*A few words about our prices...* The accessories found on the following pages have been designed to have a wide range of applications on a variety of vehicles. Prices for these accessories will vary depending on your specific vehicles and application—due to differences in size, style, adapting kits, etc. Space will not permit us to list the specific price for the many possible applications of each accessory. Where a single retail price is suggested, that price will usually not be affected by different applications. Where a suggested retail price is listed as being “from” a given price, that price represents the lowest price within that product’s range of application.

*How we can help you...* We’d like to assist you with your purchase in any way we can. So please feel free to see or call our parts manager for specific pricing and application information concerning any of the accessories found in this catalog.

*How you can help us help you...* When placing an order with our Parts Department, please include the special Ford Base Part Number assigned to the accessory you want. (These numbers appear at the end of each accessory description in this brochure.) We’ll use the number as a cross-reference, to make certain you’ll receive exactly what you’ve requested.

The prices, descriptions and specifications in this book were in effect at the time it was approved for printing. Our policy is one of continuous improvement and we reserve the right to change specifications, design, or price without notice and without incurring obligation.

## Keep in touch...

**A. Cellular Mobile Telephone.** This handsome telecommunications device can hook you up with any phone system in the world. Just like the one you have at home or the office. Hear and be heard clearly, thanks to Ford's technology and leadership in the communications industry. Features include a hold button, last number recall, 10 number memory and volume control. A must for on-the-go people. Available for all Ford light trucks and vans. *Cellular Mobile Telephone.* Base Part No.: 19A393. Sugg. retail price: \$1,525.00

**B. Emergency Radio.** This 40-channel CB transceiver plugs in easily to your cigarette lighter, or you can use the self-contained battery pack that comes with it. Features include an emergency channel 9 button, compact storage/carrying case and rooftop magnet-mounted flexible antenna. Perfect for asking directions, monitoring road conditions, getting service . . . or just plain peace-of-mind. Available for all Ford light trucks and vans. *Emergency Radio.* Base Part No.: 1813805A. Sugg. retail price: \$121.05

A.

B.

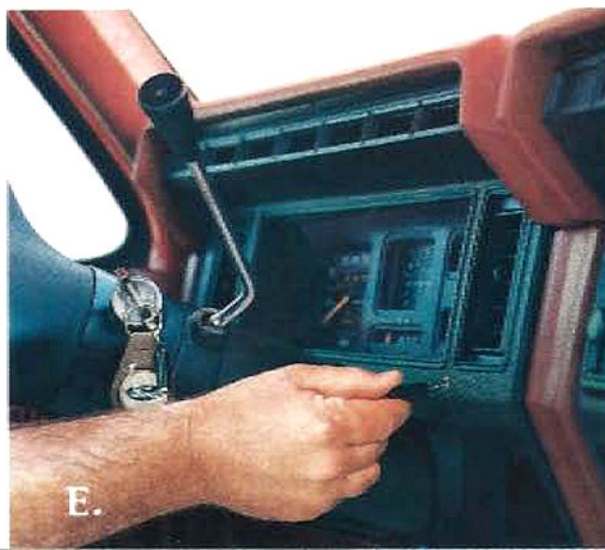

# Nothing left to chance...

**C. Tot-Guard Child Safety Seat.** Here's a cushion of safety to protect your toddler from quick stops and accidental impacts. This unique seat (for children who weigh 20-50 lbs.) is made of sturdy molded plastic with an impact-absorbing foam pad. The seat is held in place by the truck's standard seat belts. Available for all Ford light trucks and vans. *Tot-Guard Child Safety Seat. Base Part No.: 19E535. Sugg. retail price: \$60.44*

**D. Infant Safety Seat.** Protect the ones you love. The Infant Safety Seat is held securely by your truck's seat belt—while adjustable straps act as a restraint system to help protect babies up to 20 lbs. Available for all Ford light trucks and vans. *Infant Safety Seat. Base Part No.: 19E535. Sugg. retail price: \$36.45*

**E. F. Anti-Theft System.** No button sequence to remember here. Once your engine is turned off the alarm is automatically set and the engine cannot be started again until your individually coded key is inserted. (And with 196,885 code combinations, duplication is next to impossible.) A deluxe ultrasonic system is also available which blankets the vehicle interior with invisible waves for protection while pin switches protect the trunk and hood from unwanted entry. Intruders are greeted by a blaring horn. Available for all Ford light trucks and vans. *Anti-Theft System. Base Part No.: 19A361. Sugg. retail price: Late availability. Deluxe Ultrasonic System. Base Part No.: 19A361. Sugg. retail price: Late availability*

# Put on a tough edge...

**A. Bed Mat.** Made of tough Nyracord®, a rugged combination of virgin rubber and cord. Acts as a cushion between cargo and bed. Also protects the full length of your light truck bed from corrosion, dents or scratches. Raised ribs run the length of the mat making loading and unloading cargo easier, and they help keep cargo from shifting. The bottom of the bed mat has a knobby design permitting aeration and drying to prevent mildew and rust. Tailgate panel protects your tailgate the same way. Fits Ranger and F-Series light trucks. *Ford Bed Mat. Base Part No.: 99112A15. Sugg. retail price: \$109.95. Tailgate Panel. Base Part No.: 99402K19. Sugg. retail price: from \$34.95*

**B. Bed Liner.** Made of tough, high density polyethylene with strength of 3700 psi. Impact resistant to 125-ft. lbs./psi. Temperature tolerance to minus 90-degrees (F). Resistant to corrosion and chemical damage. Molded raised ribs aid drainage and make loading and unloading easy. It features a built-in tailgate panel too. Available in black or silver for Ranger and F-Series Pickups. Available with under-the-lip or over-the-lip feature. *Bed Liner. Base Part No.: 9900038. Sugg. retail price: from \$236.21*

## Looking good...

**C. Tubular Rear Bumper.** This double tube steel bumper features heavy-duty 3" diameter steel tubing for strength. And there's a built-in step for your convenience. A license plate bracket. A license plate light. And a built-in Class I trailer hitch. (Check your salesman for your vehicle's specific trailer towing capacity). Distinctive black powder coat finish assures long-lasting beauty. Trailer hitch ball not included. For Ranger and F-Series Styleside Pickup models. *Tubular Rear Bumper.* Base Part No.: 17906. Sugg. retail price: from \$139.77

## On guard...

**A. Brush Guard.** Heavy-duty construction features a welded crossbrace to keep underbrush from causing damage. Electrostatically applied, baked-on black powder coat finish. Available for Ranger and Bronco II two and four-wheel drive models, also F-Series, Bronco. *Brush Guard.* Base Part No.: 8308. Sugg. retail price: from \$67.45

**Grille Guard.** Designed to attach to, and match the Brush Guard (above). Heavy-duty construction features 3" crosstubes and  $\frac{5}{16}$ " steel sideplates that help protect the grille and radiator. Available for Ranger, Bronco II two and four-wheel drive models, also F-Series Pickup and Bronco. *Grille Guard.* Base Part No.: 8307. Sugg. retail price: from \$89.55. Requires *Brush Guard* (above) for mounting.

