FORD COMMERCIAL CONNECTION

FORD TRANSIT CONNECT

FLEXIBLE, EFFICIENT AND BUILT FORD TOUGH.®

No two businesses are exactly alike, but the Transit Connect works for all of them with incredible performance, power and versatility in a compact, nimble package. Throw in the reliability that's earned the Built Ford Tough badge, and you've found the van for your business.

Whatever you do, if you do it on the road, the versatile Transit Connect can be configured to help you increase your productivity.

Need to haul tools to a job site? Stock inventory for ever-changing customer needs? Make deliveries? Take your office with you? Transit Connect is what you've been looking for.

RUGGED SHELVING, DIVIDERS & DRAWERS

Adrian Steel offers a complete line of rugged storage and cargo management components to upfit your Transit Connect for your business needs.

From shelving and partitions in a variety of sizes and configurations to trade-specific accessories including tank racks, cable reel holders, vise mounts and tie downs, they have what you need to get the most out of your day at a job site or on the road.

Well into their 6th decade of providing well-designed and rugged cargo management solutions, Adrian Steel is synonymous with safety, productivity and attention to detail. For example:

- Ladder racks that are designed to help the user to save time and easily load and unload their ladders
- Portable storage that allows for fewer trips to and from the van
- Composite partitions that keep the cab temperature comfortable and reduce noise that may cause driver distractions

CAPACITY & EFFICIENCY

Dejana's Katerack Interior Shelving System was carefully developed to maximize storage space and provide easy access to tools and equipment. No more crawling into the van, or kneeling on an unseen object or tool; pull-out shelves bring everything in easy reach!

Flexible base-level packages can easily be combined with a variety of trade specific upgrades to meet a wide range of needs. Packages are available with two, three, or four heavy-duty pull-out shelves that can be easily adjusted. Additional 6" and 10" deep drawers, as well as a variety of drawer inserts and accessories can be added to keep things in place and organized.

And the Side Katerack package offers easy access to items from the driver or curbside doors. Katerack features include:

- Heavy-duty pull-out shelves that have a 300 pound weight capacity
- Patented design features infinitely adjustable 36" length shelves with easy-glide side rails
- Shelves feature one-handed, full width grab handle with double locking mechanism to keep shelves secure
- Package can be combined with front wall partition
- Modular shelving packages provide versatile storage systems for a wide variety of vocations
