B U I C K

WHEN YOU HAVE
ROOM TO ROAM

Our most versatile SUV, Enclave effortlessly transforms to suit the moment. From a seven- or eight-passenger luxury vehicle with three rows of first-class seating to a spacious cargo hauler, Enclave does it all with a design flair you simply won't find in other large SUVs.

ENCLAVE

Encore is what the new expression of luxury is all about: attention to detail. It's designed to fit your life, with a precisely executed interior that finds the perfect place for everything and everyone. And on the road, nimble handling and ease of parking make Encore the ideal urban companion.

ENCORE

WHEN FUNCTIONAL
IS BEAUTIFUL

WHEN DESIGN
CREATES DESIRE

A spacious sedan of style and substance, LaCrosse is for those who know how to relax and enjoy the finer things in life: the premium craftsmanship of available leather-trimmed seating and the peace of mind of an available suite of advanced driver-alert technologies.

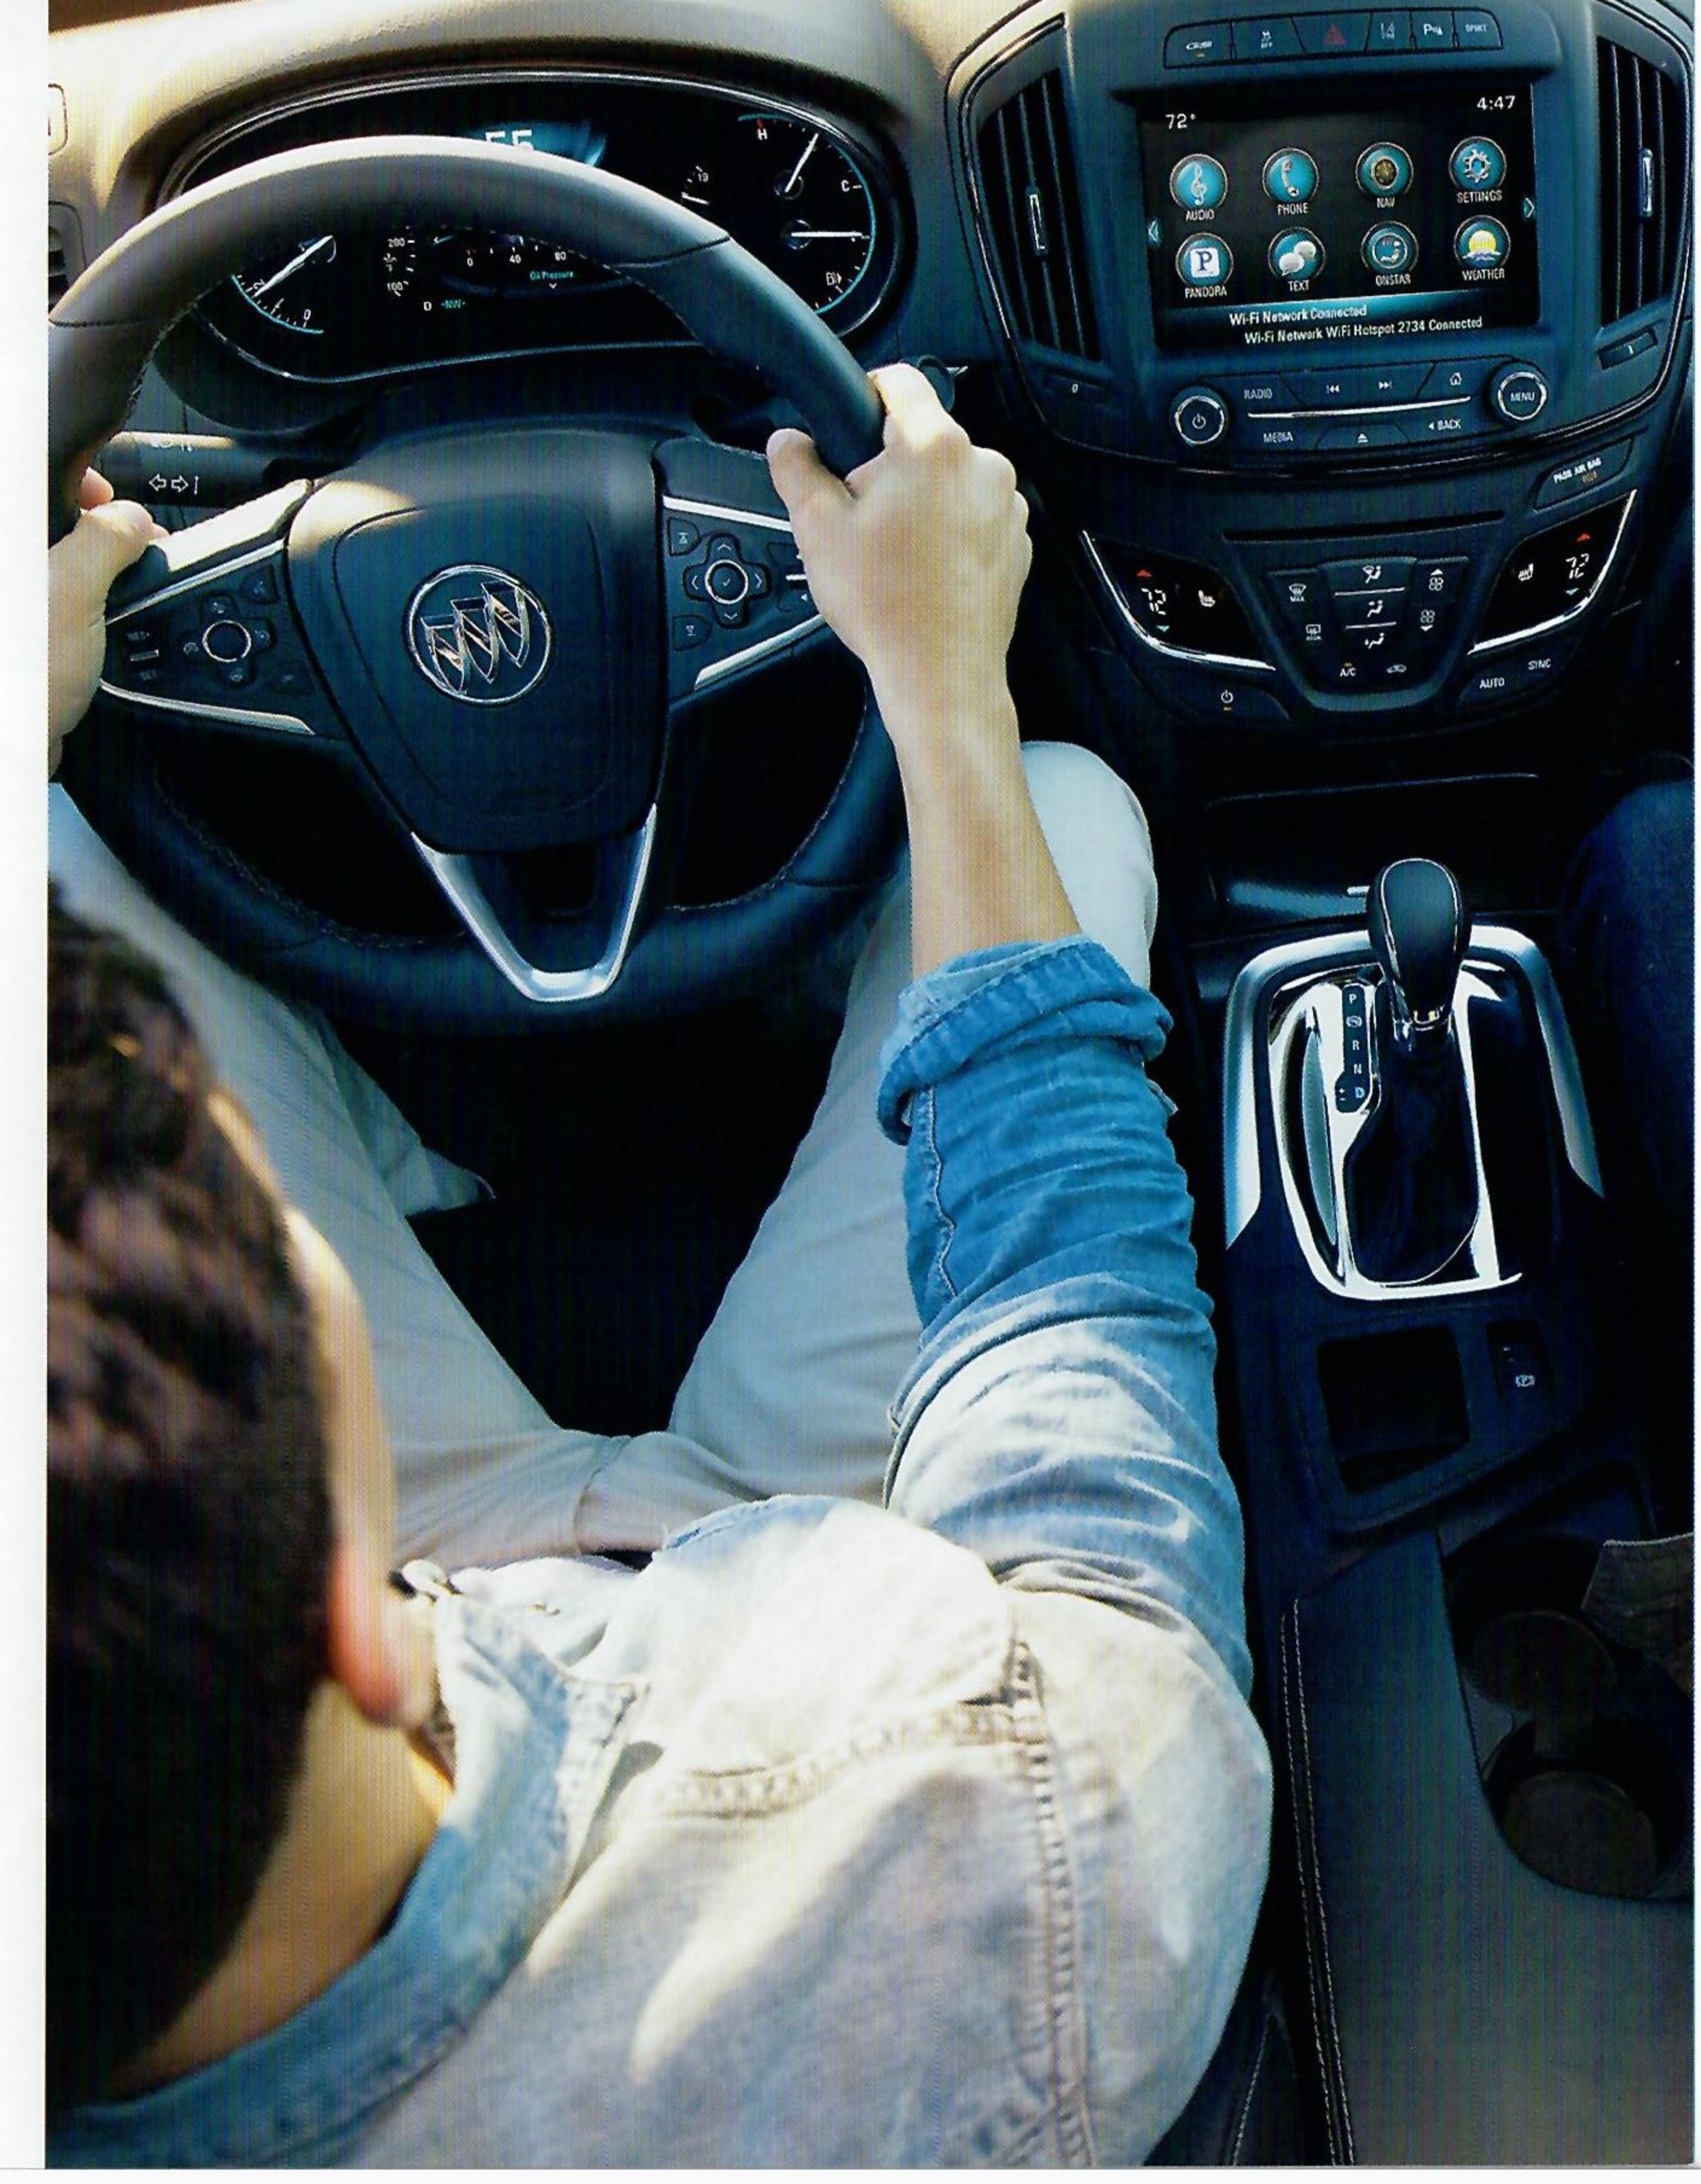

L A C R O S S E

WHEN GEARS
ARE SHIFTED

With its potent turbocharged 2.0-liter engine, available All-Wheel Drive and customizable Driver Information Center, Regal is engineered to shatter expectations. And with features such as Interactive Drive Control, Regal GS sets a new standard for what it feels like to drive down a winding stretch of road.

REGAL

We filled Verano with a surprising level of refinement for a sedan its size. From the comfort of available leather-appointed seats to the security of available Lane Departure Warning and Rear Cross Traffic Alert, it's a new way of engaging with the world.

