

FORD Motor Company **ACCESSORIES**

For Ford Light Trucks and Vans

**FOR F-SERIES PICKUPS / BRONCO / COURIER /
ECONOLINE / CLUB WAGON**

Do It Your Way

It's your truck or van. Design it your way, with quality Ford accessories. Then drive it away. Everything shown in this catalog can be installed by your dealer and many items can easily be installed by yourself.

Over the years, we've found that Ford light truck and Econoline owners know what they want in their "Built Ford Tough" trucks. Make your light truck or Econoline sharper and more useful. We have everything from sound systems to utility accessories to items for extra comfort and convenience. They're all available at your Ford dealer today.

All Ford accessories are precision-engineered to exacting standards of performance and appearance. They fit right. They match the Ford family of interior and exterior colors. And they work, because they're designed to Ford specifications. All Ford accessories are also backed by the Ford Motor Company Limited Warranty. (See your Ford Dealer for warranty details.) If you're buying a new light truck or Econoline, accessories can be included in your sales contract. If you're looking for quality accessories for your present light truck or Econoline, your dealer can help you select them. And remember that major credit cards are accepted by most Ford dealers.

Prices shown in this catalog are suggested retail prices, and do not include installation. They may be a little more or a little less depending on your vehicle model. Be sure to ask your dealer about his installed prices for the specific items you want.

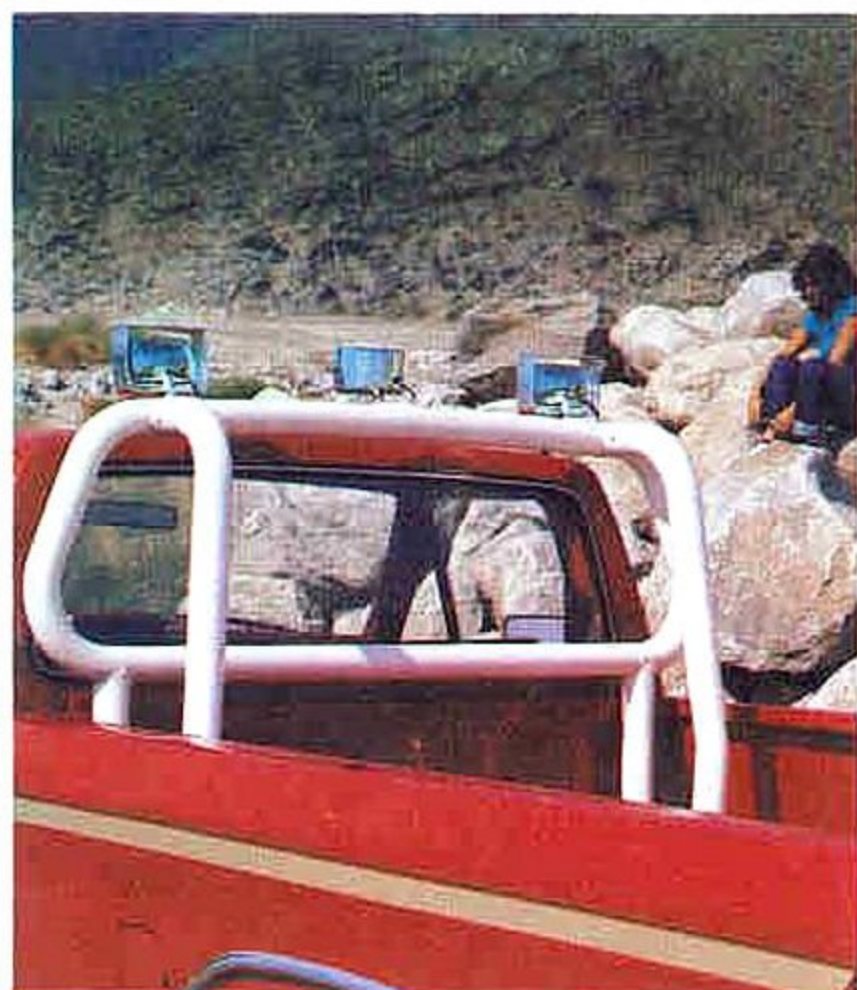

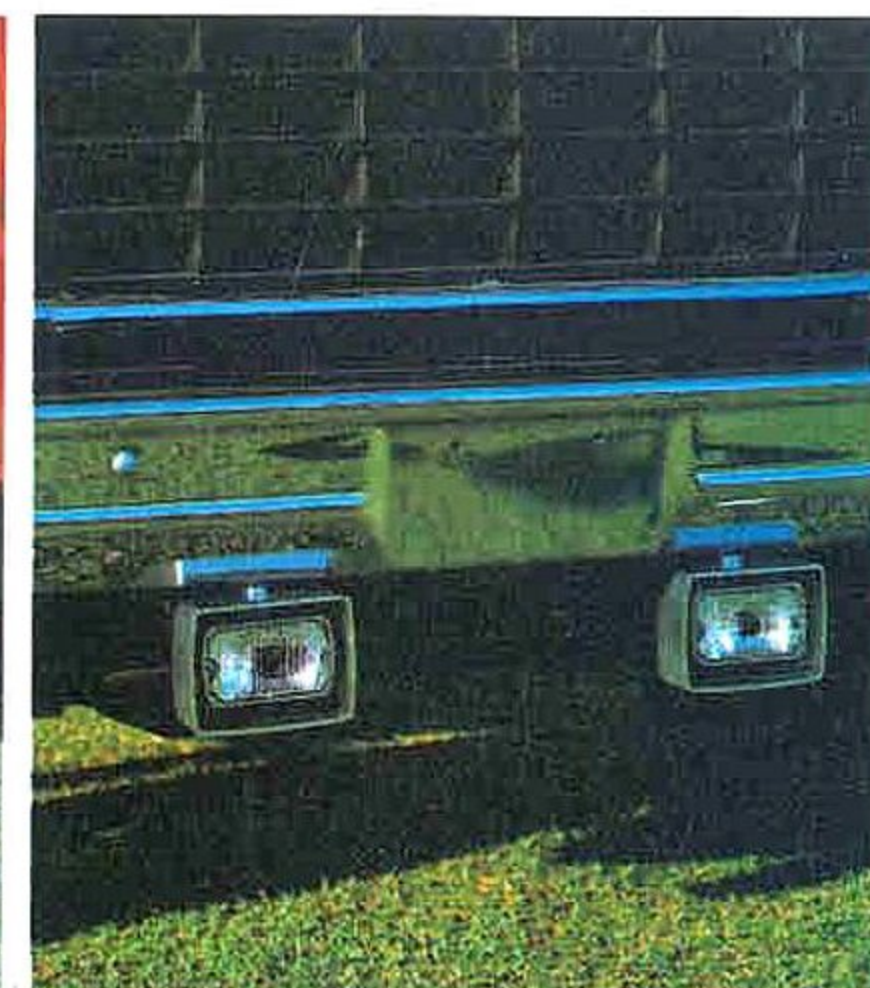

The descriptions and specifications in this book were in effect at the time it was approved for printing. Our policy is one of continuous improvement and we reserve the right to change specifications, design or price without notice and without incurring obligation.

