ACCESSORIES AND GIFTS

PRESENTING A LEXICON OF SAAB
ENGINEERED ACCESSORIES FOR
THE HIGH PERFORMANCE
PLEASURE OF EVERY SENSE.

WHAT WE ENGINEER INTO EVERY
SAAB AT THE FACTORY MAKES IT
UNIQUELY OURS. WHAT YOU SELECT
FROM THESE PAGES WILL MAKE IT
DISTINCTIVELY YOURS.

BOSCH FOG LIGHTS—Provide additional visibility through the darkest night. Twice the beam width of regular headlights with replaceable bulbs.

SAAB LICENSE PLATE—Contoured to become one with your Saab.

SPORT AND RALLY HEADLIGHTS—Halogen quartz replacement lamps that brighten off-road rally situations. Off-the-road brilliance twice that of any standard headlights.

MOONROOF—Day or night, this removable snap-lock smoke-colored glass lets in the sky and lets out stale air. Install in cars without sunroofs.

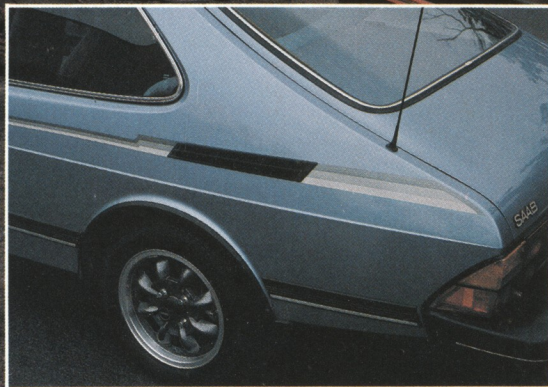

WIND DEFLECTORS—High-impact tinted acrylic blends with Saab styling to shield sunroof and side windows from glare, noise, and drafts; for maximum ventilation even in the rain.

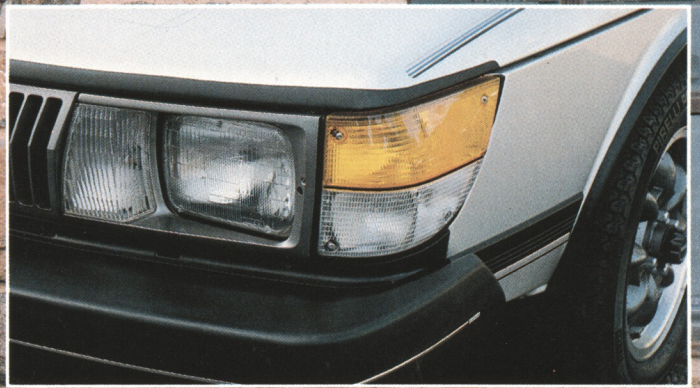

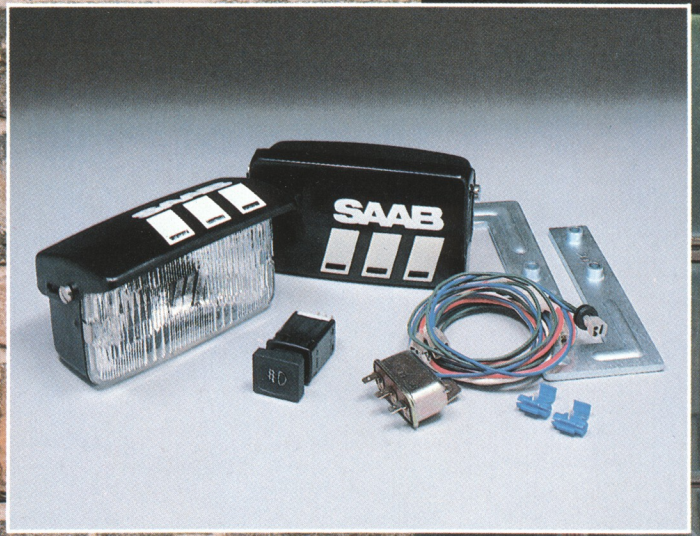

ACCENT YOUR SAAB'S INBRED POWER WITH ACCESSORIES THAT THRILL THE SENSES AT ANY SPEED.

