

PORSCHE

Tequipment Cayman

Accessories for the new Porsche Cayman models

Tequipment

Why stop at defying convention when you can completely redefine it?

A striking design. Uncompromising driving dynamics. Close to the road, yet far from conventional. The Porsche Cayman is a mid-engine coupe with a personality all its own. Few vehicles can match its pure sports-car experience. After all, it's a Porsche—an authentic, race-bred sports car for which there is no substitute.

The Porsche Tequipment range of accessories is developed with as much dedication as the car itself. Tequipment parts are not just individual accessories—they are part of a harmonious overall design. Your Cayman.

Each component not only has to be visually appealing—it also has to be technically compatible. This is why all model-specific products in the Tequipment range have been developed, tested and formulated with the complete

vehicle in mind, by the same Porsche engineers and designers who built your car.

All of this takes place primarily at the Porsche Development Center in Weissach, Germany—from design through to launch. Every product undergoes exhaustive testing throughout its development to ensure optimal performance and durability. Not to mention satisfying the world's most stringent quality guidelines and standards.

Among the highlights of this range of accessories is the Cayman Aerokit. It emphasizes the car's stylish coupe silhouette perfectly. The Cayman is even more assertive, and even more dynamic. Its aerodynamic efficiency has been enhanced even further without affecting the impressive drag coefficient. After extensive wind-tunnel testing, the

result is the perfect balancing of the Cayman by fine adjustment of the aerodynamic wheel loads. Driving stability and agility have been further increased, as has driving pleasure.

There is no substitute for a Porsche. But, with Tequipment, there are substitutions to account for individual tastes that veer from the norm. Just like a Cayman.

Whichever Tequipment products you ask your authorized Porsche dealer to fit, one thing remains unchanged: your original vehicle warranty.

You can find out more about the Porsche Tequipment range at **porsche.com**.

Exterior

A Cayman may not conform, but it will meet your expectations. Before it surpasses them.

A stunning coupe silhouette with a powerful, imposing look. The Cayman meets the highest of demands—not just aesthetically, but also in terms of dynamic driving performance. With the

Porsche Tequipment range of accessories, you can make your Cayman look as dynamic as it drives.

Cayman Aerokit

Cayman Aerokit

Porsche engineers are obsessed with finding dynamic solutions for improving track performance. One example is the Cayman Aerokit. Optimized in the Porsche wind tunnel, it improves aerodynamics and reduces lift coefficients on both axles. Newly styled front spoiler lips and a fixed rear spoiler deliver a more

stable driving experience—while giving your Cayman a more aggressive appearance.

Part no. 987 044 802 09

Please note that the ground clearance is reduced. Front spoiler lips and rear spoiler may not be fitted separately.

Rear apron grilles

What a difference a single detail can make—grilles with GT Silver Metallic paint finish on

both sides of the rear apron give the Cayman race-inspired design cues.

Part no. 987 044 802 10

Cayman Aerokit

Rear apron grilles

Side strips with model designation

Side strips with model designation

One of the first models with the decorative logo on the side was the legendary 911 Carrera RS 2.7 in 1972. This original lettering now adorns the flanks of the 911 GT3 RS models. Why not be part of the legend?

Side strips with model designation available in selected colors.

Cayman logo. Part no. 987 044 802 52
Cayman S logo. Part no. 987 044 802 53

Exterior trim package in Aluminum-Look

This package consists of front air-intake grilles (left/right) and side air-intake grilles. All parts come painted with a matte Aluminum-Look finish and emphasize the striking lines of the Cayman.

Part no. 987 044 802 13

Front spoiler lips in Aluminum-Look

These Aluminum-Look front spoiler

lips lend added sporting style to the front appearance of the Cayman.

Part no. 987 044 802 11

Exterior mirror lower trim in Aluminum-Look

Like you, we pay maximum attention to every detail. That includes individual touches such as the matte Aluminum-Look trim on the lower section of the exterior mirror covers.