**Fog Lights.** The compact fog light design features a black housing with clear lenses for clear projection of light. Available for all Ford light trucks and vans. See page 15 for complete description.

**B. Rally Bar.** The 3" x .095" thick wall steel tubing is as hefty as it looks. The heavy-duty sandwich-design mounting gives added stability. And the tough black powder finish protects against scrapes and scratches. Available for Ranger, F-Series Styleside and Flareside Pickup models. *Rally Bar.* Base Part No.: 518K00. Sugg. retail price: from \$152.96

A.

B.

## Made in the shade

**C. Hood Deflector.** Resilient plastic strip deflects bugs, rain, and snow from your windshield. Protects your vehicle's finish from airborne sand and dirt. Available for Ranger, Bronco II, Aerostar, F-Series pickups, Bronco and Econoline . . . in Clear, Smoke, Red and Dark Blue. *Hood Deflector.* Base Part No. 16C900. Sugg. retail price: from \$45.29

**Electric Planetary Front Mount Winch.** Available in 6,000-lb. and 8,000-lb. models. With galvanized aircraft cable ( $\frac{1}{4}$ " x 100-ft. for the 6,000-lb. model:  $\frac{5}{16}$ " x 95-ft. for the 8,000-lb. model). 10-ft. remote control pendant with separate directional and operational switches. Permanent magnet motor (1.6-hp for the 6,000-lb. model: 1.85-hp for the 8,000-lb. model). Available for Ranger and F-Series Pickup models and Bronco II and Bronco. *Electric Planetary Front Mount Winch.* Base Part No.: 19E536. Sugg. retail price: from \$491.68. Requires Winch Mounting Kit. Base Part No.: 19F536. Sugg. retail price: from \$216.44. Also available: *Winch Cover*, Base Part No.: 19G536. Sugg. retail price: from \$19.80. And *Winch Accessory Kit*, Base Part No.: 19H536. Sugg. retail price: from \$80.09

**D. Louvers.** Looks sporty and shades you from the heat of the sun and the glare of lights on the road behind you at night. Helps protect upholstery from harmful ultraviolet rays. And the hinged design lets you swing the unit out for easy cleaning of both the louvers and the cab window. Available for Ranger and F-Series Pickup models. *Louvers.* Base Part No.: 44268. Sugg. retail price: from Late availability

## On-the-job protection...

**A. Ladder Rack.** This heavy-duty rack features square tubular steel construction with a 250-lb. load capacity. Leaves the bed completely open for carrying all the other tools. Available for Ranger and F-Series Pickup models. *Ladder Rack.* Base Part No.: 55200. Sugg. retail price: from \$269.36

**B. Rear Window Bed Grille Guard.** Rugged all-steel construction features a tubular frame that conforms to cab body lines and a sturdy steel mesh insert that helps protect the cab window against damage from shifting loads. Also includes mounting brackets for auxiliary lights. Available for Ranger and F-Series Pickup models. *Rear Window Bed Grille Guard.* Base Part No.: 40044. Sugg. retail price: from \$120.71

# Tools of your trade...

**C. Tool Box.** Everything you need on the job right where you need it. This crossover-design tool box features a rugged *steel frame* covered by heavy-duty polymer that resists dents and dirt. A lock helps ensure additional protection. Available in silver or black for Ranger and F-Series Pickup models. *Tool Box. Base Part No.: 46100. Sugg. retail price: from \$138.32*

**D. Tailgate Protector.** Now you can protect your pickup from the dents and scrapes that could lead to corrosion. Made of extruded aluminum for an exact fit over the tailgate lip. Bright-dipped to keep its good looks even after years of tough use in all kinds of weather. For Ranger and F-Series Pickup models. *Tailgate Protector. Base Part No.: 402K19. Sugg. retail price: \$17.83*

## A perfect team...

**A. B. Assist Handle.** Here's a smart-looking way to make cab entry and exit a lot easier. Constructed of heavy-duty aluminum for durability, this unit features an anodized finish that helps it resist the dulling effects of weather. For all Ford light truck and van models. *Assist Handle.* Base Part No.: 40346. Sugg. retail price: \$14.25

**C. Step.** A perfect teammate for the Assist Handle (above) to ease cab entry and exit. Step features round tube construction that blends smoothly into the lines of your vehicle. The diamond-design plate step surface provides solid footing in any weather. Available for all Ford light trucks and vans. *Step.* Base Part No.: 20092. Sugg. retail price: \$22.44

## Unexpected extras...

**D. Portable Air Compressor.** Take your own air anywhere with this compact compressor. Plug quickly into the cigarette lighter and comes with a 13.5-foot cord and sturdy carrying case. For pickup, van, bike and motorcycle tires, as well as sport balls and pool toys. *Portable Air Compressor.* Base Part No.: Late availability. Sugg. retail price: Late availability

**E. Rear Window Inner Louver.** This fully adjustable louver, available on Aerostar only, covers the entire inner surface of the rear window, permits full rear view visibility yet keeps heat and sunlight off of your passengers and cargo. The louver rotates to the closed position for complete privacy, hiding valuables and cargo. The slats are constructed out of aircraft aluminum and lift up for easy window cleaning and maintenance. Installation takes just a few minutes with common tools. This fine accessory lends a degree of elegance to your van because of the thin horizontally spaced lines without interrupting the actual styling lines of the vehicle. Available for Aerostar only. *Rear Window Inner Louver.* Base Part No. Late availability. Sugg. retail price: Late availability