REAR WINDOW LOUVER—Matte black aluminum shields window from glare and heat. Swings up for convenient cleaning. **WRAP-AROUND SPOILER**—Black polyurethane spoiler provides additional stability on the highway and accents the part of your Saab other drivers see most. **BUMPER AND REFLECTIVE STRIPES**—Add safety with self-adhering front (white) and rear (red) reflecting bumper stripes. **TURBO STRIPES**—imbue any Saab with high-reflectant, stylish Scotchlite® material. **ACCENT STRIPES** (insert) add the same brilliance to 3-door models. **SPORT AND RALLY SEAT COVERS**—Long wearing corduroy covers for the front and rear seats with contoured back supports for the front. **SPORT CONSOLE**—Use as a storage area or install optional gauges and adaptors as shown, in a cockpit-like instrument panel with built-in space for cassette storage boxes, stereo equipment, or other electronic options. **USHIO FOG LIGHTS**—Advanced engineering twin quartz halogen beams including attached flip-up covers, mounting hardware and illuminated dashboard switch. **HOOD PROTECTOR**—Travel protection against stone chips for this vulnerable hood section in black Scotchcal® that looks as good as it protects.

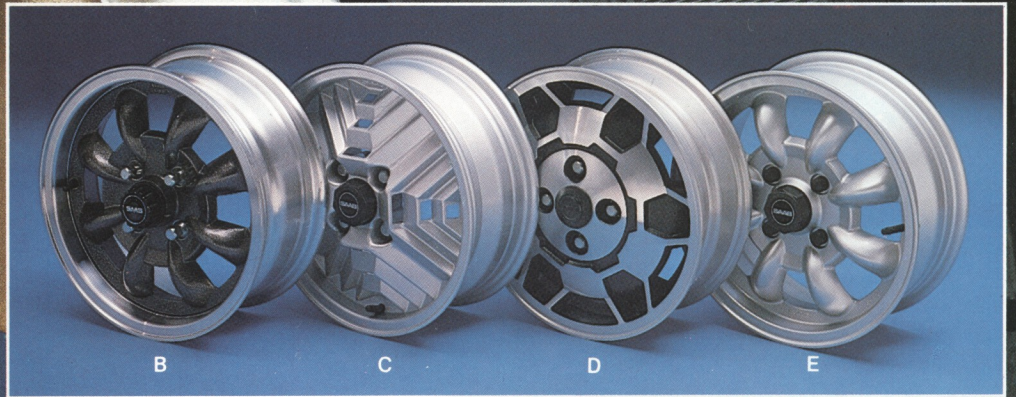

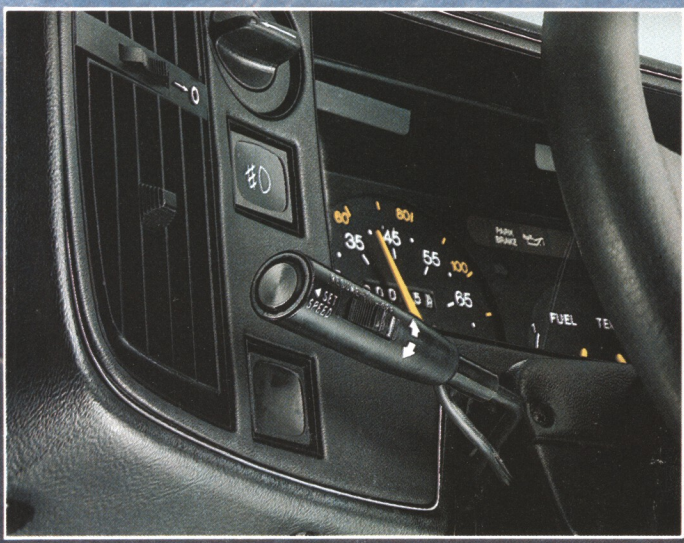

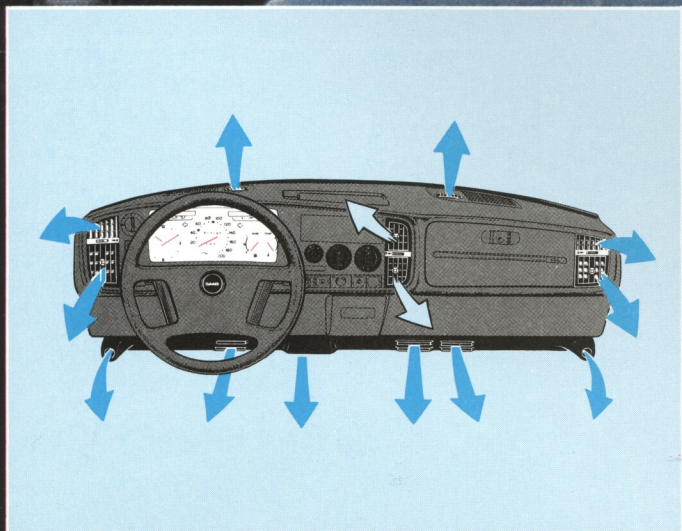

SAAB

TAKE A TURN FOR THE TRULY SPORTY WITH LIGHT ALLOY ALUMINUM WHEELS AND WHEEL ACCESSORIES.

SPORT WHEELS—Precision-cast, high-strength aluminum alloy in your choice of Shelby Metalux, in gold (A) or silver-vane (B), Inca (C), EMS (D) or Ronal Sport (E). **LOCKING LUG NUTS**—A smart addition to your sport wheels with chrome-plated protection. **INCA WHEEL COVERS**—Take any base line Saab and give its wheels customized styling for a very affordable price.