VERANO

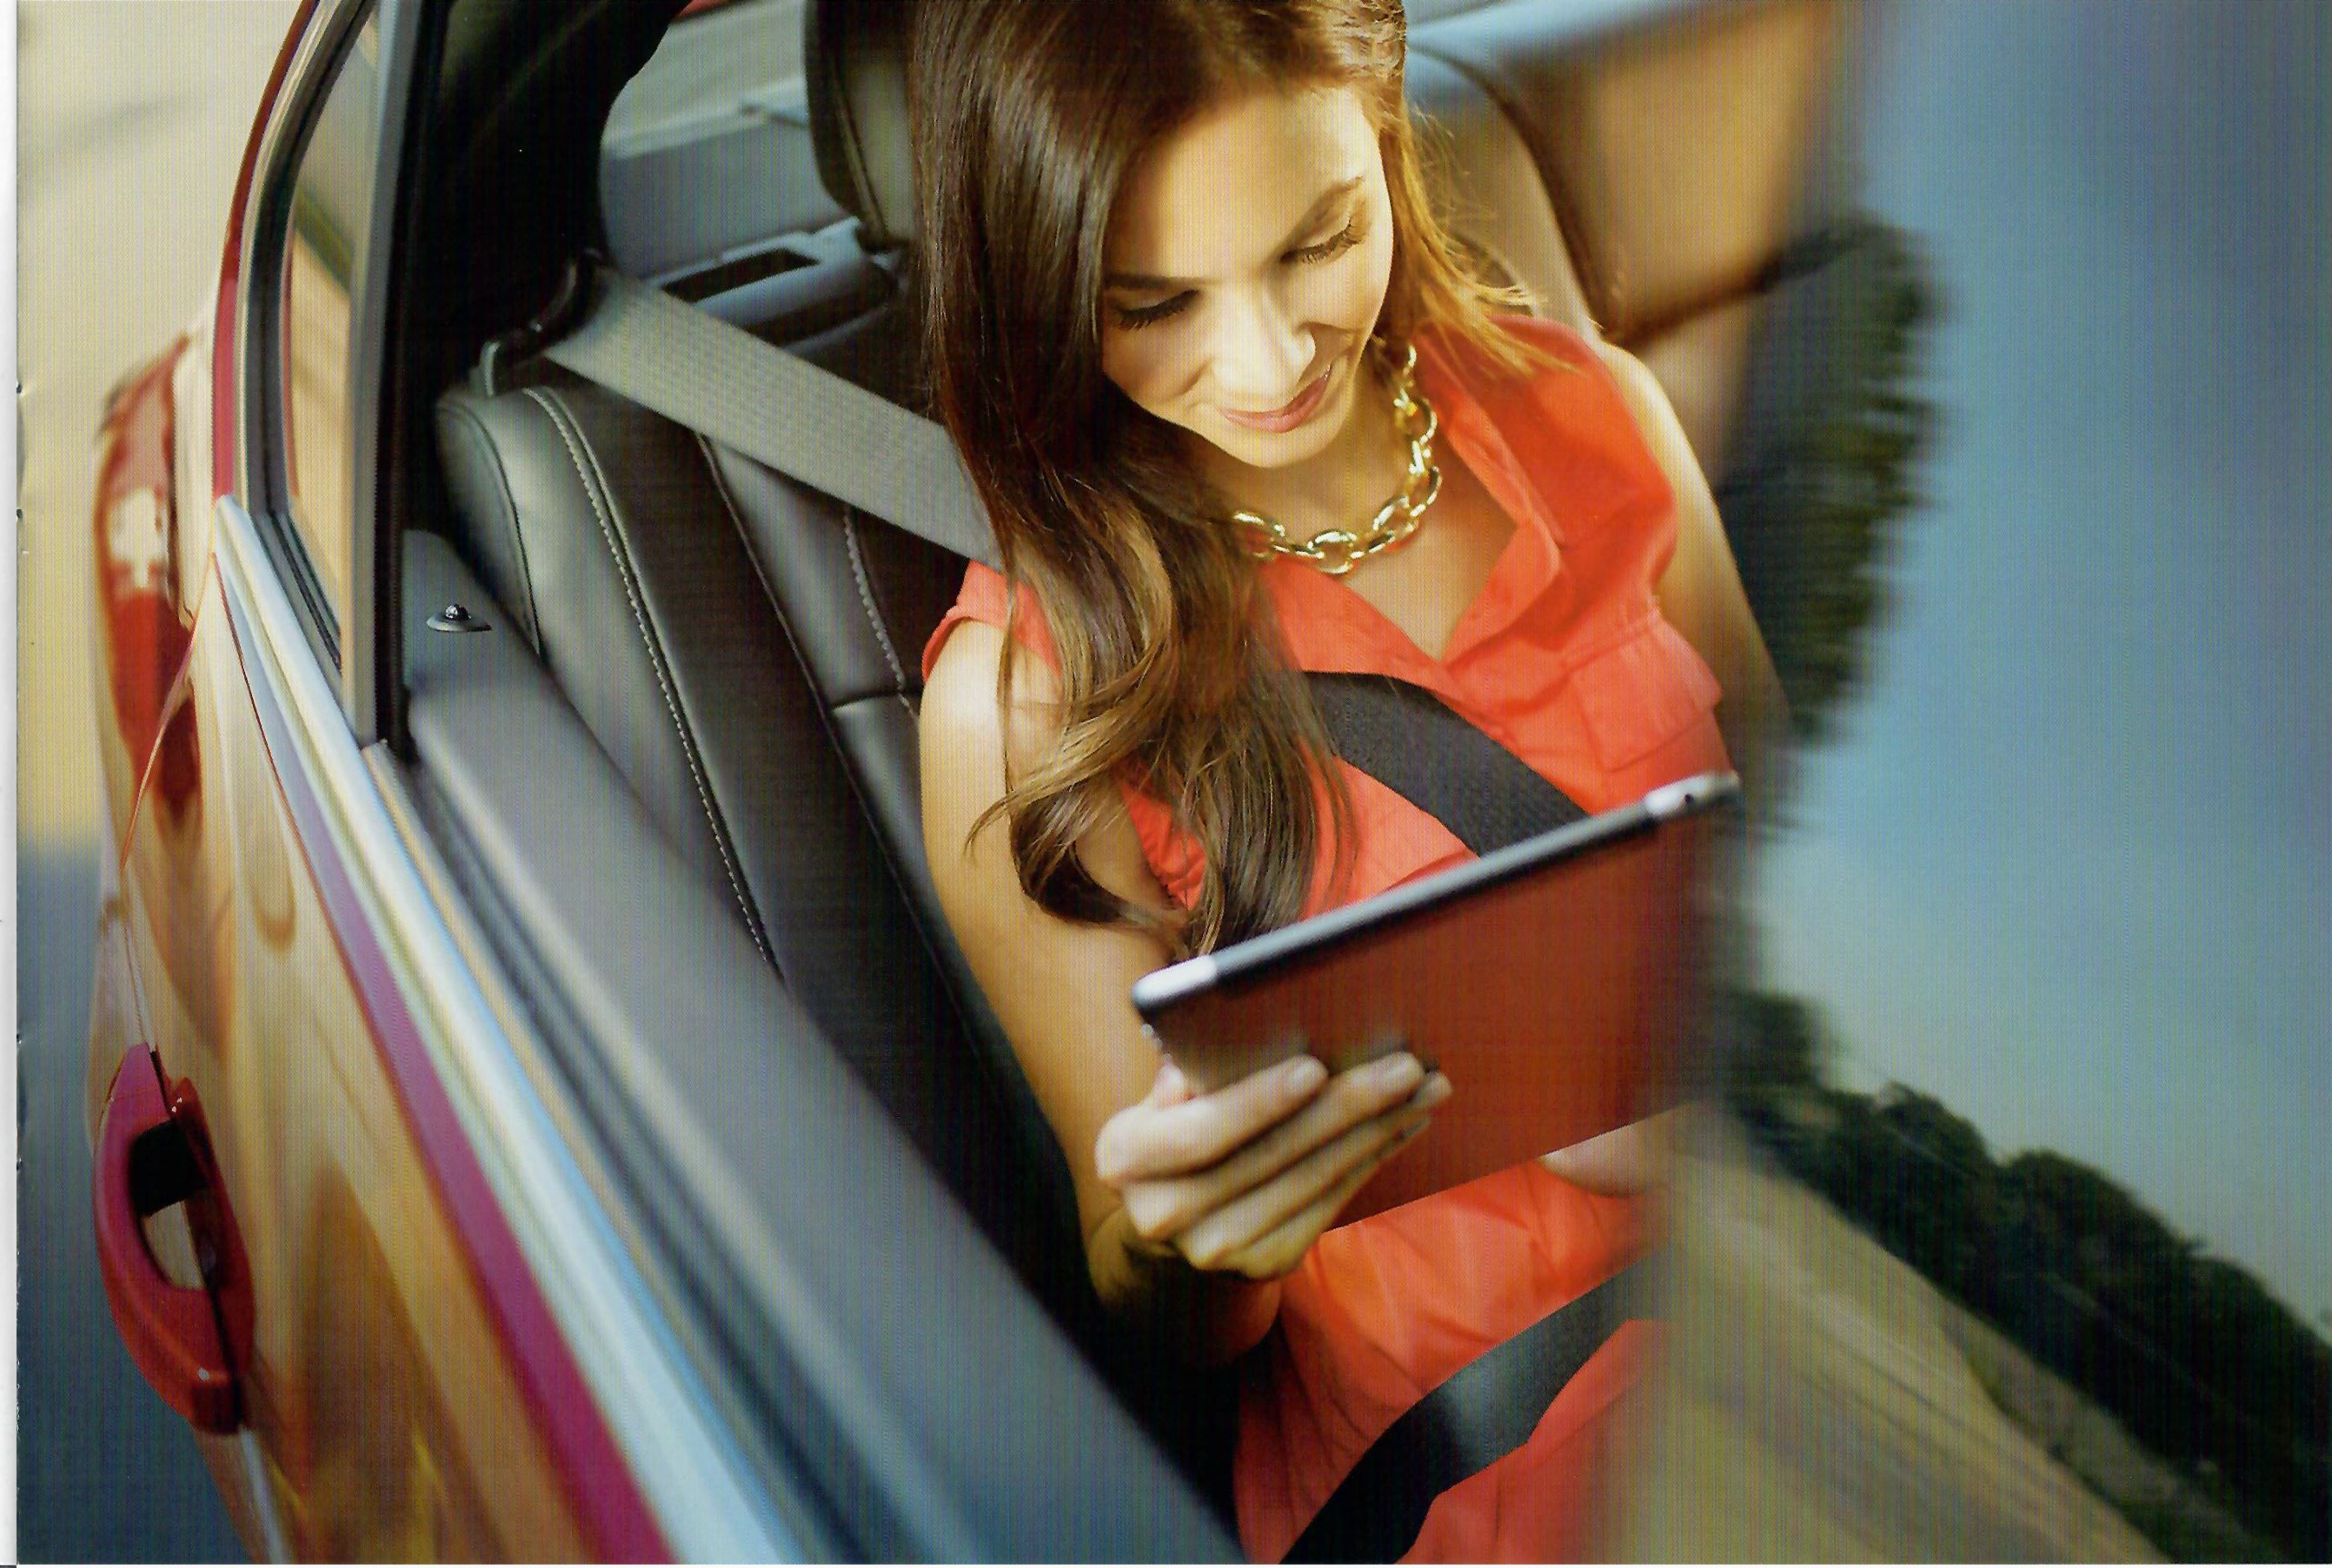

WHEN YOU FEEL
TOTALLY AT EASE

ALL-NEW. BUILT-IN. WI-FI.

The next generation of OnStar brings you 4G LTE¹ on most 2015 Buick models. The all-new available technology provides a fast, reliable available Wi-Fi hotspot. So passengers can now tap into available high-speed wireless Internet and connect up to seven mobile devices to browse Web sites, stream movies, send e-mails and more. OnStar with 4G LTE and a built-in Wi-Fi hotspot turns your vehicle into a reliable mobile hub, with great signal quality and bandwidth.

¹Devices must be WPA2 compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Visit onstar.com for details and system limitations. Not available on Enclave.

THE SERVICES OF ONSTAR

Every 2015 Buick comes with a 5-year OnStar Basic Plan.¹ This standard plan gives you access to the RemoteLink Key Fob Services,² which let you lock and unlock your car doors, activate the horn and lights and even start your Buick remotely from your smartphone or tablet (requires factory-installed remote start). Plus, get OnStar Vehicle Diagnostics and Dealer Maintenance Notification to make service scheduling simple. You will also receive a 6-month trial of the Directions & Connections Plan³ that includes Automatic Crash Response, Emergency Services, Turn-by-Turn Navigation, Stolen Vehicle Assistance, Live Advisor Assistance and more.

¹Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any Emergency Services or other OnStar services. To cancel OnStar RemoteLink Key Fob Services, or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.com/mobile for full details and system limitations. ²Requires active OnStar subscription, which is standard for 6 months, and compatible Android,™ Apple,® BlackBerry® or Windows® platform. ³Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.