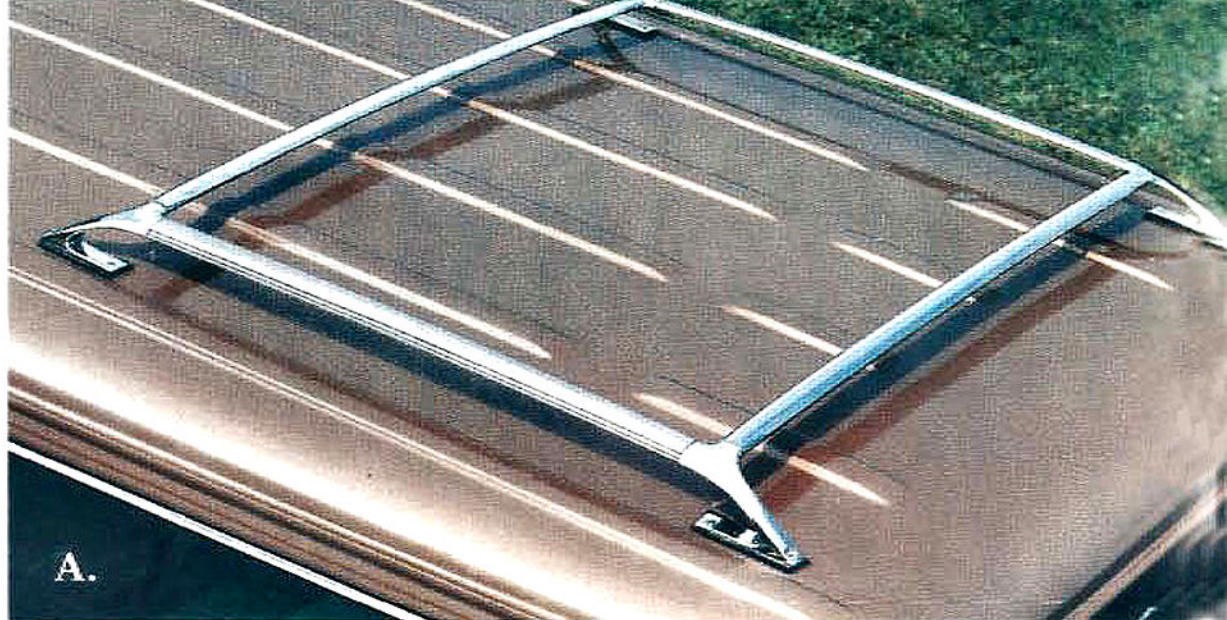

## Top it off...

**A. Econoline Sport Rails.** A whole new personality emerges when you add beautiful chrome Sport Rails to your Econoline van. High quality die-cast fittings. Available for Econoline vans. *Econoline Sport Rails.* Base Part No.: 55100. Sugg. retail price: \$113.95

**B. Bronco II Sport Rails and Four Seasons Adapter.** Here's year 'round convenience for the active family: a multi-purpose Sport Rail that mounts permanently on the roof of your Bronco II. There's a special black anodized aluminum adapter available to carry your skis, too. Ski Carrier Adapter holds up to four pairs of skis and poles. Sport Rail and Adapter must be ordered separately. Available for Bronco II only. *Sport Rail, Four Seasons Ski Carrier Adapter.* Base Part No.: 55100. Sugg. retail price: Sport Rail, from \$113.95; Four Seasons Ski Carrier Adapter, \$53.33

## Go with the flow...

**C. Bronco II Rear Air Deflector.** Sleek brushed aluminum air deflector mounts over your Bronco II's rear window and accents any color scheme or can be painted to match your truck. But there's more to it than just good looks. The aerodynamic design directs air flow over the rear window to carry away dust and dirt. *Bronco II Rear Air Deflector. Base Part No.: 9850860. Sugg. retail price: \$51.70*

**D. Aerostar Rear Air Deflector.** Keep the rear window clear of dust and dirt. And that's where this aerodynamically-styled air deflector comes in. Available to match most any body color. *Aerostar Rear Air Deflector. Base Part No.: 50860. Sugg. retail price: \$51.70*

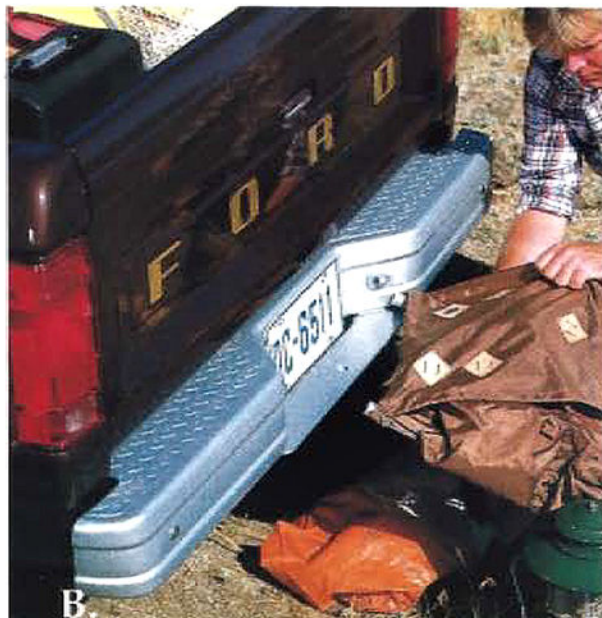

# Convenience and protection...

**A. Running Boards.** A bold, low look is easy to achieve with our bright aluminum Running Boards. They have built-in splash guards to help protect the body of your truck from stones, mud, tar, and road oil. And they're anodized—for superior corrosion resistance. Supports at the front, rear, and center assure secure mounting. Available for F-150/350, Bronco, Bronco II, Econoline vans, and Ranger. *Running Boards.* Base Part No.: 16450. Sugg. retail price: from \$120.60

**B. Rear Step Bumper.** Step right up, makes your gear easier to get at. Nonslip diamond tread surface. Gleaming chrome-plated, black or argent finish. Includes built-in trailer hitch. Contact your salesman for complete details. Available for F-150/350, Ranger, Bronco and Econoline vans. *Rear Step Bumper.* Base Part No.: 17906. Sugg. retail price: from \$95.35 (Plus attaching hardware, if required.)

**C. Bumper Guards.** Built to take it. Handsome chrome-plated steel with tough black Surlyn inserts to absorb impacts, protect bumper and grille. Easy to install. For all Ford light trucks and vans. *Bumper Guards.* Base Part No.: 17996. Sugg. retail price: from \$46.30