Ford Lights The Way

Driving Lamps

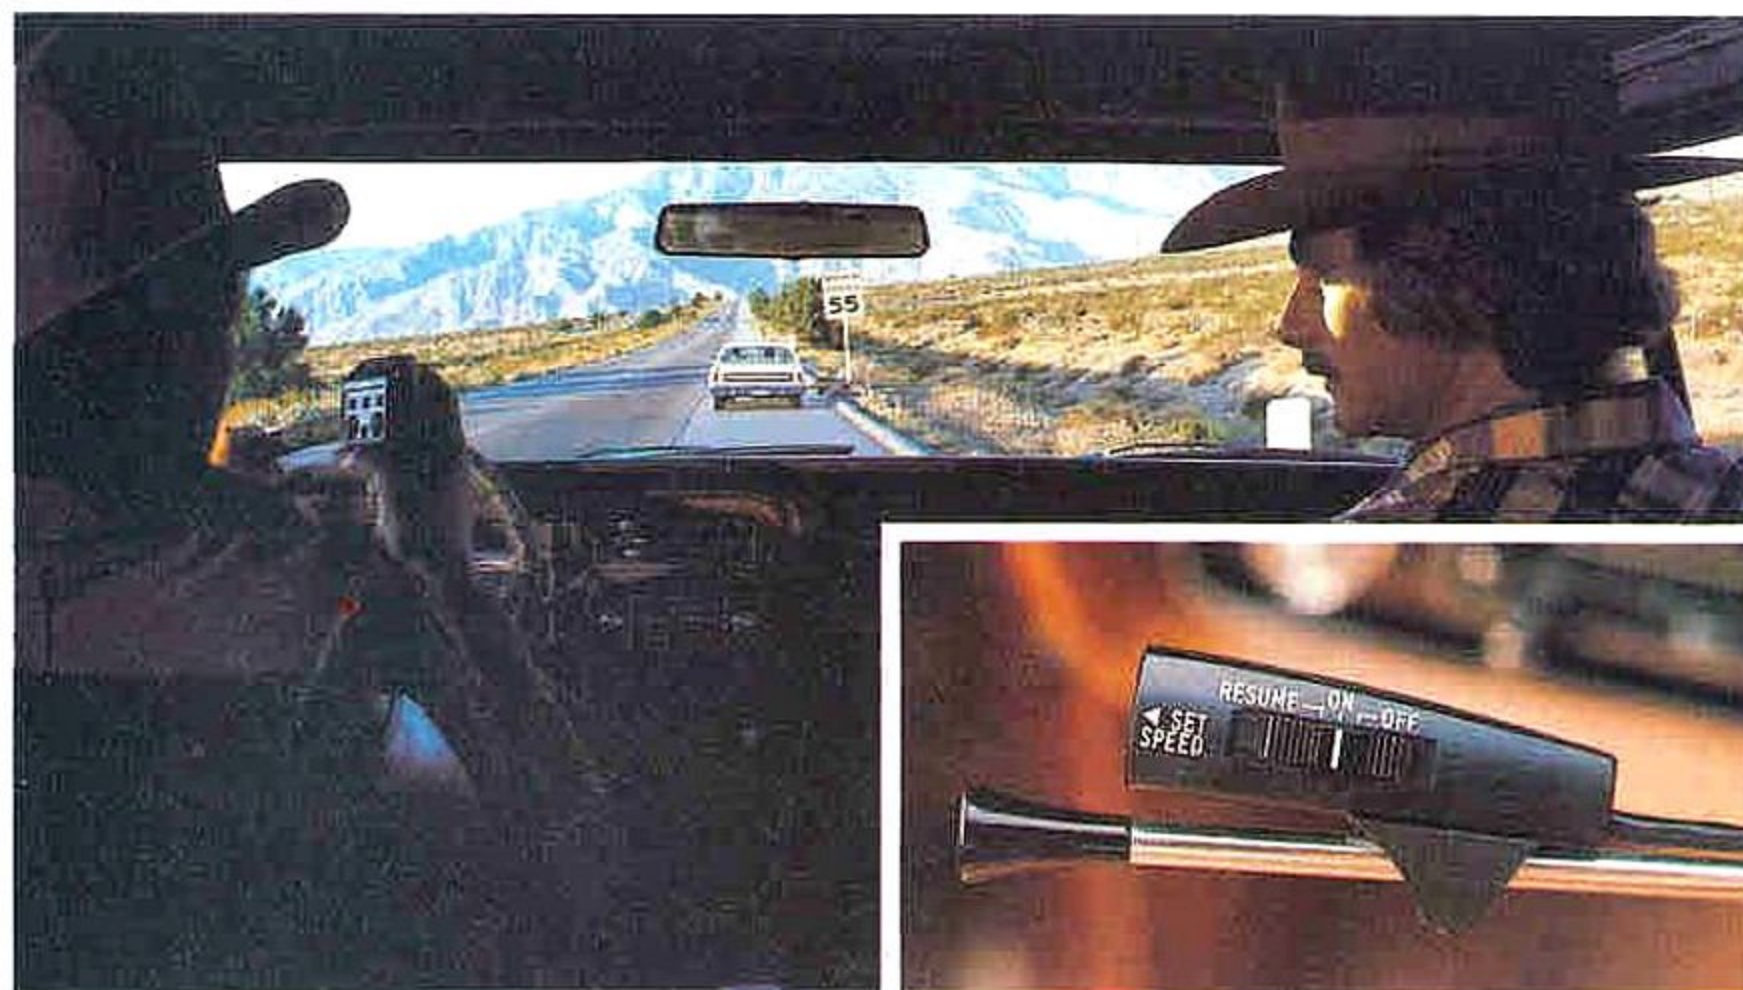

High-power quartz halogen driving lamps penetrate rain, fog, snow, and the darkest night. Extra safety insurance for free wheelin' on-road or off. Rugged removable plastic shields protect lenses, as do the metal shields which fit around the perimeter of the

lamps for protection and lamp alignment. Integrated design adds class, wherever they're mounted. Available in chrome and black. Easy to install. Kit comes complete with hardware and wiring. For Econoline, F-Series, Bronco, Courier. Base Part No. 15200. Approximate suggested retail price \$100.00.

GT Rally Bar

Bold, tough bar for the rally look of the 80's. 3" tubular steel for light trucks. 2" tubular steel for Bronco and Courier. Base Part No. 518K00. Approximate suggested retail price: Courier \$147.00, others \$184.00.

Electronic Speed Control

Cut the cost of driving and reduce fatigue on long trips with finger-tip speed control. Just set your speed, and the speed control automatically adjusts engine power. With the resume feature, all you do is slide a lever toward

"resume" and the car automatically accelerates to its last set speed. Constant speed saves fuel and lets you relax your driving foot. For all Ford light trucks and Econoline. Base Part No. 9A818. Approximate suggested retail price \$130.00.

Push Bar

Tough up-front protection for sport-rough driving. Rugged construction. Clean, crisp styling. For Econoline and Courier. Base Part No. 17996. Approximate suggested retail price \$100.00.

Prevent Nicks and Dings, Protect Paint and Carpet

Full-Width Rubber Floor Mats
Economical full-width protection for your cab. Available in a wide range of colors to complement all interiors. Mats cover transmission hump as well as floor. For light trucks and Bronco. Base Part No. 13086. Approximate suggested retail price \$16.00.

Vinyl Floor Mats with Carpet Insert

High-style carpet "life-preservers." Carpet look and feel, but easy to clean. Special backing prevents shifting and sliding. Heavy-duty to last beyond trade-in time. For F-Series and Bronco. Base Part No. 13086. Approximate suggested retail price \$30.00.

Front Bumper Guards

Protect your bumper and grille. Chrome-finished steel guards help stop bumper override when pushing, keep bumper shiny and clean. Just bolt them into existing bumper holes. Courier requires drilling of holes in bumper. For Econoline, Bronco, Courier, and all light trucks. Base Part No. 17996. Approximate suggested retail price: Courier \$41.75. Others \$68.50.

Door Edge Guards

Elegant trim. Prevent nicks and scratches on door edges. Easy to install. For all Ford light trucks and Econoline. Base Part No. 20910. Approximate suggested retail price \$9.50.

