes spare)

AVAILABLE FEATURES

- Engine – 1.0L EcoBoost® I-3 with 5-speed manual transmission
- Engine – 1.6L EcoBoost I-4 with 6-speed manual transmission (ST)
- Keyless entry keypad
- Navigation System
- Power moonroof
- Remote Start System

- SYNC 3 with 6.5" color LCD touch screen with AppLink,™ 911 Assist® and 2 smart-charging USB ports
- Transmission – PowerShift 6-speed automatic

2015 **Taurus**
Large Sedan Class
Models: SE, SEL, Limited, SHO

Taurus SE. Bronze Fire Metallic Tinted Clearcoat. Available equipment.

STANDARD FEATURES

- 12-volt powerpoints (3)
- Audio – AM/FM stereo/single-CD player
- Audio – Auxiliary input jack
- Audio – SiriusXM® Satellite Radio with 6-month trial subscription (SEL, Limited, SHO)
- Easy Fuel® capless fuel filler
- Electronic power-assisted steering
- Engine – 3.5L Ti-VCT V6
- Front-wheel drive (FWD)
- Mirrors – Power sideview with integrated blind spot mirrors
- Power windows and door locks

STANDARD SAFETY & SECURITY

- AdvanceTrac® electronic stability control with Curve Control
- Airbags – Front-seat side, and Safety Canopy® System with side-curtain airbags and rollover sensor
- Brakes – 4-wheel Anti-Lock Brake System (ABS)
- Brakes – Power-assisted 4-wheel disc
- Child-safety rear door locks
- Illuminated entry
- Integrated keyhead transmitter remotes (2)
- LATCH – Lower Anchors and Tether Anchors for Children

AVAILABLE FEATURES

- Adaptive cruise control and collision warning with brake support, Lane-Keeping System, and active park assist
- All-wheel drive (AWD)
- BLIS® (Blind Spot Information System) with cross-traffic alert
- Engine – 2.0L EcoBoost® I-4 (FWD)
- Engine – 3.5L EcoBoost V6 (SHO)
- Heated steering wheel
- Intelligent Access with push-button start
- Lane-Keeping System
- Power-adjustable pedals
- Power rear-window sunshade
- Reverse Sensing System

- Remote Start System (SEL, Limited, SHO)
- Reverse Sensing System (SEL)
- Seat – 6-way power driver’s with manual lumbar
- Seat – 60/40 split-fold rear
- SYNC® with MyFord® voice-activated, in-vehicle connectivity system with 4.2" color LCD screens in instrument cluster and center stack
- Tilt/telescoping steering column
- Torque Vectoring Control
- Transmission – 6-speed SelectShift® automatic

- MyKey®
- Personal Safety System™ for driver and front passenger with dual-stage front airbags
- Rear view camera
- SecuriCode™ invisible keypad
- SecuriLock® Passive Anti-Theft System
- SOS Post-Crash Alert System™
- SPACE (Side Protection And Cabin Enhancement) Architecture
- Tire Pressure Monitoring System (excludes spare)

- Seats – Leather-trimmed; heated and cooled front
- Seats – Multicontour with Active Motion® front seat cushions
- SYNC with MyFord Touch®
- Voice-activated, hard drive-based Navigation System with SiriusXM Traffic and Travel Link® with 5-year subscription

FLEET EXCLUSIVES

- Audio – SiriusXM Satellite Radio with 6-month trial subscription (SE)
- Daytime running lamps
- Engine block heater

2016 Focus Electric

Small Electric Car Class
Model: Hatchback

Focus Electric Hatchback. Ruby Red Metallic Tinted Clearcoat.

STANDARD FEATURES

- 23-kWh high-voltage Lithium-Ion Battery System
- 84-mph top speed
- 120V/240V charging cable
- Audio – Audio System from Sony® with HD Radio™ and 9 speakers
- Audio – Media hub with 2 USB ports and SD card reader
- Audio – SiriusXM® Satellite Radio with 6-month trial subscription
- Brakes – Regenerative Braking System
- Cruise control
- Daytime running lamps
- Dual-zone electronic automatic temperature control
- Electric power-assisted steering
- Engine – 107-kW electric motor
- Ford SYNC® 3 with 8" color LCD touch screen with AppLink™, 911 Assist® and 2 smart-charging USB ports

STANDARD SAFETY & SECURITY

- 3-point shoulder and lap safety belt system for all seating positions, including rear center
- AdvanceTrac® electronic stability control
- Airbags – Front-seat side, driver's knee, and side-curtain
- Belt-Minder® front safety belt reminder
- Brakes – Power-assisted, 4-wheel disc
- Anti-Lock Brake System (ABS)

AVAILABLE FEATURE

- Leather-trimmed seats with 6-way power driver's seat

AVAILABLE PACKAGE²

- Exterior Protection Package (90C)

- Front-wheel drive (FWD)
- High-intensity discharge (HID) headlamps
- Intelligent Access with push-button start
- LED-illuminated external charge port
- MyFord® Mobile
- MyKey®
- Power door locks
- Power windows with one-touch-up/-down feature
- Rear Cargo Management System
- Remote start with cabin preconditioning¹
- Reverse Sensing System
- Seat – 6-way manual driver's
- Seats – Heated front
- Transmission – Single-speed automatic
- Voice-activated Navigation System
- Wheels – 17" painted aluminum
- Zero tailpipe emissions