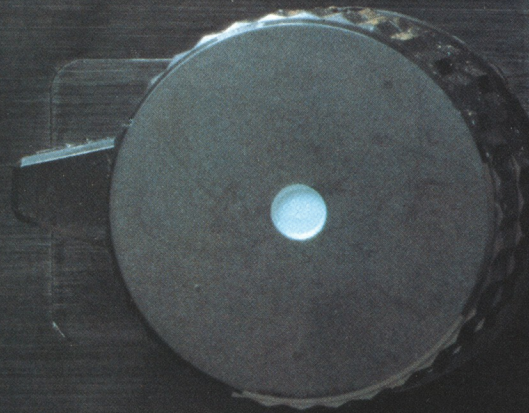

THE TOTAL IN-CAR ENVIRONMENT, GEARED TOWARD COMFORT AND AESTHETICS. PROVIDING A DRIVING ENVIRONMENT UNLIKE ANY YOU HAVE EVER EXPERIENCED.

SPORT STEERING WHEEL—The look and feel of leather is the sporty bond between you and the road. **SPEED CONTROL**—Relax and take in your Saab while this feature reaches and holds a pre-selected steady cruising speed. Reduces fatigue and contributes to greater fuel economy. **FLOOR MATS**—In color-coordinated deep pile carpets or easy-to-clean vinyl. Both feature reinforced heel pads and offer protection against nature's punishment. **AIR CONDITIONING**—Designed for the Saab 900 utilizing multi-outlet vents and fingertip multi-level cooling controls.

units drop into dash in minutes, to replace standard speakers with matched woofer and tweeter pairs. **SONY XS-43 REAR SPEAKERS (D)**—Advanced 3-way speaker system with 4" x 10" cone woofer, 2" cone mid-range and 1½" cone tweeter. **REAR SPEAKERS (E)**—Factory installed on Turbos, these speakers are available for 900S and 900 in 4" x 4" or 4" x 10" size configurations. **CASSETTE STORAGE BOXES (F)**—Utility containers that blend with the total in-car environment. **REAR SPEAKER WIRE KIT (G)**—

Makes an easy installation of 4" x 10" or sub-woofer speakers in the rear parcel shelf of any 3-door model. Quick-disconnect plug maintains effortless removability of the rear shelf. **WHIP ANTENNA (H)**—Flexible antenna that resists breakage and is powerful enough to complement any stereo system with unflinching performance. **HEAD CLEANER (I)**—Saab-style convenience in stereo cassette maintenance. Cleans tape head neatly, preserves high-performance sound and carries like any cassette.

