FEEL ENERGIZED

2006

PONTIAC
PURSUIT

FEEL ENERGIZED

FINALLY, A COMPACT CAR AS SPIRITED AS YOU ARE. Is it just us, or does it seem like the competition has given up on building an exciting compact car? Look-alike styling, uninspiring performance... Isn't there something better out there?

You bet there is. At Pontiac, we're shaking up this class in a big way. We designed our Pursuit around the same goal we have for all our vehicles: to connect you directly to the pure pleasure of driving. The result is a stylish car that will have you relishing the time you spend behind the wheel.

And for 2006, there's even more to get enthused about. We're launching a sporty new Pursuit Coupe, along with a pair of performance-minded GT models that take the excitement level even higher.

Pursuit. Feel the energy.

For more information about Pursuit, visit our Web site at pursuit.gmcanada.com

PURSUIT[®] GT COUPE

PICTURE YOURSELF IN THE HOTTEST PURSUIT. We created the sleekly styled GT Coupe to be the thrill machine in the Pursuit family. Its standard equipment includes a 171 horsepower 2.4L ECOTEC engine, four-wheel disc brakes with ABS, a sport-tuned suspension, 17-inch aluminum wheels – and an attitude that says, “Bring it on.”

CONTROLS

NO CAFFEINE REQUIRED. Yes, we equipped the Pursuit cockpit with cupholders. What we've discovered, though, is that once you take the wheel, your need for coffee usually disappears without a trace.

The reason? A great-looking driver interface that links you directly to the details of the driving experience. Pursuit's cleanly styled analogue gauges tell you everything you need to know at just a glance, and its well-placed, intelligently designed controls help keep you firmly in charge in every situation. It's the automotive equivalent of a double espresso.

A 7-speaker, 228-watt premium sound system is standard on Pursuit GT Coupe and Sedan and available on SE models.

An electronically controlled 4-speed automatic transmission is available on all Pursuit models. A smooth-shifting Getrag 5-speed manual gearbox is standard.

PURSUIT SEDAN

ACCELERATE YOUR PULSE. Pursuit Sedan's sporty, dynamic style is no deception. This is a driver's car, with a standard 145 horsepower ECOTEC engine, a Getrag 5-speed manual transmission and responsive electric power rack-and-pinion steering. Try it for yourself on a demonstration drive – and give your pulse a workout.

INTERIOR

SHARE THE LOVE. At Pontiac, we love drivers. But at the same time, we have a soft spot for their families and friends, too. That's why we designed Pursuit with a spacious, five-passenger interior. And that's just for starters. We also tuned the Pursuit suspension so that while it's serving up agile handling for you to enjoy, it's also smoothing out the road's irregularities to keep your passengers comfortable. We made

extensive use of Quiet Steel and other sound-deadening techniques, to eliminate noise and keep the Pursuit cabin quiet. And we specified a long list of standard and available amenities, including air conditioning, a tilt steering column, leather-appointed seating surfaces and a choice of quality sound systems and the convenience and security of OnStar. Bottom line: Pursuit is a ride you'll love to share.

INTERIOR FEATURES:

- Reclining front bucket seats with adjustable head restraints
- 60/40 split-folding rear seatbacks with trunk pass-through
- Dual-stage frontal air bags with Passenger Sensing System
- Available front and rear head curtain side air bags
- Dual auxiliary power outlets
- Air conditioning (standard on SE and GT models)
- Cabin air filtration system
- Satin nickel trim accents.

PERFORMANCE

ACCELERATION MEETS EXHILARATION. For a truly invigorating drive, it's what's under the hood that counts. Pursuit more than measures up in the engine department, with a choice of two advanced DOHC powerplants. The standard engine is a 2.2L ECOTEC L4 that generates 145 horsepower – well above the norm in Pursuit's class. GT models get even more muscle, thanks to a larger 2.4L ECOTEC engine that puts out 171 horsepower. Transmission choices include a standard five-speed manual transmission and an available electronically controlled four-speed automatic.

2.2L ECOTEC ENGINE

The 2.2L ECOTEC engine that powers Pursuit and Pursuit SE models produces 155 lb.-ft. of torque at 4000 rpm. Its long, flat torque curve means you'll enjoy excellent responsiveness at low and medium operating speeds.