- LATCH – Lower Anchors and Tether Anchors for Children
- Personal Safety System™ for driver and front passenger with dual-stage front airbags
- Rear view camera
- SecuriLock® Passive Anti-Theft System
- Tire Pressure Monitoring System (excludes spare)

Check Out the New 2016 Explorer

America's best-selling SUV over the last 25 years' has just gotten better – and more innovative. Its sleeker shape incorporates a flush roof rack and strategically placed air curtains that reduce drag. The refined suspension makes for exhilarating performance, a quiet cabin, and a comfortable ride even when the pavement turns to dirt. Interior design cues reflect consumer desires, such as freshened instrumentation, a restyled steering wheel, and higher, wrapped and stitched door armrests. The first-ever, ultra-luxurious Explorer Platinum model is adorned inside with micro-perforated Nirvana leather, authentic wood and an all-digital instrument cluster, plus the industry-exclusive Audio System from Sony® that incorporates a 500-watt amplifier, Clear Phase™ and Live Acoustics.™ Explorer Platinum is also rich with a dual-panel moonroof, Intelligent 4WD with Terrain Management System,™ the 3.5L EcoBoost® V6, and a 5,000-lb. towing capacity.

The 2016 Explorer features additional new and refined technologies, including:

- 2.3L turbocharged, direct-injection EcoBoost engine² that's engineered to deliver a substantial increase in horsepower and torque compared to the past 2.0L EcoBoost
- Enhanced active park assist^{2,3} that utilizes ultrasonic sensors to help with parallel and perpendicular parking maneuvers; includes side parking sensors that help warn of obstacles, and park out assist – a smart system that provides instructions and steers the vehicle out of a tight spot
- Front 180 degree camera² with clear-view washer
- Smart-charging 1st- and 2nd-row² USB ports that function at up to twice the speed of the previous generation
- Foot-activated hands-free liftgate²
- Active Grille Shutter System^{2,4} that can help improve vehicle aerodynamics

Explorer Limited. White Platinum Metallic Tri-coat. Pre-production model shown. Available Summer 2015.

2016 **Super Duty**[®]

F-350/F-450/F-550 Chassis Cab

Chassis Cab Class

Models: XL, XLT, LARIAT

FLEX FUEL

F-550 XLT SuperCab. Oxford White. Available and aftermarket upfit equipment.

STANDARD FEATURES

- 7-wire-harness trailer tow (blunt-cut and labeled)
- 28-gallon fuel tank capacity (SRW)
- 40-gallon fuel tank capacity (DRW)
- Engine – 6.2L 2-valve V8 FFV (F-350 SRW/DRW)
- Engine – 6.8L 3-valve V10 gas (F-450/F-550 XL, XLT)
- Engine – 6.7L Power Stroke[®] V8 Turbo Diesel (B20-capable) (F-450/F-550 LARIAT)
- Fail-Safe Engine Cooling System (gas engines)
- Front tow hooks (2)
- Front twin-coil monobeam suspension (F-350 4x4, F-450 and F-550)
- Front Twin-I-Beam with coil spring suspension (F-350 4x2)

STANDARD SAFETY & SECURITY

- AdvanceTrac[®] with RSC[®] (Roll Stability Control[™]) (F-350 SRW)
- Airbags – Driver and right-front-passenger front
- Airbags – Front-seat side
- Airbags – Safety Canopy[®] System with roll-fold side-curtain airbags
- Brakes – Power 4-wheel vented disc with Anti-Lock Brake System (ABS)
- Child-safety-seat top tether anchors (Regular Cab front passenger and all rear seating positions on SuperCab and Crew Cab)

AVAILABLE FEATURES

- 28-gallon midship fuel tank
- Dual diesel fuel tanks (40-gal. aft-of-axle; 28-gal. midship)
- Electronic shift-on-the-fly (ESOF)
- 4-Wheel-Drive System
- Engine – 6.7L Power Stroke V8 Turbo Diesel
- Ford Telematics[™] powered by Telogis^{®2}
- Integrated trailer brake controller with Smart Trailer Tow Connector
- Mirrors – PowerScope[®] trailer tow
- Operator Commanded Regeneration (with diesel engine)
- Transmission – Live-drive and stationary mode power takeoff (PTO) provision (diesel engine)
- Transmission – Power takeoff (PTO) provision (6.8L gas engine)

- Manual transfer case and manual locking hubs (4x4 only)
- Mirrors – Manually telescoping trailer tow (XL, XLT)
- Stationary elevated idle control (SEIC)¹
- SYNC[®] with MyFord[®] (XLT, LARIAT)
- Tire Pressure Monitoring System (TPMS) (SRW only)
- Transmission – TorqShift[®] 5-speed automatic (6.8L gas)
- Transmission – TorqShift Heavy-Duty 6-speed SelectShift[®] automatic (6.2L FFV and 6.7L diesel)
- Upfitter switches (4)

- Engine-only traction control (DRW only)
- Front-outboard safety belts with height-adjustable shoulder belts
- Passenger airbag deactivation switch (Regular Cab and SuperCab)
- SecuriLock[®] Passive Anti-Theft System (XLT, LARIAT)
- Side-intrusion door beams
- SOS Post-Crash Alert System[™]