Wheels

Do you find these wheels a bit unconventional? How fitting.

From one of the most common metals on earth, Porsche engineers have forged uncommon combinations of fashion and function. Equipment aluminum alloy wheels offer looks that turn heads—and performance that astounds at every turn, thanks to a race-inspired combination of

light weight for added agility and aerodynamic spoke designs that aid in brake cooling.

19-inch Carrera Sport wheels with summer performance tires

This classic 10-spoke alloy design has wider dimensions at the front and rear (8.5 and 10 inches, respectively) for a larger contact patch. As well as enhancing the

car's presence on the road, this provides better traction, grip and driving dynamics. The visual effect is further augmented by the center spokes in GT Silver Metallic, and a high-gloss polished outer rim.

19-inch Turbo wheels with summer performance tires

A forged aluminum alloy design optimizes this lightweight 5-spoke

19-inch Carrera Sport wheels with summer performance tires

wheel's strength and weight. The distinctive two-tone paint finish further accentuates this modern, performance-oriented styling.

19-inch Turbo wheels with summer performance tires

19-inch SportDesign wheels with summer performance tires

**19-inch SportDesign wheels
with summer performance tires**

Sporting a multispoke design that recalls the lattice-effect wheels of our 956 Le Mans prototypes, this 19-inch wheel celebrates the beauty of wire wheels used in the golden age of sports-car racing. Like every SportDesign wheel, it's rendered in modern materials and sizes.

**19-inch SportDesign wheels
in black high-gloss finish
with summer performance tires**

An eye-catching black high-gloss finish lends this classic racing design a dynamic flare. The black wheel centers call attention to the colored Porsche Crest adorning each 19-inch wheel.

**19-inch Carrera Classic wheels
with summer performance tires**

A modern interpretation of the classic Porsche 5-spoke motif, this wheel echoes themes drawn from our Carrera GT supercar, with an open design that reveals (and cools) the black brake calipers of the Cayman.

**19-inch Carrera S II wheels
with summer performance tires**

True rolling technology, the 5-spoke, 19-inch Carrera S II wheel evokes the purposeful shapes of pure racing wheels. Five intricate, aerodynamic spokes project an authentic sense of functionality.

19-inch SportDesign wheels in black high-gloss finish with summer performance tires

19-inch Carrera Classic wheels with summer performance tires

19-inch Carrera S II wheels with summer performance tires

18-inch Cayman S II wheels with summer performance or winter tires

**18-inch Cayman S II wheels
with summer performance or
winter tires**

When fitted with winter tires, these one-piece 5-spoke alloy wheels ensure excellent traction in adverse weather conditions.

**18-inch Boxster S II wheels
with summer performance or
winter tires**

In summer or winter, these 18-inch wheels with five closed twin

spokes are a perfect fit for the sporting nature of the Cayman.

**17-inch Cayman II wheels
with winter tires**

The alluring new design of these 5-spoke wheels offers equally alluring traction, even at low temperatures, when fitted with winter tires.

**17-inch Boxster III wheels
with winter tires**

This one-piece alloy wheel features a striking design comprised of five dual-arm spokes. Provides excellent cold-weather traction in conjunction with winter tires.

See pages 16 and 17 for wheel and tire specifications.

¹ Compatible with optional 5mm spacers on front and rear axles, to widen the track.

² Not available for Cayman S.

³ Winter tires to a maximum of 149 mph.

If you are unable to identify the correct wheel and tire specifications for your Porsche, please consult your authorized Porsche dealer.

Note: The wheel hub covers shown (except for the 19-inch SportDesign wheels in black high-gloss finish) are not supplied. All tires fitted are designed exclusively for Porsche, as indicated by the special Porsche designation (NO, N1, etc.) on the sidewall. Tires that do not carry this designation are not recommended for use on your Porsche.

