

IMPORTED FROM DETROIT

The 2017 **Chrysler Pacifica** and **300**

Pacifica Limited shown in Velvet Red Pearl Coat.

Pacifica is the world's most capable vehicle.^{1*}

The All-New Pacifica architecture is built from the ground up, starting with strategically placed high-strength steel, resulting in a strong safety cage for increased occupant protection. Making room for more is rarely a hurdle with the interior spaciousness, including outstanding cargo volume and second- and third-row[†] seats that fold down into bins in the floor. Passengers in all three rows will notice the abundance of personal space, along with available seating for eight[†] including an easily removable² center seat in the second row. And for the ultimate convenience factor, getting in has never been easier with the available hands-free power-sliding side doors and liftgate via a kick of your foot.

*A note about this brochure: all disclaimers and disclosures can be found on the back cover.

[†]Non-Hybrid models only.

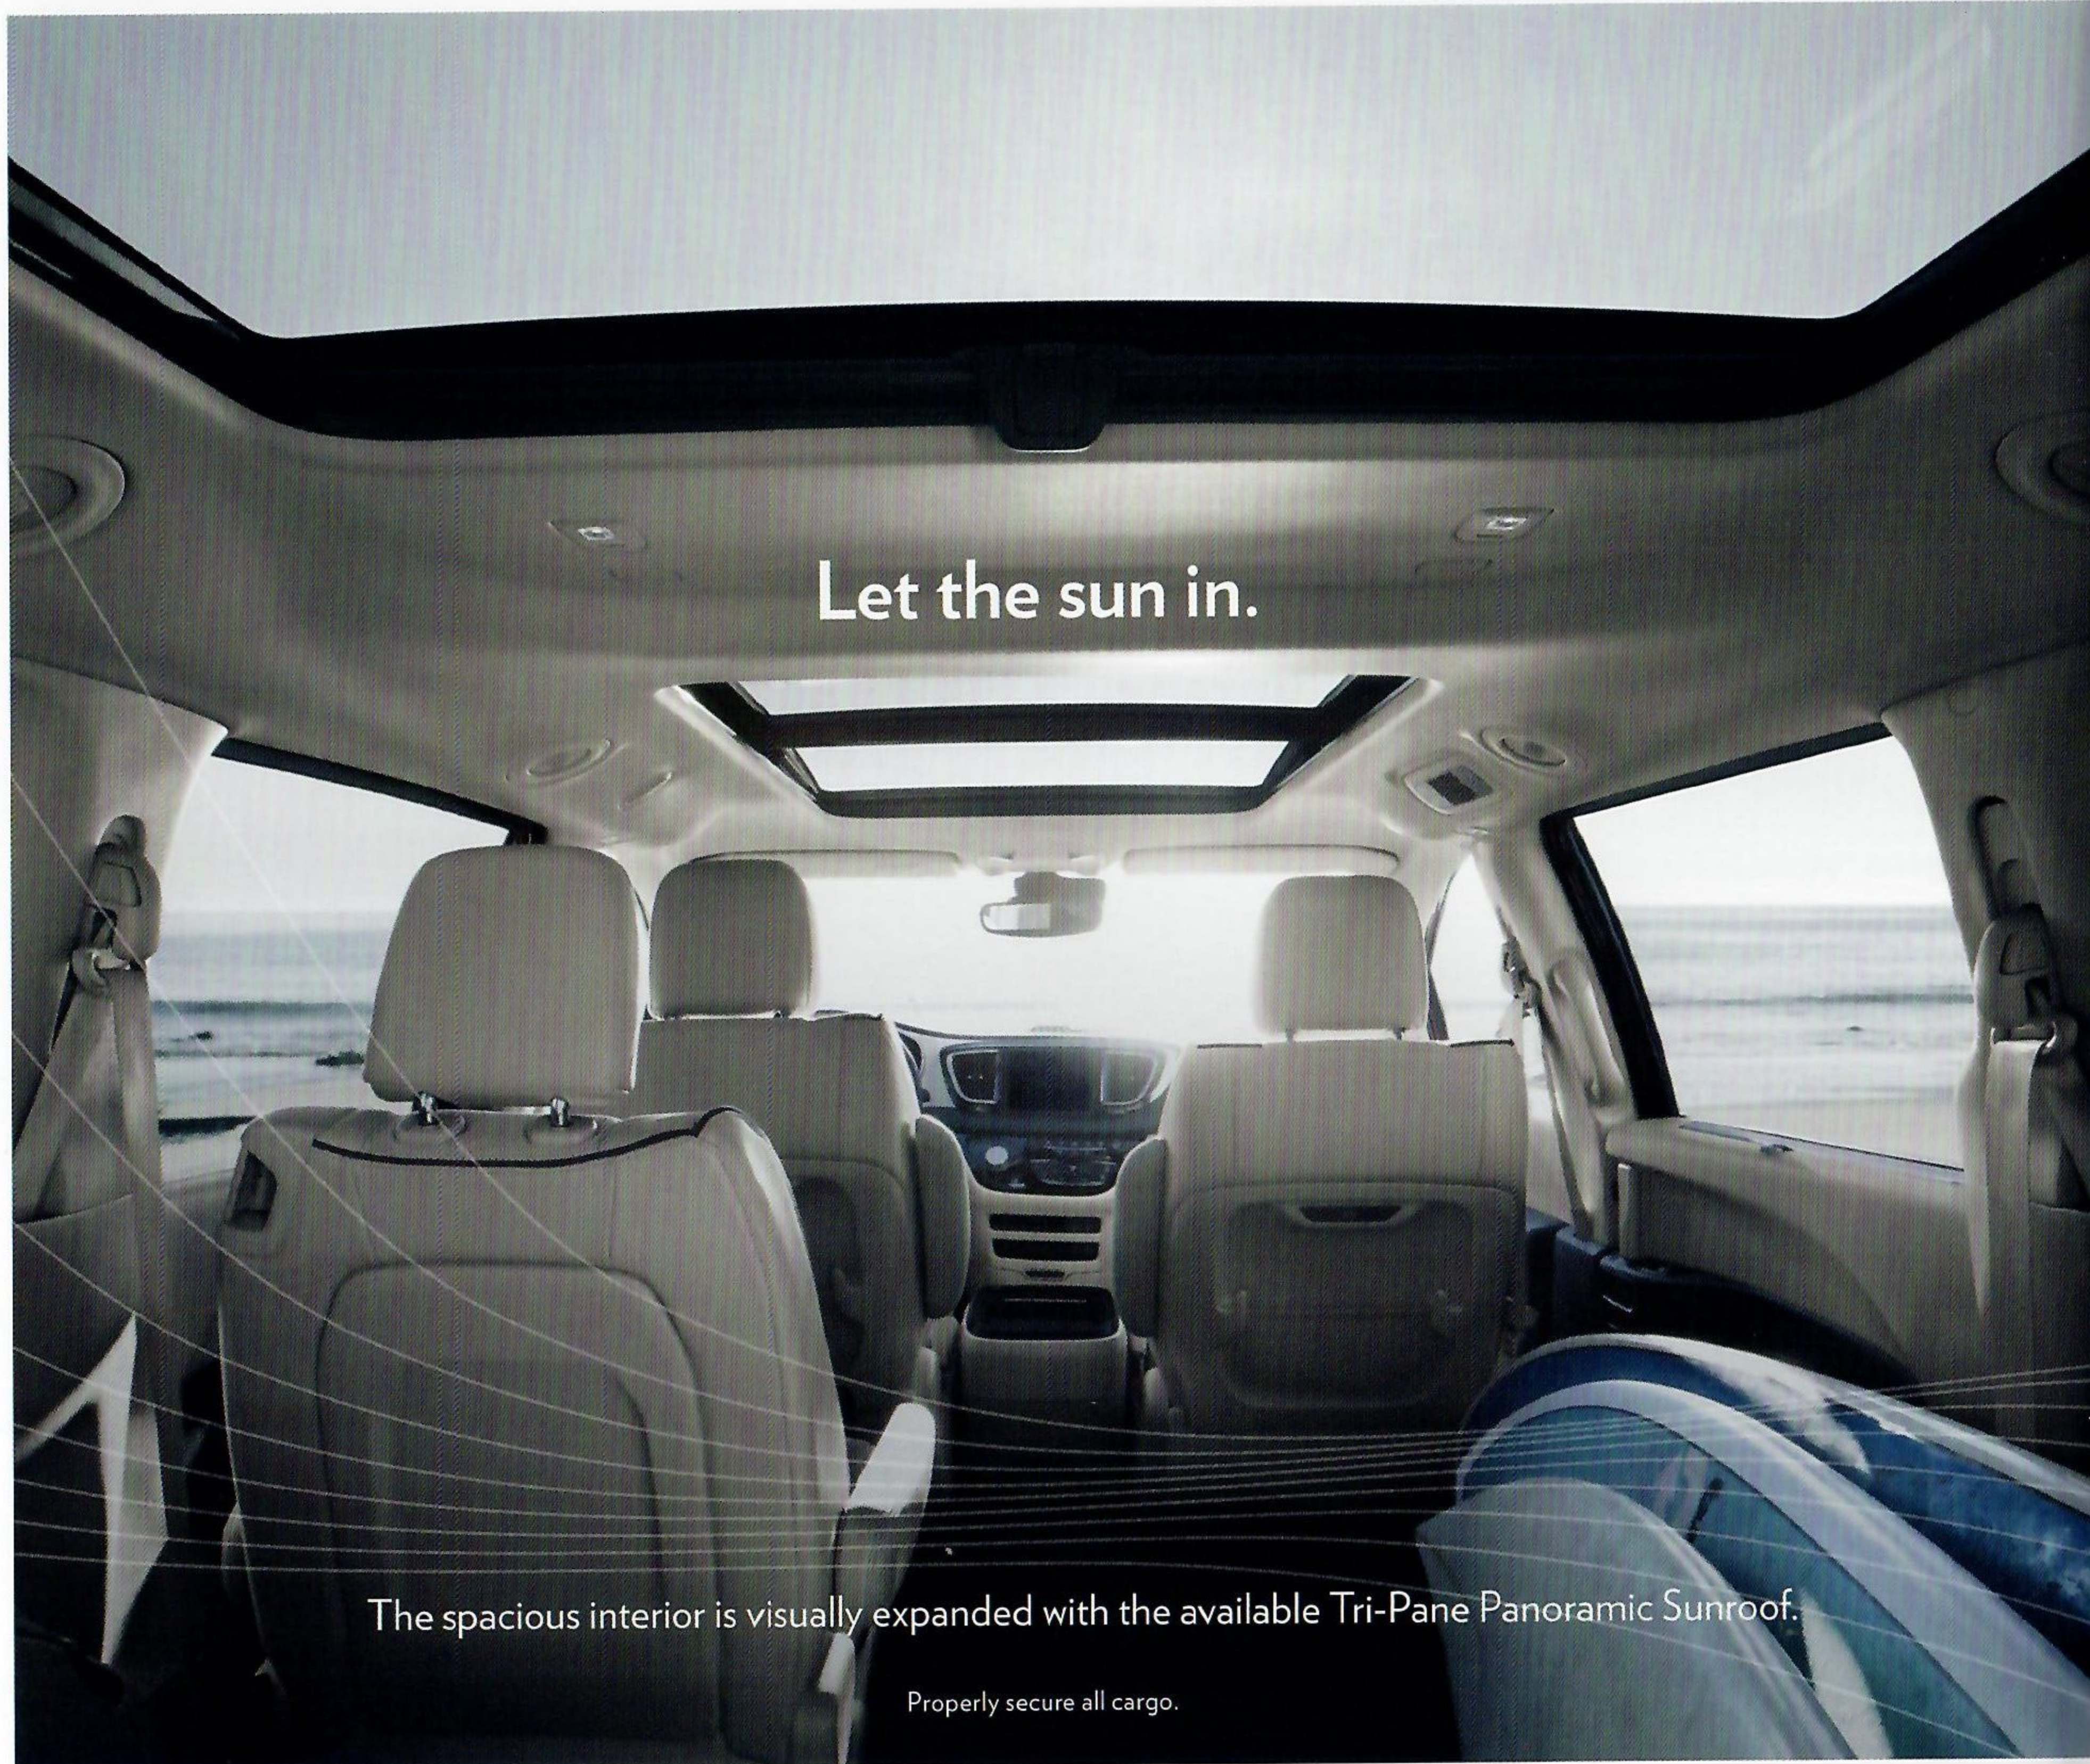

The first-ever Hybrid minivan in its class.³ No longer compromise space for efficiency.

The All-New 2017 Pacifica Hybrid gives you a simple approach to driving on combined electric and gas power with the same vehicle. The Hybrid technology offers an outstanding projected fuel economy of 80 MPGe,* a 30-mile electric range,* and a total driving range of 530 miles.* It's about taking your family into the future with the best of both worlds.

*Based on manufacturer's testing. Actual mileage may vary.

Pacifica Platinum Hybrid shown in Silver Teal.