FLEET EXCLUSIVES

- 65-mph speed limitation
- 75-mph speed limitation
- Air conditioning delete
- Carpet delete
- Cruise control
- Daytime running lamps
- Four-corner strobe
- Manual-sliding rear window with privacy glass
- Power-adjustable pedals
- Radio delete
- Tire Pressure Monitoring System delete (F-350 SRW >10,000 lbs. GVWR only)

AVAILABLE PACKAGES³

- 6.2L CNG/LPG Gaseous Engine Prep Package (F-350) (98F)
- 6.8L CNG/LPG Gaseous Engine Prep Package (F-450/F-550) (98G)
- 16,000-lb. GVWR Package (68L)
- Heavy-Service Front Suspension Package (67H)
- Extra-Heavy-Service Front Suspension Package (67X)
- LARIAT Interior Package (96L)
- Low Deflection Package (86S)
- Payload Downgrade Package (68D)
- Payload Upgrade Package (68U)
- Payload Plus Upgrade Package (68M)
- Power Equipment Group (90L)
- Rear View Camera and Prep Kit (76D)

Check Out the All-New 2016 F-650/F-750 Super Duty®

Big, bold, and built by Ford in the U.S.A.! Introducing the next generation of Ford medium-duty trucks. A wide array of Class 6-7 vocations are covered, especially when the new dedicated tractor models are taken into account. Additionally, there are 3 cab types, more available clean CA choices² – for easy, cost-effective upfitting – and massive axle capacity, adding up to the strongest trucks in the Built Ford Tough® lineup. Ford is the only medium-duty truck manufacturer that designs and builds its own engine and transmission combinations, ensuring integrated, optimized performance. And only Ford offers Class 6-7 trucks powered by either gasoline or diesel. F-650/F-750 models are key to why Ford is America's best-selling line of commercial trucks for 29 years running.

The 2016 F-650/F-750 features many outstanding refinements, including:

- Upfit-friendly chassis that has a clean cab-to-axle design capable of accommodating vocational bodies with little to no modification; auxiliary components are under the cab instead of behind it, on the frame
- Enhanced 6.7L V8 Power Stroke® Turbo Diesel engine – with compacted graphite iron block – or class-exclusive³ 6.8L Triton® V10 gas, both of which are teamed with the strengthened TorqShift® HD 6-speed automatic
- Best-in-class³ standard diesel horsepower and torque, and no vocational limits – 3 diesel engine power and torque ratings provide flexibility
- 5-year/250,000-mile limited warranty⁴ that covers the powertrain when the TorqShift HD is paired with the 6.7L Power Stroke Turbo Diesel
- New frame and suspension that houses a new anti-roll bar;⁵ plus longer front leaf springs and re-tuned shock absorbers
- Exterior design that boasts a new grille, new tilt-forward hood/fender assembly, new headlamps, plus a low roof and swept-back windshield
- Super Duty driving comfort that's outfitted with new user-friendly gauges and controls, a new steering wheel, a 110-volt power outlet;⁵ Ford SYNC;^{5,6} and a rapid-warmth, supplemental cab heater⁵

STANDARD FEATURES

- 50-gallon fuel tank capacity (Regular Cab and SuperCab)
- 60-gallon fuel tank capacity (Crew Cab)
- Air conditioning – Manual with integral heater and defroster
- Alternator – Extra-heavy-duty, 175-amp, 12-volt, brushless, pad-mounted
- Battery – 900-amp (CCA), 12-volt, Motorcraft®
- Bumper – Front: full-width, black
- Engine – 6.8L Triton® 3-valve V10 gas
- Frame-mounted body-builder wiring at back of cab
- Grille – Black-painted plastic (not available with frame extension)

STANDARD SAFETY & SECURITY

- Belt-Minder® front safety belt reminder
- Brakes – Bosch® Hydro-Max® hydraulic brake system

AVAILABLE FEATURES

- 7-way trailer connection socket, mounted at rear of frame, for combined trailer stop/tail/turn/marker light circuits
- 7-way trailer connection socket, mounted at rear of frame, for separate trailer stop/tail/turn/marker light circuits
- 60-gal. single rectangular steel, frame-mounted on left side (Regular Cab and SuperCab gas)
- Batteries – 900 CCA, 12-volt Motorcraft (2 for a total of 1,800 CCA)
- Body-builder special wiring harness (straight frame only)
- Body-builder wiring to end of frame
- Bumper – Front: full-width, chrome-plated steel (included with Exterior Appearance Package)
- Bumper – Front: swept-back, Dark Shadow Gray-painted steel (requires bolt-on-type frame extension or integral front frame extension; straight frame)
- Daytime running lamps

- Hood – Frame-mounted front-end-tilting fiberglass hood and fenders assembly with torsion-bar assist (includes integrated noise shield, inner splash shields and mud flaps)
- Lamps – Roof marker/clearance, amber lenses (5)
- Mirrors – Black, dual rectangular, manually adjustable/folding with integrated blind spot mirrors, sail-type, 96"-wide spacing
- Radiator – Aluminum with in-tank transmission cooler
- STEMCO® wheel seals (front and rear axle), oil-lubricated wheel bearings (front and rear)
- Transmission – TorqShift® HD 6-speed automatic (without PTO provision)