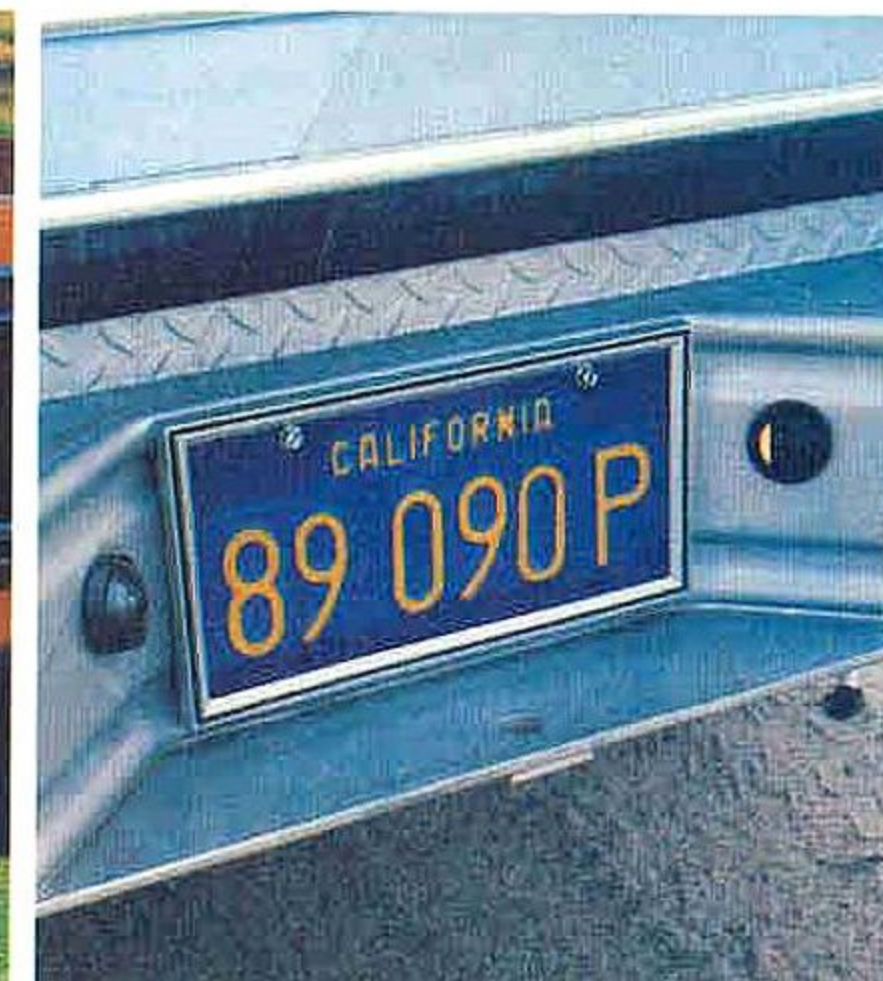

Body Side Molding

Accentuate body lines. Protect against dings, scratches and minor dents in tight parking spots. Easily installed. Self-adhesive backing resists weather, stays where it's put. For most light trucks and Bronco. Base Part No. 21048. Approximate suggested retail price \$40.00.

License Plate Frame

Rugged frame looks good, protects plates, especially in off-road situations. Easy to install. For all light trucks and Econoline. Base Part No. 17A387. Approximate suggested retail price \$5.75.

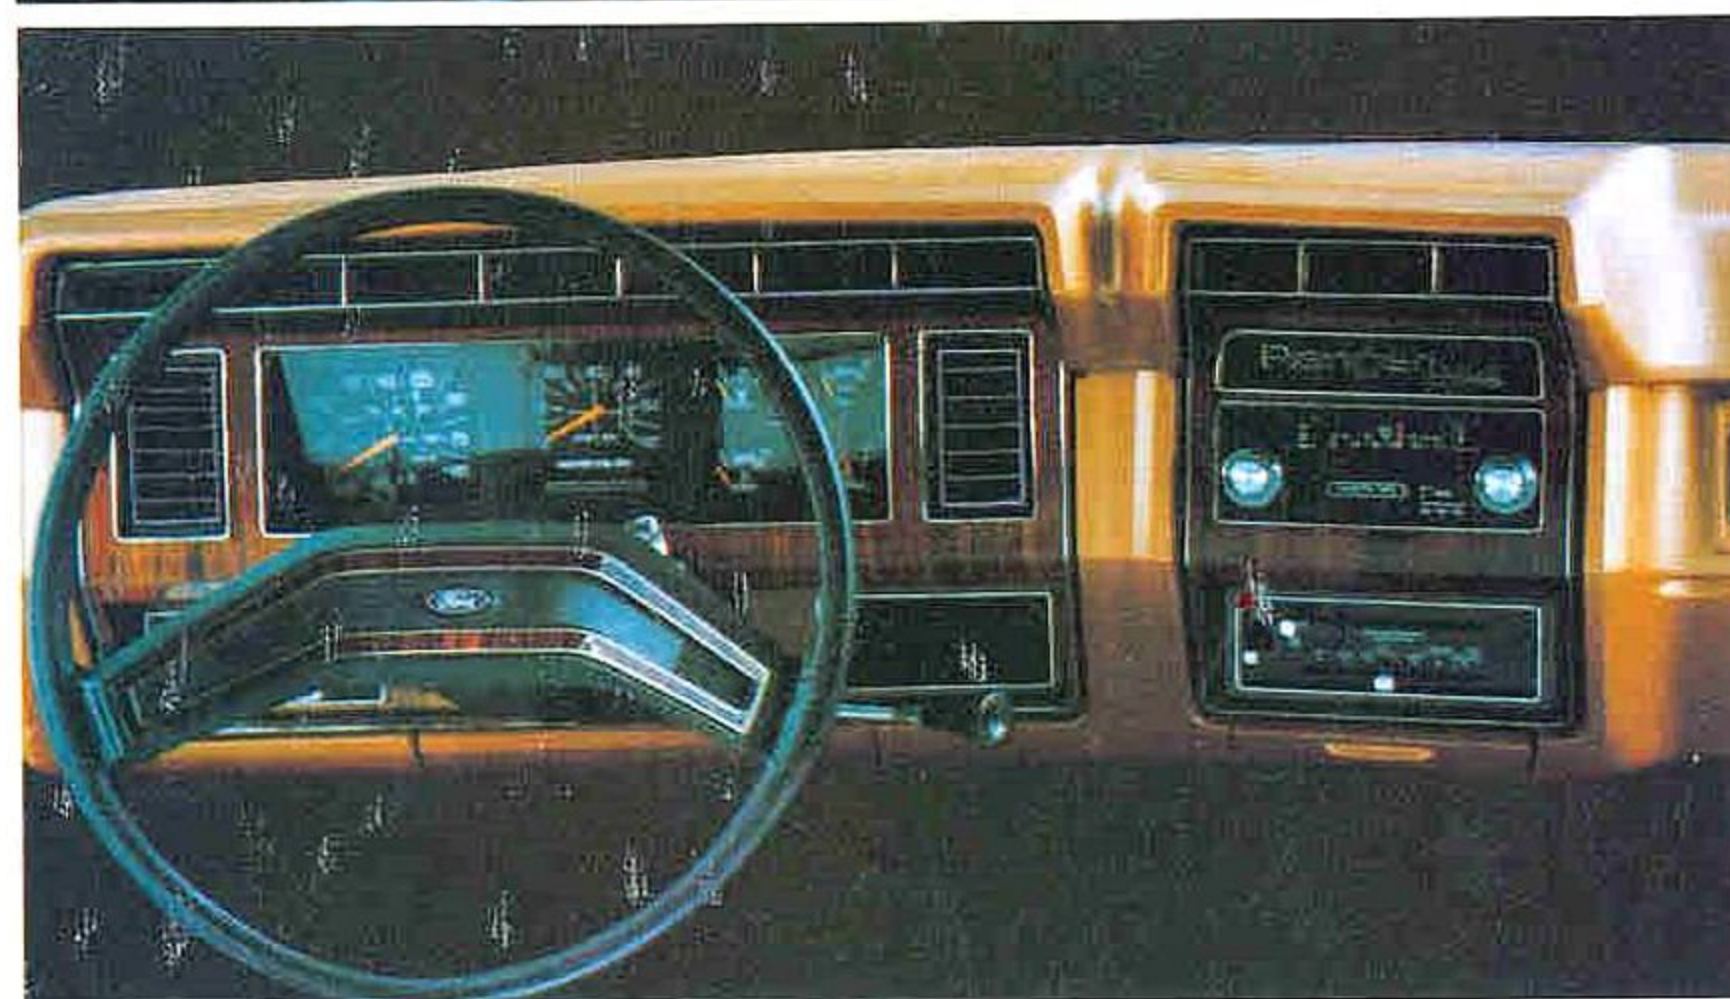

Wheel Splash Guards

Stay clean behind the wheels. Stop rust before it starts by knocking down gravel, mud, road chemicals before they reach body surfaces. Full range to choose from. Extra-long and wide, attractive Mud Muggers. Polyethylene or rubber. All are tough to resist cracking and corrosion. Base Part No. 16A550. Approximate suggested retail price \$20.00.

Windows-up Comfort

Can You Tell Which Unit Is Dealer-Installed?

Your dealer installs the air conditioning unit with controls in the dash, like Ford factory systems. No extra, mis-matched "hang-on" components to clutter up interiors. In fact, most systems look exactly like factory-installed. And there's more...

...All visible components match the styling of other interior appointments. Cool, fresh, quiet driving with Ford air conditioning systems. Heat, dust, pollen and noise are reduced dramatically with full climate control. No need to wait. Your dealer can easily install genuine Ford air conditioning.

All systems feature three-speed blowers, individually-controlled in-dash air outlets, and fully-automatic thermostats that keep temperatures where you want them. For all Ford light trucks and Econoline. Ask your dealer for his installed prices.