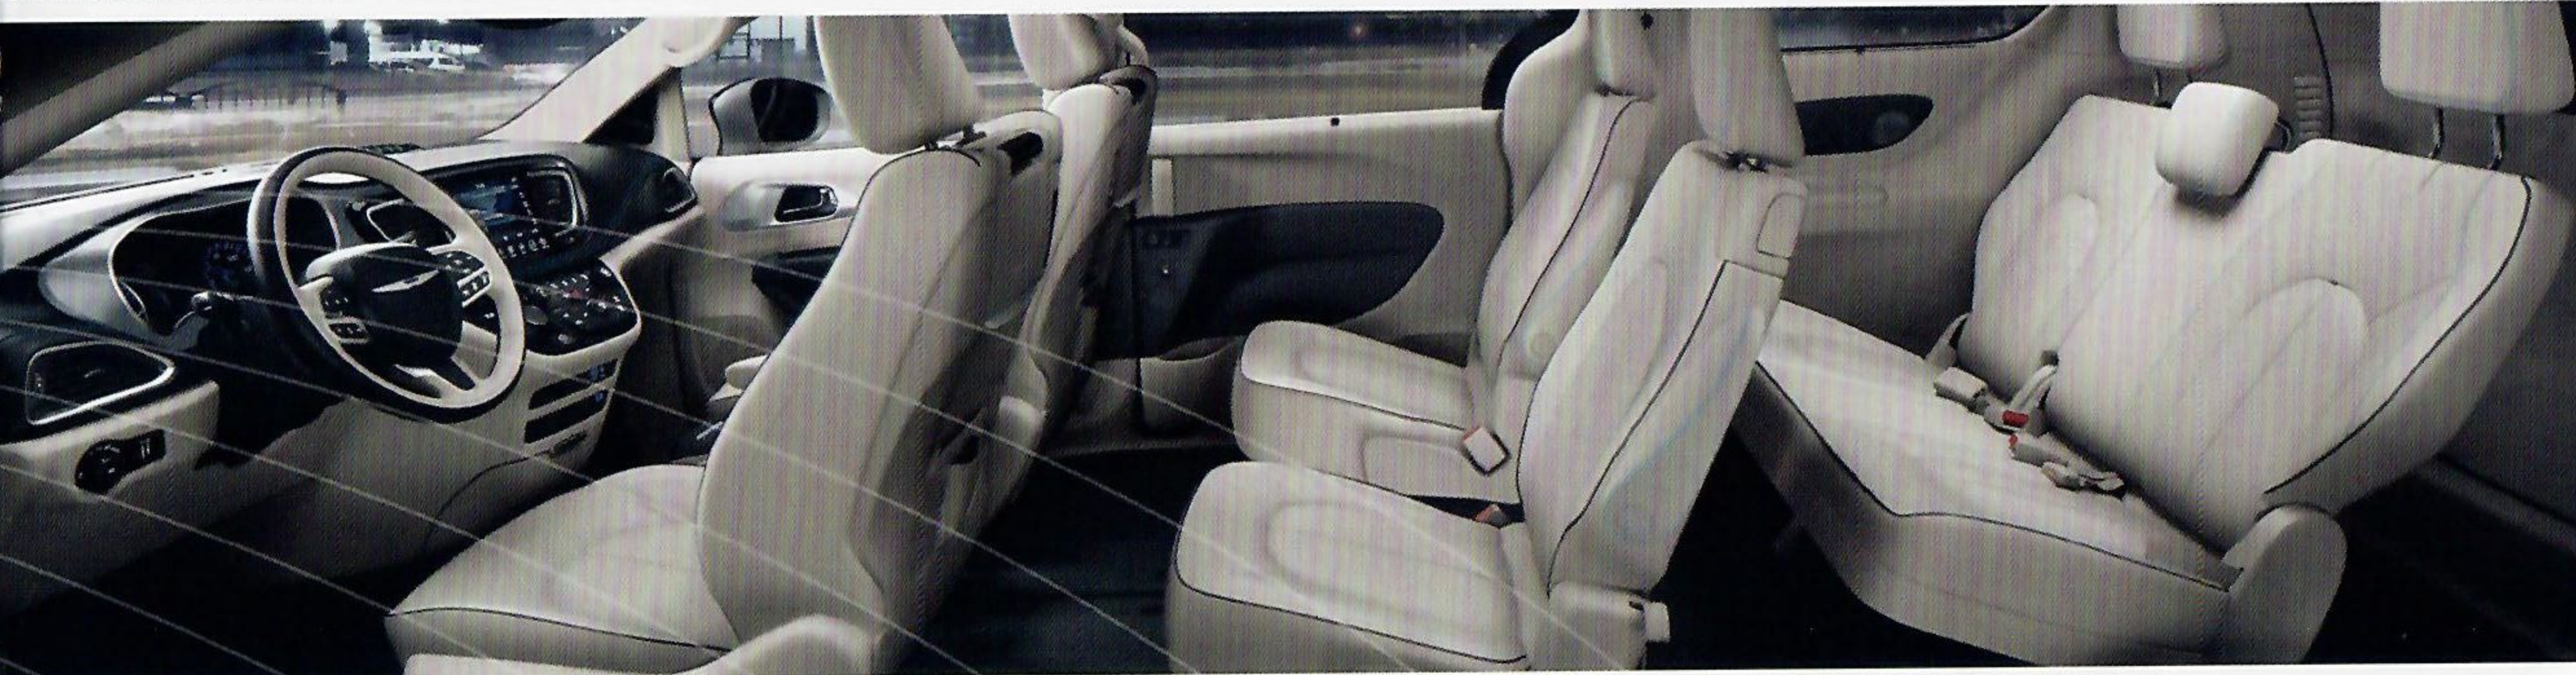

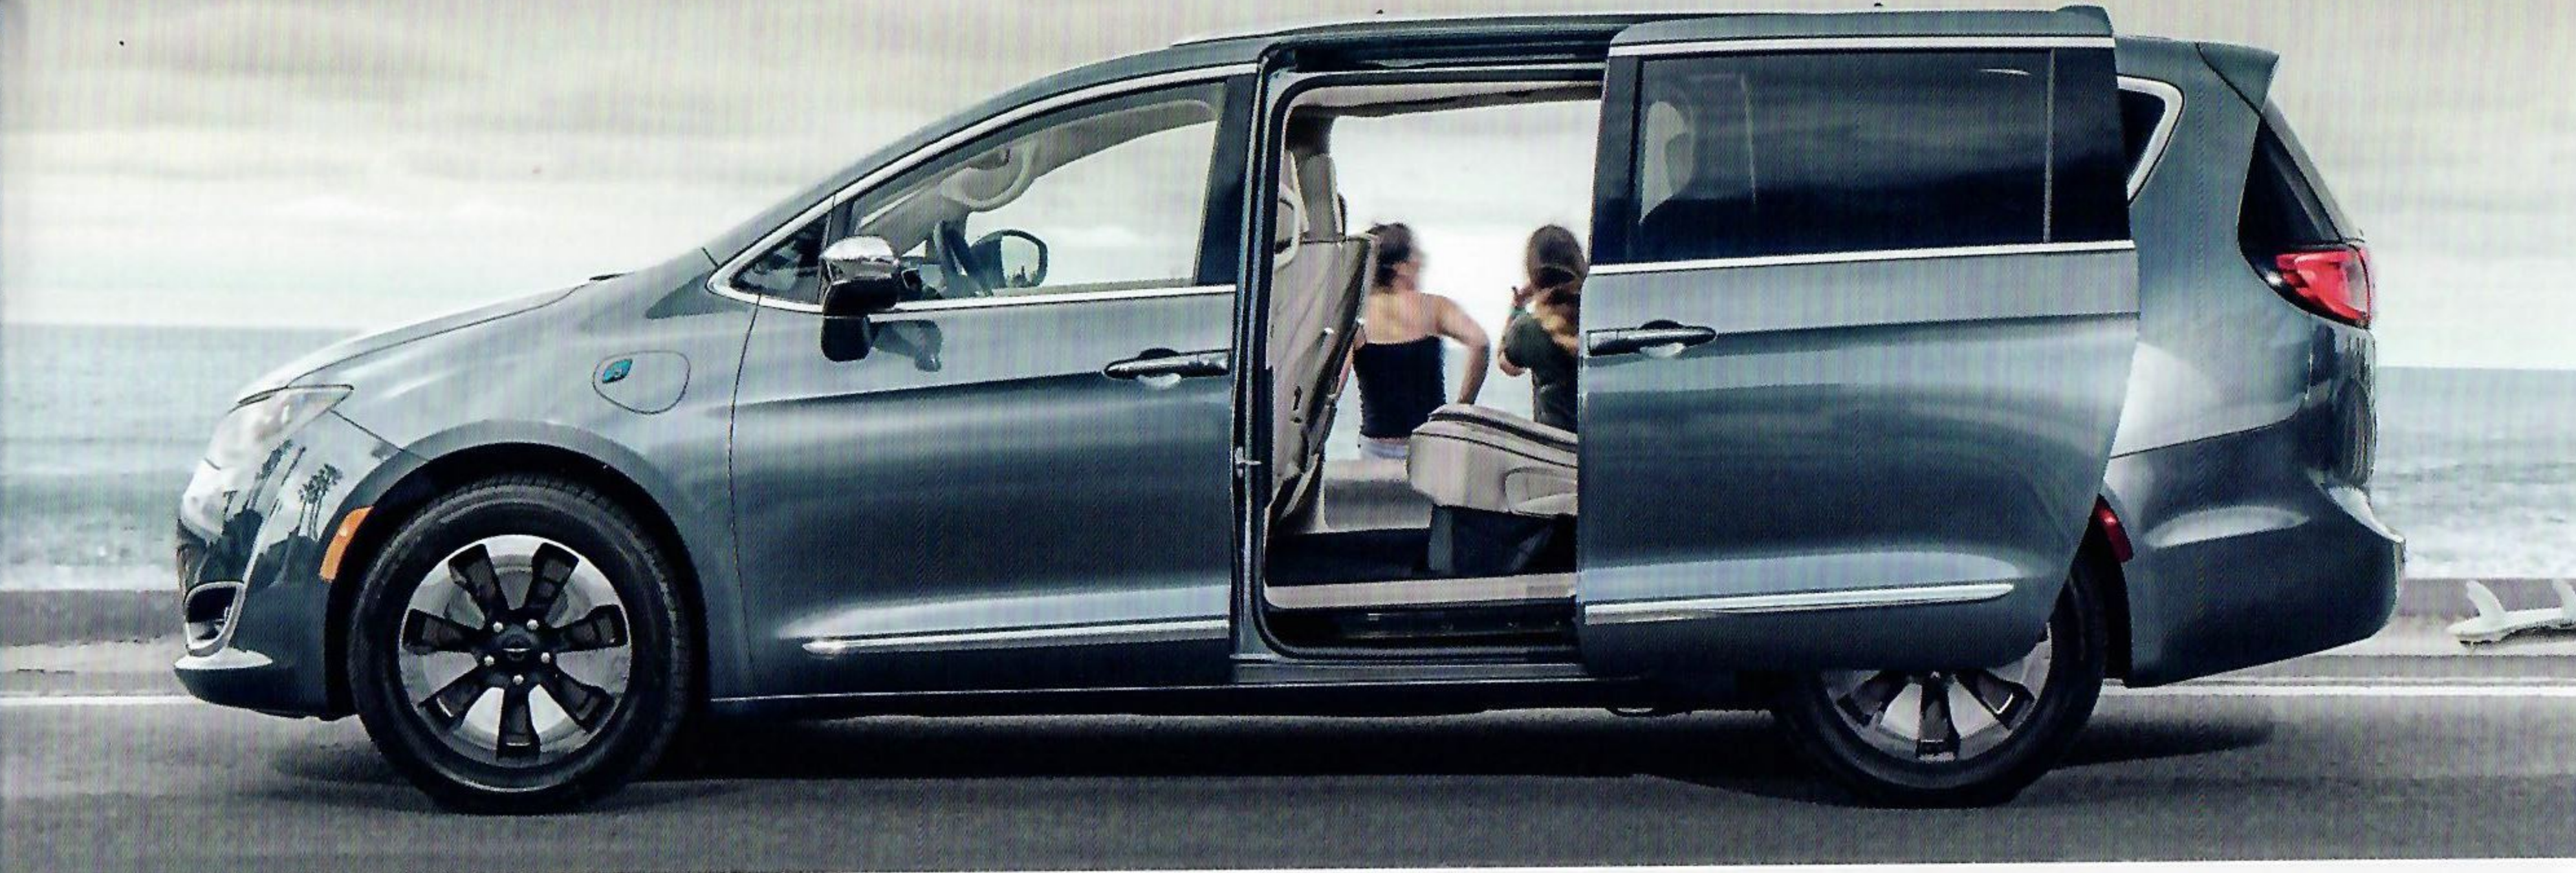

Let the sun in.

The spacious interior is visually expanded with the available Tri-Pane Panoramic Sunroof.

Properly secure all cargo.

The best road-trip minivan in its class.⁴

The Pacifica Hybrid includes seating for seven with easily removable² second-row Captain's Chairs and third-row Stow 'n Go[®] fold-in-floor seating and storage for an expansive, rear cargo volume. Occupants in all three rows will notice the abundant leg, shoulder and head room for a relaxing, comfortable ride.

300 — iconic form and fortitude.