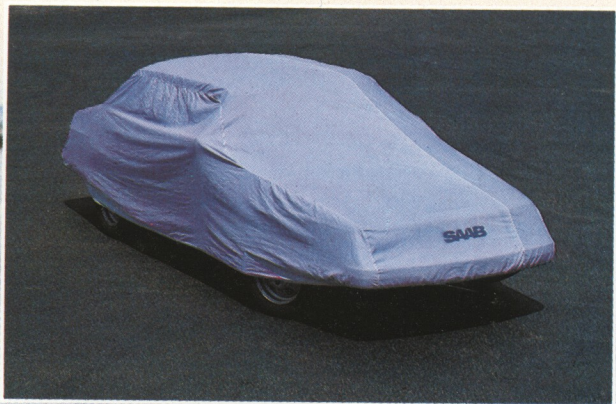

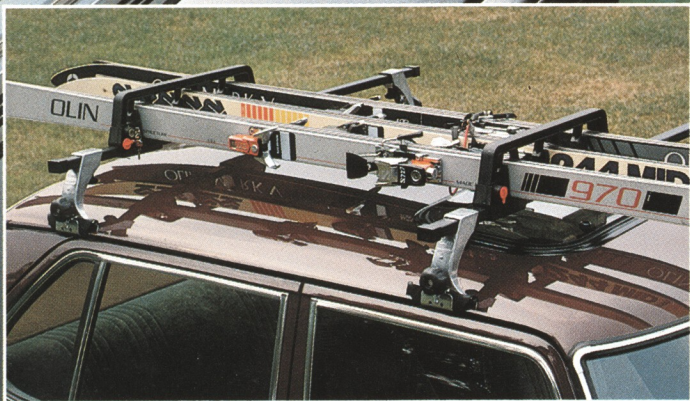