Roof Vent

Cool off your van. Aerodynamic, manually controlled roof vent removes the stale air, helps control interior temperature. A fan provides ventilation through the vent when you're parked. When you're driving, air is vented without the fan. Easy installation. For Econoline, except Super Van and models with soft trim headliners. Base Part No. 019A98. Approximate suggested retail price \$99.00.

Auxiliary Air Conditioning

Compact, built-in cooling for the rear area of vans. Looks good, is quiet, keeps van interior cool even on the hottest summer days. Easy to install. Operates off of the main air conditioning system at the front of your Econoline. Compatible with dealer- or factory-installed front units. For Econoline. See your dealer for his installed prices.

Ford Sound Systems

Ford audio is the top of the automotive sound system line. More than 40 years of sound engineering gives you state-of-the-art systems with unmatched quality. See your dealer for the full Ford audio selection.

AM-FM Stereo Radio with Cassette Tape Player

A special Ford sound system. Single-button tuning that precisely locks in stations. Clean, rich sound. Outstanding sound reproduction in full stereo. Cassette player includes fast

forward, fast reverse, and tape saver ejection which releases the tape when either the car or radio is turned off. Eliminates tape sticking and flat spots. For all light trucks and Econoline. Base Part No. 18806. See your dealer for his installed prices.

40 Channel CB

Stay in touch with the world of the road. Theft-detering CB transceiver mounts under the seat, out of sight. All controls are in the remote-control, hand-held power microphone, which easily disconnects for added security. Memory recall for up to five channels. For all light trucks and Econoline. Base Part No. 18B806. See your dealer for his installed prices.

Fixed AM/FM/CB Antenna

A single antenna receives AM and FM and CB signals. Don't advertise your CB. Camouflage it, without sacrificing reception. It looks like a standard antenna. Easy to install in place of your present antenna. For all light trucks and Econoline. Base Part No. 18813. Approximate suggested retail price \$25.00.

Sport Steering Wheel

A dash of leather to match your driving spirit. Thick competition-style rim gives you solid control in any situation. Three-spoke, richly burnished metal or glossy black with top-grade leather cover. For Courier and Econoline. Base Part No. 3600. Approximate suggested retail prices from \$94.00 to \$119.00.

Van Porthole

Inside lookin' out and outside lookin' good. Dark-tinted "Privacy Glass™" makes it hard to see in, but easy to see out. For Econoline. Base Part No. 290W12. Approximate suggested retail price \$77.75.

Econoline Sport Rails

Top off your roof line with a touch of chrome and stainless steel. Permanently installed sporty accent that's built for resistance to corrosion, weather and chemicals. For Econoline. Base Part No. 55100. Approximate suggested retail price \$111.00.

Tape Stripes

Custom color graphics at a whole lot less than a custom paint job. Adhesive-backed stripes come in a variety of colors and combinations—and Ford makes them for everything in the trucking line. Easy to install. See your dealer for specific applications and prices.

Wheels and Wheel Covers

It's your set of wheels. Select the ones you want from the full line of Ford custom wheels and wheel covers. Spoke wheels in white or yellow finish. Ten-hole polished aluminum road wheels. Five-slot aluminum wheels. Turbine-look and mag wheel covers. Polished

chrome lug nuts are also available. For all light trucks and Econoline. Wheels Base Part No. 1007. Wheel covers Base Part No. 1130. See your dealer for specific applications and prices.

Steering Wheel Cover

Dry, non-slip grip of leather-like vinyl for control in demanding driving conditions. Wraps around the wheel. Black, red or tan. For all Ford light trucks and Econoline. Base Part No. 3L600. Approximate suggested retail price \$4.75.

Running Boards

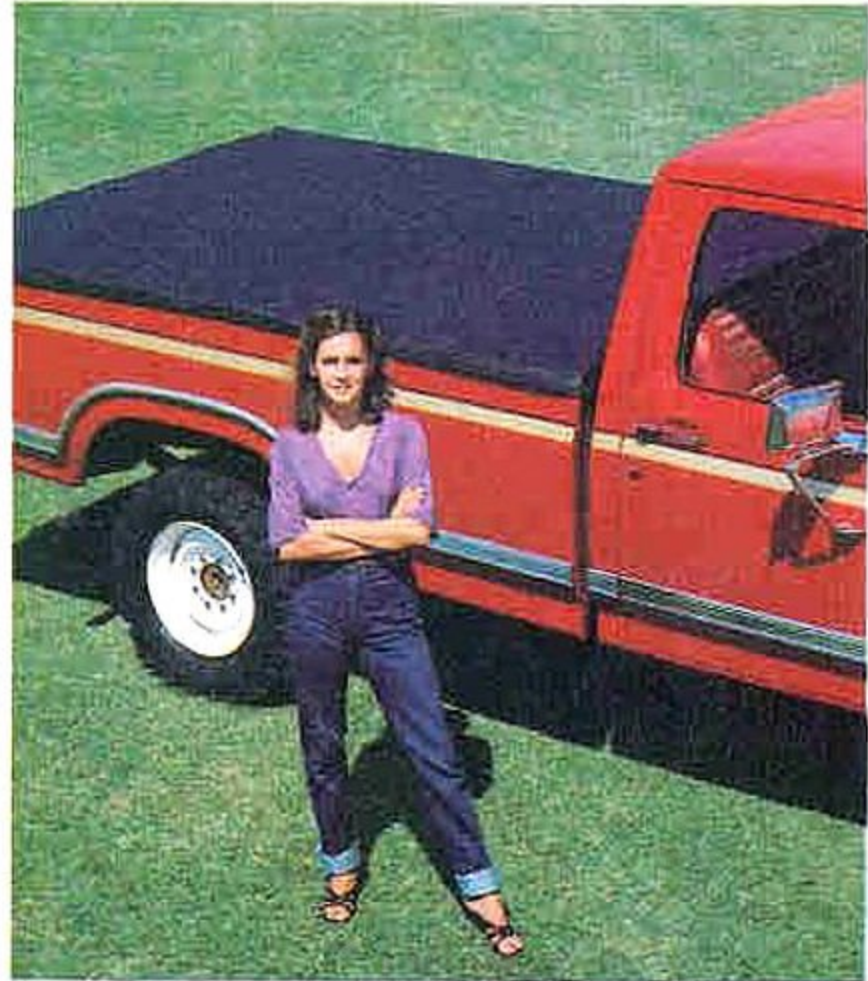

Sassy, ground-hugging polished aluminum running boards. Even for steppin' up to a 4 x 4. Emphasize body lines with these classic truck boards. Extra-heavy construction. For F-Series, Econoline and Bronco. Base Part No. 16450. Approximate suggested retail prices from \$155.00 to \$285.00.