- Safety belts – Color-keyed with fixed D-rings at all positions (Regular Cab)¹
- Safety belts – Color-keyed with front-seat adjustable D-rings (SuperCab/Crew Cab)¹

- Engine block heater – Phillips® 750-watt
- Engine idle shutdown timer (5-, 10-, 15- and 20-minute options)
- Ford SYNC® voice-activated, in-vehicle connectivity system (restrictions apply; includes USB port and steering wheel-mounted SYNC controls)
- Grille – Fixed, Black/Gray
- Mirrors – Chrome caps, dual rectangular, manually adjustable/folding with integrated blind spot mirrors, sail-type, 96"-wide spacing (102" option available)
- Mud flaps – Rear
- Power Equipment Package – Includes power front side windows, power rear side windows (Crew Cab), manual rear side windows (SuperCab), power door locks, and door trim panels; included in Interior Appearance Package
- Seats – 30/70, 40/20/40, 30/0/30 and 30/0/0 front seat combinations
- Top Road Speed Limiter (65- and 70-mph options)

AVAILABLE PACKAGES²

STANDARD FEATURES

- 8-gallon DEF tank
- 50-gallon fuel tank capacity (Regular Cab)
- 65-gallon fuel tank capacity (SuperCab and Crew Cab)
- Air conditioning – Manual with integral heater and defroster
- Alternator – 200-amp, extra-heavy-duty, 12-volt, brushless, pad-mounted
- Batteries – 750-amp (CCA), 12-volt, Motorcraft® (2 for a total of 1,500 CCA)
- Bumper – Front: full-width, black (tapered frame ends on tractor)
- Engine – 6.7L Power Stroke® V8 Turbo Diesel
- Frame-mounted body-builder wiring at back of cab (not available on tractor)

STANDARD SAFETY & SECURITY

- Belt-Minder® front safety belt reminder
- Brakes – Air brake system; Meritor® Q-plus with Anti-Lock Brake System (ABS), 4-channel and hand control valve trailer brake (tractor)
- Brakes – Bosch® Hydro-Max® hydraulic brake system (not available on tractor)

AVAILABLE FEATURES

- 55-gal. fuel tank placement single rectangular aluminum, frame-mounted on left side (Regular Cab; not available on Pro Loader®)
- 65-gal. fuel tank placement single rectangular aluminum, frame-mounted on left side (Regular Cab)
- 115-gal. fuel tank placement dual rectangular aluminum (65-gal. placement right-hand tank and 50-gal. fuel tank placement left-hand tank)
- Air suspension (requires air brake or compressor)
- Alternator – 220-amp, 12-volt
- Alternator – Dual, heavy-duty, 357-amp, 12-volt
- Batteries – 900 CCA, 12-volt Motorcraft (2 for a total of 1,800 CCA)
- Batteries – 900 CCA, 12-volt Motorcraft (3 for a total of 2,700 CCA)
- Body-builder special wiring harness (straight frame only)
- Body-builder wiring to end of frame (not available on tractor)
- Bumper – Front: full-width, chrome-plated steel (included with Exterior Appearance Package)

- Grille – Black-painted plastic (not available with frame extension)
- Hood – Frame-mounted front-end-tilting fiberglass hood and fenders assembly with torsion-bar assist (includes integrated noise shield, inner splash shields and mud flaps)
- Lamps – Roof marker/clearance, amber lenses (5)
- Mirrors – Black, dual rectangular, manually adjustable/folding with integrated blind spot mirrors, sail-type, 96"-wide spacing
- STEMCO® wheel seals (front and rear axle), oil-lubricated wheel bearings (front and rear)
- Transmission – TorqShift® HD 6-speed automatic (without PTO provision)

- Safety belts – Color-keyed with adjustable D-rings at all outboard positions (Regular Cab)¹
- Safety belts – Color-keyed with front-seat adjustable D-rings (SuperCab/Crew Cab)¹

- Bumper – Front: swept-back, Dark Shadow Gray-painted steel (requires bolt-on-type frame extension or integral front frame extension; straight frame)
- Engine block heater – Phillips®, 750-watt
- Engine exhaust brake
- Engine idle shutdown timer (5-, 10-, 15- and 20-minute options)
- Exhaust – Switchback single, horizontal, frame-mounted outside right rail under cab with vertical exit
- Exhaust – Torpedo single, horizontal, frame-mounted right-side back of cab with underbody exit in front of axle
- Ford SYNC® voice-activated, in-vehicle connectivity system (restrictions apply; includes USB port and steering wheel-mounted SYNC controls)
- Manual regeneration initiation (driver interface in message center)
- Seats – 30/70, 40/20/40, 30/0/30 and 30/0/0 front seat combinations
- Top Road Speed Limiter (65- and 70-mph options)