2.4L ECOTEC VVT ENGINE

The 2.4L ECOTEC engine found in GT models features advanced variable valve timing, a technology which helps optimize efficiency over a range of operating speeds. Outputs are 171 hp and 163 lb.-ft. of torque.

Pontiac is all about vehicles that connect you to the pure joy of driving.

OnStar adds another kind of connection – one that can enhance your sense of peace of mind. All it takes is a single push on the blue OnStar button usually located on the interior rear-view mirror, in the overhead console, or near the radio display to connect you with one of our specially trained OnStar Advisors. They are standing by, ready to provide support 24 hours a day, 365 days a year*.

What can OnStar Advisors do for you? They can provide a wealth of information and perform a variety of services, including a remote diagnostic check of your vehicle's engine and electrical components. In an emergency, an Advisor will attempt to locate your vehicle, find out what assistance you need, and notify nearby emergency service providers. And if air bags are deployed in your vehicle, an Advisor will contact you to determine if you are in need of assistance.

Another convenient feature is OnStar Hands-Free Calling, a hands-free, voice-activated wireless technology integrated into your vehicle. It's there in case your hand-held phone is lost, forgotten or has a low battery. Even better, there are no additional monthly fees, or additional long distance and roaming charges. And as a new customer, you will receive 30 complimentary minutes good for two months after activation.

Now you can enjoy the peace of mind that comes with knowing you're doing all you can to help keep you, your family, and your vehicle safe. Just ask the almost 150,000 people who have become OnStar subscribers in Canada. How hard does OnStar work for you? The facts speak for themselves: every month in Canada OnStar Advisors handle an average of 9100 routing calls, 2500 emergency calls, 2600 door unlocks, and 625 Roadside Assistance dispatches.

OnStar offers two different service plans, allowing you to select the services that are most convenient for you. The Safe & Sound Plan is available on Pursuit SE and GT models. In addition, the available Directions & Connections Plan offers all of the safety and security services included in the Safe & Sound Plan, plus you'll have access to driving directions and information and convenience services and RideAssist. See your dealer for more information on plans and services.

*OnStar services require vehicle electrical system (including battery), wireless service, and GPS satellite signals to be available and operating for features to function properly. Not all OnStar features are available on all vehicles. OnStar Hands-Free Calling requires a Hands-Free enabled vehicle, existing OnStar service contract, and prepaid calling minutes, and is not available in Alaska and some other markets. Calls may be made to the U.S. and Canada only. OnStar voice recognition system may not work with some voices. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Due to the transition of the wireless industry from analogue to digital technology, as of January 1, 2008, OnStar plans to offer service only through equipment that operates on the digital network, which may require the purchase of a system upgrade for eligible vehicles. Call 1.888.4.ONSTAR (1.888.466.7827), TTY 1.877.248.2080 or visit onstar.ca for OnStar's Terms & Conditions, Privacy Policy, and system limitations and details.

A STORY ONLY GENERAL MOTORS CAN TELL.

General Motors' commitment to setting the highest standards in quality, safety, innovation, and fuel efficiency are matched by an equally strong commitment to the community.

DID YOU KNOW?

QUALITY: GM plants swept the J.D. Power Initial Quality StudySM* rankings for North and South America: Gold and Silver Plant Quality Awards for the Canadian Oshawa #2 and #1 car plants, in addition to the Bronze Plant Quality Award for the Hamtramck, Michigan plant.

SAFETY: General Motors is the only automotive manufacturer committed to offering a full range of cars, trucks, and SUVs that provide safety protection before, during and after a collision. GM vehicles are equipped with a range of features and technologies that help drivers avoid collisions, reduce the risk of injury should a collision prove unavoidable, and help you get the assistance you need after a collision.

INNOVATION: GM is at the forefront of automotive technology with breakthrough features such as OnStar and XM Satellite Radio.

FUEL EFFICIENCY: GM offers more cars than any other automaker in Canada that get better than 7.0 L/100 km in highway driving. GM has also won more EnerGuide fuel-efficiency awards than any other car company.

GM IS COMMITTED TO CANADA.

INVESTMENT: GM invests more in Canada than any other car company: The \$2.5 billion Beacon Project represents the largest automotive investment in Canadian history.