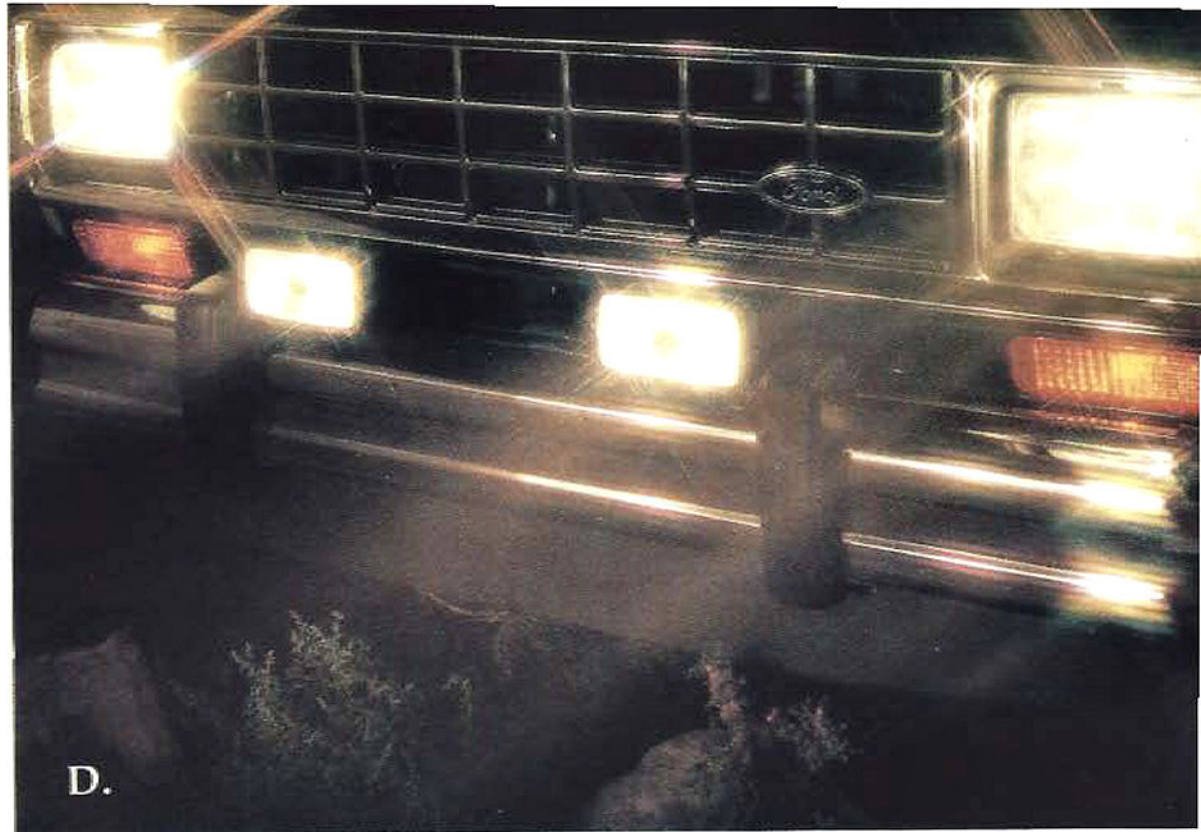

**Tow Hooks.** Winch yourself out of tight spots or handle extra heavy towing with a pair of heavy-duty forged steel Tow Hooks. They bolt to the frame for extra strength. Available for F-150 (with 4-wheel drive), Bronco and Bronco II. *Tow Hooks.* Base Part No.: 17N808. Sugg. retail price:

# Illuminating style...

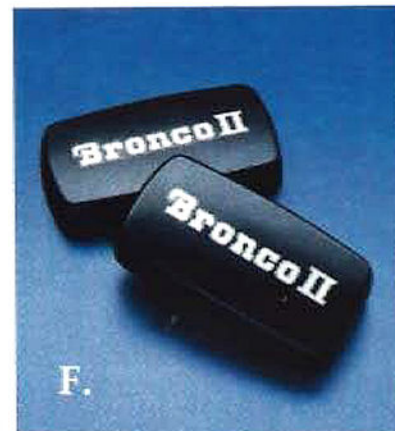

*D. E. F. G. Fog Lights.* Stay on course through foggy, rainy or snowy nights with these high-powered quartz halogen Fog Lights. Removable plastic lense shields. Kit includes logos for Ranger, Bronco, Bronco II or Ford oval. (Marchal kit features Ford oval). For all Ford light trucks and vans. Fog Lights. Base Part No.: 15200. Sugg. retail price: from \$73.33

G.

## Keep it cool...

*A. Portable Refrigerator/Warmer.* Forget the ice. This 1.2 cu.ft. capacity carryall cools to approximately 32 degrees. Or, flip a switch and warm things up to 125-degrees. Comes complete with 9-ft. power cord that plugs into your cigarette lighter and draws only 4 amps current. Sturdy. Easy to clean. Available for all Ford light trucks and vans. *Portable Refrigerator/Warmer* holds up to 48 12-oz. cans. Base Part No.: 19A050. Sugg. retail price: \$224.97 Optional 12-V A/C adapter available. Base Part No.: 19A051. Sugg. retail price: \$58.29

# Drive in comfort...

**B. C. Auxiliary Temperature Control.** Dealer installed genuine Ford Air Conditioning/Heater provides the same comfort, performance and appearance as factory-installed systems and is covered by a 12-month unlimited mileage limited warranty. Available for all Ford light trucks and vans. Rear Auxiliary Air Conditioner/Heater unit for Econoline vans or Bronco Auxiliary Air Conditioning/Heater. Both operate with dealer or factory-installed systems. Available for vans. Dealer installed genuine Ford Air Conditioning/Heater. See or call our parts manager for complete application and pricing information.

# Add a sporty look...

**A. B. Tape Stripes.** The accent's on action when you highlight the rugged good looks of your Bronco II and Ranger with custom Tape Stripes. This easy-to-do-it-yourself excitement kit has preassembled stripe sections with peel-off pressure sensitive adhesive backing. A transparent cover sheet protects your design until you're sure it's placed right where you want it. Then all you do is peel away the cover to reveal a permanent, weather-resistant creation. Available in four different kits for Bronco II: upper body stripes, middle body stripes, lower body stripes and hood decal. Ranger stripes are available in three different kits: upper body, lower body and hood stripes. A variety of color combinations to choose from. *Tape Striping.*

## *Body Side Stripes:*

Base Part No.: 20000.

Sugg. retail price: from \$32.00

## *Hood Stripes:*

Base Part No.: 16B906

Sugg. retail price: \$32.00

## **C. Aerostar Tape Stripe.** (see photo page 20)

Accent the smooth flowing aerodynamic lines of your Aerostar with these dual-color tape stripes that include "AEROSTAR" lettering on the hood. Sharp. Distinctive. Weather-resistant. *Aerostar Tape Stripes.* Base Part No.: 20000. Sugg. retail price: \$88.48

