

# 05 WAVE

PONTIAC  BUILT FOR DRIVERS

## THE 05 PONTIAC WAVE.

Pontiac Wave 5-door, shown in Sunset Orange; Pontiac Wave Sedan, shown in Dove Silver.

## ZIP TO IT.

**WHEN PONTIAC DEVELOPED ITS NEW SMALL CAR,** the logical question was: what gives? Would it be a truly sporty Pontiac or would it be simply affordable? Or – how about both? One glance at the bold profile, one look at the low sticker price, one lap zipping around the neighbourhood and the answer becomes crystal clear.

The new 2005 Pontiac Wave is a different type of small car, built for a different type of small car driver. People who really care about a car's design and performance. That shouldn't be too much to ask. Neither is outstanding fuel efficiency or a no-deductible five-year/100,000 km Extended Powertrain Warranty.\* The long wait is over – the Pontiac of small cars has arrived. For where you are and where you're going, it couldn't have come at a better time. Pontiac Wave Sedan and Wave 5-door. Built for Drivers.

Ask your sales consultant if you may qualify for up to \$1000 off a new Wave through the GM Graduate Program.† To find more information about Pontiac Wave, visit [gmcanada.com](http://gmcanada.com)

\*Whichever comes first.

†Conditions and limitations apply.

## WAVE 5-DOOR EXTERIOR

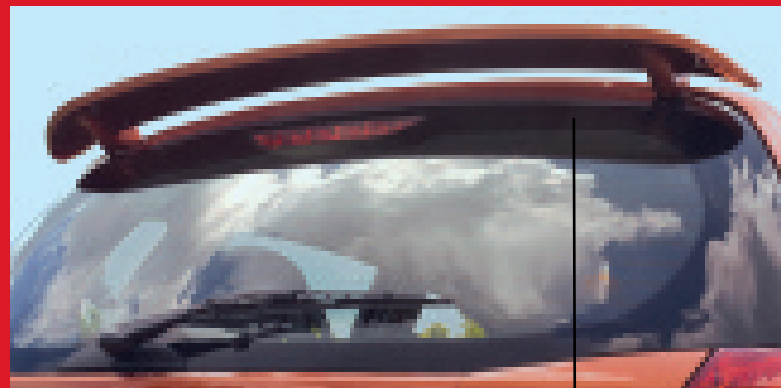

Wave 5-door, shown in Sunset Orange.

## A FLAIR FOR LIFE.

**DON'T LET WHAT YOU DRIVE CRAMP YOUR STYLE.** Choosing Wave 5-door will make sure of that. It combines the utility of five doors with up to 1190 L (42 cu. ft.) of useful storage space. And that impressive functionality comes with qualities that are simply irresistible: a flair for style and a feel for the road. How can such a practical form of driving be so much fun?

The front fog lights don't only look cool – they also help you see and be seen down the road in bad weather. Standard on Wave 5-door.

Another sporty detail on Wave 5-door is provided by the available rear spoiler that integrates with the rear liftgate.

WAVE SEDAN EXTERIOR

Wave Sedan, shown in Dove Silver.

# AUTHENTICALLY SPORTY. LEGITIMATELY AFFORDABLE.

**THINK OF A SEDAN WITH SPORTY LINES AND ROAD MANNERS TO MATCH.** Factor in credentials like a lively dual overhead cam four-cylinder engine, a slick-shifting five-speed manual transmission and a MacPherson independent front strut suspension system. Think a car like this requires a premium sticker price? Think again. The legitimately affordable Pontiac Wave Sedan.

Wave Sedan's contours are seamless – notice how the jewel-like tail lights blend into the rear bumper and rear body panels.

European-style side repeater lights add a sophisticated accent.

The available automatic transmission includes a Hold Control™ mode. It provides the ability to select a gear, much like a manual, for more controlled acceleration, helping to reduce wheelspin on slippery surfaces.

# INTERIOR

Wave 5-door cloth interior, shown in Graphite.

## PLAY ON.

**THIS INTERIOR'S GOT GAME.** As a Pontiac, Wave's design has a unified sense of purpose. This not only defines the style, but also the way a driver feels. While the bucket seats hold you firmly in position, the tilt adjustable steering column allows you to take a comfortable grip of the wheel. When you're ready to go, play some of your favourite tunes on the available MP3 player. Game on.

The feel of the steering wheel. The silver accents around the gauges. The placement of the controls. There's no question – Wave is the small Pontiac that's Built for Drivers.

Listen to this – Wave base models are equipped with a four-speaker AM/FM stereo. A CD player is included on up-level models. An MP3 player and a premium six-speaker sound system are both available.

It's not only the standard five-speed manual transmission that feels sporty: the available automatic transmission features a gated shifter.