This commanding full-size sedan with an authoritative, available V8 with 363 horsepower along with sculpted aerodynamics and premium interiors, makes 300 a benchmark for powerful luxury. The signature grille makes its DNA undeniable, bringing forth the bold shape and larger-than-life character that's always ready to perform and demand attention. It stands for premium engineering like an available advanced all-wheel-drive system, technology like automatic active safety features and leading-edge fuel efficiency, along with the distinctive design.

300C Platinum shown in Maximum Steel Metallic and 300S shown with S Model Appearance Package in Redline Red Tri-Coat Pearl.

(1) Based on available features and the latest available competitive information. (2) Be sure to follow all instructions in Owner's Manual for removal. (3) Based on the latest available competitive information and the FCA US LLC Premium Minivan segment. (4) Based on available features and the latest available competitive information and the FCA US LLC Premium Minivan segment. (5) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (6) SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription. If you decide to continue listening after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See the SiriusXM Customer Agreement for complete terms and more information at www.siriusxm.com. All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. (7) Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. (8) The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All vehicles should always wear their lap and shoulder belts properly. (9) Always check visually for obstacles prior to changing lanes. (10) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (11) This system is not intended to avoid collisions on its own, nor can FCW detect every type of potential crash. The driver must remain aware of traffic conditions and be prepared to brake and steer to avoid potential collisions at all times. (12) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (13) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (14) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint.