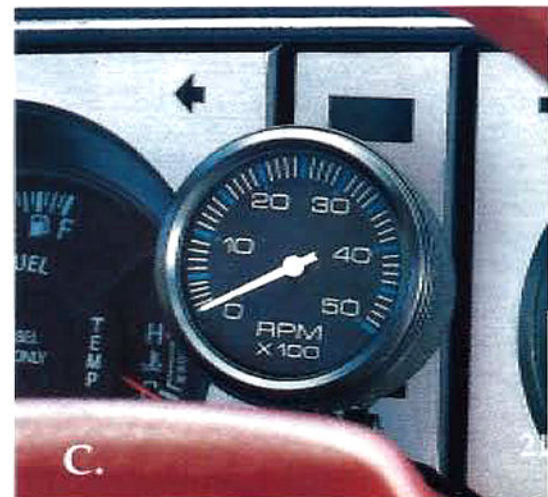

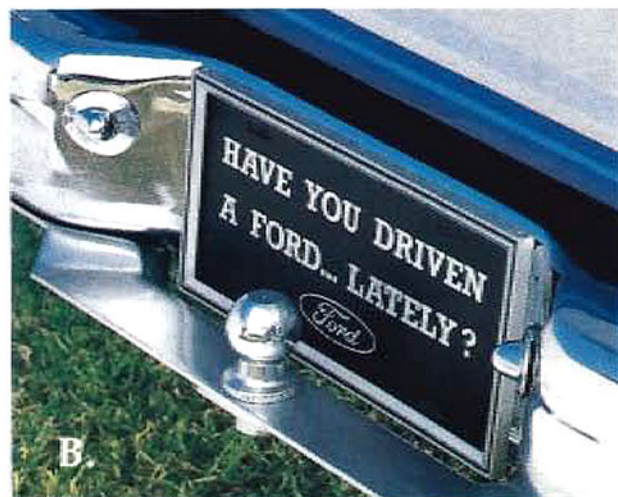

# Add a travel companion...

**A. UT-740 Utility Trailer.** Here's the perfect traveling companion. With 40 cubic ft. of extra carrying capacity, and an enclosed payload of 700 pounds, it's perfect for your recreational and utility towing requirements. Aerodynamically styled for easier towing. Its all steel construction is designed for maximum strength. For all Ford light trucks and vans equipped to tow 1,000 GVWR. Additional accessories are available. *Utility Trailer.* Base Part No.: 19A403. Sugg. retail price: \$869.85

**B. Trailer Hitch.** Designed for use with standard rear bumper. Hitch is rated Class I with a 2,000 lb. towing capacity. Tongue weight is rated at 200 lbs. Comes in standard argent color to match standard rear bumper, but can be painted if desired. Kit includes 1-7/8 inch hitch ball. For 1986 Bronco II and Aerostar (hitch ball not included) only, equipped with standard rear bumper. *Trailer Hitch.* Base Part No.: 19D520. Sugg. retail price: \$75.00

**C. Diesel Tachometer.** Allows you to read optimum engine rpm's for shifting, to help fuel economy. Tachometer has a black wrinkle finish with pivoting base. Installation kit includes a black nylon strap which fastens tachometer to steering column. For F-250, F-350, Econoline, Ranger and Bronco II—must be equipped with 2.0L, 2.4L or 6.9L diesel engine. *Diesel Tachometer.* Base Part No.: 17A326. Sugg. retail price: \$95.73

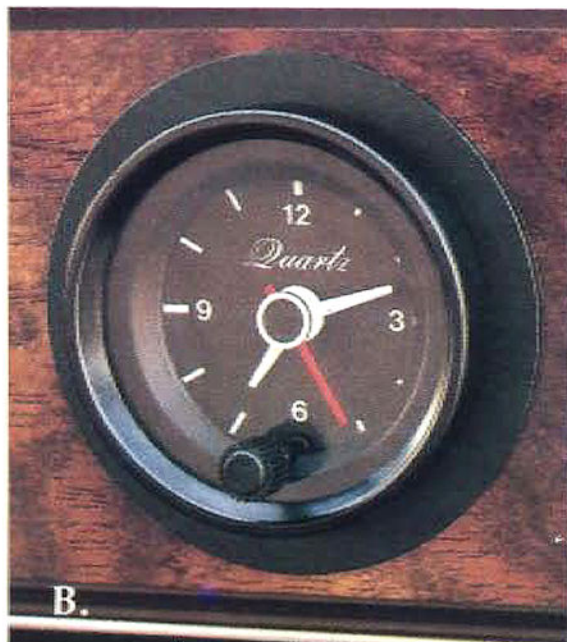

## Timely touches...

**A. Aerostar Electronic Digital Clock.** This electronically sophisticated timepiece features a stopwatch function, a quartz-crystal time base and an easy-to-read four-digit display. Accurate to within two seconds a day. *Aerostar Electronic Digital Clock.* Base Part No.: 15A000. Sugg. retail price: \$85.67

**B. Analog Clock.** Truly a superior analog timepiece, features quartz crystal movement, easy-to-read numerals, sweep second hand. Illuminated for night driving. Mounts in dash. For Bronco II, Ranger and Econoline vans. *Analog Clock.* Base Part No.: 15A000. Sugg. retail price: from \$39.55

**C. Deluxe Digital Clock.** Get up-to-the minute information: current time, time elapsed during your trip, and date. Available for F-150/350 and Bronco. *Deluxe Digital Clock.* Base Part No.: 15A000. Sugg. retail price: \$91.50

## Add that personal touch...

**D. Van Cassetter®.** Now you can have your favorite cassette tapes at your fingertips. Up to 14 of them. Unique storage case features illuminated tape bin and dual cup holders. Special leaf spring suspension design eliminates annoying cassette rattle. Installs securely on the engine cover. Available in red, blue, tan and black. Available for all Ford light trucks and vans. *Van Cassetter®.* Base Part No.: 19A089. Sugg. retail price: \$69.95

**E. Cassetter®.** The ultimate under-dash storage system to organize, protect and allow easy access to your cassette tapes. An illumination system in the cover lights automatically when the cover is opened. High visibility labels included. The storage compartment is spring-loaded to prevent tape rattle and provide convenient 2-finger access to tapes. Comes in black finish. Easily installed in most Ford light trucks and vans (passenger legroom is reduced). *Cassetter®.* Base Part No.: 19A089. Sugg. retail price: \$52.20

**F. Custom-Fitted Sheepskins.** Genuine sheepskins keep you warm in winter, cool and dry in summer. Carefully cut and sewn for a glove-like fit on bucket seats in Ranger and Bronco II. In Natural or Gray. *Custom-Fitted Sheepskins.* Base Part No.: 98629. Sugg. retail price: from \$299.60/pair

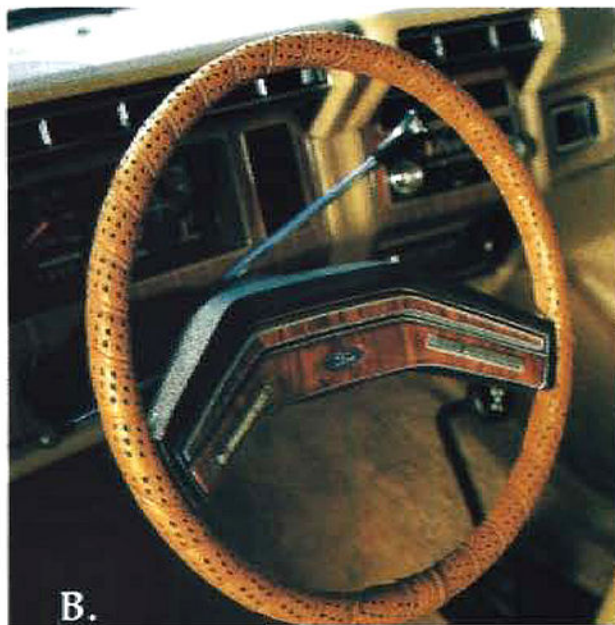

# Practical luxuries...

**A. Ford Command Cruise Control.** Long trips seem shorter, less tiring. Unlike other units, its microcomputer automatically adjusts and maintains the speed you desire. For safety reasons, the cruise control unit will disengage when either the brake or clutch pedal (manual transmission) is pushed. To return to previous speed, press "Resume." Unit does not clip on but completely replaces existing turn signal control lever. For all Ford light trucks and vans. *Ford Command Cruise Control.* Base Part No.: 9A818. Sugg. retail price: \$143.71