Snow chains

Snow chains

Specially designed for Porsche, our snow chains feature ultra-fine links that minimize the adhesion of ice and snow on your tires.

Not compatible with wheel spacers.

Snow chains for tire size 235/50 R 17:
Part no. 996 361 922 00

Snow chains for tire size 255/40 R 18:
Part no. 996 361 921 00

Anti-theft wheel protection

Set of four steel bolts or two

aluminum nuts for alloy wheels; with highly secure locking system.

Part no. 997 361 057 02

For vehicles with 5mm spacers.
Part no. 997 361 980 10

Crested valve caps

Set of four valve stem caps, each topped by an embossed Porsche Crest. Include silver-finish sleeves.

Without TPMS.
Part no. 000 044 600 00

With TPMS.
Part no. 000 044 602 15

Wheel centers

The perfect finishing touch for any Cayman wheel—a set of wheel center caps with full-color Porsche Crest.

Set of four: Part no. 955 044 600 10

For 19-inch Carrera Sport wheel in GT Silver Metallic.
Set of four: Part no. 997 044 600 10

For 19-inch Turbo wheel with monochrome Porsche Crest.
Set of four: Part no. 997 044 600 17

For 19-inch SportDesign wheel in a black high-gloss finish with full-color Porsche Crest.
Set of four: Part no. 997 044 600 47

Spacers

Wheel spacers create a wider track for enhanced stability and presence on the road. When fitted, your Cayman will look even sportier, as the wheels run virtually flush with the body of the car.

Not suitable in conjunction with 19-inch Carrera Sport wheel or snow chains.

Part no. 000 044 450 09

Performance

On paper: more than impressive.

At speed: more than ideal.

Two seats. Four wheels. Six horizontally opposed cylinders. One unequivocal result: a mid-engine performance machine powerful enough to uphold a unique legacy of excellence. And versatile enough to allow for your own unique enhancements.

Sport bucket seat

Sport bucket seat

Tequipment offers sport bucket seats that hold you comfortably and securely in place as you exploit the razor-sharp handling in corners. A folding backrest offers easy access to the rear luggage area. The backrest shell is a plastic reinforced with glass fiber and carbon fiber. Comes in black leather with embossed Porsche Crest on the headrest, or in black flame-resistant material. Integrated thorax airbag and manual fore/aft adjustment.

Child restraint systems must not be used with sport bucket seats.

Leather/left: Part no. 997 044 805 05 FLC
Leather/right: Part no. 997 044 805 06 FLC

Cloth/right: Part no. 997 044 805 12

Sport exhaust system

The standard Porsche flat-six engine has a powerful acoustic presence. Better still, it can be enhanced with our dual-mode sport exhaust system. The sound depends on your style of driving, ranging from standard output during normal road driving to a more aggressive tone during high-

performance use. Modes are selected using a button on the center console. Stainless-steel tailpipes with a hard chrome-plated finish are also included in this package.

Some models may require additional components. Refer to Cayman Tequipment technical information for details.

Introduction planned for 08/2009.

Part no. 987 044 200 02

Sport tailpipe

A distinctive stainless-steel twin tailpipe with polished nanocoat

finish gives a sporty look to the rear of your Cayman.

Introduction planned for 08/2009.

Part no. 987 111 258 30

Short Shifter

This short-throw mechanism provides faster, more accurate gearshift action and a more dynamic sports-car experience. Compatible with all gear lever options from Porsche Tequipment.

Note: Gearshift action may be slightly restricted when vehicle is started from cold.

Part no. 997 424 983 00

Fuel filler cap with Aluminum-Look finish

Inspired by our racing heritage, this gas cap is modeled after those from historic race cars. Features include an engraved Porsche logo and a securing tether.

Interior

Advanced ergonomic designs.

Intricate surfaces that reward your tactile senses.

Life is different inside a Cayman.

From the very first glance, you just know the Cayman is a Porsche. That same sense of intuition is felt inside the cockpit. Here, everything is functional and stylish—a logical continuation of the exterior.