## NOW THAT'S CLEVER.

**DO A JOB RIGHT OR DON'T DO IT ALL.** That's the driving philosophy behind Wave – and every other Pontiac. Just because Wave sports the lowest sticker price in the lineup doesn't mean its design process was any less rigorous. If a vehicle has the Pontiac name on it, you can count on the fact that it also has a full complement of thoughtful and clever features. And we're confident you'll put them to good use.

Increase Wave's sun and fun factor with the available power sunroof.

## WAVE FEATURES

**ALUMINUM**

Up-level Wave models include the enhanced convenience and security of a standard remote keyless entry system.

# THOUGH

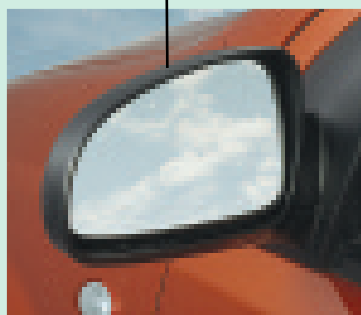

The available 14-in. aluminum alloy wheels add another touch of sportiness.

## SPLIT-FOLDING

Wave Sedans feature a 60/40 split-folding rear seat that increases the interior's flexibility to handle both passengers and cargo.

Do heated power remote exterior mirrors sound like a luxury feature? They're standard on all up-level Wave models.

Open the rear liftgate on Wave 5-door. Use the flip-and-fold rear seats to maximize your loading options, with 1190 L (42.0 cu. ft.) of cargo capacity.

A rear-window wiper and washer are included on all Wave 5-door models.

CONVENIENCE/VERSATILITY

# HTFUL

# AND NOW THE DETAILS.

## TECHNOLOGY

**YOU'VE ALREADY GOT A GOOD HANDLE ON WHAT WAVE IS ALL ABOUT.** Ready to dig a little deeper? Let's start with a very solid foundation – Wave's rigid steel safety cage. It's just one of a long series of features that

point to the quality and durability of the engineering. You can read about some of these technical highlights here. But for the total Wave experience, we suggest you be even more thorough – take one for a test drive.

# GET YOU GOING.

## WAVE'S DUAL OVERHEAD CAM 1.6L FOUR-CYLINDER ENGINE

doesn't only produce 103 horsepower and outstanding fuel efficiency. It also produces something a little less tangible: enthusiasm – because you don't look at a car simply as a way of getting around. You want to experience a level of excitement that really gets you going.

Wave's in-line four-cylinder engine employs a dual overhead cam configuration and multi-port fuel injection to optimize both power output and fuel economy.

**EFFICIENT**

### 1. SUSPENSION SYSTEMS

The MacPherson strut independent front suspension and torsion beam rear suspension combine to offer excellent ride and handling characteristics.

### 2. AVAILABLE ABS BRAKES

Power-assisted front disc brakes and rear drum brakes are standard. A four-wheel anti-lock braking system (ABS) helps you maintain steering control during hard-braking situations. ABS is available on all models.

### 3. APPEARANCE PACKAGE

The available Appearance Package features 14-in. aluminum alloy wheels and mud guards. Wave Sedan models add fog lights with the package. Wave 5-door models add a rear spoiler.

### 4. SPACIOUS TRUNK

Wave Sedan offers a surprisingly generous 330 L (11.7 cu. ft.) of cargo space in the trunk. Loading and unloading are made easier and more convenient by the low sill height and a remote trunk release.

### 5. HEAVY-DUTY EXHAUST SYSTEM

Since road salt seems to be standard equipment on many Canadian roads, Wave's exhaust system is built using heavy-duty, corrosion-resistant stainless steel components.

### 6. SAFETY CAGE BODY CONSTRUCTION

Wave offers serious occupant protection, thanks to a reinforced-steel safety cage that surrounds the passenger compartment, in addition to steel side-guard door beams.

**TECHNOLOGY**

## REINFORCING YOUR IMPRESSION.

ONCE YOU ACQUAINT YOURSELF WITH THE NEW WAVE, we're confident it will make a very favourable impression. That will be reinforced by the fact Wave has a full complement of safety features, starting with a rigid steel safety cage that surrounds the entire passenger compartment. The protection is further enhanced by front and rear crush zones. Pontiac Wave – an all round well-engineered car.

SAFETY

# PROTECTION

# IT'S NOT JUST ANY DRIVER'S CAR.

Start with a vehicle as unique as Wave. Then go one step further and reflect exactly who you are, with the addition of GM Accessories. They are the only accessories that are integrated into the process of designing your vehicle, ensuring excellent fit, finish and functionality. And only GM Accessories are backed by GM's 3-year/60,000 km TOTAL™ Warranty.\* They can also be included in your new-vehicle lease or finance agreement through GMAC. Ask your dealer for a complete list of the GM Accessories available for Wave or visit [gmcanada.com](http://gmcanada.com)

\*Whichever comes first, when permanently installed by the dealer at the time you purchase or lease your new vehicle.