Cargo Space and More

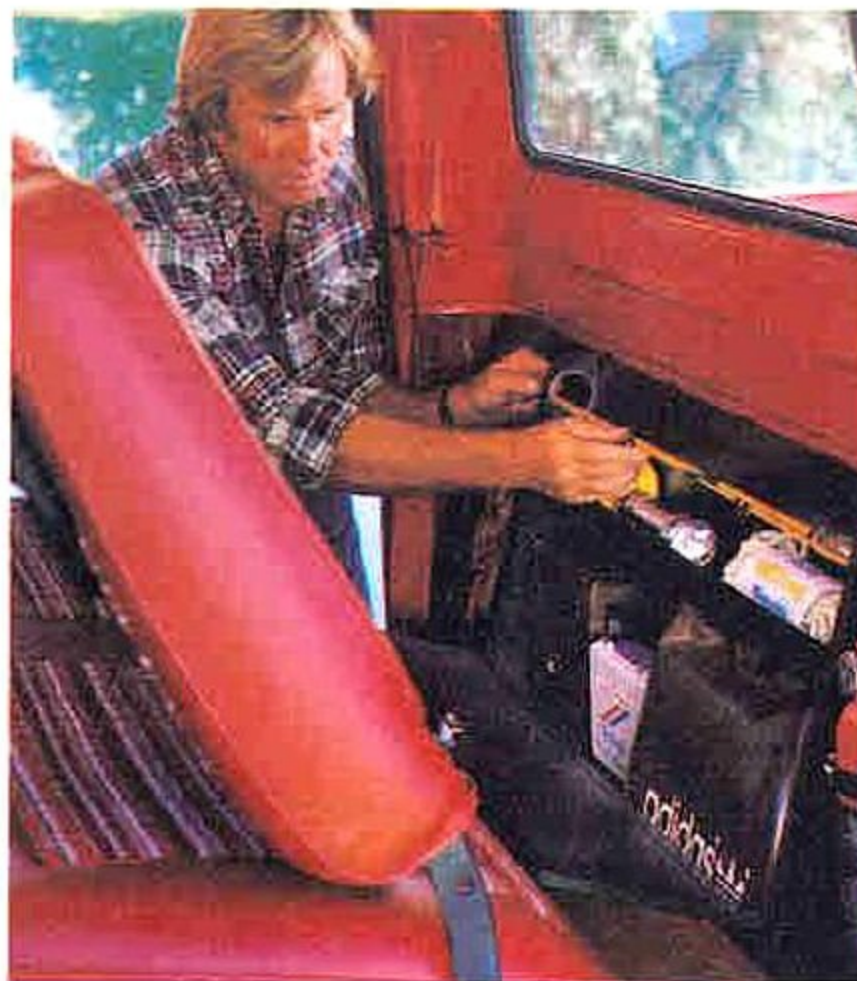

Tonneau Cover

Tight-as-a-drum cover-up for cargo. Custom designed with hook-over fasteners to go on tight and ride tight. Keeps truck bed clean and cuts wind resistance. Black or white nylon-reinforced vinyl. For F-Series. Base Part No. 501A42. Approximate suggested retail price \$106.75.

Ford "Organizer" Cab Caddy

Secure storage for valuable equipment. CB's, cameras, binoculars, radios, fishing gear. Two large bins on the ends, smaller bins above. Steel construction with secure key lock. For F-Series pickups with tilt-forward seat and no in-cab gas tank. Base Part No. 46110. Approximate suggested retail price \$68.00.

Pickup Box Rails

Practical pickup elegance. Bright-metal aluminum rails help tie down cargo or cargo covers, and dress up your vehicle. Chrome-plated metal posts fit into stake holes for easy installation and removal. For 6- and 8-foot F-Series pickups. Base Part No. 32230. Approximate suggested retail price \$87.25.

Spare Tire Carrier and Cover

Give yourself more room inside by hanging your spare tire on the back door. Won't interfere with door operation or license plate. Cover dresses up tire, and gives your vehicle a finished look. For Econoline. Carrier Base Part No. 1440. Approximate suggested retail price \$35.00. Cover Base Part No. 45026. Approximate suggested retail price \$22.00.

Van Table

Share all kinds of good things with good friends around a designer-styled van table. Recessed beverage holders stop spills. Easy to clean, heat-resistant finish. Easy to install. For Econoline. Base Part No. 279B04. Approximate suggested retail price \$340.00.

Ford Deluxe Rifle Safe

Keep rifles safe and out of sight in this bolt-in steel storage safe. Plush fabric lining is gentle on delicate scopes and fine stocks. Piano-hinge door and three-way locking mechanism for security. Holds at least three rifles and/or

shotguns. Several states now require locked storage of rifles. For F-Series pickups with optional tilt-forward seat and no in-cab gas tank. Base Part No. 46100. Approximate suggested retail price \$170.00.

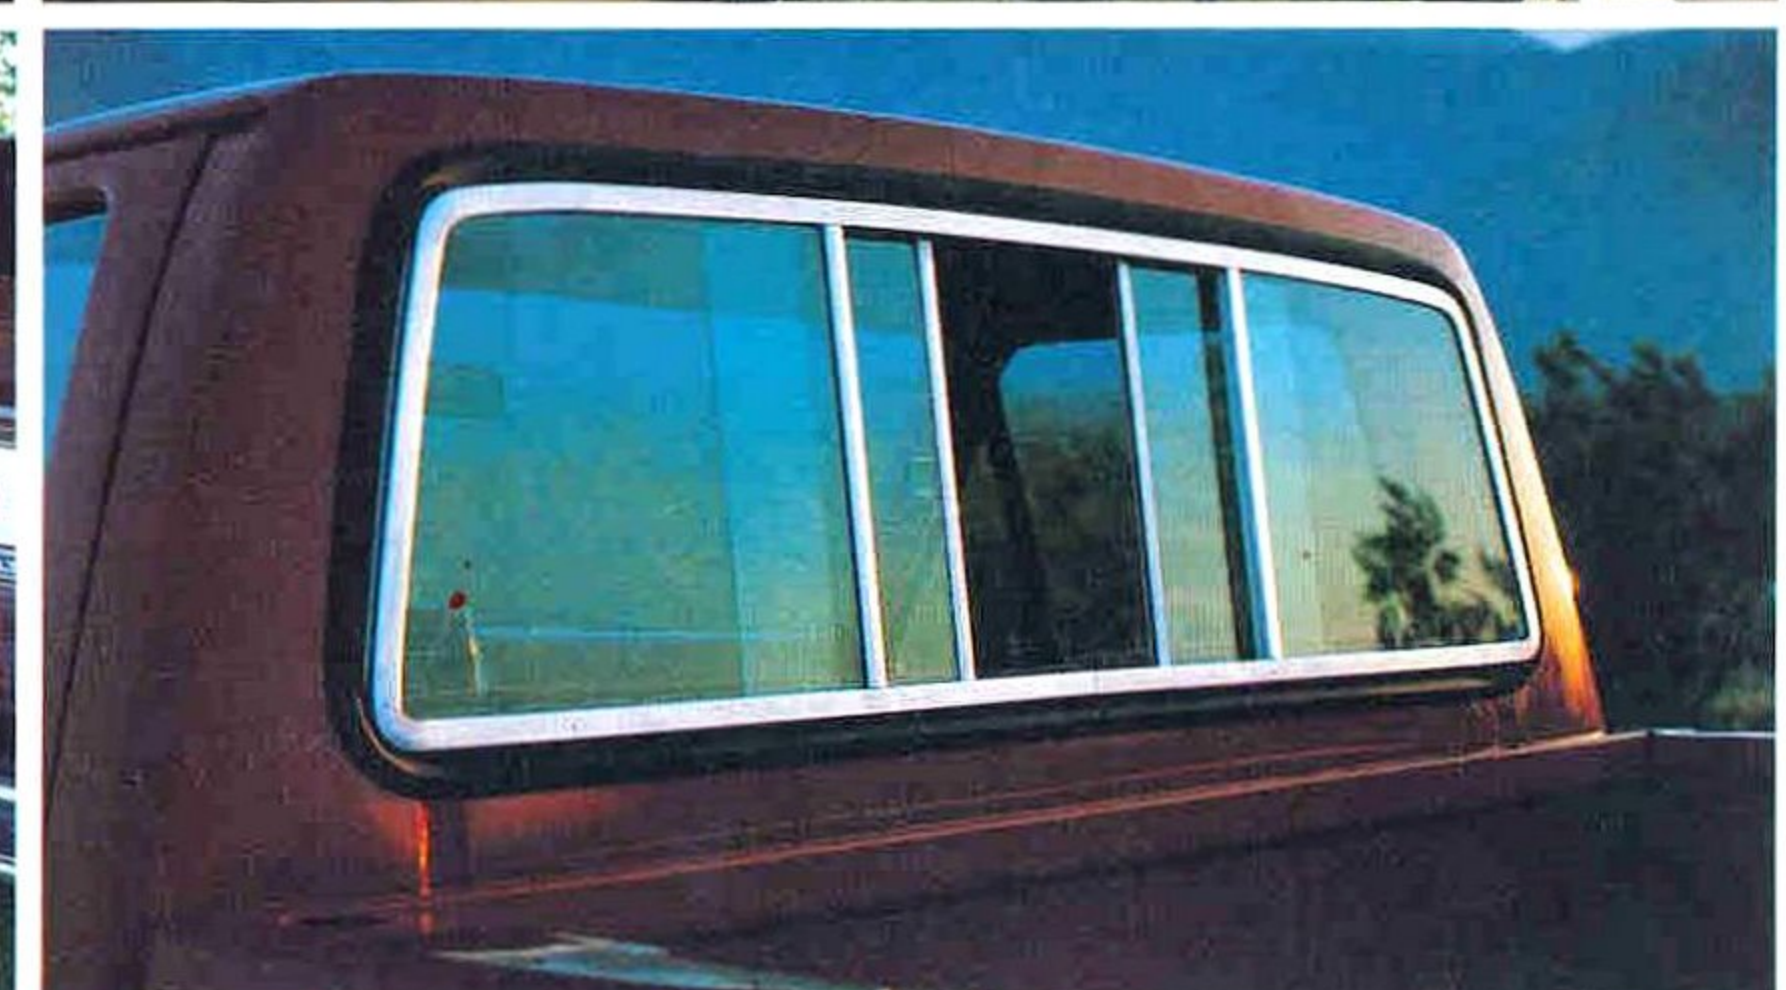

Glide-Out Step

Makes it easier to get in and out, especially from high 4 x 4's. Glides out when door is opened. Slides under vehicle when door is closed. Can be painted to match vehicle color. Perforated non-slip surface. For Econoline, F-Series and Bronco. Base Part No. 20092. Approximate suggested retail price \$34.50.