Check Out the New 2016 Police Interceptor® Utility

North America’s top-selling¹ police vehicle – that’s pursuit-rated and comes standard with Intelligent AWD – is getting a makeover. Last year, the direct-injected, twin-turbocharged, 365-hp² 3.5L EcoBoost® V6 was made available for the Utility, and the front seats were markedly improved. This year, the exterior design is sleeker, with new front and rear fascias, plus strategically placed air curtains that improve aerodynamic performance. The new, bolder grille improves engine cooling and is now common to every model. It’s flanked by new headlamps with LED low beams; halogen high beams have wig-wag capability^{3,4} In back, the taillamps are redesigned, the decklid lock cylinder is relocated, and there’s a new downforce-inducing rear spoiler. Inside, the Utility is armed with a new steering wheel and instrumentation, and more ergonomically friendly controls. The new liftgate release switch in the overhead console handily keeps the mechanism unlocked for 45 seconds. One-touch-up/-down power front windows and a rear view camera with washer are now standard. Additionally, upgraded electrical architecture distributes loads more efficiently, improving battery management. Two things that haven’t changed are the interior dimensions (meaning current equipment can readily transfer), and the common components – front seats, brakes and select maintenance items – shared with the Sedan.

The 2016 Utility also features a refined ride, a new Shadow Black exterior, a new Blue Jeans exterior, and new lighting solutions that include:

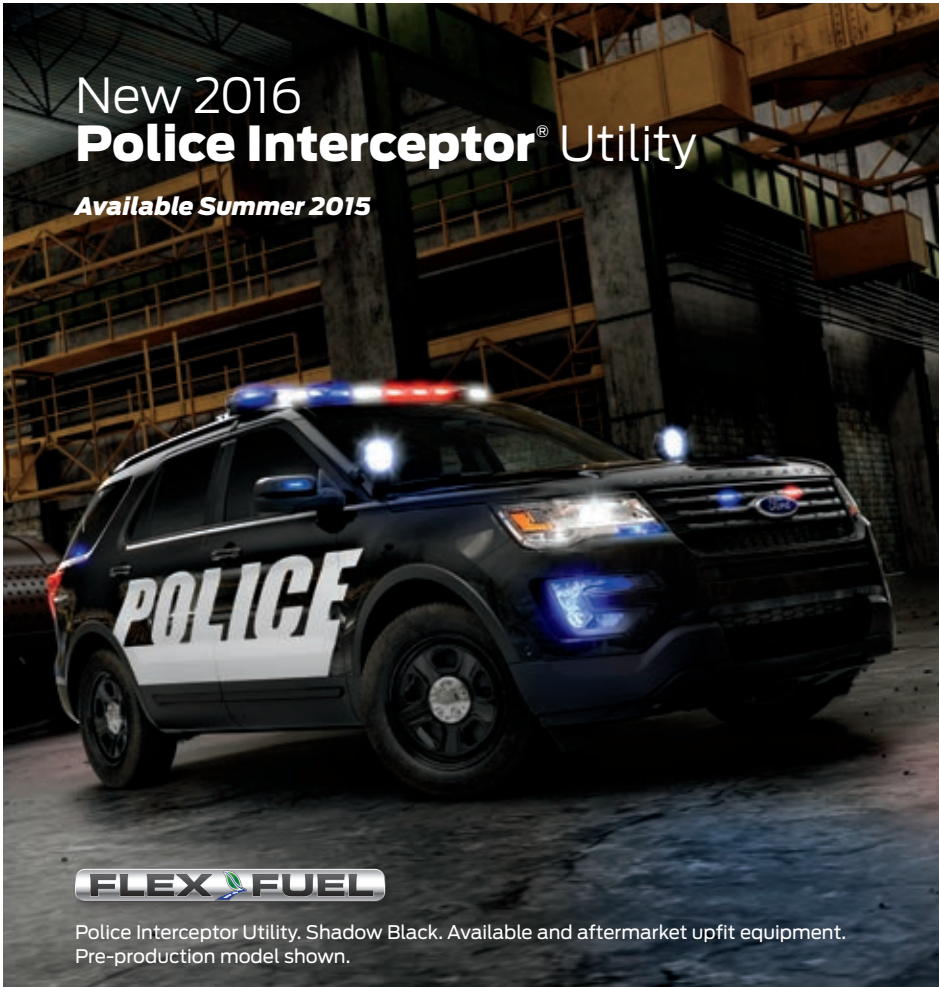

- Front warning auxiliary lamps^{3,5} with (2) custom-designed LED assemblies integrated into the front fascia (driver’s side red; passenger side blue)
- Forward indicator pocket warning lamps^{3,5} with (2) custom-designed, multifunctional LED assemblies integrated into the headlamp system (driver’s side red; passenger side blue)
- Taillamp housings^{3,6} that utilize pre-existing holes with standard twist-lock-sealed capability, and eliminate the need to drill or modify housing assemblies

Police Interceptor Utility. EcoBoost. Shadow Black. Available and aftermarket upfit equipment. Pre-production model shown. Available Summer 2015.

Be compelling with Lincoln.

Lincoln prefers to make a singular statement that speaks to the few. Not to the masses.

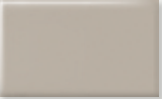

Each engaging personal luxury vehicle is created with meticulous craft and backed by a profusion of sophisticated technology and efficient engineering. From the space-enhancing push-button shift¹ and exclusive Revel[®] Audio System,¹ to adaptive steering¹ and the continuously controlled damping inherent to Lincoln Drive Control^{1,2} that is selectable in Sport, Comfort or Normal mode.