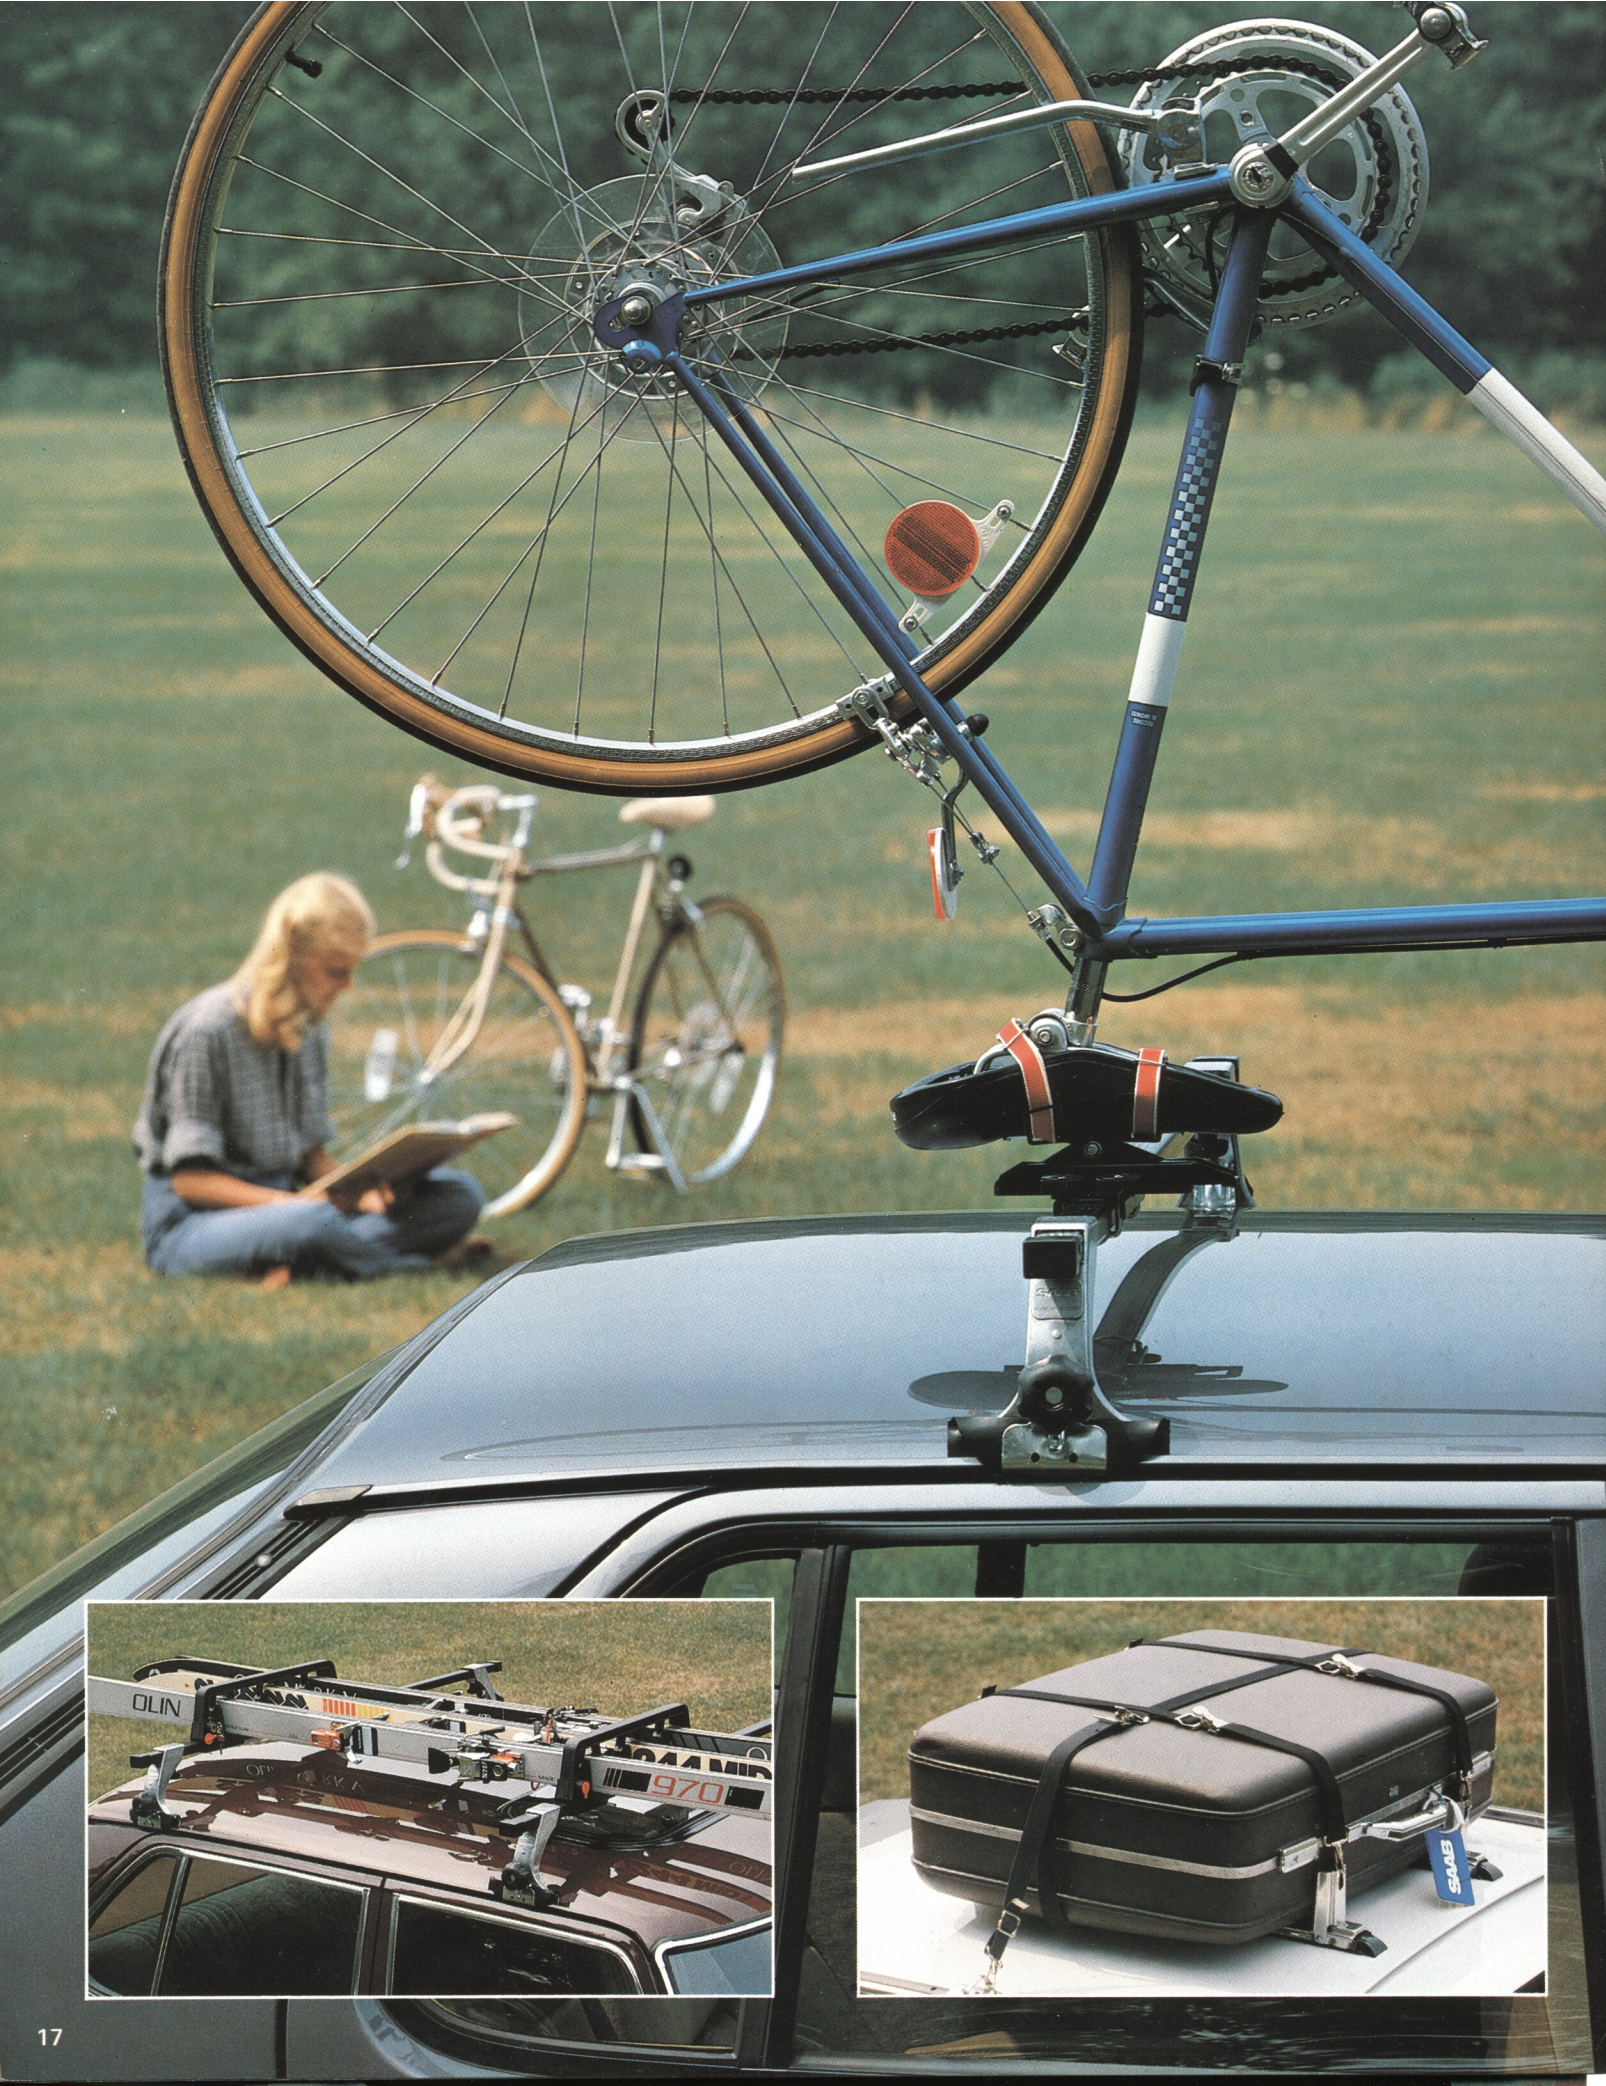

ACCENTS FOR SAAB OWNERS WHO WANT THE MOST UTILITY FROM THEIR VEHICLE.