GM Accessories available for Wave include:

- Splash guards
- Moulded hood protector
- Front end cover
- Roof-mounted ski or bicycle carriers
- Side-window weather deflectors
- Sunroof wind deflector.

### A word about this brochure

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Pontiac dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

### Privacy Statement

At General Motors of Canada Limited ("GM Canada") we respect your privacy and value our relationship with you. Your personal information will be protected, will never be sold, and will be used only by GM Canada, our affiliates, dealers/retailers, and service suppliers (only to provide services). If you wish to be removed from GM Canada marketing communications; would like to limit only certain marketing communications from us; would like a listing of our specific uses or further information about those with whom your information is shared; or for further information about our Privacy Policy and practices, please contact us at 1-800-GM-DRIVE (1-800-463-7483) or through our Web site at gmcanada.com

### A word about assembly

Pontiacs are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Pontiacs. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

### Trademarks

The marks appearing in this Pontiac Wave brochure including, but not limited to: General Motors, GM, the GM emblem, the GM Canada Web site address, the GM Accessories logo, Pontiac, the Pontiac emblem, Built for Drivers, Aztek, Bonneville, G6, Grand Am, Grand Prix, Montana, Montana SV6, Pursuit, Sunfire, Vibe, Wave and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Hold Control, SMARTLEASE and TOTAL Warranty are trademarks of General Motors Corporation and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.

**AZTEK BONNEVILLE GRAND AM GRAND PRIX G6 MONTANA MONTANA SV6 PURSUIT SUNFIRE VIBE WAVE**

**HOW DO YOU DESIGN AND BUILD VEHICLES** to respond precisely and instantaneously to driver input? With a rigorous and scientific approach to the engineering of every vehicle system and component. This is what separates the Pontiac family of vehicles from everything else on the road. Built to strengthen the connection between drivers and their vehicles. Pontiac. Built for Drivers.

### COMMITMENT

Expect nothing less than a 100% commitment. You can feel confident that you're choosing a real driver's car – if it bears the Pontiac name. You can also count on your Wave to continue to exceed your expectations, not just in the way it handles on the road, but also through a comprehensive series of support programs. Some make it easier to purchase or lease a Pontiac Wave. Others help protect you and your vehicle down the road. A powerful example of the level of protection you can expect is the GM TOTAL™ Warranty. It's so thorough it covers your vehicle – from the roof right down to the tires. So when you drive off the lot of your Pontiac dealership, you can do so with total confidence. Peace of mind is knowing that your vehicle is built for the long haul, and is backed by a comprehensive warranty.

#### THE GM TOTAL™ Warranty:<sup>†</sup>

The GM TOTAL™ Warranty is your promise of total warranty protection. It covers every new Pontiac Wave for 3 years or 60,000 km.\* Complete vehicle repairs are covered,\*\* including parts and labour, with no deductible. The warranty includes:

- 3-year/60,000 km\* complete vehicle repair coverage
- 6-year/160,000 km\* corrosion perforation coverage
- 8-year/130,000 km\* coverage on catalytic converters and powertrain control modules (PCMs).

\*Whichever comes first.

\*\*To correct any defects in material or workmanship occurring during the warranty period. Regular maintenance is not included, nor is excessive wear and tear caused by reckless or negligent driving.

#### EXTENDED POWERTRAIN LIMITED WARRANTY:<sup>†</sup>

Every Pontiac Wave is also covered by a special Powertrain Component Warranty with no deductible for 5 years or 100,000 km.\* So you can count on your Pontiac Wave for much more than its styling and engineering – today, and down the road.

\*Whichever comes first.

#### OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:<sup>†</sup>

- **Roadside Assistance** – 24/7 service via toll-free number during your warranty period, anywhere in Canada or the United States
- **Courtesy Transportation** – may be offered during warranty period
- **GM Protection Plan (GMPP)** – the only extended service contract backed by the resources and commitment of General Motors; GMPP may be purchased at the time of your sale or lease, or subsequently
- **GM Mobility Program** – you may be eligible for reimbursement of up to \$1000 (taxes included) for adaptive equipment for your GM vehicle
- **GM Accessories** – personalize your vehicle with GM Accessories, specifically engineered for your new GM vehicle
- **GM Goodwrench Service** – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.

#### TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **GMAC Financing** – on-the-spot financing at your GM dealership<sup>††</sup>
- **GMAC SMARTLEASE** – a smart alternative to traditional financing<sup>††</sup>
- **GM Graduate Program** – recent graduates may qualify for up to \$1000 (taxes included) off any new GM vehicle<sup>†</sup>