Rear Step Bumper

Easy access to light trucks and Econoline. Heavy rear-end protection. Diamond-tread steel plate for secure footing. Available in bright finish or argent. For Bronco, Econoline, and F-Series light trucks. Steel and argent. Base Part No. 17906. Approximate suggested retail price for steel: \$190.50, for argent: \$130.75.

Sliding Rear Window

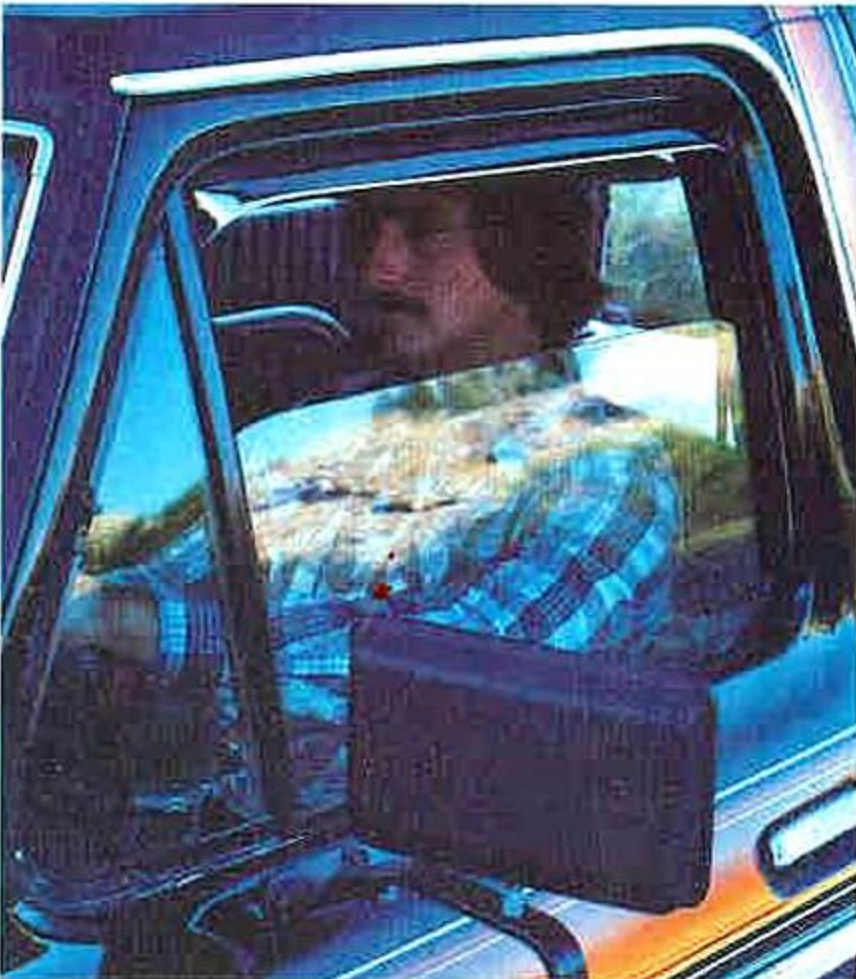

Weather-tight window of tinted glass slides open for extra ventilation. Opens and latches from inside the cab. Aluminum frame, fits tight. For light trucks. Base Part No. 422B30. Approximate suggested retail price \$129.75.

Truck Savers... You Savers **Accessories That Get You There** **Steady and Sure**

Air Lifts
 Level off heavy front-end loads. Especially for trucks with cab-over campers. Air lifts give safer handling, more comfortable ride. Air bladder is fitted in front coil springs. For all light trucks and Econoline. Base Part No. 5A589. Approximate suggested retail price \$79.00.

Window Screens
 Let air in, keep bugs out. Essential for warm summer nights. High-quality, fine-mesh screen in a sturdy frame that fits into the window wells. Sizes to fit front and rear windows. For Econoline. Base Part No. 279A40. Approximate suggested retail price \$35.00

Window Vent Shades
 Shades put a bright accent on your vehicle as they keep rain out, let air in. Reduce window fogging, allow dry ventilation of parked vehicles. Easy to install. For all light trucks and Econoline. Base Part No. 18246. Approximate suggested retail price \$14.75.

Transmission Oil Cooler
For a Cool One
 Cool protection for automatic transmissions under heavy loads. Helps reduce automatic transmission overheating and possible damage. High capacity, slim line, and economy models available. For all light trucks and Econoline. Base Part No. 7K177. Approximate suggested retail prices from \$56.00.