The interior presents the ideal opportunity to express your own personal taste. We have a range of elegant, high-quality materials to help you, including Makassar wood, Carbon Fiber, aluminum or Alcantara®.

Carbon Fiber interior

Makassar

Makassar ebony is dark and distinctive with a modern, elegant look. The deep black heartwood has irregular reddish-brown streaks and a dramatic, marble-like texture.

Carbon Fiber

Carbon Fiber is a light, highly durable material whose origin hails from the world of motorsport. Its high-tech look adds a performance look and feel to the car's interior.

Aluminum

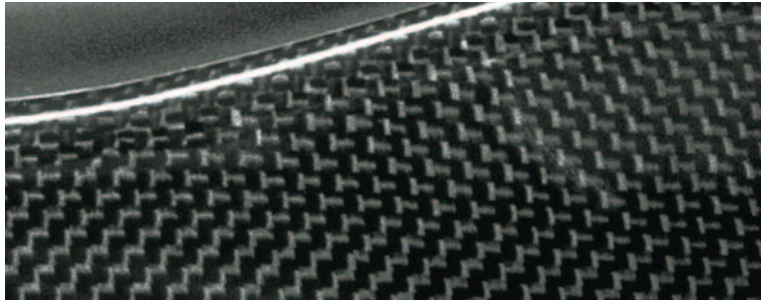

Aluminum or Aluminum-Look is a cool, elegant material that also reflects a classic motorsport heritage.

Alcantara®

This high-quality material is easy-care, washable and has a pleasant feel.

Audio and communication

Completely plugged in.

Perfectly in tune.

Equipment communication and audio components are carefully matched to the Cayman's interior ergonomics, offering enough options to turn your Porsche into a digital entertainment center. Never before has intelligent communication been so important as it is today, ensuring you stay on

time and in touch—wherever your journeys take you.

Electronic logbook for PCM*

The electronic logbook enables automatic recording of mileage, route distance, time and date, starting point and destination as part of every journey. Once you have downloaded the logbooks from the PCM via Bluetooth® or

the optional USB interface, you can evaluate the data on your PC using the software supplied.

Part no. 955 044 900 29

Voice-control system for PCM*

Almost all of the functions of PCM can be controlled using the latest optional voice-control system. Each menu item is read aloud exactly as it is displayed

Electronic logbook for PCM

on the screen and the voice-control system recognizes the commands or number sequences, irrespective of the speaker. It gives audible feedback and guides you through the functions. There is no need to “train” the system. Phone book entries can be retrieved, a radio station selected, or the navigation destination entered directly by

speaking whole words, rather than dictating one letter at a time.

Part no. 997 044 902 36

*Only in conjunction with PCM.

Universal audio interface

Universal audio interface*

This is integrated into the storage compartment in the center console and provides three connections: one for an iPod®, one for a USB flash drive, and an AUX interface for connecting any compatible audio source of your choice. The iPod® or USB drive can be conveniently controlled using PCM with the multifunction

steering wheel or the voice-control system.

Part no. 987 044 902 34

Bluetooth® hands-free phone interface*

To enable Bluetooth® connection for those mobile phones that support the Hands-Free Profile (HFP), an optional hands-free phone interface is available.

With HFP, the PCM acts as a hands-free system. The mobile phone can remain tucked away, and PCM can be used to control functions of the phone.

Part no. 987 044 902 33

*Only in conjunction with PCM

Bluetooth® hands-free phone interface

Transport and car care

Leave nothing behind.

The Cayman is not only one of the most seductive sports cars on the road today, but one of the most practical as well. Its mid-engine layout lends itself to having two luggage areas. And for those occasions when you simply need

more, Tequipment responds with a unique Roof Transport System developed especially for the Cayman—one offering the kind of freedom only a genuine sports car can provide.