EMPLOYMENT: GM directly employs over 20,000 people in Canada – more than any other car company.

DESIGN: GM is the only car company that designs, engineers and builds cars in Canada.

GM IS BEHIND YOU AND YOUR VEHICLE

GM is equally comprehensive in the way it backs its Pontiac vehicles. All Pontiac models include:

- 3-year/60,000 km** complete vehicle repair coverage
- 6-year/160,000 km** corrosion perforation coverage
- 8-year/130,000 km** coverage on catalytic converters and powertrain control modules (PCMs)
- 3-year/60,000 km** 24-hour Roadside Assistance.

*General Motors Corporation – Oshawa #2 (Ontario – Car) was the highest ranked plant, Oshawa #1 (Ontario) was the second ranked plant and Hamtramck, MI was the third ranked plant in North/South America among plants producing vehicles for the U.S. market in J.D. Power and Associates 2005 U.S. Initial Quality StudySM. Study based on a total of 62,251 U.S. consumer responses indicating owner reported problems during the first 90 days of ownership.

CHEVROLET PONTIAC BUICK GMC CADILLAC SATURN SAAB HUMMER

TECHNOLOGY

THE SUBSTANCE BEHIND THE STYLE. Before we created Pursuit's great looks, we put some serious engineering talent to work. The result? An advanced global compact car architecture that reflects some of the very latest thinking in automotive technology. The passion we put into Pursuit translates directly into the exhilaration you'll get out of it.

1. AUTOMATIC LIGHT CONTROL

Pursuit's full exterior lighting system will activate automatically at night, in dark tunnels, etc., should you forget to turn it on. It will also turn off automatically when you remove the key, to help prevent battery rundown.

2. TWIN BALANCE SHAFTS

Both Pursuit engines feature counter-rotating twin balance shafts that counteract engine vibrations for a smoother, quieter ride.

3. EXTENDED-LIFE FEATURES

Standard long-life features like platinum-tipped spark plugs, DEX-COOL engine coolant and Dexron automatic transmission fluid help Pursuit to go a long time between visits to the dealer for scheduled maintenance.

4. ANTI-LOCK BRAKES

Standard on SE and GT models and available on base Pursuit, anti-lock brakes (ABS) help you to maintain steering control, even under heavy braking in slippery conditions.

5. AIR BAG PASSENGER SENSING SYSTEM

Any time the standard Passenger Sensing System detects a child or a small adult in the front passenger seat, it automatically deactivates the passenger-side frontal air bag for greater safety.*

6. SPEED-SENSITIVE ELECTRIC POWER STEERING

Instead of traditional hydraulic power steering, Pursuit uses an electric power steering system that's both lighter in weight and extremely precise. It provides a higher level of assist at lower speeds, for easier manoeuvring and parking.

7. ADVANCED ARCHITECTURE

We specifically engineered Pursuit's computer-designed architecture for outstanding rigidity. The benefits include more precise suspension tuning, a greater sense of overall quality and excellent crashworthiness.

8. CORROSION-RESISTANT BODY PANELS

To help resist rust and ensure that your Pursuit stays looking great for years to come, all body panels (except the roof) are made of 2-sided galvanized steel.

*A NOTE ON CHILD SAFETY: Always use safety belts and proper child restraints, even in vehicles with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. Refer to the vehicle Owner's Manual and child safety seat instructions for more information.

PONTIAC PURSUIT SPECIFICATIONS

SAFETY AND SECURITY	BASE	SE	GT
Air bags – dual-stage, driver and front-passenger, frontal with Passenger Sensing System	S	S	S
Air bags – front and rear, side head curtain	0 ¹	0	0

TOWING

2.2L ECOTEC L4: 3.84 final drive ratio; 454 kg (1000 lb.) maximum gross trailer weight*

2.4L ECOTEC L4 VVT: 3.91 final drive ratio; 454 kg (1000 lb.) maximum gross trailer weight*

*When properly equipped, includes weight of trailer, cargo, passengers and equipment. Requires automatic transmission. All towing recommendations are subject to change. Trailer tongue load should be 10% of the maximum trailer weight but should not exceed the load rating specified for that vehicle, engine or hitch combinations. See your dealer or refer to the Pursuit Owner's Manual for details.