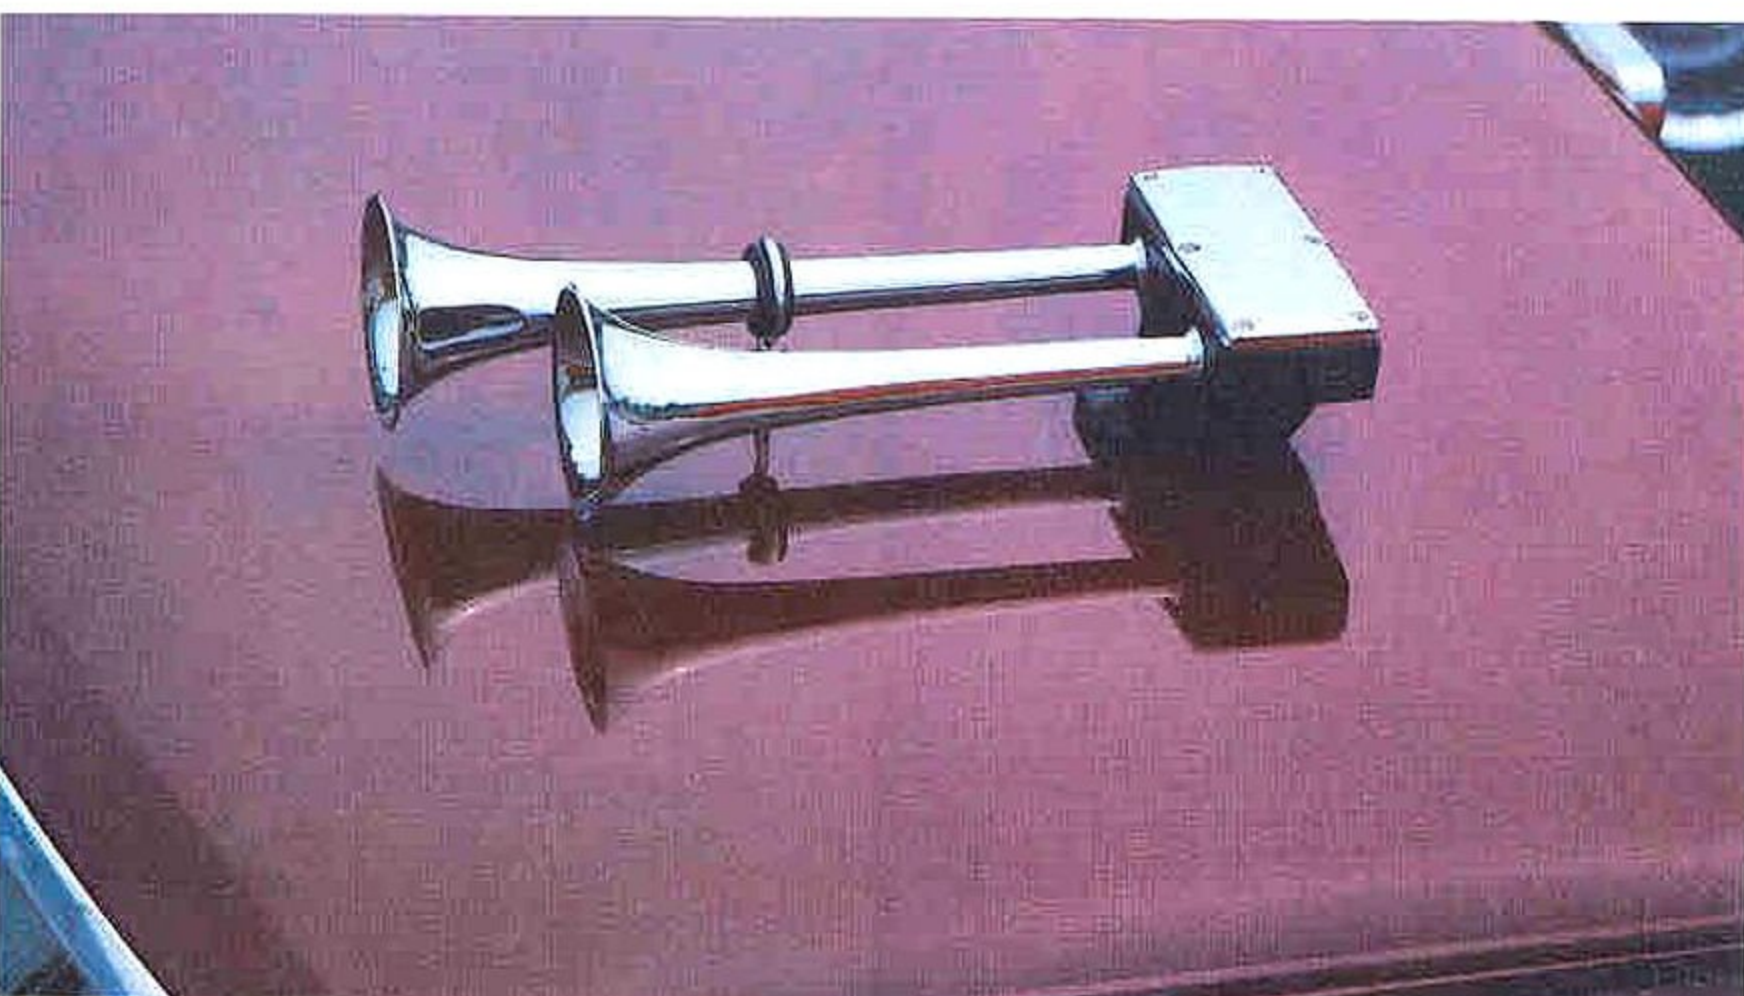

Engine Block Heater
For sure sub-zero starts
 Faster engine starts with less battery drain in really cold weather. Can cut fuel consumption during engine starts and warm-ups. Heater is permanently installed in engine block. Easily connected to extension cord from 110-volt outlet. For all light trucks and Econoline. Base Part No. 6D008. Approximate suggested retail price \$20.00.

Safety and Security Items
Protect You and Your Truck or Van
Spare Tire Lock
 Theft-resistant security for spare tires mounted on standard underframe mounts. Spare can't be removed without key. For Bronco, light trucks and Econoline. Base Part No. 1386. Approximate suggested retail price \$15.00.

Key-Operated Hood Lock Kit
 Remote-control hood latch provides added protection of under-hood items such as battery and radio equipment. Latch operates from a locking handle inside the cab and requires a separate key. For Bronco, Econoline and F-100/350. Base Part No. 16700. Approximate suggested retail price \$29.00.

Dual Air Horns (Deluxe)
 Horns that say "hi" or "move it." They'll know you're there. Chrome-plated trumpets mount on the roof or under the hood. Available on trucks with or without air compressors. Easily installed. For Bronco, Econoline and F-Series. Base Part No. 13800. Approximate suggested retail price with compressor \$147.50.