Porsche child seat

Child seats

Unique design. Intelligent safety concept. Maximum comfort. Everything that applies to your Porsche also applies to Porsche child seats. They are stylish and ergonomically designed to provide a sporty driving experience for all ages.

Porsche child seats

Porsche Tequipment offers a full range of comfortable child seats with optimal freedom of movement. Designed specifically for Porsche sports cars, Porsche child seats cover passengers from newborn to 12 years of age. The fabrics are breathable and easy to clean, with a removable and washable

cover. The Porsche child seats can be fixed conveniently and safely on the passenger seat by using the special Porsche Child Seat Fastener System. For increased safety, the Porsche Baby and Porsche Junior Seats have an independent five-point belt system.

Child Seat Fastener System

The Child Seat Fastener System for the passenger seat includes fastening loops and lower anchorage points for mounting between the seat surface and backrest, as well as a key switch for deactivation of the passenger airbag. The passenger airbag must be deactivated when carrying children weighing less than 59 pounds (for U.S. and Canada).

Part no. 997 044 800 15

Note: To avoid risk of injury from deploying airbags, never place a child age 12 or under in a front seating position without a dealer-installed airbag deactivation device.

Deactivating the front-passenger airbag

Child-seat preparation for front passenger seat

Child seats	Model	Group	Weight	Age
	Porsche Baby	0+	0–29 lbs (0–13 kg)	Up to approx. 18 months
	Porsche Junior	1	20–40 lbs (9–18 kg)	From approx. 9 months to 7 years
	Porsche Junior Plus Seat	2 + 3	33–80 lbs (15–36 kg)	From approx. 3½ to 12 years

A child's safety seat may be used on the front-passenger side for children up to 59 lbs. Original Porsche safety seat attachments must be fitted. Child restraint systems must not be used with sports bucket seats.

Roof transport system

Roof transport system

This flexible design carries a payload of up to 165 pounds and can be combined with a wide range of attachments. Rugged security caps and locks on all carriers provide optimal anti-theft protection.

Rear hatch opening may be partially reduced when carrying longer roof loads (e.g., roof box).

Part no. 987 801 105 00

Ski/snowboard carrier

Two versions are available: one for up to four pairs of skis or up to two snowboards, and one for up to six pairs of skis or up to four snowboards.

Part no. 955 044 000 24

Bike carrier

Lockable carrier for standard adult bikes up to a maximum frame-tube diameter of 3 3/8 inches. Up to three

bike carriers can be mounted on a single Roof Transport System.

Part no. 955 044 002 66

Roof box

A lockable plastic enclosure with an integrated ski-holder system provides an additional 10.9 cubic feet of storage capacity. Can be opened from either side of the vehicle. Dimensions: L 89" x W 22" x H 15"