Chiefs of corporations, presidents of the United States, and icons of Hollywood have all made their mark in a Lincoln. Impress your clients, customers and constituents with the perfect expression of subtle elegance.

Contemplate the entirely new 2016 Lincoln MKX.

With a dramatic, sculptured form inspired in part by aircraft design, the Lincoln MKX was created to make every outing a liberating, personalized experience. Elation begins with the sequential embrace of Lincoln Experiences: Before the driver enters the vehicle, a “welcome mat” illuminates outside, and then ambient lighting activates inside.¹

Interior design language incorporates an open, flowing environment that’s beautifully composed, exceptionally hushed and luxuriously appointed. Amenities include active noise control and push-button shift, plus 22-way-adjustable multicontour front seats with Active Motion^{®1} that’s lumbar-massaging. The immersive Revel[®] Ultima Audio System¹ – an automotive first – is enhanced with 19 speakers, Clari-Fi[™] real-time music reconstruction and QuantumLogic Surround[®] (QLS).

Adaptive steering¹ (a first for Lincoln), adaptive cruise control and collision warning with brake support,¹ and the Lane-Keeping System¹ are select driver-assist technologies.² An advanced 2.7L twin-turbocharged, direct-injected EcoBoost[®] V6,¹ along with the new integral-link rear suspension and Lincoln Drive Control, enhances the ride. For peak performance and handling, add Intelligent All-Wheel-Drive¹ to this mix of sophistication.

The 2016 Lincoln MKX features additional new and refined technologies, including:

360 Degree Camera with Split-View Display;¹ detection up to 7’ all around the vehicle

Enhanced active park assist¹ that utilizes ultrasonic sensors to help with parallel and perpendicular parking maneuvers; includes side parking sensors and park out assist

Auto hold that makes the vehicle stationary without having to keep the brake pedal depressed

Height-adjustable, foot-activated hands-free liftgate¹

Adaptable full-LED headlamps¹ that can add width to the low beams when the vehicle is turning

Active glove compartment knee airbag and inflatable rear outboard safety belts¹

MyLincoln Mobile[™] enhanced app³ that works with an embedded modem¹ to unlock, lock, start, warm, cool or find Lincoln MKX from virtually anywhere in the world – from a smartphone³

Experience the Ford Fleet Difference

We strive to give you our best: 24/7/365. Information tools. Financing and leasing assistance. Remarketing. Preferred networking. Global solutions. Maintenance and repair expertise, including Quick Lane® benefits. Genuine parts. Extended Service Plans. Special orders. Special colors. All of it provided by knowledgeable, passionate professionals who are in full support of you and your fleet.

Ford Credit Commercial Lending Services help meet the demands of your business that require specialized knowledge and a unique customer focus. Ford Credit commercial finance and lease products are tailored to respond to your needs. We have dedicated sales and business center teams experienced in fleet and commercial business.

COMMERCIAL/FLEET BUYERS

Commercial Finance options can be tailored to meet your business needs. We help you choose options that make the most sense for your business.

- Benefits:
- Competitive rates
 - Flexible payment terms
 - Combined billing for multiple units
 - No hidden fees

Commercial Red Carpet Lease (RCL) is a closed-end lease available for non-upfit vehicles with no residual risk – an ideal option for predictable-use vehicles. At lease end, when you complete your lease as agreed, simply bring the vehicle to your dealer. You are only responsible for excess mileage, and wear and use charges.

- Benefits:
- Lower monthly payments allow for increased cash to be invested in your business
 - Lower maintenance costs
 - Short-term leasing means new vehicles more often
 - Combined billing available
 - Advantage of GAP protection

CommercialLease is a customizable, open-end lease program that allows flexibility to set the residual based on your business needs. This program can be tailored in a number of ways.

- Benefits:
- Accommodates upfit vehicles
 - High-mileage and heavy-usage vehicles
 - Flexible terms
 - Combined billing
 - No mileage restrictions
 - No wear or use lease-end charges
 - Upfits can be residualized

Commercial Line of Credit (CLOC)¹ We're here to help you run your business more efficiently. And your business can run better with a Ford Credit CLOC. Get the vehicles your business needs quickly, easily and with less hassle.

- Benefits:
- Available with Commercial Finance, Commercial RCL and CommercialLease
 - Credit approval for up to 12 months
 - Credit that frees up capital for other operating needs
 - No setup or non-utilization charges

Livery & Professional Vehicle Programs are special retail plans designed for those in the transportation business.

Commercial Service PlusSM (CSP) is a comprehensive fleet management program that assists with all aspects of vehicle ownership, including service, maintenance, administration, management and expertise, to help reduce vehicle downtime. CSP is available with Commercial Finance and CommercialLease. Contact your dealer or visit **fordcsp.com** for more information.

Commercial GAPCoverage² provides protection when a financed vehicle is stolen or declared a total loss and the insurance settlement does not satisfy the outstanding balance on the vehicle.

STATE & LOCAL GOVERNMENT

Municipal Financing is a lending program that helps state, local and municipal governments make the most of their operating budgets by providing flexibility, affordability and convenience when acquiring vehicles for essential services.

DAILY RENTAL BUYERS

Daily Rental Finance Plan is competitive vehicle financing for licensees of national franchises and independent daily rental operators.