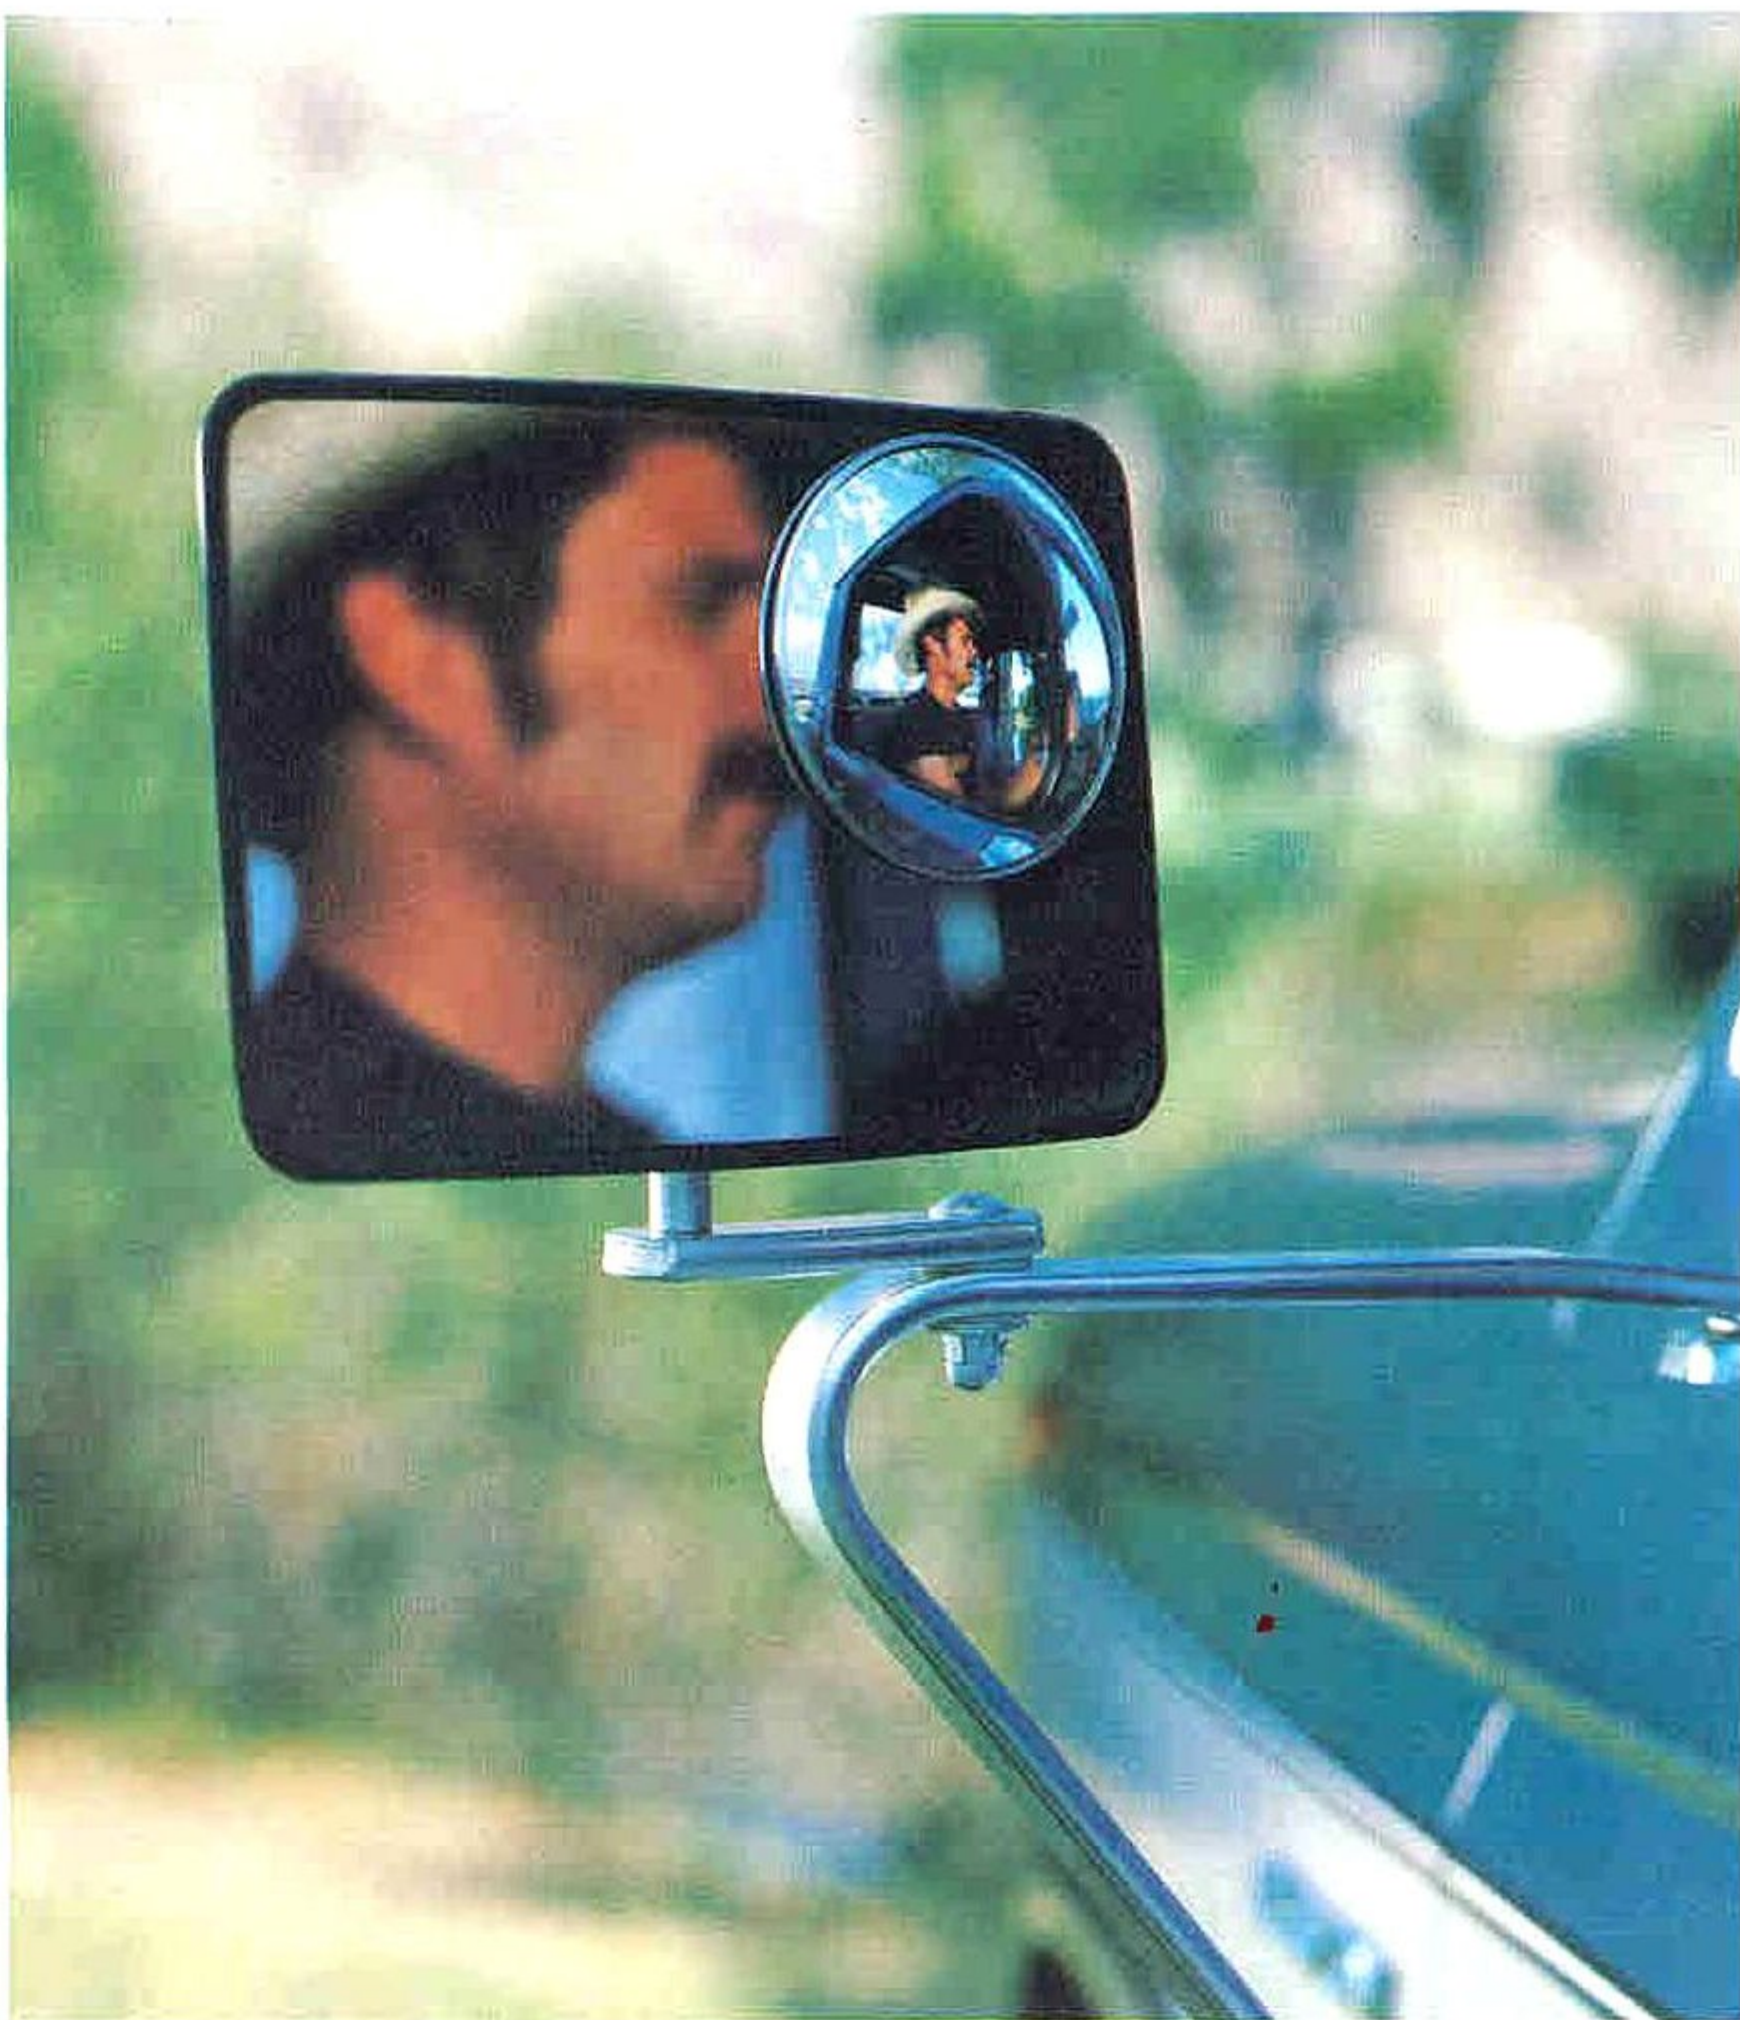

Rear Slide-Out Tire Carrier
 Spare tire removal is clean and easy with this slide-out mount. Eliminates crawling under your truck. Bolts to the underframe. For light trucks. Base Part No. 1440. Approximate suggested retail price \$55.00.

Choose The Right Mirror

A Swing-Lock Camper Mirror For More Swing

New mount lets swing-lock mirror swing out further to see around wide camper bodies, or fold in close for sleek look. For Bronco, Econoline and light trucks. Base Part No. 17696. Approximate suggested retail price \$45.00.

Panoramic Stick-On Truck Mirror

Expands field of vision by providing wide-angle viewing. With strong weather resistant adhesive backing, it easily attaches to your existing outside mirror. For all Ford light trucks. Base Part No. 17696. Approximate suggested retail price \$2.65.

Swing-Lock Low-Profile Mirror

Large viewing surface provides a full field of vision. Swing-lock mount lets mirror fold in close for extra clearance in tight spots. Low-profile to reduce interference with forward view. Stainless steel or black frame. Mounting arms designed for Bronco, Econoline, and light trucks. Base Part No. 17696. Approximate suggested retail price \$42.50.

Visor Vanity Mirror

Generous-sized, quality mirror. Tough adhesive backing attaches easily to the sun visor. A must for passengers who care about their looks. For all Ford light trucks, Econoline and Bronco. Base Part No. 17A679. Approximate suggested retail price \$6.00.

Ford Free Wheelin' T-Shirts and Hats

Free Wheelin' style for the 80's. "Built for Fun" shirts in three women's styles: T-shirt, Beach cover-up, Midriff. Available in tan or yellow.

Men's T-shirt available in tan only.

"Built for Fun" hats in pre-washed faded denim or powder blue. Three styles: Deck Hat, Floppy Brim, Duckbill.