Part no. 955 044 000 47

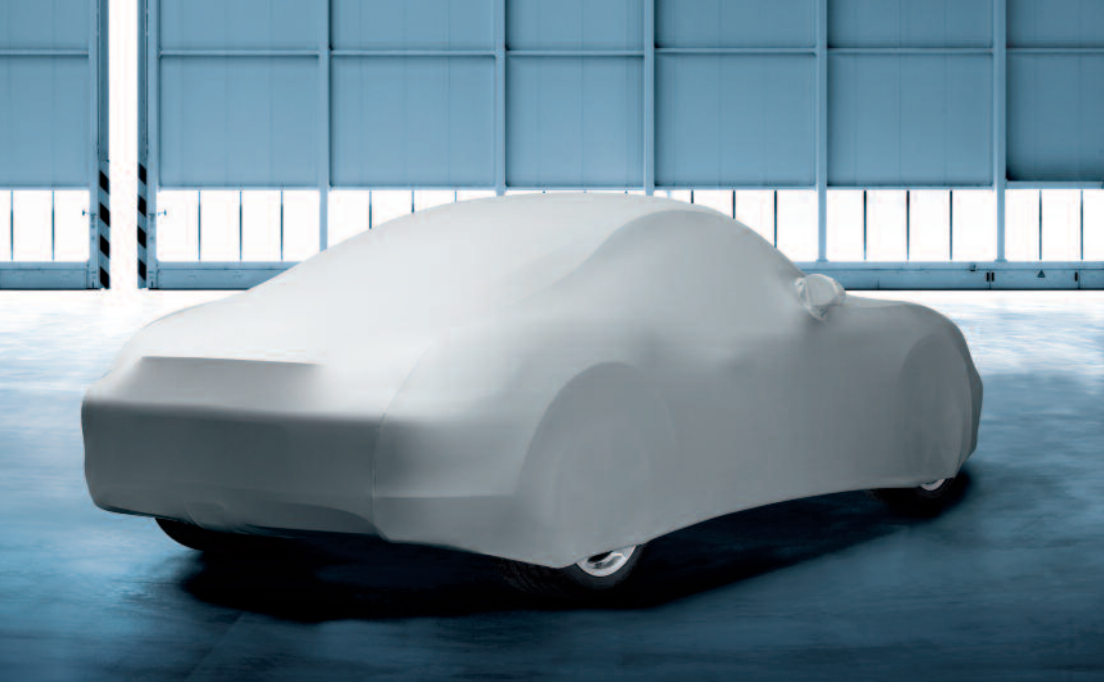

Ski/snowboard carrier

Bike carrier

Roof box

Indoor car cover

Indoor car cover

Tailored indoor cover made from breathable, antistatic and dirt-resistant fabric. With full-color Porsche Crest and logo.

Only for vehicles without Cayman Aerokit.

Part no. 987 044 000 12

Outdoor car cover

Water-repellent outdoor cover in silver fabric with color Porsche Crest and logo. Tailored to the

contours of the Cayman, it offers excellent protection against a range of weather conditions—including strong sunlight—and includes anti-theft protection.

Only for vehicles without Cayman Aerokit.

Part no. 987 044 000 11

Luggage partition

Easy to fit, this robust partition grille prevents luggage from

sliding forward into the passenger compartment.

Part no. 987 044 000 07

Luggage net

Secure smaller items at the rear of the vehicle with this handy luggage net. Attaches to four lashing eyelets on the engine cover or in the rear luggage compartment.

Part no. 987 551 339 00

Cargo liners

Waterproof and washable, these made-to-measure liners protect the front and rear luggage compartments from moisture and dirt. The handles on the front liner make it ideal for transporting groceries or sports equipment to and from the car.

Front. Part no. 997 044 000 04

Rear. Part no. 987 044 000 03

Outdoor car cover

Luggage partition

Refill bottle.
Part no. 999 901 066 40

Porsche Charge-O-Mat II

Battery charger with charge maintenance and monitoring function.

Adapter required for vehicles without cigarette lighter.

Part no. 955 044 900 54

Car-care case (Coupe)

High-grade aluminum attaché-style case contains car-care products approved for your Porsche.

Includes shampoo, wax, glass cleaner, leather cleaner and

conditioner. All products are available separately.

Part no. 000 044 000 89

Ice scraper

This telescoping aluminum ice scraper is an ideal accessory for winter climates. The handle extends to 21 inches and includes an integrated rubber lip for removing moisture and snow.

Part no. 955 044 000 02

Interior care kit

Contains a selection of premium cleaning products, including velour cleaner, leather cleaner and conditioner, glass cleaner and synthetic surface polish.

Part no. 955 044 000 78

Porsche Charge-O-Mat II

Car-care case (Coupe)

Rechargeable flashlight

This compact design features a fold-out magnifying glass. The flashlight can be recharged using the car's cigarette lighter.

Part no. 000 044 900 79

Ice scraper

Tool kit

A selection of tools for home and car use, packaged in a high-quality leather case.