TRAILER HITCH—A custom designed Saab hitch capable of handling loads up to 2000 pounds. **TOWING MIRRORS**—Easy to install mirrors add towing safety. **SAFETY NET AND CARGO MAT**—Woven steel net adapts readily to 3-door or 4-door models. Ideal as both cargo restrainer and travel pen for pets. The heavy rubber mat protects carpets and keeps cargo from sliding.

MUDFLAPS—Protection from flying debris. **AIR SPRING KIT**—Mounts inside rear spring coils and compensates for cargo weight. Adds driving stability when carrying or towing heavy loads. **CAR COVER**—Cotton cover slips easily over your Saab to help protect the finish. Customized with Saab logo.

THROUGH VERSATILITY IN DESIGN, SAAB CARRIER SYSTEMS ADAPT TO A VARIETY OF ROOF-TOP TRANSPORTATION REQUIREMENTS.

THULE ROOF CARRIER WITH BIKE RACK—Secures bicycle handlebars and saddle. Two bikes can be carried with an additional attachment. Locking knobs for the carrier and bike holder are also available. **THULE ROOF CARRIER WITH SKI RACK**—Special Thule attention to ski protection. Each rack secures 3 pairs of skis between lockable plastic bars. Holds up to six pairs when two attachments are used. **MAGIK-RAK CARRIER**—Four stainless steel contoured fastening rails provide durable, versatile carrying capability. Attachments for bikes, skis, luggage and more. **THULE ROOF CARRIER WITH SKI BOX**—Special care for your investment in skis or other valuable equipment is provided by this lockable, vacuum-formed, sturdy, aerodynamically styled container. **THULE RACK WITH BULK CARRIER**—Added cargo flexibility for extended trips. End rungs shift upward to cradle cargo or luggage and lie flat when securing longer loads.

SAAB ACCESSORIES GEARED TO THE SERIOUS DRIVER WHO TRAVELS PREPARED FOR ANY EVENTUALITY.

WARNING TRIANGLE—Reflecting 17" triangle warns oncoming motorists at a distance. Stores flat in its case, unfolds in seconds. **RAIN JACKET**—Keep dry and visible in this bright yellow, Saab emblazoned jacket. **TROUBLE LIGHT**—Plugs into the cigarette lighter and fastens to the car by magnet. Five watts throw valuable light on troubled areas. **GAS CAN**—Carry this 1.3 gallon can empty and secured by its belt in a holder in your luggage compartment storage well. **TRUMPET HORNS**—Tuned triple air horns that add class to your arrival and importance to your warning. **FIRST AID KIT**—A complete assortment of first aid essentials in a padded vinyl pillow pouch. **LOCKING GAS CAP**—Cap can be left unlocked if desired and

comes with an extra key. **SAAB-GUARD ALARM**—Releases an ear splitting alarm signal upon intrusion into doors, trunk or hood. Optional pocket pager is available. **TIRE GAUGE**—Maintain safety and good mileage with an accurate reading from this easy-to-use gauge. Plastic storage case included. **RADIAL TIRE CHAINS**—Heavy duty chains of tough, flexible steel cable mount easily for added ice and snow traction. **WINDSHIELD WASHER HEATER**—Another unique convenience. Adds to melting capacity of defroster while cleaning window.

TAKE THE SAAB FEELING OFF THE ROAD AS WELL WITH CUSTOMIZED SAAB SPORTSWEAR.

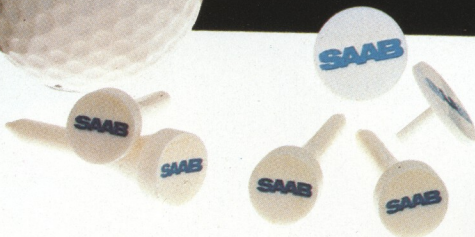

TENNIS SHIRTS—Great looking even if tennis isn't your racket. Turbo or Saab insignias for the owner of a turbo-charged car and serve. **RALLY JACKETS**—Great looking Saab jackets with polyester filler, water resistant nylon shell and zipper pockets. Saab or Turbo emblems. **SAAB WINTER VEST**—Quilted nylon shell filled with light, warm polyester.