- Benefits:
- Competitive rates, amortizations and terms
 - Flexible financing for new and used vehicles

BODY MANUFACTURERS AND UPFITTERS

Chassis Financing is inventory financing for qualified body companies purchasing trucks, van chassis and limousines that will be converted or upfit with a specialty body.

- Benefits:
- Terms up to 6 months
 - Interest only

To obtain a more detailed description of any of our commercial programs, please visit **fordcredit.com/comlend** or your local Business Preferred Network (BPN) dealer. (Learn more about BPN on page 102.)

FORD GLOBAL FLEET

One solution for your worldwide fleet needs. We're an international team – comprised of fleet representatives from all the geographical regions of Ford Motor Company – uniquely dedicated to multinational customers requesting fleet consolidations in numerous countries or regions. We provide:

- Choice – An unrivaled, worldwide product portfolio that meets driver satisfaction and business needs
- Experience – Expertise in global consolidation and an in-depth knowledge of worldwide markets
- Delivery – Proven implementation processes and best practices to help customers meet consolidation objectives

Multinational fleet customers will find **fordglobalfleet.com** a convenient source for global product information, fleet contacts and process steps designed to assist with the negotiation and implementation of a global fleet agreement.

Full-Circle, Dedicated Resources

Fleet Incentive Programs from Ford Motor Company are available to customers with a Fleet Identification Number (FIN). Please contact **1.800.34.FLEET** and press “1” to see if you qualify for a FIN and any incentives.

A variety of incentives are available for eligible fleet accounts:

- National Off-Invoice Incentives – Eligible fleets may receive direct off-invoice incentives on Ford and Lincoln vehicles
- Special Group Options – Select vehicles offer optional features that are packaged and made available at special discounted prices
- Special Incentives for Specialized Fleets – A number of additional incentives may be available to select specialized fleets, or to fleets using special types of vehicles, including daily or long-term rental companies, commercial business customers and government agencies

Please visit **fleet.ford.com** for vehicle-specific information.

Government Sales in the form of Government Price Concessions (GPCs) are available to eligible federal, state and local government agencies. GPCs may be granted to Ford and Lincoln Dealers bidding on federal, state and local government contracts that involve the sale of cars and trucks to eligible agencies. GPCs allow Ford and Lincoln Dealers to demonstrate corporate citizenship by providing discounted vehicle pricing exclusively to eligible federal, state and local government agencies. Contact your Ford or Lincoln Dealer for more details.

Business Preferred Network (BPN) is a group of highly trained, commercially focused dealers dedicated to supplying you with complete transportation solutions. To learn more about BPN, contact the Commercial Account Manager (CAM) at a BPN Ford Dealer. (Visit **bpndealerdirectory.com** to find a BPN Dealer near you.) You'll soon discover that BPN Dealers have what it takes to serve your business transportation needs.

- Quality Ford Motor Company cars, trucks, vans, SUVs and CUVs
- Dedicated service, Ford and Motorcraft® parts and a commercial staff with factory-trained technicians
- Availability of financing options from Ford Credit Commercial Lending Services

Automotive Remarketing Services (ARS) is a comprehensive, pickup-to-payment remarketing service designed for financial institutions, daily rental accounts (risk units), Ford and Lincoln Dealers, and commercial fleets that remarket their own vehicles. ARS offers Ford Fleet customers another sales-distribution channel for optimizing resale values, and supplies remarketing customers with a wider range of quality pre-owned vehicles.

Find out how you can take advantage of the Ford lanes at the auction: Please contact ARS by phone at **1.866.277.9142** or by email at **ars@ford.com**. You can also learn more at **fleet.ford.com**.

Ford Extended Service Plan (ESP) enables you to budget your fleet expenses more easily and accurately. ESP coverage lets you lock in tomorrow's costs at today's rates. Vehicle maintenance plans are also available to help you plan for the future. In addition to component coverage, every Ford ESP offers these benefits:

- Service at all Ford and Lincoln Dealers in the U.S. and Canada
- Maintenance service also available at Quick Lane® Tire & Auto Centers
- 100% backing by Ford Motor Company
- Limited out-of-pocket expenses
- Genuine Ford Parts and certified Ford technicians
- 24-hour Roadside Assistance
- Included rental vehicle benefits
- 100% transferable coverage
- Available interest-free payment options
- Service cost variability elimination

Quick Lane Tire & Auto Centers provide all the service your car or truck needs most, at over 700 stores nationwide. All our services are performed by factory-trained experts and on your schedule. You'll never need an appointment and you'll get service while you wait, even on evenings and weekends. Plus, we'll take care of any make or model, using quality parts from trusted brands like Motorcraft and name-brand tires from Goodyear®, Continental, Michelin® and more. Give us a try and you'll see why life is better in the Quick Lane.

For more information, including specific locations, visit **quicklane.com**.

Ford Motor Company Genuine Collision Parts are available if a collision puts you in need of replacement sheet metal and related parts, such as hood, door, fender or bumper components. Choose Ford Motor Company Genuine Collision Parts: They're the right choice for quality and peace of mind, and they're equal to original parts in fit, finish and structural integrity. In fact, they're the same ones used on new vehicles. And they're covered against corrosion/perforation under the Ford Lifelong Sheet Metal Guarantee. So don't settle for imitations. Ask your insurer to authorize Ford Motor Company Genuine Collision Parts.