Part no. 955 044 000 01

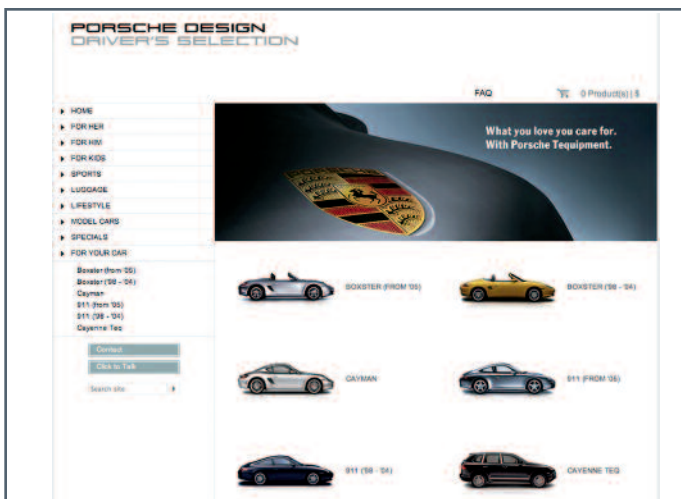

Interior care kit

Rechargeable flashlight

Tool kit

Gift box: We will place items in a Porsche Design gift box for an additional \$5 per two items. Some items may be too large for gift packaging, but we can include a gift message with any order.

Can I return an item I ordered? Yes.

We guarantee your satisfaction with all merchandise purchased at Porsche Design Driver's Selection Online Shop. Items may be returned for a refund of the purchase price, less shipping and handling fees, to our PCNA Selection Return Processing Center. Porsche Tequipment items purchased from any other retailer must be returned to that retailer. Please contact 1-800-PORSCHE for directions when returning merchandise purchased from the Porsche Design Driver's Selection Online Shop.

Returns/exchanges: Simply return your item to us within 90 days of purchase, with the reason for the exchange/return noted on the back of your packing slip. Ship via insured carrier to us at the address on your packing slip. We will exchange your order, or credit the value of the merchandise and any taxes you were charged. For further information, contact us at 1-800-PORSCHE.

*Ordering from the Porsche Design Driver's Selection Online Shop is not available in Canada.

Ordering Information

Order Toll-Free 1-800-PORSCHE

8 a.m.–midnight ET, Monday–Saturday

Internet: If you live in the United States, order from our Web site at www.porsche.com/shop.

Phone: Call 1-800-PORSCHE (1-800-767-7243) 8 a.m.–midnight ET, Monday–Saturday. We accept Visa, MasterCard and American Express.

Shipping: Orders for in-stock merchandise will be shipped within two business days of receipt of your order. Not all in-stock items will necessarily ship together. If we are out of stock when your order is received, you will be notified of our expected ship date. Your credit card will not be charged until your item is shipped.

Delivery: A shipping and handling fee will be charged per delivery address for all orders shipped within the continental USA. Our standard shipping is UPS Ground. Bulky or heavy items may require additional charges. For quotes on expedited shipping and deliveries to Alaska, Hawaii and Puerto Rico, please call Customer Service at 1-800-PORSCHE.

Sales tax: We are requested by law to collect sales tax for all purchases shipped to addresses in most states. Refer to the packing list enclosed with your order for the actual amount. If you have any questions, please call Customer Service at 1-800-PORSCHE.

Porsche Financial Services

Competitive, convenient and carefully crafted financing options can be customized to meet your needs. Ask your certified Porsche Sales Consultant for details.

Porsche Approved Pre-Owned

Only the best Porsche cars earn the right to be called "Certified." A meticulous 111-point inspection, a 2-year or 50,000-mile Limited Warranty, and 24-hour Roadside Assistance make this program one of a kind. Contact your Porsche dealer for details.

Porsche Exclusive

Realize your vision of the perfect Porsche with our factory customization program. From styling enhancements to performance upgrades, all modifications are uniquely handcrafted for your Porsche.