COMMITMENT

Expect nothing less than a 100% commitment. You can feel confident that you're choosing a real driver's car – if it bears the Pontiac name. You can also count on your Pursuit to continue to exceed your expectations, not just in the way it handles on the road, but also through a comprehensive series of support programs. Some make it easier to purchase or lease a Pontiac Pursuit. Others help protect you and your vehicle down the road. A powerful example of the level of protection you can expect is the GM TOTAL™ Warranty. It is so thorough it covers your vehicle – from the roof right down to the tires. So when you drive off the lot of your Pontiac dealership, you can do so with total confidence. Peace of mind is knowing that your vehicle is built for the long haul, and is backed by a comprehensive warranty.

THE GM TOTAL™ WARRANTY:†

The GM TOTAL™ Warranty is your promise of total warranty protection. It covers every new Pontiac Pursuit for 3 years or 60,000 km.* Complete vehicle repairs are covered,** including parts and labour, with no deductible. The warranty includes:

- 3-year/60,000 km* complete vehicle repair coverage
- 6-year/160,000 km* corrosion perforation coverage
- 8-year/130,000 km* coverage on catalytic converters and powertrain control modules (PCMs).

*Whichever comes first.

**To correct any defects in material or workmanship occurring during the warranty period. Regular maintenance is not included, nor is excessive wear and tear caused by reckless or negligent driving.

EXTENDED POWERTRAIN LIMITED WARRANTY:†

Every Pontiac Pursuit is also covered by a special Powertrain Component Warranty with no deductible for 5 years or 100,000 km.* So you can count on your Pontiac Pursuit for much more than its styling and engineering – today, and down the road.

*Whichever comes first.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:†

- **Roadside Assistance** – 24/7 service via toll-free number during your warranty period, anywhere in Canada or the United States
- **Courtesy Transportation** – may be offered during the warranty period
- **GM Protection Plan (GMPP)** – the only extended services contract backed by the resources and commitment of General Motors; GMPP may be purchased at the time of your sale or lease, or subsequently
- **GM Mobility Program** – you may be eligible for reimbursement of up to \$1000 (taxes included) for adaptive equipment for your GM vehicle
- **GM Accessories** – personalize your vehicle with GM Accessories, specifically engineered for your new GM vehicle
- **GM Goodwrench Service** – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **GMAC Financing** – on-the-spot financing at your GM dealership††
- **GMAC SMARTLEASE** – a smart alternative to traditional financing††
- **GM Student Bonus Program** – GM will cover the first two purchase finance or lease payments and the lease security deposit on eligible new GM vehicles for students and recent graduates of high school, college or university†
- **The GM Card** – eligible cardholders may be able to redeem up to \$3500 on GM Card® Earnings toward the total purchase price or lease down payment on selected vehicles. For more information on The GM Card please call 1-800-461-3279.†

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM Web site at gmcanada.com
- The GM Customer Communication Marketing Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users) – for information about any GM product or service, including The GM Card and the GM Mobility Program
- For information about GMAC visit gmcanada.com or call 1-800-616-4622.

†Conditions and limitations apply.

††Subject to eligibility.

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your Pontiac dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

PRIVACY STATEMENT

At General Motors of Canada Limited ("GM Canada") we respect your privacy and value our relationship with you. Your personal information will be protected, will never be sold, and will be used only by GM Canada, our affiliates, dealers/retailers, and service suppliers (only to provide services). If you wish to be removed from GM Canada marketing communications; would like to limit only certain marketing communications from us; would like a listing of our specific uses or further information about those with whom your information is shared; or for further information about our Privacy Policy and practices, please contact us at 1-800-GM-DRIVE (1-800-463-7483) or through our Web site at gmcanada.com

A WORD ABOUT ASSEMBLY

Pontiacs are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Pontiacs. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

TRADEMARKS

The marks appearing in this Pontiac Pursuit brochure including, but not limited to: General Motors, GM, the GM Canada emblem, the GM Canada Web site address, the GM Accessories logo, Pontiac, the Pontiac emblem, G6, Grand Prix, Montana SV6, Pursuit, Solstice, Torrent, Vibe, Wave, and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Delco, DEX-COOL, Dexron, Quiet Steel, SMARTLEASE, Solar-Ray and TOTAL Warranty are trademarks of General Motors Corporation and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.