Quality Fleet Care features consolidated billing for repairs, maintenance and over-the-counter parts purchases at Ford and Lincoln Dealers, plus Quick Lane Tire & Auto Centers. (Quality Fleet Care is offered without enrollment fees or monthly use fees.) Key program elements include:

- Service lane and wholesale parts purchase detail with monthly invoices (online or printed)
- All-Make Service billing includes Ford as well as non-Ford vehicles and trailers
- No driver cards needed
- Ford in-dealership system displays approval levels set by customer
- Wholesale parts billing feature on an account card with Purchase Order instructions
- Electronic Funds Transfer (EFT) payment option for added convenience and security
- National glass program featuring OE glass, mobile installation and no-hassle pricing
- Roadside Assistance and Towing for vehicles beyond warranty and ESP coverages

For more details, please visit **qfc.ford.com**, or phone **1.800.367.3221**.

Unlimited Mileage/2-Year Ford Parts Warranty is provided on parts purchased from Ford or Lincoln Dealerships or Ford Authorized Distributors. Contact your selling dealer or distributor for details.

Extraordinary service for routine maintenance.

READY TO SERVE

Vehicle Special Order (VSO)

VSO fulfills your specific needs. VSO provides you with special equipment and paint options that aren't currently offered through regular or fleet-only production.

New VSO options begin with a “VSO Inquiry.” Each inquiry is received, reviewed and approved by VSO to ensure the end product is compatible with regular and limited-production options. The end product must also meet Ford Motor Company standards for quality, durability, safety and performance.

To submit a VSO Inquiry, please contact your dealer or leasing company. Inquiry response time takes an average of 8 business days for all vehicle lines except F-650/F-750 Super Duty® Due to the complexity of this vehicle line, the average response time is 20 business days. Inquiry responses include Option Feasibility, Option Pricing and Option Development Timing. If an option request is feasible, engineering development timing may take 10 to 30 days, depending on complexity (wiring options may take longer).

VSO production timing varies. Vehicles produced with existing VSO options take an average of 60 to 90 days from order receipt to production. Vehicles produced with new VSO options must include the development timing stated in the VSO Inquiry response. For your planning purposes, VSO production typically begins about a month after Job 1 and balances out approximately one month prior to Job Last.

- Visit fleet.ford.com for full VSO details, including:
- New option development (special equipment and paint)
 - Order assistance
 - Inquiry entry assistance to request new option development
 - Pilot model inspection coordination
 - Specification review coordination
 - VSO balance-out/start-up date publication

Contact VSO directly at 1.800.34.FLEET. Select “2” for the Fleet Customer Information Center and then “1” for VSO. For F-650/F-750 assistance, select “2,” followed by “1” and then “3.”

Contact your dealer for VSO Order Guide details.

To view the most current VSO equipment and paint options, ask your dealer to access fmcdealer.com for the VSO Ordering Guide. This guide is live, and the options are always up to date. Some VSO options may not be published in this guide if they were established for, and are restricted to, a specific Major Fleet Account.

FORD FLEET

North American Fleet, Lease & Remarketing Operations

Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Select features and packages are shown. Please visit fleet.ford.com for a complete Ordering Guide. Information in this Preview Guide was developed from Ordering Guides as of February 2015. Following publication of this catalog, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Ford Motor Company reserves the right to change product specifications at any time without incurring obligations. All specifications and ratings based on preliminary data. All comparisons based on competitive models. • Always wear your safety belt, secure children in the rear seat and follow airbag warning label instructions. • Colors shown are representative only. Not all colors are available on all models. Visit fleet.ford.com for actual paint/trim options. • Apple, the Apple logo, and iPad are trademarks of Apple Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc. • Bridge of Weir is a trademark of Bridge of Weir Leather Company Limited. • Clari-Fi, QuantumLogic, Revel, Ultima and the Revel logo are trademarks of HARMAN International Industries, registered in the United States and other countries. • HD Radio is a proprietary trademark of iBiquity Digital Corp. • INVISION is a trademark of VOXX International Corporation. • King Ranch is a registered trademark of King Ranch, Inc. • Meritor is a registered trademark of Meritor Technology, Inc. • Power Code is a trademark of Code Systems, Inc. • RECARO is a registered trademark of RECARO Beteiligungs-GmbH. • SiriusXM services require a subscription, sold separately by SiriusXM after trial period. Fees and taxes apply. All fees and programming subject to change. Sirius satellite service is available only to those in the 48 contiguous USA, D.C. and PR (with coverage limitations). Our Internet radio service is available throughout our satellite service area and in AK and HI. Some channels not available in all lineups. • Sony is a registered trademark of the Sony Corporation. • STEMCO is a registered trademark of STEMCO LP. • THX and the THX logo are trademarks of THX Ltd., registered in the U.S. and other jurisdictions. All rights reserved. • Wi-Fi® is a registered trademark of the Wi-Fi Alliance®.

Availability of technologies and systems described in this brochure varies by model and trim level. Not all systems are available on all Ford Motor Company vehicles. See your local Ford or Lincoln Dealer for complete details.