**B. Steering Wheel Cover.** You'll think it's leather—but it's durable vinyl in black, blue, green, red, tan, or silver. For all Ford light trucks and vans. *Steering Wheel Cover.* Base Part No.: 3L600. Sugg. retail price: \$6.00

**C. Starter Cord.** Simply plug one end into the disabled truck's cigarette lighter socket and the other end into the cigarette lighter socket of a running truck. Charging begins when charging vehicle is started. Charging time before start-up depends on condition of battery being charged and ambient temperature conditions. This unit works best on batteries that are only lightly discharged. Charging time will vary from 5 to 30 minutes or more. Incorporates an in-line fuse to protect charging systems of both trucks. Not recommended for commercial use. *Starter Cord.* Base Part No.: 10N717A. Sugg. retail price: \$15.62

## A clear advantage...

*D. Rear Deck Cargo Lamp.* The bright quartz halogen bulb helps make night-time loading and unloading a lot easier. Made of sturdy, weather-resistant plastic. Easy installation: just mount the lamp on the cab, above the rear window—and connect it to your truck's electrical system. Available for F-150/350 and Ranger. *Rear Deck Cargo Lamp.* Base Part No.: 15550. Sugg. retail price: from \$32.60

*E. Rear Window Defroster.* With a new, improved switch design, the handsome control enhances the instrument panel and glows red when the defroster is in operation. The copper/nickel elements provide full coverage to help keep the rear window free of vision-hampering condensation. Available for Ford Ranger and F-150/350 light trucks. *Rear Window Defroster.* Base Part No.: 15550. Sugg. retail price: \$36.95

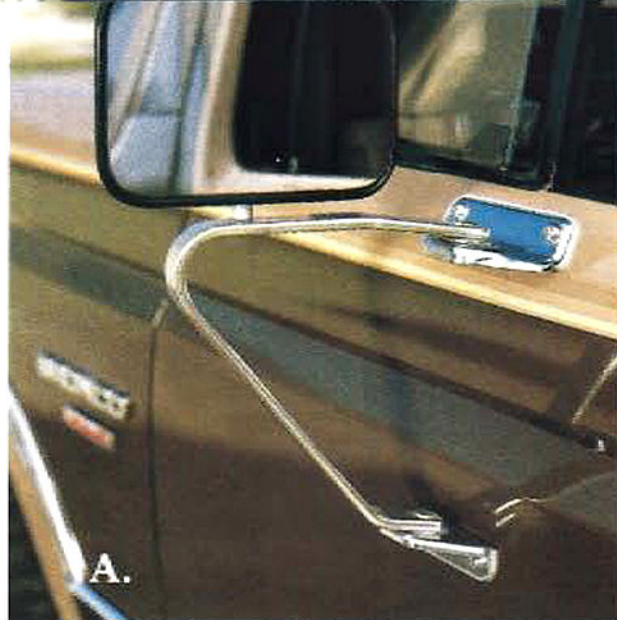

# Good reflections...

**A. Swing-Lock Low Profile Mirror.** Swings in to help you navigate close clearances. Then swings out again for excellent rear vision. Aerodynamic mirror head also available. Made for F-150/350, Bronco, Bronco II, Ranger, Econoline vans. *Swing-Lock Low Profile Mirror.* Base Part No.: 17696. Sugg. retail price: from \$39.87

**B. Visor Vanity Mirror.** It's easy to see why passengers like it. Mounts securely to the underside of the visor with strong adhesive. Better get one for the driver's side, too. Available for all Ford light trucks and vans. *Visor Vanity Mirror.* Base Part No.: 17A679. Sugg. retail price: \$5.10

**C. Goose-Neck Recreational Mirror.** This goose-neck design gives you a wide reach for a clear view when towing your camper or boat. Available for F-150/350, Bronco and Econoline vans. *Goose-Neck Recreational Mirror.* Base Part No.: 17696. Sugg. retail price: \$54.47

**D. Panoramic Stick-On Mirror.** Minimize blind spots with these wide-angle Stick-On Mirrors. Easy to apply: the weather-resistant adhesive backing attaches to your regular mirror. Sizes: 2", 3", or 3 3/4". A 5" size features a clamp-on attachment. Available for all Ford light trucks and vans. *Panoramic Stick-On Mirror.* Base Part No.: 17696. Sugg. retail price: from \$7.00

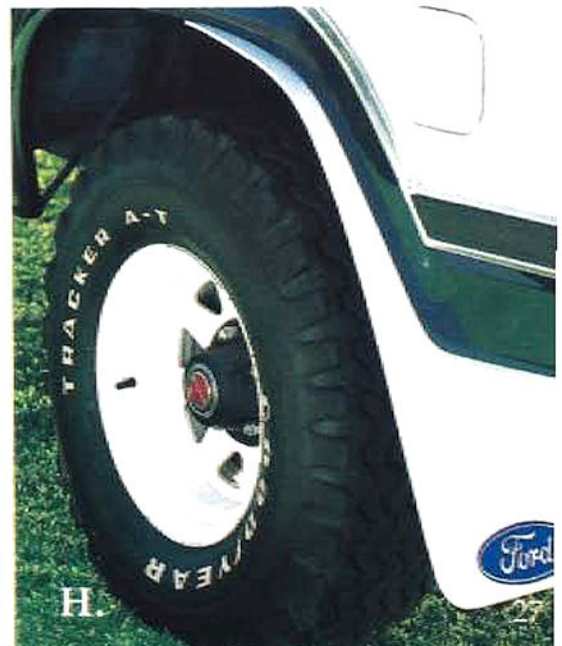

# Power, ease and protection...

**E. Dual Air Horns.** Powerful enough to be heard over most other traffic noises. Available for F-150/350, Bronco, Bronco II, Ranger and Econoline vans. *Dual Air Horns.* Base Part No.: 13800. Sugg. retail price: from \$31.15 (for trucks equipped with air brakes) \$147.60 (for trucks without air brakes).

**F. Glide-Out Step.** For easier entry and exit. Open the door, the step glides out, then slides back out of sight as the door is closed. Perforated steel surface provides sure footing. Available for F-150/350 and Bronco. *Glide-Out Step.* Base Part No.: 20092. Sugg. retail price: \$40.00

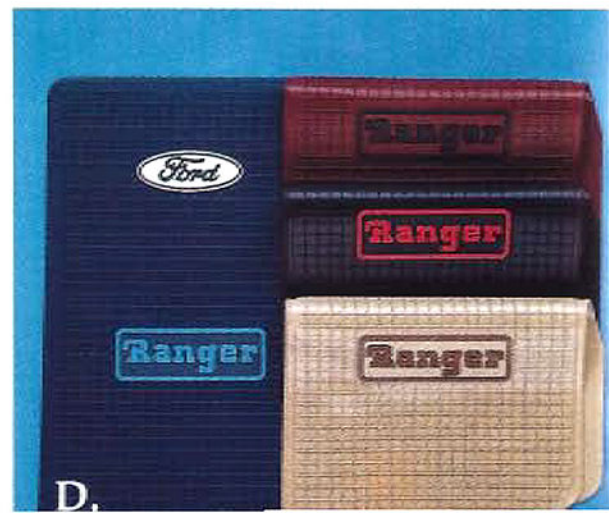

**G. H. Wheel Splash Guards.** We'll help you fight some of your truck's or van's greatest enemies: dirt, salt, and gravel. Our Wheel Splash Guards deflect debris away from your light truck or van—to help stop rust before it has a chance to start. There's a full selection of styles in durable polyethylene or standard rubber. For all Ford light trucks, vans and Aerostar. Custom logo treatment available for Ranger and Bronco II. *Wheel Splash Guards.* Base Part No.: 16A550. Sugg. retail price: from \$12.33

# Protect your purchase...

**A. B. C. D. Floor Mats.** Beauty at your feet. Ford Floor Mats are made with a nonslip backing to help them stay exactly where you want them. And they're styled and cut to fit your Ranger, Bronco II and Aerostar. Colors that are keyed to your vehicle's interior. Choose from two great-looking styles: luxurious carpet with distinctive logo and simulated leather stitched borders for your Ranger, or the practical beauty of long-wearing vinyl with contrasting logos. For Ranger and Bronco II. Matching rear vinyl mats for Bronco II. Floor Mats. Base Part No.: 13086. Sugg. retail price per pair: \$23.00 (Carpet floor mat); \$21.60 front and \$13.10 rear (Vinyl floor mat)

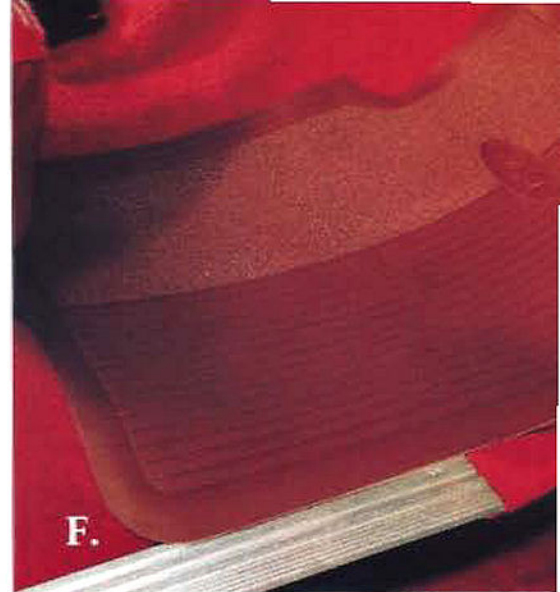

# Keep it looking new...

**E. F. Full-Width Rubber Floor Mats.** Door-to-door protection for your truck's floor. Our Full-Width Rubber Floor Mats have the stamina to take whatever you dish out: everything from muddy boots to fishing gear and tools. Just wipe the mats clean, and they'll look great for years. Shaped to the contour of your floor—for a flawless fit. Cut lines are provided so that the full width may be divided into twin mats. And the price is surprisingly economical. Four high-style colors to choose from: black, brown, blue, or red. Available for F-150/350 and Bronco. *Full-Width Rubber Floor Mats.* Base Part No.: 13086. Sugg. retail price: \$21.50

**G. Carpeted Van Floor Mats.** The inside story here is on the floor: twin Carpeted Van Floor Mats. They form an exact fit with your front floor—covering both wheelhouses beautifully. And a ribbed nonslip backing keeps them firmly in place. Color-matched to your van's interior. Available for Econoline vans. *Carpeted Van Floor Mats.* Base Part No.: 13086. Sugg. retail price: \$32.65

# Quality custom features...

**A. Sliding Rear Window.** What a handy idea! A completely weather-tight Rear Window that slides open for extra ventilation and convenience. There's a weather-strip in the window channel—to keep water out. If you have a camper, you'll really appreciate having this pass-through opening from the cab to the camper body. Available for F-150/350 and Ranger. *Sliding Rear Window.* Base Part No.: 422B30. Sugg. retail price: from \$103.65

**B. Pickup Box Rails.** Functional good looks for your Ranger or F-150/350 Styleside pick-up. A pair of aluminum Box Rails add an eye-catching accent while providing a convenient anchor for tying down cargo or attaching tarpaulins. Very easy to install. Metal posts fit existing stake holes. Rails supported at both ends as well as the center for extra strength. 6' and 7' lengths available in black or chrome for Ranger. 6' and 8' lengths available in chrome for F-150/350. *Pick-up Box Rails.* Base Part No.: 32230. Sugg. retail price: from \$100.80

## Store it with style...

**C. Deluxe In-Cab Rifle Safe.** Right on target for your hunting rifles: a steel storage safe that's permanently bolted behind the seat of your truck. There's a piano-hinged door and a 3-way deadbolt locking mechanism for security. And to protect your delicate scopes and stocks, there's a padded lining of plush fabric. Measures 54" wide x 6" deep x 15½" high (that's big enough for at least three rifles or shotguns). Complies with state laws requiring locked storage in vehicles. Available for F-150/350 trucks with tilt-forward seats (can't be used where there's an in-cab fuel tank). *Deluxe In-Cab Rifle Safe. Base Part No.: 46100. Sugg. retail price: \$189.33*

**D. Cab Storage Organizer.** Keep your valuables safe and out of sight in this sturdy cab storage organizer. Ideal for cameras, fishing rods, small sports equipment—*anything* you value and want to protect. The closed portion locks up tight, yet opens wide for easy access. There's an open bin on each end, plus a long top shelf—for open storage. Easy to install (all mounting hardware is included, can't be used where there's an in-cab fuel tank). Available for F-150/350 trucks with tilt seat. *Cab Storage Organizer. Base Part No.: 46100. Sugg. retail price: \$97.33*

## Be prepared...

**A. B. Multi-Purpose Spotlight.** A powerful light in the palm of your hand. Features a bright quartz halogen beam powered by your truck's battery. 8-ft. cord plugs into truck's cigarette lighter. Lens cover serves as a light stand. For all Ford light trucks and vans. *Multi-Purpose Spotlight.* Base Part No.: 15312. Sugg. retail price: \$27.81

**C. Engine Block Heater.** Permanently installs in your truck's engine, then plugs into any 110 volt outlet. It keeps engine coolant circulating and warm. Result? Faster winter starts with less battery drain. For all Ford light trucks and vans. *Engine Block Heater.* Base Part No.: 6D008. Sugg. retail price: from \$23.15

**D. Window Vent Shades.** Keep rain out, fresh air in and reduce window fogging. Bright stainless steel outside, but inside they're painted black to lessen glare. For all Ford light trucks and vans. *Window Vent Shades.* Base Part No.: 18246. Sugg. retail price: from \$15.96

## Wrap it up in style...

**E. Spare Tire Carrier And Cover.** Your van seems roomier the minute you mount the spare tire out of the way—on the rear door. Then, for a neater, more finished look—there's a long-life cover made of tough, reinforced vinyl. Available for Econoline vans. *Spare Tire Carrier.* Base Part No.: 1440. *Spare Tire Cover.* Base Part No.: 45026. Sugg. retail price: \$42.70 (Carrier) \$44.00 (Cover)

**F. Ranger Box Tire Carrier And Cover.** Right where you need it, when you need it. Now you can mount your Ranger's spare tire on the inside of the pick-up box—where it'll be easier to get at. A built-in heavy duty lock keeps your spare secure, while a custom vinyl cover (imprinted with the Ford oval) protects it from the weather. Available for Ranger. *Ranger Box Tire Carrier.* Base Part No.: 1440. *Ranger Box Tire Cover.* Base Part No.: 45026. Sugg. retail price: \$61.33 (Carrier) \$44.00 (Cover)

**G. Tonneau Cover.** Protect cargo from wind, rain and road grime. When you're ready to use it, just snap it to the sides and tailgate. To store, simply roll it up and secure it at the front of the box. Made of rugged, weather resistant vinyl. Available in white or black for Ranger only. *Tonneau Cover.* Base Part No.: 501A42. Sugg. retail price: from \$151.87

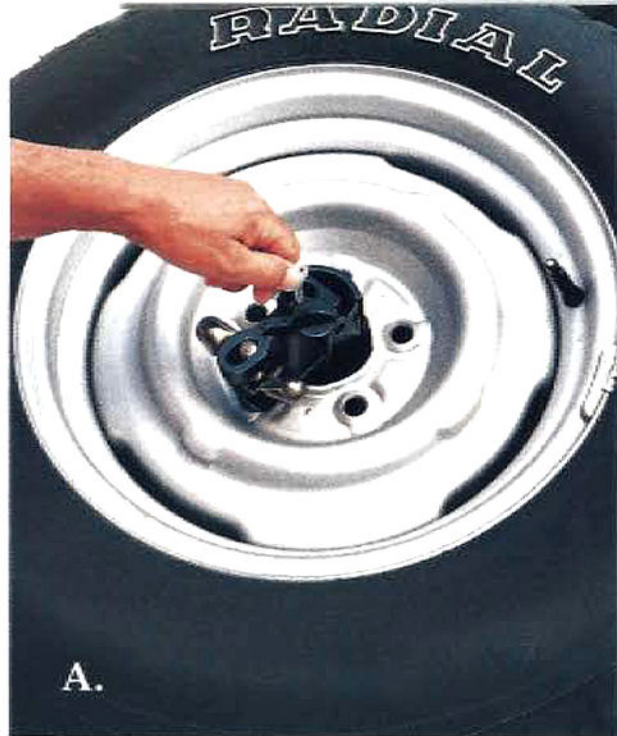

# Your keys to protection...

**A. Spare Tire Lock.** Your valuable spare tire can't "walk away" when it's locked securely in place. And our Spare Tire Lock won't open without a special key. Installation is only a matter of removing the wing nut on your spare tire mount—and attaching the lock. Available for all Ford light trucks and vans. *Spare Tire Lock.* Base Part No.: 1386. Sugg. retail price: from \$13.11

**B. Wheel Protector Lock.** Just one locknut per wheel protects both wheels and tires—but when necessary, each chrome-plated solid steel locknut can be quickly removed with its specially designed key. No moving parts, so the lock can't be picked, nor will it ever jam or corrode. Four locknuts and one key per package. Available for F-150/350, Bronco, Bronco II, Ranger and Econoline van E-100/150. *Wheel Protector Lock.* Base Part No.: 1A043. Sugg. retail price: \$25.24

**C. D. Fuel Protector Lock.** A Fuel Protector Lock that won't pull off, pry off, or twist off. Yet you'll have no problem unlocking it with your own personal key. The Fuel Protector Lock inserts into the "unleaded fuel" restrictor of the tank filler pipe, under the regular gas cap. Available for all Ford light trucks except Econoline, Ranger and Bronco II. *Fuel Protector Lock.* Base Part No.: 9030. Sugg. retail price: \$7.40

## On guard...

**E. Body Side Moldings.** Two benefits for the price of one: you can help protect your truck's paint against dents, dings, scratches, and parking lot scrapes—while at the same time creating a high style customized appearance. Body side moldings are installed via a self-adhesive backing that stays firmly in place in any weather. Available for F-150/350, Ranger, Bronco and Bronco II. *Body Side Moldings.* Base Part No.: 21048. Sugg. retail price: from \$49.44

**F. License Plate Frame.** Every detail counts. Your whole truck tends to look nicer when your license plates are attractively bordered. Available in chrome or argent finish. Easy to install. For all Ford light trucks and vans. *License Plate Frame.* Base Part No.: 17A387. Sugg. retail price: from \$5.85

**G. Door Edge Guards.** You'll have an edge when it comes to beauty—if you install our bright metal Door Edge Guards. They act as a buffer between your truck's finish and all those potential nicks and dings. Installation is no more than slipping guards onto the edge of your door. Designed to fit the contour of all Ford light trucks and vans. *Door Edge Guards.* Base Part No.: 20910. Sugg. retail price: from \$9.95

# Bring out the best...

To keep your new light truck or van looking and running its best, insist on genuine Ford Motor Company truck care chemicals. You can be sure they will enhance the performance and beauty of your vehicle, because they've been approved specifically for use on Ford light trucks and vans.
